**Item 8.01 Other Events.**

Collective bargaining agreement. As of February 28, 2011, approximately 55% of the electric utilities' employees were members of the International Brotherhood of Electrical Workers, AFL-CIO, Local 1260, Unit 8, which is the only union representing employees of the electric utilities. The collective bargaining agreement between the union and the electric utilities expired on October 31, 2010, but had been extended through January 31, 2011 while negotiations for a new agreement continued. A tentative new agreement was reached with the union on January 31, 2011, but the agreement was conditioned on ratification by the union's members and the union's members did not ratify the new agreement. On March 4, 2011 the union declared a strike on HECO and its subsidiaries. Non-union employees are operating HECO and its subsidiaries' electric systems during the union's work stoppage and have plans in place to address various contingencies as they arise. Management cannot predict when the work stoppage will end, or when a new agreement will be reached.
