ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On July 1, 2003, Municipal Mortgage & Equity, LLC (NYSE: MMA), known as MuniMae, completed its acquisition of the Housing and Community Investing (HCI) unit of Lend Lease Real Estate Investments, a subsidiary of Australia-based Lend Lease Corporation Limited (ASX: LLC), for a purchase price of \$102 million in cash. MuniMae contributed the assets of HCI to MMA Financial, LLC, MuniMae's wholly owned operating subsidiary. MMA Financial manages investments in real estate totaling \$7.4 billion, representing approximately 220,000 apartment units. According to the National Multifamily Housing Council, MMA Financial is currently the fourth largest owner of apartments in the United States. Through the integration of HCI's affordable housing tax credit syndication operation into MuniMae's existing operations, MMA Financial becomes one of the nation's largest players in the affordable housing industry.

HCI provides equity financing for a wide range of affordable housing developments across the country. Developments include new construction, substantial rehabilitations, and revitalizations of public housing. HCI structures and manages low income housing tax credit investments for corporate

investors. As a syndicator of tax credits, HCI sources and acquires deals from developers, structures the investments and manages the assets in the investment for the 15-year holding period. MMA Financial has 147,350 tax credit units under management.

To finance the transaction, MuniMae drew from an 18-month, LIBOR-based acquisition facility in the amount of \$120 million from RBC Capital Markets. The amount of consideration paid was determined pursuant to arms-length negotiations between the parties.

The foregoing description of the acquisition is qualified in its entirety by reference to the full text of the Purchase and Sale Agreement, a copy of which was filed as Exhibit 2.1 to the Company's Report on Form 8-K filed on July 10, 2003 and which is incorporated by reference herein.

ITEM 7. FINANCIAL STATEMENTS AND EXHIBITS.

- (a) Financial Statements of business acquired.

No financial statements of the business acquired are required to be filed with this report.

NOTES TO PRO FORMA COMBINED FINANCIAL STATEMENTS

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form 8-K/A

NOTE 1 - The pro forma combined balance sheet as of June 30, 2003 has been prepared to reflect the acquisition of the Housing and Community Investing ("HCI") unit of Lend Lease Real Estate Investments for a purchase price of \$102 million in cash. Pro forma adjustments assume a transaction date of June 30, 2003 and are made to reflect the following:

(a) Borrowings totaling \$120 million under a bank line of credit to finance (i) the \$102 million cash purchase price, (ii) \$3 million in capitalized advisory fees and other acquisition related costs and (iii) \$15 million to pay debt issue costs, to finance various integration costs and to finance HCI's capital needs until permanent financing is arranged.

(b) (i) Exclusion of balance sheet items representing HCI assets and liabilities not acquired by the Company; (ii) recording the net assets acquired at estimated fair value at the acquisition date; (iii) recording identifiable intangible assets and (iv) recording the excess of acquisition cost over the fair value of the net assets acquired and identified intangibles as goodwill. The allocation of the purchase price is as follows:

(in thousands)	Historical Cost	Purchase Adjustment
	-----	-----
Notes receivable	\$ 62,683 (i)	\$ (62,683)
Investment in partnerships	177,024 (i)	(57,130)
Cash and cash equivalents	24,636 (i)	-
Other assets	35,057 (i)	(15,733)
Property, plant and equipment	1,586	114
Identifiable intangibles	77,335	(45,332)
Goodwill	-	67,049
Notes payable	(59,848) (i)	59,848
Accounts payable and accrued expenses	(28,223) (i)	24,336
Unearned revenue and other liabilities	(155,370) (i)	-
Equity	(134,880)	134,880
Cash purchase price and acquisition costs	\$ -	\$ 105,349

(i) Historical cost amount includes assets not included or liabilities not assumed in purchase.

(ii) The identified intangible asset represents asset management contracts.

(iii) The cash purchase price of \$105 million includes the purchase price of \$102 million and the capitalization of acquisition costs of \$3 million.

(iv) The excess of acquisition cost over the fair value of the net assets acquired and identified intangibles.

The above allocation of purchase price is preliminary pending the finalization of the treatment of certain balance sheet items as outlined in the purchase agreement; therefore, the final amounts may differ from the estimates provided herein. The Company expects that any adjustments will not be significant.

NOTE 2 - The pro forma statements of income for the year ended December 31, 2002 and the six months ended June 30, 2003 give effect to the following pro forma adjustments necessary to reflect the acquisition as of January 1, 2002. Pro forma adjustments are made to reflect the following:

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form 8-K/A

- (1) The Company has a calendar year end and reports quarterly and HCI had a fiscal year end of June 30 and reports annually. As a result, the Company made adjustments necessary to conform reporting periods, either (i) by specific identification of significant and non-recurring transactions, wherever possible, to calendar periods within the Company's periods presented, or (ii) by averaging amounts recorded in HCI's two fiscal years ended June 30, 2002 and June 30, 2003, respectively, to generate estimates for the periods presented. For the six months ended June 30, 2003, the pro forma adjustments also reflect dividing by two and/or backing out the effects of the first six months of HCI's fiscal year ended June 30, 2003.
- (2) Exclusion of income and expenses related to assets and liabilities not purchased by the Company (see Note 1(b) above).
- (3) Interest expense on the line of credit utilized to finance the acquisition and the related amortization of debt issue costs. An increase (decrease) in the assumed interest rate by 0.125% would increase (decrease) net income by \$150,000 for the year ended December 31, 2002. An increase (decrease) in the assumed interest rate by 0.125% would increase (decrease) net income by \$75,000 for the six months ended June 30, 2003.
- (4) Amortization of identifiable intangibles with finite lives. Such assets are amortized on a straight-line basis over their useful lives, which range from one year to 15 years.
- (5) Income tax expense using a statutory tax rate of 40% for the year ended December 31, 2002 and for the six months ended June 30, 2003 for HCI as adjusted by pro forma adjustments.
