Important Additional Information Regarding the Merger

This Current Report on Form 8-K may be deemed to be solicitation material in respect of the proposed merger of Carmike with and into a wholly-owned subsidiary of AMC. In connection with the proposed merger, AMC and Carmike will file with the Securities and Exchange Commission ("SEC") a Registration Statement on Form S-4 (the "Registration Statement") containing a prospectus with respect to the AMC common stock to be issued in the proposed merger and a proxy statement of Carmike in connection with the proposed merger (the "Proxy Statement/Prospectus"). The proxy statement of Carmike contained in the Proxy Statement/Prospectus will replace the definitive proxy statement which Carmike previously filed with the SEC on May 23, 2016 and mailed to its stockholders on or about May 25, 2016. Each of AMC and Carmike intends to file other documents with the SEC regarding the proposed merger. The definitive Proxy Statement/Prospectus will be mailed to stockholders of Carmike and will contain important information about the proposed merger and related matters.

Forward-looking statements may be identified by the use of words such as forecast, plan, estimate, will, would, project, maintain, intend, expect, anticipate, strategy, future, likely, may, should, believe, expressions that predict or indicate future events or trends or that are not statements of historical matters. Similarly, statements made herein and elsewhere regarding the pending acquisitions of Odeon and Carmike Cinemas (collectively the targets) are also forward-looking statements, including statements regarding the anticipated closing date of the acquisitions, the source and structure of financing, management's statements about effect of the acquisitions on AMC's future business, operations and financial performance and AMC's ability to successfully integrate the targets into its operations. These forward-looking statements are based on information available at the time the statements are made and/or managements' good faith belief as of that time with respect to future events, and are subject to risks, trends, uncertainties and other facts that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. These risks, trends, uncertainties and facts include, but are not limited to, risks related to: the parties' ability to satisfy closing conditions in the anticipated time frame or at all; obtaining regulatory approval, including the risk that any approval may be on terms, or subject to conditions, that are not anticipated; obtaining the Carmike stockholders approval for the Carmike transaction; the possibility that these acquisitions do not close, including in circumstances in which AMC would be obligated to pay a termination fee or other damages or expenses; related to financing these

transactions, including AMC's ability to finance the transactions on acceptable terms and to issue equity at favorable prices; responses of activist stockholders to the transactions; AMC's ability to realize expected benefits and synergies from the acquisitions; AMC's effective implementation, and customer acceptance, of its marketing strategies; disruption from the proposed transactions making it more difficult to maintain relationships with customers, employees or suppliers; the diversion of management time on transaction-related issues; the negative effects of this announcement or the consummation of the proposed acquisitions on the market price of AMC's common stock; unexpected costs, charges or expenses relating to the acquisitions; unknown liabilities; litigation and/or regulatory actions related to the proposed transactions; AMC's significant indebtedness, including the indebtedness incurred to acquire the targets; AMC's ability to utilize net operating loss carry-forwards to reduce future tax liability; continued effectiveness of AMC's strategic initiatives; the impact of governmental regulation, including anti-trust investigations concerning potentially anticompetitive conduct, including film clearances and participation in certain joint ventures; operating a business in markets AMC is unfamiliar with; the United Kingdom's exit from the European Union and other business effects, including the effects of industry, market, economic, political or regulatory conditions, future exchange or interest rates, changes in tax laws, regulations, rates and policies; and risks, trends, uncertainties and other facts discussed in the reports AMC has filed with the SEC. Should one or more of these risks, trends, uncertainties or facts materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by the forward-looking statements contained herein. Accordingly, you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they are made. Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved. For a detailed discussion of risks, trends and uncertainties facing AMC, see the section entitled "Risk Factors" in AMC's Annual Report on Form 10-K, filed with the SEC on March 8, 2016, and the risks, trends and uncertainties identified in their other public filings.
