 - ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 1.01. Entry into a Material Definitive Agreement.

The disclosure contained in Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement and Exhibits 4.1 and 4.2 to this Current Report on Form 8-K are incorporated in this Item 1.01 by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On February 10, 2012, Ventas Realty, Limited Partnership and Ventas Capital Corporation (collectively, the Issuers), each a wholly owned subsidiary of Ventas, Inc. (the Company), issued and sold \$600 million aggregate principal amount of their 4.25% Senior Notes due 2022 (the Notes) in a registered public offering pursuant to a Registration Statement on Form S-3 (File No. 333-158424) filed under the Securities Act of 1933, as amended, which Registration Statement became automatically effective on April 6, 2009. The Notes were sold pursuant to an Underwriting Agreement dated February 1, 2012 among the Issuers, the Company, and the underwriters named therein.

The Notes mature on March 1, 2022. The Notes bear interest at a rate of 4.25% per annum, payable semi-annually in arrears on March 1 and September 1 of each year, commencing on September 1, 2012. The Notes are unconditionally guaranteed on a senior unsecured basis by the Company.

The Notes are general unsecured obligations of the Issuers and the Company, ranking equal in right of payment with all of such entities' existing and future senior unsecured indebtedness and ranking senior in right of payment to all of such entities' existing and future subordinated indebtedness. However, the Notes are effectively subordinated to all of such entities' secured borrowings to the extent of the assets securing those obligations. The Notes are also structurally subordinated to the indebtedness and other obligations of the Company's subsidiaries (other than the Issuers).

The Company intends to use the net proceeds from the sale of the Notes to repay indebtedness outstanding under its unsecured revolving credit facility and for working capital and other general corporate purposes, including to fund future acquisitions or investments, if any.

The terms of the Notes, summarized herein, are governed by the Indenture dated as of September 19, 2006 (the Base Indenture), as amended by the Fifth Supplemental Indenture dated as of February 10, 2012 (the Fifth Supplemental Indenture), among the Issuers, the Company and U.S. Bank National Association, as trustee. The Base Indenture, as so amended (the Indenture), contains certain covenants that limit the Company's and its subsidiaries' ability to incur debt, incur secured debt and merge, consolidate or transfer all or substantially all of their assets, taken as a whole. The Company and its subsidiaries are also required to maintain total unencumbered assets of at least 150% of their unsecured debt.

The Issuers may redeem the Notes, in whole at any time or in part from time to time. The redemption price for Notes that are redeemed before December 1, 2021 will be equal to 100% of

the principal amount thereof, together with any accrued and unpaid interest thereon to the redemption date, plus a make-whole premium. The redemption price for Notes that are redeemed on or after December 1, 2021 will be equal to 100% of the principal amount thereof, together with any accrued and unpaid interest thereon to the redemption date, and will not include a make-whole premium.

The Indenture contains certain customary events of default, including without limitation: failure to make required payments; failure to comply with certain agreements or covenants; cross-defaults to certain other indebtedness in excess of specified amounts; and certain events of bankruptcy and insolvency. An event of default under the Indenture will allow either the trustee or the holders of at least 25% in principal amount of the then outstanding Notes to accelerate, or in certain cases will automatically cause the acceleration of, the amounts due under the Notes.

U.S. Bank National Association, the trustee under the Indenture, is also the trustee under each of the indentures relating to the Issuers' 9% Senior Notes due 2012, 3.125% Senior Notes due 2015, 6½% Senior Notes due 2016, 6¾% Senior Notes due 2017, and 4.750% Senior Notes due 2021.

The foregoing description of the Notes and the Indenture is qualified in its entirety by reference to the Base Indenture and the Fifth Supplemental Indenture, copies of which are incorporated by reference herein or filed herewith as Exhibits 4.1 and 4.2, respectively, and incorporated in this Item 2.03 by reference.

Item 9.01. Financial Statements and Exhibits.

(a) Financial Statements of Businesses Acquired.
