**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation and Principles of Consolidation*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The accompanying consolidated financial statements include the accounts of The Seibels Bruce Group, Inc. (the Company) and its wholly owned subsidiaries and have been prepared, without audit, in conformity with accounting principles generally accepted in the United States (GAAP) pursuant to the rules and regulations of the Securities and Exchange Commission. All significant intercompany balances and transactions have been eliminated in consolidation and, in the opinion of management, all adjustments necessary for the fair presentation of the Company's unaudited interim financial position, results of operations and cash flows have been recorded. These financial statements should be read in conjunction with the financial statements and notes thereto contained in the Company's annual report on Form 10 K for the year ended December 31, 2000 filed with the Securities and Exchange Commission. The results of operations for the interim periods are not necessarily indicative of the results for a full year. Certain prior period amounts have been reclassified to conform to the current period presentation.

*Description of the Business*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company is a provider of a wide range of services to the insurance industry, as well as a provider of automobile, flood and other property and casualty insurance products, to customers located primarily in the southeastern United States. A significant source of revenue for the Company includes premiums earned from its risk-bearing property and casualty insurance operations, which consists of its North Carolina nonstandard automobile operations, its commercial lines operations and its runoff South Carolina nonstandard automobile operations. During 2000, however, the Company shifted its emphasis of operations away from its risk-bearing property and casualty insurance operations towards its fee-based products and services, which include the following:

South Carolina Reinsurance Facility (SC Facility)

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

One of the Company's insurance subsidiaries, Catawba Insurance Company (Catawba), is one of three servicing carriers for the SC Facility, a state-sponsored plan for insuring South Carolina drivers outside of the voluntary market. In its capacity as a servicing carrier, Catawba receives commission and service income from the SC Facility but retains no underwriting risk. The SC Facility began its planned runoff effective March 1, 1999, at which time no new business was accepted into the SC Facility. Effective October 1, 1999, voluntary renewals were no longer accepted by the SC Facility. However, servicing carriers can still cede renewal business to the SC Facility until March 1, 2002, at which time final runoff of the SC Facility will commence. The South Carolina Associated Auto Insurers Plan (SCAAIP) became effective in March 1999 and will survive the SC Facility. The SCAAIP offers the Company access to additional fee-based revenue with no underwriting risk. However, thus far into the runoff of the SC Facility, the Company has not experienced significant activity in the SCAAIP.

North Carolina Reinsurance Facility (NC Facility)

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The NC Facility is a state-sponsored plan for insuring North Carolina drivers outside of the voluntary market. Two of the Company's insurance subsidiaries, South Carolina Insurance Company (SCIC) and Universal Insurance Company (UIC) derive commission and service income from business they cede to the NC Facility, but retain no underwriting risk.

National Flood Insurance Program (NFIP)

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Through its subsidiaries, SCIC and Catawba, the Company continues to be a leading provider, and is an original participant, in the NFIP, a flood insurance program administered by the federal government. In this capacity, the Company receives commissions and fees from the NFIP, but retains no underwriting risk.

Claims Adjusting and Management Services

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company receives fee-based income from its catastrophe, property and casualty and automobile claims adjusting services and liability runoff management services. The Company's premium concentration in the catastrophe-heavy Southeast led to the creation of a catastrophe adjusting business, Insurance Network Services, Inc. (INS), to manage the Company's internal claims volume. INS has since extended its services to over 50 third party affiliated and unaffiliated customers and currently offers three services: catastrophe claims handling for hurricanes, tornadoes, hailstorms, earthquakes and floods; catastrophe claims supervision; and ordinary claims adjusting.

Flood Zone Determinations and Compliance Tracking Services

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Through its subsidiary, America's Flood Services, Inc. (AFS), located in Rancho Cordova, California, the Company offers fee-based flood zone determinations and compliance tracking services to a variety of customers and institutions located throughout the United States.

*Fair Value of Financial Instruments*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Investments in debt and equity securities are classified as either held-to-maturity, available-for-sale or trading. The Company currently holds all securities as available-for-sale, and reports them at fair value, with subsequent changes in value reflected as unrealized investment gains and losses credited or charged directly to accumulated other comprehensive income included in shareholders' equity. The fair values of debt securities and equity securities were determined from nationally quoted market rates. The fair market value of certain municipal bonds is assumed to be equal to amortized cost where no market quotations exist.

Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The fair values of the Company's cash and short-term investments approximate carrying values due to the short-term nature of those instruments.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Premiums and agents' balances receivable and premium notes receivable are carried at historical cost which approximates fair value as a result of timely collections and evaluations of recoverability with a provision for uncollectable amounts. Premium notes receivable are generally short-term in nature, with a duration of approximately six months.

Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company's debt is carried at its outstanding balance, which approximates fair value as a result of its variable market rate of interest.

*Cash and Short-term Investments*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Cash and short-term investments consists of cash on hand, time deposits and commercial paper. Short-term investments have an original maturity of six months or less and are considered to be cash equivalents.

*Premium Notes Receivable*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company offers premium financing arrangements that require a down payment and payment of the remaining balance in equal installments over the policy term.

*Allowance for Uncollectable Accounts*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company routinely evaluates the collectability of receivables and has established an allowance for uncollectable accounts for agents balances and direct billed balances receivable and premium notes receivable in the amount of approximately \$3,154 and \$5,180 at September 30, 2001 and December 31, 2000, respectively.

*Property and Equipment*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Property and equipment is stated at cost and, for financial reporting purposes, depreciated on a straight-line basis over the estimated useful lives of the assets. For income tax purposes, accelerated depreciation methods are used. Maintenance and repairs costs are charged to expense as incurred.

*Property and Casualty Unpaid Loss and Loss Adjustment Expenses*

The liability for property and casualty unpaid losses and loss adjustment expenses (LAE) includes:

Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

An accumulation of case estimates for losses reported prior to the close of the accounting period.

Estimates of incurred-but-not-reported losses based upon past experience and current circumstances.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Estimates of allocated, as well as unallocated, LAE liabilities determined by applying percentage factors to the unpaid loss reserves, with such factors determined on a by-line basis based on past results of paid loss expenses to paid losses.

The deduction of estimated amounts recoverable from salvage, subrogation, and second injury funds.

Estimated losses for reinsurance ceded and assumed.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Management performs a complete review of the above components of the Company's loss reserves to evaluate the adequacy of such reserves. Management believes the reserves are sufficient to prevent prior years' losses from adversely affecting future periods; however, establishing reserves is an estimation process and adverse developments in future years may occur and would be recorded in the year so determined.

*Income Taxes*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company uses the asset and liability method of accounting for income taxes. Under the asset and liability method, deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. This method also requires the recognition of future tax benefits such as net operating loss carryforwards to the extent that realization of such benefits is more likely than not. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date.

As of December 31, 2000, the Company has unused tax operating loss carryforwards and capital loss carryforwards of \$104,857 for income tax purposes. However, due to "change in ownership" events that occurred in June 1998, January 1997, and January 1995, the Company's use of the net operating loss carryforwards are subject to maximum limitations in future years of approximately \$2,200 per year. Net operating loss carryforwards available for use in 2001 are approximately \$10,900 due to losses incurred in 1998, 1999 and 2000 after the change in ownership event occurred and carryover of previous years' unused limitations. The provision for income taxes recorded for the nine months ended September 30, 2001 results from estimated Alternative Minimum Tax arising from limitations on the use of net operating loss carryovers.

Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company has determined, based on its recent earnings history, that a valuation allowance should be maintained against the deferred tax asset at September 30, 2001 and December 31, 2000.

*Commission and Service Income and Policy Fees*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Commission and service income is predominately derived from the Company's servicing carrier and claims adjusting and management services activities. The commission income related to producing and underwriting the business is recognized in the period in which the business is written. Service income related to claims processing and policy fees are recognized on an accrual basis as earned.

*Property and Casualty Premiums*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Property and casualty premiums are reflected in income when earned as computed on a monthly pro-rata basis. Written premiums and earned premiums have been reduced by reinsurance placed with other companies, including amounts related to business produced as a servicing carrier.

*Other Interest Income*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Other interest income includes interest received on reinsurance balances withheld, agents' balances receivable, balances due from the SC Facility and the SCAAP, and financing of premium notes receivable. Other interest income is recognized on an accrual basis as earned.

*Policy Acquisition Costs*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Policy acquisition costs attributable to property and casualty operations represent that portion of the cost of writing business that varies with, and is primarily related to, the production of business. Such costs are deferred and charged against income as the premiums are earned. The deferral of policy acquisition costs is subject to the application of recoverability tests to each primary line or source of business based on past and anticipated underwriting results. The deferred policy acquisition costs that are not recoverable from future policy revenues, if any, are expensed. The Company considers anticipated investment income in determining whether premium deficiencies exist.

*Management Compensation Program*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company has an incentive compensation plan covering certain members of its management team. Awards under the plan are payable each March and are based upon the Company's performance during the prior year ending December 31. The provisions of the plan require recipients to use a portion of their individual award to purchase stock of the Company. The Company has accrued for its estimated obligations under the plan as of September 30, 2001.

*Comprehensive Income*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Comprehensive income is a measure of all non-owner changes in equity of an entity and includes net income (loss) plus changes in certain assets and liabilities that are reported directly through equity.

*Use of Estimates in Preparation of Financial Statements*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, although, in the opinion of management, such differences would not be significant.

*Recent Accounting Pronouncements*

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

In June 2001, the Financial Accounting Standards Board issued SFAS No. 142, Goodwill and Other Intangible Assets. This statement established accounting and reporting standards for acquired goodwill and other intangible assets and supersedes APB Opinion No. 17, Intangible Assets. It requires an entity to separate its goodwill, intangible assets with definite useful lives and intangible assets with indefinite useful lives. Goodwill and intangible assets with indefinite useful lives are no longer subject to periodic amortization. Rather they are subject to impairment tests that are required to be performed on at least an annual basis. At September 30, 2001, the Company had unamortized goodwill totaling \$4,544 associated with its November 1997 and March 1998 purchases of The Innovative Company (former 100% owner of Universal Insurance Company and Premium Budget Plan, Inc.) and Americas Flood Services, Inc., respectively. Annual amortization of goodwill which will cease to be recorded effective January 1, 2002 upon the adoption of SFAS No. 142 is \$125. The Company currently does not expect that it will incur impairment to either component of the goodwill as a result of adopting SFAS No. 142 and the Company has no other material intangible assets falling under the scope of the statement.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

In June 1998, the Financial Accounting Standards Board issued SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities. This statement established accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts and for hedging activities. It requires that an entity recognize all derivatives as either assets or liabilities in the balance sheet and measure those instruments at fair value. This statement could increase volatility in earnings and other comprehensive income. The effective date of this statement was amended by SFAS Nos. 137 and 138 and, as amended, is effective for all fiscal quarters of fiscal years beginning after June 15, 2000. The Company adopted SFAS No. 133 effective January 1, 2001 and the statement had no material impact on its financial position or results of operations.

**NOTE 2. INVESTMENTS**

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company's investments in debt securities are considered available-for-sale securities and carried at market value at September 30, 2001 and December 31, 2000. Unrealized gains and losses on debt securities are credited or charged directly to accumulated other comprehensive income and included in shareholders' equity.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company's equity securities consist of its investments in Sunshine State Holding Corporation (Sunshine) and QualSure Holding Corporation (QualSure). During the fourth quarter of 1997, the Company invested \$854 in Sunshine for an ownership interest of 21.49%. Sunshine owns 100% of the issued and outstanding stock of Sunshine State Insurance Company, a Florida-based writer of homeowners insurance. Effective January 21, 2000, three of the Company's insurance subsidiaries collectively acquired a 30.625% equity ownership interest in QualSure for \$4,900. QualSure is the holding company parent of QualSure Insurance Corporation, a homeowners take out insurance company domiciled in the state of Florida. In connection with this investment, the Company's claims adjusting and management services subsidiary, INS, entered into a Claims Administration Services Agreement with QualSure Insurance Corporation to adjudicate all of its claims for a fee based upon subject earned premium. As each of these investments exceeds 20% of the equity of each respective company, the Company's equity in the undistributed earnings of the unconsolidated affiliates are included in current earnings.

Short-term investments are carried at cost, which approximates market value.

**NOTE 3. REINSURANCE ARRANGEMENTS**

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company's risk-bearing property and casualty insurance operations include the active nonstandard automobile operations of UIC, the runoff nonstandard automobile operations of SCIC, and the active commercial lines operations of SCIC. Since December 31, 1999, UIC has operated under a 75% quota share reinsurance agreement for its risk-bearing nonstandard automobile operations. Effective June 30, 1999 and continuing through June 30, 2000, SCIC operated under a 90% quota share reinsurance agreement for its risk-bearing commercial lines operations. This agreement was amended to become a 70% quota share reinsurance agreement effective April 1, 2000, and the amended agreement was terminated at the Company's request effective April 1, 2001. The Company's commercial lines business is now reinsured through facultative, excess of loss, catastrophe and umbrella reinsurance.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

Reinsurance contracts do not relieve the Company of its obligations to policyholders. Failure of reinsurers to honor their obligations could result in losses to the Company. The Company evaluates the financial condition of its reinsurers and monitors concentrations of credit risk arising from similar geographic regions, activities, or economic characteristics of the reinsurers to minimize its exposure to significant losses from reinsurer insolvency.

## Edgar Filing: SEIBELS BRUCE GROUP INC - Form 10-Q

The Company issues a substantial number of automobile and flood insurance policies for, and fully reinsures those risks with, the SC Facility, the NC Facility and the NFIP. While the amount of reinsurance recoverable under these arrangements is significant, the Company believes the balances due from the SC Facility, the NC Facility and the NFIP are fully collectable due to the governmental agency's ability to assess policyholders and member companies for deficiencies.
