Item 1.01. Entry into a Material Definitive Agreement.

In connection with the commencement of a continuous equity offering under which AvalonBay Communities, Inc. (the Company) may sell up to an aggregate amount of \$500,000,000 of shares of its common stock (the Shares) from time to time during a three-year period in at the market offerings (the Offering), the Company filed today with the Securities and Exchange Commission (the SEC) a prospectus supplement dated November 5, 2010 (the Prospectus Supplement). The Company may sell the Shares in amounts and at times to be determined by the Company from time to time, but has no obligation to sell any of the Shares in the Offering. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Company's common stock and determinations by the Company of the appropriate sources of funding for the Company.

The Offering will occur pursuant to three separate sales agency financing agreements (individually, a Sales Agreement and together, the Sales Agreements) entered into by the Company with each of Morgan Stanley & Co. Incorporated, J.P. Morgan Securities LLC, and Wells Fargo Securities, LLC, as agents for the offer and sale of the Shares (individually, a Sales Agent and together, the Sales Agents). Each Sales Agreement has a three-year term and provides that the Company may offer and sell from time to time pursuant to the Sales Agreements up to a combined total of \$500,000,000 of shares of its common stock during such three-year term through the Sales Agents. The Sales Agreements provide that each Sales Agent will be entitled to compensation as provided under the terms of the relevant Sales Agreement.

Sales of the Shares, if any, under the Sales Agreements may be made in transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange, as well as in negotiated or other transactions described in the Prospectus Supplement. The Company has no obligation to sell any of the Shares in the Offering, and may at any time suspend solicitation and offers under the sales agency financing agreements or terminate the sales agency financing agreements.

The Shares will be issued pursuant to the Prospectus Supplement and the Company's automatic shelf registration statement on Form S-3 (File No. 333-157627) filed on March 2, 2009 with the SEC. Copies of the prospectus supplement may be obtained by contacting the Company at the address on the cover page of this Current Report on Form 8-K. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration of qualification under the securities laws of any such state.

The Sales Agreements are filed as Exhibits 1.1, 1.2 and 1.3 to this Current Report. The description of the Sales Agreements does not purport to be complete and is qualified in its entirety by reference to the Sales Agreements filed herewith as exhibits to the Current Report.
