Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Registration Rights Agreement

The Issuer, RL and other holders of Common Stock are party to a seventh amended and restated registration rights agreement, dated November 17, 2010 (the "Registration Rights Agreement"). Under the Registration Rights Agreement, holders of shares having registration rights can demand that the Issuer file a registration statement or request that their shares be covered by a registration statement that the Issuer is otherwise filing, as described below.

Demand Registration Rights

At any time, the holders of a majority of the shares having demand registration rights may request that the Issuer register all or a portion of their Common Stock for sale under the Securities Act of 1933 (the “Securities Act”), so long as the aggregate price to the public in connection with any such offering is at least \$20 million. The Issuer will effect the registration as requested, unless in the good faith judgment of its board of directors, such registration should be delayed. The Issuer may be required to effect two of these registrations. In addition, when the Issuer is eligible for the use of Form S-3, or any successor form, holders of a majority of the shares having demand registration rights may make unlimited requests that the Issuer register all or a portion of their Common Stock for sale under the Securities Act on Form S-3, or any successor form, so long as the aggregate price to the public in connection with any such offering is at least \$10 million.

Incidental Registration Rights

In addition, if at any time the Issuer registers any shares of Common Stock, the holders of all shares having registration rights are entitled to notice of the registration and to include all or a portion of their Common Stock in the registration.

Other Provisions

In the event that any registration in which the holders of registrable shares participate pursuant to the Registration Rights Agreement is an underwritten public offering, the number of registrable shares to be included may, in specified circumstances, be limited due to market conditions.

The Issuer will pay all registration expenses, other than underwriting discounts, selling commissions and the fees and expenses of the selling stockholders' own counsel, related to any demand or incidental registration. The Registration Rights Agreement contains customary cross-indemnification provisions, pursuant to which the Issuer is obligated to indemnify the selling stockholders in the event of material misstatements or omissions in the registration statement attributable to the Issuer, and the selling stockholders are obligated to indemnify the Issuer for material misstatements or omissions in the registration statement attributable to the selling stockholders.

The foregoing description is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is filed as an exhibit to this Schedule 13D and incorporated herein by reference.

Stock Options

Pursuant to the Compensation Policy, on May 31, 2012, Mr. Case received a nonstatutory stock option to purchase an aggregate of 8,768 shares of Common Stock. The option becomes exercisable as to 2.0833% of the shares subject to the option in 48 equal monthly installments beginning June 30, 2012. The vesting of the option is subject to Mr. Case's continued service as a director. The option is subject to the terms and conditions of the Company's 2011 Stock Incentive Plan (the "Plan") and the stock option agreement (the "Option Agreement"), the forms of which are filed as exhibits to this Schedule 13D and incorporated by reference herein, and the foregoing description is qualified in its entirety by reference to the full text of the Plan and the Option Agreement.

Additionally, as a non-employee director of the Issuer, Mr. Case is entitled to receive, from time to time, equity incentive awards from the Issuer pursuant to, and in accordance with the terms of, the Compensation Policy.

Pledges

The shares beneficially owned by RL II and RL III are pledged as collateral for certain loans to affiliates of the Reporting Persons.

Other than as described in this Item 6, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any person with respect to any securities of the Issuer, including, but not limited to, the transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies or any pledge or contingency, the occurrence of which would give another person voting or investment power of the securities of the Issuer.
