=====

Any ballot marked Abstain is considered to have been voted. Ballots marked Abstain are considered to have been voted against management's recommendation if management's recommendation is For or Against, and for management's recommendation if management's recommendation is Abstain. Where management has recommended that shareholders Abstain from voting on a ballot item, a ballot marked For or Against is considered to have been voted against management's recommendation to Abstain.

Where management has made no recommendation on a ballot item, NA is used to indicate that there is no management recommendation that a shareholder may vote For or Against.

Any ballot marked as Take No Action is neither a vote cast for or against management and NA is used to represent this.
