PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MARCH 17, 2005

Your proxy in the enclosed form is solicited by the Board of Directors of CREDO Petroleum Corporation for use at the Annual Meeting of Shareholders to be held on Thursday, March 17, 2005 at 2:30 p.m., MST, at the Wells Fargo Bank West, N.A., Forum Room, Seventeenth and Broadway, Denver, Colorado, and any adjournment thereof. These proxy materials were first mailed to shareholders on or about February 8, 2005.

Only shareholders of record at the close of business on January 31, 2005 will be entitled to vote at the meeting. On that date, there were 6,037,099 shares of common stock outstanding and entitled to vote, excluding 303,118 shares held in the Company's treasury.

All shares represented by properly executed, unrevoked proxies timely received in proper form will be voted in accordance with the directions specified thereon. Any such proxy on which no direction is specified will be voted in favor of the election of the nominees named herein to the Board of Directors and for ratification of the appointment of Hein & Associates LLP as independent auditors for the Company for fiscal 2005. In addition, all proxies will be voted in accordance with the judgment of the proxy holders with respect to any other matter which may properly come before the meeting. Any shareholder giving a proxy may revoke that proxy at any time before it is voted at the meeting by executing a later dated proxy, by voting by ballot at the meeting, or by filing with the Election Judge an instrument of revocation.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The \$.10 par value common stock of the Company is the only class of capital stock outstanding. Each outstanding share of common stock is entitled to one vote with respect to each matter to be voted on by the shareholders, which vote may be given in person or by proxy duly authorized in writing. Cumulative voting is not permitted. A quorum, being a majority of shares of outstanding common stock, is necessary in order for business to be transacted at the meeting. Director nominees receiving the largest number of votes will be elected. For other matters subject to voting, the affirmative vote of the majority of the total shares represented and voted at the meeting is necessary for approval. Shares that withhold votes for a nominee for director or shares that either abstain from voting on other proposals presented or which lack authority to vote will have no effect in the tabulation of votes although they will be counted toward the presence of a quorum.

DIRECTORS AND OFFICERS**Election of Directors (Item 1 on Proxy Card)**

The Articles of Incorporation, as amended, classify members of the Board of Directors into three classes having staggered terms of three years each. The Board of Directors consists of six directors, including five outside directors, who have particular expertise in areas considered essential to the Company's business - namely geology, land, petroleum engineering, legal and accounting.

The directors to be elected to the Board in Class III at the 2005 Annual Meeting of Shareholders will serve until the 2008 Annual Meeting and until their successors are duly elected and qualified. Any vacancy occurring in a class following the election of that class may be filled by the Board of Directors. A director selected to fill a vacancy in a class will hold office for a term expiring at the annual meeting at which the term of that class expires and until a successor is duly elected and qualified.

Information Concerning Meetings of the Board of Directors and Board Committees

The Board of Directors met five times during fiscal 2004. All directors were present for at least 80% of the meetings. It is Company policy that Board members attend the Annual Meeting of Shareholders unless health, family or other important personal matters prohibit such attendance. All members of the Board of Directors attended the Company's 2004 Annual Meeting.

The Board has an Executive Committee consisting of Messrs. Hall, Huffman and Skewes. The Executive Committee did not meet during fiscal 2004. There are no compensation or nominating committees because such matters are considered by the Executive Committee or the entire Board of Directors. The Board of Directors consists of only six members and the Executive Committee consists of only three members. The Board believes that, due to their size and/or composition, either body is capable and qualified to fulfill the function of a separate nominating committee or compensation committee.

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

The Audit Committee of the Board of Directors consists of three members: Mr. Hall, a CPA; Mr. Brown, a former oil company executive; and Mr. Skewes, an attorney in private practice. Mr. Hall is a CPA and is a retired PricewaterhouseCoopers audit partner. He is Chairman of the Audit Committee and is qualified as an audit committee financial expert under the applicable Commission rules. Mr. Hall, Mr. Brown and Mr. Skewes are independent directors under the applicable National Association of Securities Dealers listing standards (NASD Independent Director Standards).

Audit Committee Report

The responsibilities of the Audit Committee are set forth in the *Audit Committee Charter* which has been adopted by the Board of Directors. A copy of the Charter was included as an Appendix to the 2003 Proxy Statement and will be included at least once every three years in future Proxy Statements.

The Audit Committee met two times during fiscal 2004 and has met once since fiscal 2004 year-end. The Committee reviewed and discussed the Company's audited financial statements for fiscal 2004 with management and the Company's independent auditors, and discussed with the Company's independent auditors the matters required by *Statement of Auditing Standards No. 61*. The Committee has received from the independent auditors appropriate disclosures regarding the auditors' independence as required by *Independence Standards Board Standard No. 1*. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the year ended October 31, 2004 be included in the Company's Annual Report on Form 10-KSB.

Compensation of and Agreements with Non-Employee Directors

Non-employee directors receive \$2,000 plus reimbursement for out-of-pocket expenses for each meeting of the Board of Directors attended and may be paid \$100 per hour for committee meeting attendance or for consulting services provided at the request of the majority of the Board of Directors.

Non-employee directors also receive director compensation in the form of stock options granted under the Company's Stock Option Plan. The option exercise price is the price of the Company's common stock on the option grant date. The options vest in one-third increments beginning on the date of grant and then on each anniversary thereafter until fully vested. Mr. Brown was granted a stock option on July 27, 2000 to purchase 45,000 shares at \$2.74. He exercised the

remaining 18,720 exercisable stock options in May 2004. Each non-employee director was granted a stock option on June 13, 2003 to purchase 19,500 shares at \$8.89. These options expire on their tenth anniversary date and none of the options have been exercised. Amounts reported above have been adjusted for a 20% stock dividend made during 2003 and a 3-for-2 stock split in 2004.

The Company has entered into indemnification agreements with each of its non-employee directors. Those agreements require the Company to indemnify such directors to the fullest extent permitted by Colorado Law and to advance expenses in connection with certain claims against the directors.

SELECTION OF INDEPENDENT AUDITORS

(Item 2 on Proxy Card)

The Board of Directors has appointed, subject to ratification by the shareholders, Hein & Associates LLP as the independent auditors of the Company for fiscal 2005. Representatives of Hein & Associates LLP will be present at the Annual Meeting to make any statement they so desire and to answer appropriate shareholder questions.

In the absence of contrary instructions by a shareholder, the shares represented by the proxy will be voted FOR the ratification of the appointment of Hein & Associates LLP as the Company's independent auditors for fiscal 2005.

Audit Fees

The aggregate fees billed for professional services rendered by Hein & Associates LLP for its audit of the Company's annual financial statements and its reviews of the financial statements included in the Company's Form 10-QSB were \$51,400 and \$37,100 for fiscal 2004 and 2003 respectively.

Audit Related Fees

The aggregate fees billed for assurance and related services by Hein & Associates LLP totaled \$1,800 and \$1,600 in fiscal 2004 and 2003, respectively.

Tax Fees

The aggregate fees billed for tax services by Hein & Associates LLP were zero and \$400 in fiscal 2004 and 2003, respectively.

All Other Fees

Hein & Associates LLP provided no services during fiscal 2003 and 2004 other than the services described above, and thus, no fees for such services were billed. The Audit Committee has reviewed such fees and found that the provision of such other services is compatible with maintaining the principal accountant's independence.

Policies and Procedures for Approval of Audit and Non-Audit Services

The Audit Committee pre-approves estimates of audit and non-audit services expected to be performed by Hein & Associates LLP in any fiscal year. In addition, the Audit Committee has delegated authority to its Chairman to pre-approve additional audit and non-audit services by Hein & Associates LLP, and ensures that the independent auditors shall not be engaged to perform the specific non-audit services that are prohibited by law or regulation. The Audit Committee Chairman must report the amount of any such additional pre-approved services at the next scheduled Audit Committee meeting. The Audit Committee pre-approved 100% of Hein & Associates LLP fees for audit and non-audit services in fiscal 2003 and 2004. There were no hours expended on the Hein & Associates LLP audit of the Company's most recent financial statements by persons other than Hein & Associates LLP's full-time, permanent employees.

The Audit Committee has concluded that services rendered by Hein & Associates LLP and the related fees paid to Hein & Associates LLP are compatible with maintaining Hein & Associates LLP's independence.

The Board of Directors recommends a vote FOR this proposal and will be governed by the decision of a majority of shares voting.

INCREASE SHARES FOR ISSUANCE UNDER 1997 STOCK OPTION PLAN

(Item 3 on Proxy Card)

The Board of Directors has amended the CREDO Petroleum Corporation 1997 Stock Option Plan (the "Plan"), to increase the number of shares of the Company's common stock authorized for issuance upon the exercise of options granted under the Plan from 650,000 shares to 900,000 shares. As the amendment involves an increase in the number of options that may be granted under the Plan, the Board of Directors has directed that the amendment be submitted to the shareholders for their approval. An affirmative vote of a majority of the shares voting on this issue is required to approve the amendment.

The Board of Directors believes that the availability of stock options to be granted to key employees of the Company is essential to attracting and retaining key people for the Company. The increased number of shares authorized pursuant to the amendment provides additional opportunity for the Company to attract the most qualified employees. The Board of Directors therefore unanimously recommends approval of the amendment.

Under the Plan, the Board of Directors is authorized to grant stock options to full-time employees of the Company and to non-employee directors and consultants of the Company whose judgment, initiative and efforts are, or are expected to be, important to the successful conduct of the Company's business. Any employee of the Company is eligible for a stock option grant by the Board in its discretion.

Options are granted on such terms as the Board of Directors determines. Generally options are granted at exercise prices not less than the fair market value of the Company's common stock on the date of grant. Options generally vest over periods of two to four years and expire after ten years. In the event of a change of control of the Company, outstanding options will be

immediately vested unless the Board specifies otherwise. Options may generally be exercised only by the optionee and are not transferable except upon death or disability.

The Company's stock option agreements generally provide that, upon exercise of an option, the Company and the option holder may agree that, in lieu of issuing stock, the Company may repurchase the option for an amount equal to the difference between the option exercise price and the fair market value of the stock. The agreements also generally include provisions allowing the Company to loan the option holder all or a portion of the option exercise price.

The Plan expires on July 29, 2007, ten years after the date of its adoption; however, options granted under the Plan prior to its expiration continue to be exercisable after that date in accordance with their terms.

CODE OF ETHICS

The Company has adopted a *Code of Ethics* that applies to, among others, its principal executive, financial and accounting officers, and other persons, if any, performing similar functions. The Company's *Code of Ethics* is posted on the Company's Internet website (www.credopetroleum.com). In addition, a copy of the *Code of Ethics* can be obtained from the Company, without charge, by written request to the Chief Financial Officer at the Company's address.

MANNER AND EXPENSES OF SOLICITATION

Solicitation of proxies will be by mail. The total expenses of such solicitation will be borne by the Company and will include reimbursement of brokerage firms and others for their expenses in forwarding solicitation material regarding the meeting to beneficial owners. Solicitation of proxies may be made by telephone or oral communication by regular employees of the Company who will not be directly compensated. In addition, the Company may employ a proxy solicitor. Costs of a proxy solicitor, if any, will be paid by the Company and will not exceed \$100,000.

SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING AND SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any proposal which a shareholder intends to present for consideration and action at the next annual meeting of shareholders must be received in writing by the Company no later than October 3, 2005 and must conform to applicable SEC rules and regulations. If a shareholder does not seek inclusion of a proposal in the proxy material and submits the proposal outside the process described in Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended, the proposal must be received by the Company's Secretary on or before December 31, 2005. If the proposal is not received by that date, the Board of Directors will be allowed to use its discretionary voting authority as to the proposal when it is raised at the Annual Meeting. Nothing in this paragraph shall be deemed to require the Company to permit presentation of a shareholder proposal, or to include in the Company's proxy materials relating to the 2006 Annual Meeting of Shareholders, any shareholder proposal that does not meet all of the requirements for presentation or inclusion established by the regulations of the SEC in effect at that date.

Edgar Filing: CREDO PETROLEUM CORP - Form DEF 14A

The Board of Directors attends each Annual Meeting and the individual directors are available to answer appropriate questions. Appropriate questions generally relate to the Board's responsibility to establish overall policy and direction for the Company, its responsibility to retain and evaluate management, and its responsibilities related to certain functions related to the Audit Committee. In the past five years, the Company has not received any formal shareholder communications addressed to the Board of Directors or its members. Shareholders may send communications to the Board of Directors addressed to the attention of the Chairman of the Executive Committee of the Board of Directors at the Company's business address. The Chairman of the Executive Committee will log and retain all such communications. Those communications that the Chairman, in his sole judgment, believes are (i) within the scope of the Board of Directors' responsibility, (ii) credible, and (iii) material, or potentially material, will be presented to the full Board of Directors at its next succeeding regular quarterly meeting. The Board of Directors will then determine, in its sole judgment, whether a response is appropriate.

OTHER MATTERS

The Company knows of no other matters to be brought before the Annual Meeting. However, if other matters come to their attention before the meeting, it is the intention of the persons named in the proxy to vote such proxy in accordance with their judgment on such matters.

A copy of the Company's Annual Report for the fiscal year ended October 31, 2004, which includes financial statements, is enclosed for your information. The Annual Report is not a part of the proxy solicitation material.
