Report of Independent Auditors

To the Board of Trustees of
The Riverfront Funds

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that The Riverfront Funds (comprised of U.S. Government Securities Money Market Fund, Small Company Select Fund, Balanced Fund, U.S. Government Income Fund, Select Value Fund and Large Company Select Fund) (collectively, the "Funds") complied with the requirements of subsections (b) and (c) of rule 17f-2 under the Investment Company Act of 1940 (the "Act") as of December 31, 2002. Management is responsible for the Funds' compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Funds' compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Funds' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of December 31, 2002, and with respect to agreement of security purchases and sales, for the period from October 31, 2002 (the date of our last examination) through December 31, 2002:

- o Confirmation of all securities held by the Federal Reserve Bank of Boston, Deutsche Bank and The Depository Trust Clearing Corporation in book entry form;
- o Reconciliation of all such securities to the books and records of the Funds and the Custodian, Provident Bank;
- o Confirmation of the repurchase agreement with the broker and agreement of the underlying collateral with Provident Bank's records; and
- o Agreement of six security purchases and six security sales or maturities since our last report from the books and records of the Funds to broker confirmations.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Funds' compliance with specified requirements.

In our opinion, management's assertion that The Riverfront Funds complied with the requirements of subsections (b) and (c) of rule 17f-2 of the Act as of December 31, 2002, with respect to securities reflected in the investment accounts of the Funds is fairly stated, in all material respects.

This report is intended solely for the information and use of management and the Board of Trustees of The Riverfront Funds and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
