The Audit Committee consists of directors who are not employees of the Company and other persons selected by the Board who are, in the opinion of the Board of Directors, free from any relationship that would interfere with their exercise of independent judgment as Audit Committee members. Messrs. The Audit Committee is responsible for reviewing our financial reporting procedures and internal controls, the scope of annual and any special audit examinations carried out by our auditors, the performance of our auditors, systems and controls established to comply with financial regulatory requirements and our annual financial statements before they are reviewed and approved by our Board of Directors. Such reviews are carried out with the assistance of our auditors and our senior financial management. The Audit Committee adopted, and the Board of Directors approved, an Audit Committee Charter, consistent with SEC policy, outlining its policy and procedures for the exercise of its oversight responsibilities on January 1, 2001. The Audit Committee Charter is attached to this proxy statement as Appendix A.

Our Appointment of Morgan & Company, Chartered Accountants as Auditor

On February 12, 2002, Shikaze Ralston Tam Kurozumi, Chartered Accountants (the Former Auditor) resigned as our independent auditor. None of the Former Auditor's reports for the past year ended December 31, 2000 or thereafter contained an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principle. We engaged Morgan & Company, Chartered Accountants as our independent auditor on February 12, 2002. Our decision to change auditor was approved by our Board of Directors.

During our fiscal year ended December 31, 2000, and through the date of this proxy statement, there were no disagreements with the Former Auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of the Former Auditor would have caused it to make reference thereto in its report on the financial statements for such year. Our decision to change auditor was approved by our Board of Directors.

During the fiscal year ended December 31, 2000, and through the date of this proxy statement, the Former Auditor did not advise us with respect to any of the matters described below:

(a)

lack of internal controls necessary for us to develop reliable financial statements;

(b)

any information that has come to the attention of our auditor that has led it to no longer be able to rely on management's representations or that has made it unwilling to be associated with the financial statements prepared by management; or

(c)

any need to expand significantly the scope of our auditor's audit or information that has come to our auditor's attention during the financial year prior to and preceding the change in our independent auditor that, if further investigated, would:

(i)

materially impact the fairness or reliability of the previously issued audit report or the financial statements issued or covering that period; or

(i)

cause our auditor to become unwilling to rely on management's representations or that has made it unwilling to be associated with our financial statements, or due to the replacement of the Former Auditor or any other reason, our auditor did not so expand the scope of the audit or conduct such further investigation; or

(a)

any information that has come to the Former Auditor's attention that has led it to conclude that such information materially impacts the fairness or reliability of the audit reports or the financial statements issued covering the two financial years prior to and preceding the change in our independent auditor (including information that, unless resolved, to the satisfaction of such auditor, would prevent it from rendering an unqualified audit report on those financial statements) and due to the replacement of the Former Auditor or any other reason, any issue has not been resolved to such auditor's satisfaction prior to the Former Auditor's replacement.

Audit Fees

The following table sets forth fees billed or expected to be billed to the Company by Morgan & Company and the Former Auditor for: 1) services rendered for the audit of the Company's annual financial statements for fiscal year 2001 and review of quarterly financial statements, 2) services rendered during fiscal year 2001 for provision of any financial information systems design and implementation, and 3) all other fees for services rendered during fiscal year 2001. The Audit Committee has considered whether the provision of services for non-audit services is compatible with Morgan & Company's independence.

Board and Committee Meetings

During 2001, the Board of directors held one telephonic meeting. Each director attended 100% percent of all Board meetings and meetings of Committees on which they served. During 2001, the Board of directors passed nine sets of resolutions by written consent in lieu of holding meetings. All directors, during their respective terms, voted on the consent resolutions in lieu of Board meetings and meetings of committees on which they served. The Audit Committee held one meeting in 2001.

Compensation of the Board of Directors

The Company's directors did not receive any compensation in their capacity as directors during the last fiscal year.

Stock Option Plan

On October 14, 1999, the Board of Directors and a majority of the Company's shareholders approved the 1999 Stock Option Plan (the "Plan"). The Plan provides for the grant of incentive and non-qualified options to purchase up to 3,000,000 shares of common stock to officers, directors, employees, and other qualified persons that may be selected by the Plan Administrator (which currently is the Board of Directors). The Plan is intended to help attract and retain key employees and any other persons that may be selected by the Plan Administrator and to give those persons an equity incentive to achieve the objectives of the Company.

Incentive stock options may be granted to any individual who, at the time of grant, is an employee of the Company or any subsidiary. Non-qualified stock options may be granted to employees and other persons that may be selected by the Plan Administrator. The Plan Administrator uses its discretion to fix the exercise price for options, subject to certain minimum exercise prices in the case of incentive stock options. Options will not be exercisable until they vest according to a vesting schedule specified by the Plan Administrator at the time of grant of the option.

Options are non-transferable except by will or the laws of descent and distribution. With certain exceptions, vested but unexercised options terminate on the earlier of:

(i)

the expiry of the option term specified by the Plan Administrator at the date of grant (generally 10 years; or, with respect to incentive stock options granted to greater-than 10% shareholders, a maximum of five years);

(ii)

the date an employee optionee's employment or contractual relationship with the Company or any subsidiary is terminated for cause;

(iii)

the expiry of three months from the date an optionee's employment or contractual relationship with the Company or any subsidiary is terminated for any reason, other than cause, death or disability; or

(iv)

the expiry of one year from the date of death of an optionee or cessation of an optionee's employment or contractual relationship by death or disability.

Unless accelerated in accordance with the Plan, unvested options terminate immediately on termination of employment of the optionee by the Company for any reason whatsoever, including death or disability.

Option Grants in the Last Fiscal Year

During the fiscal year ended December 31, 2001, no stock options were granted to the Named Executive Officers.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

During the last fiscal year, none of the Named Executive Officers exercised options to purchase shares of the Company's common stock.

Report of the Board of Directors on Executive Compensation

During 2001, the Board of Directors was responsible for establishing compensation policy and administering the compensation programs of the Company's executive officers.

The amount of compensation paid by the Company to each of its directors and officers and the terms of those persons' employment is determined solely by the Board of Directors, except as otherwise noted below. The Company believes that the compensation paid to its directors and officers is fair to the Company.

In the past, Abdul Ladha, our Chief Executive Officer, has negotiated all executive salaries on behalf of the Company, other than his own compensation. The Board of Directors reviews the compensation and benefits of all our executive officers and establishes and reviews general policies relating to compensation and benefits of our employees.

Directors do not participate in approving or authorizing their own salaries as executive officers.

Our Board of Directors believes that the use of direct stock awards is at times appropriate for employees, and in the future intends to use direct stock awards to reward outstanding service or to attract and retain individuals with exceptional talent and credentials. The use of stock options and other awards is intended to strengthen the alignment of interests of executive officers and other key employees with those of our stockholders. See "Stock Option Plan."

Compensation of Chief Executive Officer

The Company paid management fees of \$154,949 to Abdul Ladha, our Chief Executive Officer for Fiscal 2001. Compensation for our Chief Executive Officer for Fiscal 2001 was determined by the Board after considering his efforts in assisting in the development of our business strategy, the salaries of executives in similar positions, the development of our auction houses, the implementation of our business plan and Internet strategy, and our general financial condition. The Company will enter into an employment agreement with Abdul Ladha, its Chief Executive Officer, for the fiscal year ended December 31, 2002 whereby the Company will pay Mr. Ladha CDN\$20,000 per month. Mr. Ladha will also be entitled to receive options to purchase common stock of the Company under the Company's 1999 Stock Option Plan.

The Company does not intend to pay its directors compensation for the fiscal year ended December 31, 2002, other than the issuance to each director of such number of shares of Common Stock having a market value at the time of issuance of \$2,500 in consideration of past services. These shares will be qualified for issuance under a registration statement to be filed by the Company with the United States Securities and Exchange Commission.

deduction Limit for Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million paid to certain of the corporation's executive officers. The limitation applies only to compensation, which is not considered to be performance-based compensation. Compensation, which qualifies as performance-based compensation, will not have to be taken into account for purposes of this limitation. The non-performance based compensation to be paid to the Company's executive officers for Fiscal 2001 did not exceed the \$1 million limit per officer, nor is it expected that the non-performance based compensation to be paid to the Company's executive officers for Fiscal 2002 will exceed that limit. Because it is very unlikely that the compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, the Board has not taken any action to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Board will reconsider this matter should the individual compensation of any executive officer ever approach the \$1 million level.

Certain Relationships and Related Transactions

During the year ended December 31, 2001, the following related party transactions occurred:

1.

The Company paid \$129,770 in rent, leasehold improvements, and repairs and maintenance to Derango Resources Inc., a company controlled by Abdul Ladha.

2.

The Company paid \$149,781 for web site development and maintenance costs to a subsidiary of Dextron Technologies Corporation, a company controlled by Abdul Ladha until July 19, 2001.

During 2001, the Company paid salaries and other compensation to its Named Executive Officers as set forth under the heading Executive Compensation.

PROPOSAL 3:

SHARE COMBINATION

The Board of Directors has determined that it is in the best of interests of the Company to restructure its share capital to facilitate financing. The rules of the American Stock Exchange require that the proposed share combination be approved by the Company's shareholders. The Board of Directors requests that shareholders consider and, if though fit, approve the following resolutions in connection with the proposed share combination:

WHEREAS, the Board of Directors has approved (i) the 3-for-1 combination of the authorized and issued share capital of the Company by reducing the number of authorized shares of Common Stock from Sixty-Two Million Five Hundred Thousand (62,500,000) shares of Common Stock, with a par value of \$0.001 per share, to Twenty Million Eight Hundred Thirty-Three Thousand Three Hundred Thirty-Three (20,833,333) shares of Common Stock, with a par value of \$0.001 per share and reducing the number of the issued and outstanding shares of Common Stock of the Company from Twenty-Five Million One Hundred Twenty-Seven Thousand Twenty (25,127,020) issued and outstanding shares of Common Stock of the Company, with a par value of \$0.001 to Eight Million Three Hundred Seventy-Five Thousand Six Hundred Seventy-Three (8,375,673) issued and outstanding shares of Common Stock of the Company, with a par value of \$0.001, after such stock combination (the Share Combination), and immediately after giving effect to the Share Combination (such time, the Effective Time), each share certificate issued and outstanding on or before the Effective Time shall be deemed to represent one-third as many shares of Common Stock as are stated on the face of each such certificate; and (ii) following the Stock Combination, the increase of the authorized share capital of the Company by increasing the number of authorized shares of Common Stock from Twenty Million Eight Hundred Thirty-Three Thousand Three Hundred Thirty-Three (20,833,333) shares of Common Stock, with a par value of \$0.001 per share to One Hundred Million (100,000,000) shares of Common Stock, with a par value of \$0.001 per share (the Capital Increase);

WHEREAS, the Board of Directors of the Company has recommended to the shareholders that the Share Combination and the Capital Increase be approved and the Articles of Incorporation of the Company (Articles of Incorporation) be amended as set forth in substantially the form of the Articles of Amendment attached hereto as Exhibit A (Amendment) to give effect to the Share Combination and the Capital Increase; now, therefore, it is

RESOLVED, that the shareholders of the Company hereby authorize, approve and ratify the Share Combination, the Capital Increase and the Amendment; and it is further

RESOLVED, that the officers of the Company be, and each of them hereby is, authorized and empowered (any one of them acting alone), in the name and on behalf of the Company, to execute and deliver the Amendment and to give effect to the Share Combination and Capital Increase; and it is further

RESOLVED, that the officers of the Company be, and each of them hereby is, authorized and empowered (any one of them acting alone), in the name of and on behalf of the Company, to procure any authorizations or approvals or to do or cause to be done all such acts or things and to sign and deliver or cause to be signed and delivered, all such documents, including but not limited to, stock certificates, federal and state securities forms, filings, applications or other documents, with such amendments, additions and other modifications thereto, as such officer may deem appropriate, which shall be deemed conclusively evidenced by the execution and delivery thereof, and to carry out and fully perform the terms and provisions of such documents in order to carry into effect the foregoing resolutions and to

fully effect the transactions contemplated in such resolutions.

Even if shareholders pass the foregoing resolutions, the Company's directors may decide not to implement the Share Combination and Capital Increase at their sole discretion.

PROPOSAL 4:

CONVERSION OF DEFERRED CONSIDERATION NOTES

On August 13, 2001, Levy Gee, the Company's financial advisor in the United Kingdom, made a recommended offer on the Company's behalf to acquire all of the issued and outstanding ordinary shares of iCollector PLC (the Offer) for 4,150,000 common shares of Ableauctions.com, deferred consideration notes in the aggregate principal amount of \$3,000,000 (Deferred Consideration Notes), and additional earn-out deferred consideration notes in the aggregate principal amount of \$5,000,000 (Earn Out Consideration Notes). The Offer was declared unconditional in all respects on September 27, 2001. On October 1, 2001, the Company filed a report on Form 8-K in connection with this transaction.

The Ableauctions Deferred Consideration Notes the Company issued to the shareholders of iCollector had an aggregate principal amount of \$3,000,000 payable, without interest, on or before September 27, 2002. These Deferred Consideration Notes are convertible into shares of Common Stock at the Company's sole option at \$1.43 per share, subject to approval by the Company's shareholders and the approval of a listing application by AMEX related to such shares, if required.

The Company intends to exercise its option to issue shares of Common Stock at \$1.43 per share in lieu of making a cash payment to the holders of the Deferred Consideration Notes. We are seeking shareholder approval for the purposes of obtaining approval of our additional listing application from AMEX prior to exercising our option to convert the Deferred Consideration Notes into common shares. If shareholder approval is not obtained, we will be required to pay the aggregate principal amount of the Deferred Consideration Notes in cash of \$3,000,000 on September 27, 2002. Shareholder approval of the conversion into equity of the Deferred Consideration Notes is required by the American Stock Exchange.

The Board of Directors requests that shareholders consider and, if though fit, approve the following resolution in connection with the proposed conversion of the Deferred Consideration Notes into shares of Common Stock of the Company at \$1.43 per share:

WHEREAS, the Company has issued the Deferred Consideration Notes to the shareholders of iCollector PLC in the aggregate principal amount of \$3,000,000, which Deferred Consideration Notes are convertible in shares of Common Stock of the Company at the sole option of the Company at \$1.43 per share, subject to regulatory approval, approval by the Company's shareholders and the approval of a listing application by the American Stock Exchange related to

such shares, if required;

AND WHEREAS, the Company wishes to exercise its option to convert the Deferred Consideration Notes into Common Stock at \$1.43 per share;

RESOLVED, that the shareholders of the Company hereby authorize, approve and ratify the conversion of the Deferred Consideration Notes into Common Stock at \$1.43 share.

PROPOSAL 5:

CHANGE OF NAME

The Board of Directors has determined that it is in the best of interests of the Company to change its name to Ableauctions, Inc. . The rules of the American Stock Exchange require that the proposed name change be approved by the Company s shareholders. The Board of Directors requests that shareholders consider and, if though fit, approve the following resolutions in connection with the proposed name change:

WHEREAS, the Board of Directors has approved the proposed change of name of the Company to Ableauctions, Inc. (the Name Change);

WHEREAS, the Board of Directors of the Company has recommended to the shareholders that the Name Change be approved and the Articles of Incorporation of the Company be amended as set forth in substantially the form of the Articles of Amendment attached hereto as Exhibit A (Amendment) to give effect to the Name Change; now, therefore, it is

RESOLVED, that the shareholders of the Company hereby authorize, approve and ratify the Name Change and the Amendment; and it is further

RESOLVED, that the officers of the Company be, and each of them hereby is, authorized and empowered (any one of them acting alone), in the name and on behalf of the Company, to execute and deliver the Amendment and to give effect to the Name Change; and it is further

RESOLVED, that the officers of the Company be, and each of them hereby is, authorized and empowered (any one of them acting alone), in the name of and on behalf of the Company, to procure any authorizations or approvals or to do or cause to be done all such acts or things and to sign and deliver or cause to be signed and delivered, all such documents, including but not limited to, stock certificates, federal and state securities forms, filings, applications or other documents, with such amendments, additions and other modifications thereto, as such officer may deem appropriate, which shall be deemed conclusively evidenced by the execution and delivery thereof, and to carry out and fully perform the terms and provisions of such documents in order to carry into effect the foregoing resolutions and to fully effect the transactions contemplated in such resolutions.
