David R. Little, Chairman and Chief Executive Officer said "We are pleased that our strategy to grow our top line through our value added services and cost saving programs for our customers and our continued efforts to use technology and create a more efficient supply chain process have increased our productivity, resulting in a 34% increase in net income. We believe that DXP will continue to benefit from an increased number of customers that seek to achieve greater efficiencies and cost savings that our value added services offer. We believe that we are positioned to leverage these services for internal growth and enhanced value in future acquisitions."

DXP Enterprises, Inc. is a leading products and service distributor that adds value and total cost savings solutions to MRO and OEM customers in virtually every industry since 1908. The company provides innovative pumping solutions, integrated supply and MROP (maintenance, repair, operating and production) services that emphasizes and utilize DXP's vast product knowledge and technical expertise in pumps, bearings, power transmission, seals, hose, safety, fluid power, electrical and industrial supplies. The company's breadth of MROP products and service solutions allows DXP to be flexible and customer driven creating a competitive advantages for our customers.

The company's innovative pumping solutions provide engineering, fabrication and technical design to meet the capital equipment needs of its global customer base. DXP provides their solutions by utilizing manufacturer authorized equipment and certified personnel. Pump packages require MRO and OEM equipment such as pumps, motors and valves, and consumable products. DXP leverages its MROP inventories and technical knowledge to lower the total cost and maintain the quality of the pump package.

SmartSource, a DXP integrated supply program, allows a more efficient way to manage the customer's supply chain needs for MROP products. The program allows the customer to transfer all or part of their supply chain needs to DXP, so the customer can focus on their core business. SmartSource effectively lowers costs by outsourcing purchasing, accounting, and on-site supply management to DXP, which reduces the duplication of effort by the customer and supplier. DXP's broad range of first-tier products provides an efficient measurable solution to reduce cost and streamline procurement and sourcing operations.
