ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.

On May 25, 2004, Health Discovery Corporation filed a lawsuit seeking a declaratory judgment that an aggregate of 7,000,000 shares of our common stock issued to the companies 2001 officers and directors were not issued in compliance with Texas law and may be canceled by the Company. The Company is also seeking an injunction stopping sales of the suspect shares and an award of monetary damages, attorney's fees and costs of the action. While the damages claims are still pending in the District Court, the Company's request for an injunction freezing the shares is pending before the Texas Tenth Court of Appeals, with oral argument scheduled for July 21, 2004.

On July 7, 2004 W. Steven Walker Esq. former general council, officer and director has agreed to settle with Health Discovery Corporation and return all of his currently held 366,000 shares of Health Discovery Corporation stock and will no longer be a party to the suit. These shares are in addition to the 3,100,000 shares returned by two other directors leaving Bill G. Williams as the sole director who has not agreed to return his shares to the company. Mr. Williams is believed to control approximately 2.1 million shares of the Company,
