#### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Bunge Limited ("Bunge") could not file its Annual Report on Form 10-K for the year ended December 31, 2007 (the "Form 10-K") by February 29, 2008 because it was unable to complete the preparation of its consolidated financial statements by February 29, 2008 without unreasonable effort or expense. In connection with the year end closing process Bunge became aware that there were certain errors that resulted in an overstatement of net sales and costs of goods sold in its previously issued unaudited quarterly condensed consolidated financial statements for the first, second and third quarters of 2007 and the preliminary financial information for the year ended December 31, 2007 included in its press release dated February 7, 2008. As a result of the discovery of these errors, Bunge required additional time to review and analyze all transactions similar to those that caused the errors and to review its related procedures and controls to ensure the reliability of Bunge's consolidated financial statements for the year ended December 31, 2007.

Bunge will file its Form 10-K on March 3, 2008 with the Securities and Exchange Commission, concurrently with the filing of this Notification of Late Filing under Rule 12b-25 of the Securities Exchange Act of 1934.
