Item 5.02(b) and (e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously announced in the 2012 annual meeting proxy statement of Body Central Corp. (the Company), effective May 24, 2012, Mr. Jerrold S. Rosenbaum retired from the Company's board of directors. Following Mr. Rosenbaum's retirement, the Company's board of directors is comprised of seven directors.

On May 24, 2012, the Company's stockholders approved an amendment and restatement of the Company's Amended and Restated 2006 Equity Incentive Plan (the Plan). The Plan as amended and restated (i) increases the number of shares available under the Plan by 400,000 shares; (ii) eliminates the element of the Plan's definition of change of control that previously included a discretionary determination by the board of directors that a change of control had occurred; (iii) modifies treatment of awards upon a change of control of the Company to provide that, if a successor assumes or replaces awards granted under the Plan, 50% of the unvested portion of an award will vest and the remaining portion will not be accelerated upon the change of control unless the participant's employment is also terminated; (iv) enhances the Plan's flexibility with respect to award types and adds individual limits for each award type; and (v) makes future awards under the Plan subject to any clawback or recoupment policy that we maintain from time to time.

The Plan was filed as Appendix A to the Company's definitive proxy statement filed April 5, 2012 and the terms thereof are incorporated herein by reference.

On May 24, 2012, the Company's stockholders also approved the Company's 2012 Annual Incentive Plan (the 2012 Plan). The 2012 Plan, which will be administered by the compensation committee of the board of directors, will govern the award and payment of cash based incentive compensation to executive officers and other key management employees of the Company. Under the 2012 Plan, the compensation committee will establish written, objective performance goals for specific performance periods based on any one or more of the following financial measures: net sales; comparable store sales; cost of goods sold; gross margin; cost of sales; selling, general and administrative expense; gross income; operating income; earnings (including before taxes, and/or interest and/or depreciation and amortization); net income; earnings per share (including diluted earnings per share; before or after extraordinary items); operating margin; EBIT or EBITDA margin; pre-tax profit; net profit margin; price per share; cash flow; net cash provided by operating activities less net cash used in investing activities; ratio of debt to debt plus equity; return on stockholder equity; return on capital; return on (net or gross) assets; return on equity; return on investment; operating working capital; working capital as a percentage of net sales; cost of capital; average accounts receivable; inventory turnover; average inventory age; economic value added; performance value added; stock price; total stockholder return; customer satisfaction; customer loyalty and/or retention; market share; new store openings; mergers and/or acquisitions; divestitures; store closings; sales per square foot; sales per advertising dollar; cost structure reduction; cost savings; operating goals; employee satisfaction and/or retention.
