Item 2.02. Results of Operations and Financial Condition.

On March 9, 2011, Mannatech, Incorporated issued a press release announcing financial and operating results for the fourth quarter and year ended December 31, 2010. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

To supplement Mannatech's consolidated financial statements presented in accordance with the generally accepted accounting principles ("GAAP"), in the press release attached hereto as Exhibit 99.1, Mannatech uses the non-GAAP financial measure of EBITDA (defined by Mannatech as earnings before interest, taxes, depreciation and amortization).

Mannatech's management reviews this non-GAAP measure internally to evaluate Mannatech's performance and manage its operations. Mannatech believes that the inclusion of EBITDA results provides investors useful and important information regarding Mannatech's operating results. This measure is not in accordance with, or an alternative to, GAAP. The non-GAAP measure included in the press release attached hereto as Exhibit 99.1 has been reconciled to the comparable GAAP measure as required under SEC rules regarding the use of non-GAAP financial measures. Mannatech urges investors to carefully review the GAAP financial information included as part of the Mannatech's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and quarterly earnings releases.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.
