This statement is furnished in connection with the solicitation by the Board of Directors of Arena Resources, Inc., for proxies to be used at the Annual Meeting of Stockholders of the Company to be held on December 7, 2006, at the time and place set forth in the Notice of Annual Meeting accompanying this Proxy Statement.

Pursuant to provisions of the Bylaws of the Company and action of its Board of Directors, the close of business on October 27, 2006, has been established as the time and record date for determining the stockholders entitled to notice of and to vote at this annual meeting. The stock transfer books will not be closed.

Stockholders of record on the record date are entitled to cast their votes in person or by properly executed proxy at the Annual Meeting. A majority of the Common Stock present at any meeting at which a quorum is present is sufficient to approve any matter to be acted upon by the stockholders at the Annual Meeting. Directors are elected by a plurality vote.

The enclosed Proxy may be revoked at any time prior to the voting thereof, either by giving notice to the Secretary of the Company or by personal attendance at the meeting. All Proxies received in advance of the meeting may be revoked prior to exercise.

This Proxy Statement, the Notice of Annual Meeting and accompanying proxy card will be first mailed to stockholders approximately November 7, 2006. The Company's 2005 Annual Report on Form 10-K for the year ended December 31, 2005, including audited financial statements, as well as the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 are enclosed with this Proxy Statement. Lloyd T. Rochford has served as President, Chief Executive Officer and a Director of the Company since the Company's inception in August 2000. From June, 1997, until co-founding the Company, Mr. Rochford primarily devoted his time to individual oil and gas acquisitions and development. From 1990 until June 1997, Mr. Rochford served as a director and officer of Magnum Petroleum, Inc., a company which he also co-founded and which was listed on the New York Stock Exchange.

Stanley M. McCabe has served as Chairman, Secretary and Treasurer and a Director of the Company since the Company's inception in August 2000. From January 1997 until co-founding the Company, Mr. McCabe was involved as an independent investor and developer of oil and natural gas properties. From 1990 through December 1996, Mr. McCabe served as an officer and director of Magnum Petroleum, Inc., which he co-founded with Mr. Rochford.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

Charles M. Crawford has served as a Director of the Company since its inception in 2000. For the past twenty-nine years Mr. Crawford has served as an independent oil and gas exploration consultant to various private and public oil and gas companies within the United States, including Texaco, Inc., Phillips Petroleum Company and Mid-Continent Energy Corp.

Chris V. Kemendo, Jr. was first elected to the Board in March 2003. From 1989 to present Mr. Kemendo, a certified public accountant, has served as an independent financial and business and accounting consultant to various clients. Mr. Kemendo is currently a member of the Company's Audit Committee (having served as its initial Chairman) and the Compensation Committee. Mr. Kemendo has over 57 years of accounting experience.

Clayton E. Woodrum was elected to the Board in 2003 to fill a vacancy that arose upon the retirement of Robert Morley, a previous Director. One of Mr. Woodrum's partners at Woodrum, Kemendo & Cuite, P.C., Ben Kemendo, is the son of Chris Kemendo.

BOARD AND COMMITTEE MATTERS

The business of the Company is managed under the direction of its Board of Directors. The Board of Directors met seven times during 2005, and has met four times thus far in 2006. Each director participated in all Board and applicable committee meetings held last year. Actions taken by the Board of Directors outside of Board meetings were consented to in writing by a memorandum of action in lieu of a meeting, to which all incumbent Directors subscribed. Directors meet their responsibilities not only by attending Board and committee meetings but also through communication with members of management on matters affecting the Company. All outside Directors are currently paid a stipend of \$500 per month, and every Director receives \$500 for each meeting of the Board attended. No Director receives a salary as a Director.

The Company strongly encourages its Directors to attend Arena's Annual Meeting of stockholders. In 2005, all five Board members attended the Annual Meeting.

Shareholders may communicate with the Board of Directors, including the non-management Directors, by sending a letter to the Board of Directors of Arena Resources, Inc., c/o Corporate Secretary, 4920 S. Lewis, Suite 107, Tulsa, Oklahoma 74105. The Corporate Secretary has the authority to disregard any inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit your correspondence to the Board or to any specific Director to whom the correspondence is directed.

The Board of Directors has a Compensation Committee, a Nominating and Corporate Governance Committee and an Audit Committee, the functions, membership and activities of which are described below.

Compensation Committee

The Board of Directors appointed a Compensation Committee in September, 2004. The Compensation Committee is comprised of Messrs. Kemendo and Woodrum, two of the Company's independent Directors (as independence is defined in Rule 303A.02 of the listing standards applicable to the New York Stock Exchange, on which the Company's shares are listed). The Compensation Committee met once in 2005.

The basic purpose of the Compensation Committee is to develop an executive compensation system which is competitive with the Company's peers and encourages both short- and long-term performance in a manner beneficial to the Company and its operations. In achieving these objectives, the Committee has the following responsibilities:

- Establish compensation policies that effectively attract, retain and motivate executive officers to successfully lead and manage the Company;
- Review and approve corporate goals and objectives relevant to CEO compensation, evaluate the CEO's performance in light of those goals and objectives, and set the CEO's compensation level based on this evaluation;
- Consider the Company's performance and relative stockholder return, the value of similar incentive award to CEO's at comparable companies, and the awards given to the Company's CEO in past years when determining the long-term component of the CEO's compensation;
- Review, evaluate and approve all compensation of directors and executive officers, including salary adjustments, bonuses, stock awards, stock option grants, and other benefits;
- Review and make recommendations to the Board with respect to the adoption, amendment and termination of the Company's compensation plans, oversee their administration and discharge any duties imposed on the Committee by any such plans;
- Establish and monitor compliance with stock ownership guidelines for directors and executive officers;
- Review, evaluate and make recommendations to the Board with respect to the approval of the employment agreements of executive officers;
- Review and approve the Committee's annual report on executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations;
- Perform any other activities consistent with this charter, the Company's bylaws and governing law as the Committee or the Board deems appropriate.

A copy of the charter of the Compensation Committee can be found at the Company's website www.arenaresourcesinc.com.

Prior to the formal appointment of this Committee in 2004, the compensation of the Company's chief executive officer was recommended to the Board (in a proceeding in which the chief executive officer did not participate) by a majority of the independent directors serving on the Board. The compensation for all other officers has been determined, or recommended to the Board for determination, by a majority of the independent Directors.

Nominating and Corporate Governance Committee

The Company has a Nominating and Corporate Governance Committee, which was established in the summer of 2006. The Nominating and Corporate Governance Committee is comprised of Messrs. Crawford, Kemendo and Woodrum, the Company's independent directors (as independence is defined in Rule 303A.02 of the listing standards applicable to the New York Stock Exchange).

Since its inception in 2000, the Company has had only six Directors, five of whom continue to serve at this time. On the only occasion when a vacancy occurred (following a resignation), the new Director was unanimously approved by the remaining Directors.

The Nominating and Corporate Governance Committee has the following responsibilities:

- Develop and recommend to the Board criteria for Board membership and selection of new directors, including independence standards and the necessary portfolio of skills, experience, perspective and background required for the effective functioning of the Board;
- Search for, recruit, screen, interview and select qualified director candidates to fill vacancies or the additional needs of the Board, including the consideration of candidates recommended to and deemed appropriate by the Committee;
- Evaluate the qualifications and performance of incumbent directors and determine whether to recommend them for re-election to the Board;
- Recommend to the Board nominees to fill vacancies on the Board as they occur;
- Recommend to the Board, annually in advance of the annual meeting of stockholders, a slate of nominees to be submitted to the stockholders for election or re-election as directors at the annual meeting;
- Recommend to the Board the removal of a director where appropriate;
- Review, evaluate and periodically make recommendations to the Board with respect to the size of the Board;
- Recommend to the Board the directors to be appointed to the committees of the Board;
- Monitor and evaluate the orientation and training needs of directors and make recommendations to the Board where appropriate;
- Develop, periodically review and recommend to the Board a set of corporate governance principles applicable to the Company and make recommendations to the Board regarding corporate governance matters and practices;
- Review and approve, prior to acceptance, the CEO's service on any other public company Board;
- Oversee the annual evaluation of the performance and effectiveness of the Board and its committees;
- Oversee and evaluate compliance by the Board and management with the Company's corporate governance principles and its Code of Business Conduct and Ethics;
- Perform any other activities consistent with this charter, the Company's bylaws and governing law as the Committee or the Board deem appropriate.

The Committee will also conduct an evaluation of the Committee's performance and charter at least annually, and will report to the Board the results of such evaluation and any recommended changes to this charter.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

The Committee has not established any specific, minimum qualifications that the Committee believes must be met by a Committee-recommended nominee for a position on the Company's Board of Directors. The Committee is of the opinion that any nominee should have a substantial amount of general business managerial experience, with significant financial acumen and ability to understand financial statements in general. Further, although not a definitive requisite, general experience and working knowledge of the oil and gas industry in general is considered as a positive factor in any potential nominee.

Because the Nominating and Corporate Governance Committee in its brief history has yet to identify and evaluate a nominee other than nominees who are directors standing for re-election, the Committee has not yet established a process for identifying and evaluating nominees for director, including nominees recommended by security holders, or any differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee is recommended by a security holder.

The Committee does not have a formal policy with regard to the consideration of any director candidates recommended by security holders, primarily due to the infrequent changes in membership of the Board of Directors on an historical basis, and because it is felt that the responsibilities of the Committee as set forth in its charter otherwise adequately cover the nominations process.

A copy of the charter of the Nominating Committee can be found at the Company's website www.arenaresourcesinc.com.

Audit Committee

The Audit Committee is currently comprised of Messrs. Kemendo and Woodrum, both of whom are independent directors, as required by Rule 303A.02 of the New York Stock Exchange Stock Exchange listing standards and Section 10A-3 of the Securities Exchange Act of 1934. The Board has determined that both members of the Audit Committee qualify as an audit committee financial expert under the rules of the Securities and Exchange Commission adopted pursuant to the Sarbanes-Oxley Act of 2002. Mr. Woodrum was appointed to the Committee in August of 2003, and currently serves as the Chairman of the Committee.

The primary responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. The Audit Committee meets with the accountants to review their effectiveness during the annual audit and to discuss the Company's internal control policies and procedures. The Audit Committee and the independent public accountants met and discussed the audit of the financials statements for the year ended December 31, 2005; the Audit Committee and the auditors further discussed the financial statements for the first three quarters of 2006. Thus far in 2006, on five occasions the Audit Committee has met or discussed with the auditors the financial statements of the Company.

A copy of the charter of the Audit Committee, as amended in 2004, was attached to the Company's proxy materials delivered to shareholders last year, and there has been no subsequent change in the charter. The charter can also be found at the Company's website, www.arenaresourcesinc.com. The audit committee report for the fiscal year ended 2005 is set forth below.

Audit Committee Report

The Audit Committee assists the Board of Directors in its oversight of the integrity of the Company's financial statements and the Company's accounting and financial reporting processes and systems of internal control. Management has primary responsibility for the Company's internal controls and the preparation of financial statements in accordance with generally accepted accounting principles. The Committee also reviews the qualifications, independence and performance of the Company's independent accountants, who are in turn responsible for performing an audit of the Company's financial statements in accordance with generally accepted auditing standards and issuing a report thereon. Members of the Committee should not be assumed to be accounting experts and are not deemed to have accepted a duty of care greater than other members of the Board of Directors. In discharging their responsibilities, the Committee members rely on the representations made, and information provided to them, by management and the independent accountants.

The current Committee reviewed with management and the independent accountants the following financial statements: Year ended December 31, 2005 and quarters ended September 30, 2005, June 30, 2005 and March 31, 2005

The Committee recommended to the Board of Directors that these financial statements be accepted.

The Committee performed all procedures described in its Charter, as amended, including review and approval of all press releases made by management prior to their release.

Employee Benefit Plans

Equity Incentive Plan. In March 2003 the Board adopted an executive stock option plan which was subsequently approved by the Company's shareholders at the annual meeting in July 2003. The executive stock option plan is intended to promote continuity of management and to provide increased incentive and personal interest in the Company's welfare by those key employees and directors who are primarily responsible for shaping and carrying out the Company's long-range plans and securing its continued growth and financial success. In addition, by encouraging stock ownership by Directors who are not Company employees, the executive stock option plan is intended to attract and retain qualified Directors.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

The plan is administered by Messrs. Rochford and McCabe, and they have the authority to select the key employees and non-employee Directors to be participants in the plan, to determine the awards to be granted to participants and the number of shares covered by such awards, to set the terms and conditions of such awards and to establish, amend or waive rules for the administration of the plan.

Any of the Company's key employees, including any executive officer or director is eligible to be granted awards by plan administrators. The plan authorizes the grant of stock options to key employees, all of which have been non-qualified stock options. Non-employee Directors are only eligible to be granted non-qualified stock options under the plan.

At the 2004 Annual Shareholders' Meeting, held December 21, 2004, the shareholders approved an amendment to the executive stock option plan increasing the number of shares eligible for issuance under the plan from 1,000,000 to 1,500,000, and providing the administrators of the plan with the ability to accelerate the vesting of outstanding stock options. At the 2005 Annual Shareholders' Meeting, held December 15, 2005, the shareholders approved an additional amendment to the plan, increasing the number of shares eligible for issuance under the plan to 2,000,000.

The plan currently provides that up to a total of 2,000,000 shares of common stock, subject to adjustment to reflect stock dividends and other capital changes, are available for granting of award. Of the 2,000,000 shares available for grant under the plan 1,475,000 have been reserved for issuance pursuant to options granted under the plan.

The following table provides information with respect to options granted during the fiscal year ended December 31, 2005.

Report on Executive Compensation

General. Prior to the establishment of the Compensation Committee in September 2004, the entire Board of Directors was responsible for oversight and administration of executive compensation and review of the Company's overall compensation program. As noted previously, during the year ended December 31, 2005, the compensation of Mr. Rochford, as the Company's chief executive officer, and the compensation of Mr. McCabe, as the Company's Chairman, were recommended to and adopted by the independent members of the Board. Compensation of all other officers was determined, or recommended to the Board for determination, by a majority of the independent Directors.

Compensation Process and Philosophy. There have been two major components to the Company's executive officer compensation: (i) base salary and (ii) option grants. Historically, the salaries of Messrs. Rochford and McCabe have been significantly less than the salaries of executive officers of comparable companies. Messrs. Rochford and McCabe have intentionally taken less than market compensation in order to allow the Company to achieve its short-term goals and objectives.

The primary objective of the Company's compensation program is to enhance the profitability of the Company, and thus shareholder value, and to attract, motivate, reward and retain employees, including executive personnel, who contribute to the long-term success of the Company. In furtherance of the above goals, the Company's compensation program for its executive personnel currently consists of appropriate salaries, discretionary annual bonuses and discretionary stock option grants.

The Compensation Committee periodically reviews the base salaries of the Company's executive management personnel and recommends any adjustments it may deem appropriate, for approval by the Board of Directors. In its review, the Committee takes into account individual factors such as: experience; performance, both during the preceding 12 months and future potential; retention considerations; and other issues particular to the executive and the Company. Additionally, the Committee considers the growth and performance of the Company as it assesses the market for executive salaries.

Salaries and Bonuses. Mr. Rochford's annual salary in 2005 was \$36,000 and he received no bonus. As noted above, historically Mr. Rochford has voluntarily elected to take less salary and bonus than paid to similarly situated executive officers of comparable companies, preferring instead to allow the Company to utilize its resources to achieve its short-term growth goals. It is anticipated that Mr. Rochford's compensation will increase in the future as the Compensation Committee evaluates the overall compensation philosophy of the Company and reviews Mr. Rochford's contributions to the Company, in light of the growth and performance of the Company.

Mr. McCabe's annual salary in 2005 was \$36,000 and he received no bonus. As noted above, historically Mr. McCabe has also voluntarily elected to take less salary and bonus than paid to similarly situated executive officers of comparable companies, preferring instead to allow the Company to utilize its resources to achieve its short-term growth goals. It is anticipated that Mr. McCabe's compensation will also increase in the future as the Compensation Committee evaluates the overall compensation philosophy of the Company and reviews Mr. McCabe's contributions to the Company, in light of the growth and performance of the Company.

At the suggestion of the Compensation Committee, Mr. Broadrick's annual rate of compensation was increased to \$75,000 effective August 1, 2006.

**BOARD OF DIRECTORS INTERLOCKS AND INSIDER
PARTICIPATION IN COMPENSATION DECISIONS**

There have been no interlocks or insider participation [as those terms are defined in Item 402(j) of S.E.C. Regulation S-K] in compensation decisions. There were no reportable business relationships between the Company (or any other corporation that requires specific disclosure under this heading) and the members of the Board of Directors in 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In July 2002, the Company borrowed \$200,000 from each of Messrs. Rochford and McCabe, which debts are evidenced by notes payable which mature on January 1, 2007. The notes bear interest at a rate of 10% per annum, and are secured by our assets (although such notes are subordinate to our credit facility with our primary commercial lender).

PROPOSAL 2:

AMENDMENT OF THE COMPANY'S STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES COVERED BY THE PLAN FROM 2,000,000 TO 2,500,000.

In 2003 the Company adopted the Stock Option Plan (Plan) for certain of its Directors, officers, employees and consultants. The purpose of the Plan is to enable the Company and its stockholders to secure the benefits of common stock ownership, or increased ownership, by key personnel of the Company and its subsidiaries. The Board believes that the granting of options under the Plan will foster the Company's ability to attract, retain and motivate those individuals who will be largely responsible for the continued profitability and long-term future growth of the Company.

At the 2004 annual shareholders meeting, held December 21, 2004, the Plan was amended to increase the number of shares eligible for issuance under the option plan from 1,000,000 to 1,500,000 and to provide the administrators of the Plan the discretion to accelerate the vesting of outstanding stock options. At the 2005 annual shareholders meeting held December 15, 2005, the Plan was further amended to increase the number of shares eligible for issuance under the option plan from 1,500,000 to 2,000,000.

As currently enacted, the Plan allows the Company to issue a total of 2,000,000 shares of its \$.001 par value common stock. As of December 31, 2005, options had been granted to twelve individuals, for a total of 1,475,000 shares. Therefore, there remained 525,000 shares remaining under the Plan for options to be granted in the future.

As noted above, in January 2005 options to acquire an additional 125,000 shares of common stock were granted under the Plan to each of Messrs. McCabe and Rochford, at an exercise price equal to the then market value of the common stock. These options were granted partially in consideration of Messrs. McCabe's and Rochford's continuing desire to voluntarily accept less salary than comparably situated executives at other companies, and further declining to accept any cash bonus at the end of 2004. Also in January 2005, options to acquire 125,000 shares of common stock were granted to five other key employees and executives in the aggregate, and in October 2005 options to acquire 50,000 shares of common stock were granted to one other employee. In June 2006, options to acquire 50,000 shares of common stock were granted to one employee. As a result, only 525,000 shares remain eligible under the Plan for issuance. The Board of Directors believes that the intended use of the Plan, i.e., to incentivize key employees of the Company to foster the long-term growth of the Company, is being accomplished by the grant of options under the Plan.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

The Board of Directors has determined it is in the best interest of the Company, and consistent with the overall purpose of the Plan, to increase the number of shares of Common Stock subject to the Plan from 2,000,000 to 2,500,000.

A copy of the Plan, as proposed to be amended, is attached as Appendix A.

INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Hansen, Barnett & Maxwell, (HBM) has served as the Company's independent auditors since 2000. The Audit Committee selected HBM as the independent auditors of the Company for the fiscal year ending December 31, 2005 and the Audit Committee has selected HBM to serve in the same capacity for the fiscal year ending December 31, 2006. The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. HBM billed the Company an aggregate of \$75,000 and \$37,000 for professional services rendered for the audit of the Company's financial statements for the years ended December 31, 2005 and 2004, respectively, and its reviews of the Company's financial statements included in its Form 10-Q's for the first three quarters of 2005 and Form 10-QSB's for the first three quarters of 2004.

Audit Related Fees. HBM billed the Company \$39,410 and \$78,988 for the years ended December 31, 2005 and 2004, respectively, for its services in connection with the review of the Company's registration statement on Form S-3 (which was filed with the SEC in 2005), the review of the Company's registration statement on Form SB-2 (which was filed with the SEC in 2004) and for the audit of the Fuhrman-Mascho property acquisition, and which are not included in the audit fees identified above).

Tax Fees. HBM billed the Company an aggregate of \$5,000 and \$3,000 for professional services rendered for tax compliance, tax advice and tax planning for the years ended December 31, 2005 and 2004.

All Other Fees. No other fees were billed by HBM to the Company during 2005 or 2004.

The Audit Committee of the Board of Directors has determined that the provision of services by HBM described above is compatible with maintaining HBM's independence as the Company's principal accountant.

STOCK
OPTION PLAN**
(as amended, December 7, 2006)

Purpose.

The purpose of this Plan is to enable the Company and its stockholders to secure the benefits of common stock ownership, or increased ownership, by key personnel of the Company. The Board believes that the granting of options under the Plan will foster the Company's ability to attract, retain and motivate those individuals who will be largely responsible for the continued profitability and long-term future growth of the Company.

Shares Subject to the Plan.

The Company may issue and sell a total of ~~2,000,000~~ 2,500,000 shares of its Common Stock pursuant to the Plan. Such shares may be either authorized and unissued or held by the Company in its treasury. New options may be granted under the Plan with respect to shares of Common Stock which are covered by the unexercised portion of an option which has terminated or expired.

Grant of Options.

Options may be granted under the Plan to present or future key employees of the Company or any subsidiary of the Company that may hereafter exist (a "Subsidiary") within the meaning of Section 425(f) of the Internal Revenue Code of 1986, as amended (the "Code"), to directors, including non-employee directors of the Company, and to consultants to the Company. Subject to the provisions of the Plan, the Committee (defined in paragraph 4 below) shall from time to time select the key personnel of the Company and its Subsidiaries to whom options under the Plan will be granted, and shall fix the number of shares covered by each such option and establish the terms and conditions thereof (including, without limitation, exercise price and restrictions on exercisability of the option or on the shares of Common Stock issued upon exercise thereof and whether or not the option is to be treated as an incentive stock option within the meaning of Section 422 of the Code (an "Incentive Stock Option").

Administration.

The Plan will be administered by a committee (the "Committee") consisting of at least two directors appointed by and serving at the pleasure of the Board. The Committee members appointed effective with the adoption of this plan are Stanley M. McCabe and Lloyd T. Rochford.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

Subject to the provisions of the Plan, the Committee, acting in its sole and absolute discretion, shall have full power and authority to grant options under the Plan, to interpret the provisions of the Plan and option agreements made under the Plan, to supervise the administration of the Plan, and to take such other action as may be necessary or desirable in order to carry out the provisions of the Plan. A majority of the members of the Committee shall constitute a quorum. The Committee may act by the vote of a majority of its members present at a meeting at which there is a quorum or by unanimous written consent. The decision of the Committee as to any disputed question, including questions of construction, interpretation and administration, shall be final and conclusive on all persons. The Committee shall keep a record of its proceedings and acts and shall keep or cause to be kept such books and records as may be necessary in connection with the proper administration of the Plan.

No member of the Committee shall be personally liable by reason of any contract or other instrument executed by him or on his behalf in his capacity as a member of the Committee or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other officer, employee or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been delegated, against any cost or expense (including reasonable counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee) arising out of any act or failure to act in connection with the Plan, unless arising out of such person's own fraud or bad faith.

The Committee may seek and rely on the advice of accountants, legal counsel and other professionals as it deems necessary or advisable for the operation and administration of the Plan. The fees of any such professionals shall be borne by the Company.

Notwithstanding the authority delegated above to the Committee, any action which may be taken by the Committee with respect to the administration of the Plan, including the granting of any option thereunder, may also be taken by the Board of Directors, and each reference to actions taken or authority exercised by the Committee hereunder shall be deemed to include actions which may be taken or authority which may be exercised by the Board.

Terms and Conditions of Options.

Each option granted under the Plan shall be evidenced by a written agreement in a form approved by the Committee. Each such option shall be subject to the terms and conditions set forth in this paragraph and such additional terms and conditions not inconsistent with the Plan (and, in the case of an Incentive Stock Option, not inconsistent with the provisions of the Code applicable thereto) as the Committee deems appropriate.

a. Option Price. In the case of an option which is not treated as an Incentive Stock Option, the purchase price per share shall not be less than 85% of the fair market value of a share of Common Stock on the date the option is granted; and, in the case of an Incentive Stock Option, the purchase price per share shall not be less than 100% of the fair market value of a share of Common Stock on the date the option is granted [110% in the case of an optionee who, at the time the option is granted, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or a Subsidiary (a "ten percent shareholder"). For purposes hereof, the fair market value of a share of Common Stock on any date shall be equal to the closing sale price per share as published by a national securities exchange on which shares of the Common Stock are traded on such date or, if there is no sale of Common Stock on such date, the average of the bid and asked prices on such exchange at the closing of trading on such date or, if shares of the Common Stock are not listed on a national securities exchange on such date, the average of the bid and asked prices in the over the counter market at the close of trading on such date, or, if the Common Stock is not traded on a national securities exchange or the over the counter market, the fair market value of a share of the Common Stock on such date as determined in good faith by the Committee.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

b. Option Period. The period during which an option may be exercised shall be fixed by the Committee and shall not exceed ten years from the date the option is granted (five years in the case of an Incentive Stock Option granted to a ten percent shareholder).

c. Exercise of Options. No option shall be exercisable unless the person to whom the option was granted remains in the continuous employ or service of the Company or a Subsidiary for at least one year from the date the option is granted. Subject to earlier termination of the option as provided herein, unless the Committee determines otherwise, the option will become exercisable in accordance with the following schedule based upon the number of full years of the optionee's continuous employment or service with the Company or a Subsidiary following the date of grant:

Full Years of Continuous Employment Service	Incremental Percentage of Option Exercisable	Cumulative Percentage of Option Exercisable
Less than 1	0%	0%
1	20%	20%
2	40%	40%
3	60%	60%
4	80%	80%
5 or more	100%	100%

All or part of the exercisable portion of an option may be exercised at any time during the option period, except that, without the consent of the Committee, no partial exercise of an option shall be for less than 100 shares. An option may be exercised by transmitting to the Company: (1) a written notice specifying the number of shares to be purchased; and (2) payment in full of the purchase price (or, if applicable, delivery of a secured obligation therefor), together with the amount, if any, deemed necessary by the Committee to enable the Company to satisfy its income tax withholding obligations with respect to such exercise (unless other arrangements acceptable to the Committee are made with respect to the satisfaction of such withholding obligations). The Committee shall retain the discretion and authority to allow for accelerated vesting of all or any portion of any option previously granted (provided that such option has been issued for at least one year) in such circumstances as the Committee deems appropriate, including but not limited to the circumstances described in Section 4.i. below. In the event the Committee determines that it is appropriate to accelerate the vesting of all or any portion of any outstanding option(s), it shall provide notice thereof to the affected option holder(s). Under no circumstances shall the acceleration of any vesting schedule result in the acceleration of the expiration date of any option. Further, the Committee shall have no authority to increase the time in which any outstanding option shall vest.

d. Payment of Option Price. The purchase price of shares of Common Stock acquired pursuant to the exercise of an option granted under the Plan shall be payable in cash and/or such other form of payment as may be permitted under the option agreement, including, without limitation, previously-owned shares of Common Stock. The Committee may permit the payment of all or a portion of the purchase price in installments (together with interest) over a period of not more than five years.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

e. Rights as a Stockholder. No shares of Common Stock shall be issued in respect of the exercise of an option granted under the Plan until full payment therefor has been made (and/or provided for where all or a portion of the purchase price is being paid in installments). Upon receipt of full payment, the Company shall notify its Transfer Agent and the Transfer Agent shall, on behalf of the Company, prepare a certificate or certificates representing such shares acquired pursuant to exercise of the option, shall register the holder of the option as the owner of such shares on the books of the Company and shall cause the fully executed certificate(s) representing such shares to be delivered to the holder as soon as practicable after payment of the option price in full. The holder of an option shall have no rights as a stockholder with respect to any shares covered by an option until the date a stock certificate for such shares is issued to him or her. Except as otherwise provided herein, no adjustments shall be made for dividends or distributions of other rights for which the record date is prior to the date such stock certificate is issued.

f. Transferability of Options. No option granted under the Plan shall be assignable or transferable except by will and/or by the laws of descent and distribution; and each such option shall be exercisable during the optionee's lifetime only by him or her.

g. Termination of Employment or Other Service. If an optionee ceases to be employed by or to perform services for the Company or any Subsidiary for any reason other than death or disability (defined below), then each outstanding option granted to him or her under the Plan shall terminate on the date thirty (30) days after the date of such termination of service (or, if earlier, the date specified in the option agreement). If an optionee's employment or service is terminated by reason of the optionee's death or disability, then each outstanding option granted to the optionee under the Plan shall terminate on the date 120 days after the date of such termination of employment or service or, if earlier, the date specified in the option agreement. For purposes hereof, the term "disability" shall mean the inability of an optionee to perform the customary duties of his or her employment or other service for the Company or a Subsidiary by reason of a physical or mental incapacity which is expected to result in death or be of indefinite duration.

h. Incentive Stock Options. In the case of an Incentive Stock Option granted under the Plan, at the time the option is granted, the aggregate fair market value (determined at the time of grant) of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the optionee during any calendar year shall not exceed \$100,000.

i. Changes in Capital Stock. In the event of a stock dividend or in the event that the outstanding shares of the Common Stock shall be changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or of another corporation, whether through reorganization, recapitalization, stock split-up, combination of shares, sale of assets, merger or consolidation in which the Company is the surviving corporation, then appropriate adjustments will be made to the number, nature and/or purchase price of the shares which may be issued under the Plan or purchased under an outstanding option. Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company as a result of which the outstanding securities of the class then subject to options hereunder are changed into or exchanged for cash or property or securities not of the Company's issue, the Plan shall terminate and all options theretofore granted hereunder shall terminate, unless provision is made for the assumption of such options or the substitution for such options with options covering the stock of a successor employer corporation, or a parent or a subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices. If the unexercised options shall terminate pursuant to the foregoing sentence, all persons entitled to exercise any unexercised portions of options then outstanding shall have the right, within a reasonable period of time prior to the consummation of the transaction causing such termination, to exercise (or, in the sole discretion of the Board, to receive other consideration for) the unexercised portions of their options, including, if the Committee so determines, the portions thereof which would, but for this paragraph, not yet be exercisable.

Edgar Filing: ARENA RESOURCES INC - Form DEF 14A

j. Other Provisions. The Board may impose such other conditions with respect to the exercise of options, including, without limitation, any condition relating to the application of federal or state securities laws, as it may deem necessary or advisable.

k. Legend on Certificates. The certificates representing shares acquired upon exercise of options shall carry such appropriate legend, and such written instructions shall be given to the Company's Transfer Agent, as may be deemed necessary or advisable by counsel to the Company in order to comply with the federal or any state securities laws.

Amendment and Termination of the Plan.

The Board may amend or terminate the Plan. Except as otherwise provided in the Plan with respect to equity changes, any amendment which would increase the aggregate number of shares of Common Stock as to which options may be granted under the Plan, materially increase the benefits under the Plan, or modify the class of persons eligible to receive options under the Plan shall be subject to the approval of the holders of a majority of the Common Stock issued and outstanding. No amendment or termination may adversely affect any outstanding option without the written consent of the optionee.

No Rights Conferred.

Nothing contained herein will be deemed to give any individual any right to receive an option under the Plan or to be retained in the employ or service of the Company or any Subsidiary.

Governing Law.

The Plan and each option agreement shall be governed by the laws of the State of Nevada.

Term of the Plan.

The Plan shall be effective as of March 1, 2003, the date on which it was originally adopted by the Board. The Plan will terminate on March 1, 2013, as to Incentive Stock Options granted thereunder, and on March 1, 2023, as to non-qualified stock options granted thereunder, unless sooner terminated by the Board. The rights of optionees under the options outstanding at the time of the termination of the Plan shall not be affected solely by reason of the termination and shall continue in accordance with the terms of the option as then in effect or thereafter amended.
