Restricted share units granted under the Global Power Equipment Group Inc. 2015 Equity Incentive Plan. On November 8, 2016, Mr. Jolly signed an offer letter, pursuant to which he received restricted share units with an initial cash value of \$43,750. Pursuant to the terms of the grant, the initial cash value of the award would be converted to a right to receive shares of Global Power Equipment Group's

- (1) common stock, par value \$0.01, after the Company completed the filing of an Annual Report on Form 10-K for 2015 and prior years being restated (the "Form 10-K"). The number of shares into which each restricted share unit award would be converted was determined by dividing the initial cash value of the award by the average closing price per common share for the last five trading days of the thirty-day period ending on the thirtieth day after the company completed the filing of the Form 10-K.

- (2) Global Power Equipment Group Inc. filed the Form 10-K on March 15, 2017, and the number of units awarded was determined on April 17, 2017. The restricted share units will vest on March 31, 2018, subject to continued employment through the vesting date. Any shares underlying the restricted share units that do not vest will be forfeited.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
