Item 8.01 Other Items.

As previously disclosed, at the Annual Meeting of Stockholders held on June 18, 2013, stockholders of RiceBran Technologies (the “Company”) approved amendments to its articles of incorporation that would effect a reverse split of its issued and outstanding common stock in a ratio to be determined by the board of directors (the “Board”) of the Company. The Board authorized a reverse stock split at a ratio of 1-for-200.

Accordingly, on November 14, 2013, the Company amended its Articles of Incorporation by filing with the California Secretary of State a Certificate of Amendment to effect a 1-for-200 reverse stock split of its common stock and to decrease the total number of authorized shares of its common stock on a post-reverse stock split basis, so that the total number of shares that the Company has the authority to issue is now 6,000,000 shares of common stock.

As a result of the reverse stock split, every 200 shares of the Company’s outstanding common stock were automatically combined into 1 share of common stock. Stockholders will not receive fractional shares in connection with the reverse stock split. Stockholders otherwise entitled to fractional shares will receive an additional share of common stock.

The reverse stock split will reduce the number of shares of the Company’s outstanding common stock from 228,421,381 shares to approximately 1,149,890 shares. Each stockholder’s percentage ownership interest and the proportional voting power remain unchanged after the reverse stock split, except for minor changes and adjustments resulting from the rounding up of fractional shares. The rights and privileges of the holders of the Company’s common stock are unaffected by the reverse stock split.

Beginning with the opening of trading on November 18, 2018, the Company’s common stock will trade on the OTCQB Marketplace on a split-adjusted basis under the symbol “RIBTD” (to designate that it is trading on a post-reverse stock split basis). Trading will resume under the symbol “RIBT” after 20-trading days. A new CUSIP number (762831204) has been issued for the Company’s new common stock. The Company’s transfer agent, American Stock Transfer & Trust, is acting as exchange agent for the reverse stock split and will send instructions to stockholders of record regarding the exchange of their certificates for post-reverse stock split certificates.

The foregoing description of the Certificate of Amendment to the Company’s Articles of Incorporation contained in this Item 8.01 is qualified in its entirety by reference to the Certificate of Amendment, which is filed as Exhibit 3.1 hereto and is incorporated herein by reference.
