Item 1.01 Entry into a Material Definitive Agreement.  
Amendment to PNMR Revolving Credit Facility

On November 2, 2016, PNM Resources, Inc. (“PNMR”) entered into a Fifth Amendment to Credit Agreement, amending its \$300,000,000 unsecured revolving credit facility (the “Fifth Amendment to PNMR Facility”), among PNMR, the lenders party thereto, and Wells Fargo Bank, National Association (“Wells Fargo”), as administrative agent. A copy of the Credit Agreement, dated as of October 31, 2011, which has a current maturity date of October 31, 2020, was filed by PNMR as Exhibit 10.1 to its Current Report on Form 8-K dated October 31, 2011. The First Amendment to Credit Agreement was entered into as of January 18, 2012, and filed by PNMR as Exhibit 10.1 to its Annual Report on Form 10-K for the year ended December 31, 2011. The Second Amendment to Credit Agreement was entered into as of October 31, 2013, and filed by PNMR as Exhibit 10.2 to its Annual Report on Form 10-K for the year ended December 31, 2013. The Third Amendment to Credit Agreement was entered into as of December 17, 2014, and filed by PNMR as Exhibit 10.1 to its Current Report on Form 8-K dated December 17, 2014. The Fourth Amendment to Credit Agreement was entered into as of September 9, 2015, and filed by PNMR as Exhibit 10.6 to its Quarterly Report on Form 10-Q for the quarter ended September 30, 2015.

The Fifth Amendment to PNMR Facility is effective as of November 2, 2016, and extends the maturity date to October 31, 2021 for all but one lender commitment, whose commitment to lend up to \$10,000,000 shall terminate, and the repayment of any obligations owed to it shall continue to mature, on October 31, 2020. At that time, the remaining lenders will either increase their commitments by a corresponding amount or the facility will become a \$290,000,000 facility during the extended term. The Fifth Amendment to PNMR Facility also includes an additional one-year extension option subject to approval by a majority of lenders, eliminates the concept of “Material Leases” as the term is used in calculating PNMR’s ratio of “Consolidated Indebtedness” to “Consolidated Capitalization” (to clarify that a subsidiary’s rental payments under the extended terms of five Palo Verde Nuclear Generating Station leases are not treated as debt), and adds an acknowledgement and consent to the write-down and conversion powers in respect of any liability of a European Union regulated lender.

The description of the Fifth Amendment to PNMR Facility is not complete and is qualified in its entirety by reference to the entire Fifth Amendment to PNMR Facility, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Wells Fargo and the lenders party to the Fifth Amendment to PNMR Facility perform normal banking (including as lenders under other facilities) and investment banking and advisory services from time to time for PNMR and its affiliates, for which they receive customary fees and expenses.

Amendment to PNM Revolving Credit Facility

In addition, on November 2, 2016, Public Service Company of New Mexico (“PNM”), a wholly-owned subsidiary of PNMR, entered into a Third Amendment to Credit Agreement, amending its \$400,000,000 unsecured revolving credit facility (the “Third Amendment to PNM Facility”), among PNM, the lenders party thereto, and Wells Fargo, as administrative agent. A copy of the Credit Agreement, dated as of October 31, 2011, which has a current maturity date of October 31, 2020, was filed by PNM as Exhibit 10.2 to its Current Report on Form 8-K dated October 31, 2011. The First Amendment to Credit Agreement was entered into as of January 18, 2012, and filed by PNM as Exhibit 10.2 to its Annual Report on Form 10-K for the year ended December 31, 2011. The Second Amendment to Credit Agreement was entered into as of December 17, 2014, and filed by PNM as Exhibit 10.2 to its Current Report on Form 8-K dated December 17, 2014.

The Third Amendment to PNM Facility is effective as of November 2, 2016, and extends the maturity date to October 31, 2021 for all but one lender commitment, whose commitment to lend up to \$40,000,000 shall terminate, and the repayment of any obligations owed to it shall continue to mature, on October 31, 2020. At that time, the remaining

lenders will either increase their commitments by a corresponding amount or the facility will become a \$360,000,000 facility during the extended term. The Third Amendment to PNM Facility also includes an additional one-year extension option subject to approval by a majority of lenders, eliminates the concept of “Material Leases” as the term is used in calculating PNM’s ratio of “Consolidated Indebtedness” to “Consolidated Capitalization” (to clarify that PNM’s rental payments under the extended terms of five Palo Verde Nuclear

Generating Station leases are not treated as debt), and adds an acknowledgement and consent to the write-down and conversion powers in respect of any liability of a European Union regulated lender.

The description of the Third Amendment to PNM Facility is not complete and is qualified in its entirety by reference to the entire Third Amendment to PNM Facility, a copy of which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

Wells Fargo and the lenders party to the Third Amendment to PNM Facility perform normal banking (including as lenders under other facilities) and investment banking and advisory services from time to time for PNM and its affiliates, for which they receive customary fees and expenses.
