**Shut down of wireless product line**

Effective July 21, 2009, Stockhouse has discontinued its wireless and pager product line due to market conditions and lack of profitability. The company will continue to own the intellectual property related to that product line. Revenues for the first quarter of 2009 were \$569,000 for the discontinued product line. The company estimates they will achieve an expense reduction in excess of the revenue as a result of discontinuing this product line.
