Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

Effective as of December 4, 2012, the board of directors of the Company repriced 10,666,403 outstanding compensatory options to purchase Common Stock held by W. John Short, the Company's Chief Executive Officer, and 440,000 outstanding compensatory options to purchase Common Stock held by Henk Hoogenkamp, a director of the Company (the "Options"). Mr. Hoogenkamp's Options were issued to him for consulting services provided to the Company prior to his appointment to the board of directors. As a result, the exercise price of the Options was lowered to \$0.08 per share. No other terms of the Options were changed.

The board of directors effectuated the above repricing to treat Mr. Short and Mr. Hoogenkamp consistently with the repricing of the other compensatory options effected on October 22, 2012, and to realign the value of the Options with their intended purpose, which is to retain and further motivate the holders of the Options to continue their ongoing efforts on behalf of the Company.
