**We expect that delivery of the Notes will be made to investors in book-entry form through the facilities of The Depository Trust Company and its participants, including Euroclear Bank, S.A./N.V. and Clearstream Banking, *société anonyme*, on or about September 10, 2018, which will be the fourth business day following the date of this pricing term sheet (such settlement cycle being referred to as T+4). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes before the second business day prior to September 10, 2018 will be required, by virtue of the fact that the Notes initially settle in T+4, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes on the date of the prospectus supplement or the next four succeeding business days should consult their advisors.
