- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

**ITEM 1.03 BANKRUPTCY OR RECEIVERSHIP.**

On November 10, 2008, all of the direct and indirect wholly-owned subsidiaries (collectively, the Debtors ) of Storm Cat Energy Corporation (the Parent ) filed a voluntary petition for reorganization (the Reorganization Cases ) under Chapter 11 of the United States Bankruptcy Code (the Code ) in the United States Bankruptcy Court for the District of Colorado (the Bankruptcy Court ). The Reorganization Cases do not include the Parent. The Debtors expect the cases to be jointly administered. The Debtors will continue to operate their businesses as debtors-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Code and orders of the Bankruptcy Court.

On November 10, 2008, the Parent issued a press release relating to the Reorganization Cases, a copy of which is filed herewith as Exhibit 99.1.

**ITEM 2.04 TRIGGERING EVENTS THAT ACCELERATE OR INCREASE A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT.**

The filing of the Reorganization Cases described in Item 1.03 above constituted an event of default or otherwise triggered repayment obligations under a number of instruments and agreements relating to direct financial obligations of the Parent and/or the Debtors (the Debt Documents ). As a result of the events of default, all debt outstanding under the Debt Documents became automatically and immediately due and payable. The Debtors believe that any efforts to enforce the payment obligations under the Debt Documents are stayed as a result of the filing of the Reorganization Cases in the Bankruptcy Court or as the result of that certain Subordination and Intercreditor Agreement previously entered into by the noteholders of the Series A Notes and Series B Notes (as defined below) that requires that the noteholders standstill and not accelerate any amounts due under such notes upon an Event of Default thereunder or seek other enforcement or redemption actions otherwise permitted under the applicable note purchase agreements.. The Debt Documents, the acceleration of which is material to the Company, and the approximate principal amount of debt currently outstanding thereunder, are as follows:

1. Approximately \$40,000,000 in outstanding principal amount of the term loan facility and approximately \$25,000,000 in outstanding principal amount of the revolving credit facility issued pursuant to that certain Credit Agreement, dated as of December 27, 2007, and First Amendment to Credit Agreement, dated as of April 17, 2008, by and among Storm Cat Energy (USA) Corporation ( Storm Cat (USA) ), Wells Fargo Foothill, LLC, as Agent, and the lenders party thereto (the Credit Facility ). Additionally, the Parent and the Debtors (other than Storm Cat (USA)) guaranteed the obligations of Storm Cat (USA) under the Credit Facility pursuant to a Guaranty, dated as of December 27, 2007.
2. \$18,535,000 in outstanding principal of 9.25% Series A Subordinated Convertible Notes due March 31, 2012 ( Series A Notes ) issued pursuant to that certain Series A Note Purchase Agreement that was made and entered as of January 19, 2007 by and among the Parent and each of the purchasers set forth thereto in connection with issuance of the Series A Notes.

3. \$31,660,000 in outstanding principal of 9.25% Series B Subordinated Convertible Notes due March 31, 2012 ( Series B Notes ) issued pursuant to that certain Series B Note Purchase Agreement that was made and entered as of January 19, 2007 by and among the Parent and each of the purchasers set forth thereto in connection with issuance of the Series B Notes.

**ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS.**

(d) Exhibits.
