(b)

That notice contained the following information required under Rule 104(b)(2) of Regulation BTR:

In connection with a change in the outside administration and record keeping company for the SkyWest, Inc. Employees Retirement Plan (the Plan ), the Plan will be entering a blackout period during which Plan participants will not be able to change the investment of their Plan account balances or take Plan loans or distributions. The Plan s blackout period is expected to last from the week commencing Sunday May 14, 2006 through and including the calendar week beginning Sunday June 18, 2006. Formal notice of the Plan blackout was given to Plan participants on April 12, 2006.

Applicable federal securities law generally prohibits directors and executive officers of SkyWest, Inc. from directly or indirectly purchasing, selling, or otherwise acquiring or transferring any shares of SkyWest, Inc. common stock or other equity securities of SkyWest, Inc., including options to acquire common stock and other derivative securities, during the Plan blackout period. This special trading restriction, which was enacted as part of the Sarbanes-Oxley legislation, bars trades within the Plan as well as trades outside the Plan and is in addition to (i) SkyWest, Inc. s policy restricting insider trading during quarterly blackout periods associated with the release of earnings data; (ii) the trading restrictions set forth in letter agreements executed by SkyWest, Inc. and its directors and executive officers in favor of Merrill Lynch & Co. and Raymond James & Associates, Inc., in connection with SkyWest, Inc. s recently completed offering of common stock pursuant to a Registration Statement on Form S-3 filed November 18, 2005 and subsequently amended by an Amendment No. 1 to Registration Statement, filed April 4, 2006; and (iii) the other applicable restrictions under federal securities laws. Again, the Plan blackout period is expected to begin during the week commencing Sunday May 14, 2006 and expected to end during the week beginning Sunday June 18, 2006. We do not yet know the precise date the Plan blackout period will end. However, as we enter that blackout period, you can obtain without charge exact information regarding the ending date of the blackout period by contacting Michael Kraupp or Bryce Higgins telephone number is 435-634-3222.
