NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
September 30, 2004

NOTE A - BASIS OF PRESENTATION

Edgar Filing: ATLANTIC WINE AGENCIES INC - Form 10QSB/A

The accompanying condensed consolidated financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary in order to make the financial statements not misleading have been included. Results for the six months ended September 30, 2004 are not necessarily indicative of the results that may be expected for the year ending March 31, 2005. For further information, refer to the financial statements and footnotes thereto included in the Atlantic Wine Agencies, Inc., formerly New England Acquisitions, Inc., annual report on Form 10-KSB for the year ended March 31, 2004 and the Form 8-K filed in September 2004.

NOTE B - REVERSE MERGER

On May 4, 2004, the stockholders of New Heights 560 Holdings, LLC a Cayman Island Limited Liability Company, acquired 100,000,000 shares of Atlantic Wine Agencies, Inc. common stock in an exchange of shares, thereby obtaining control of the company. Subsequent to the acquisition, New Heights 560 Holdings, LLC controlled 99% of the outstanding common stock of the company. In this connection, New Heights 560 Holdings, LLC became a wholly owned subsidiary of Atlantic Wine Agencies, Inc. and its officers and directors replaced New Heights 560 Holdings', LLC officers and directors. Prior to the acquisition, Atlantic Wine Agencies, Inc. was a non-operating public shell corporation. Pursuant to Securities and Exchange Commission rules, the merger or acquisition of a private operating company into a non-operating public shell corporation with nominal net assets is considered a capital transaction. Accordingly, for accounting purposes, the acquisition has been treated as an acquisition of New Heights 560 Holdings, LLC by the Company and a recapitalization of Atlantic Wine Agencies, Inc. Since the merger is a recapitalization of Atlantic Wine Agencies, Inc. and not a business combination, pro-forma information is not presented.

NOTE C - GOING CONCERN

As indicated in the accompanying financial statements, the Company has incurred cumulative net operating losses of \$1,522,997 since inception and is considered a company in the development stage. Management's plans include the raising of capital through the equity markets to fund future operations and the generating of revenue through its business. Failure to raise adequate capital and generate adequate sales revenues could result in the Company having to curtail or cease operations. Additionally, even if the Company does raise sufficient capital to support its operating expenses and generate adequate revenues, there can be no assurances that the revenue will be sufficient to enable it to develop business to a level where it will generate profits and cash flows from operations. These matters raise substantial doubt about the Company's ability to continue as a going concern. However, the accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. These financial statements do not include any adjustments relating to the recovery of the recorded assets or the classification of the liabilities that might be necessary should the Company be unable to continue as a going concern.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

The following should be read in conjunction with our financial statements and the related notes that appear elsewhere in this Annual Report. The discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below.

On December 16, 2003, the Company had a change in control of its issued and outstanding common stock. On this date, Rosehill Investments Limited acquired 11,937,200 shares of the Company's common stock pursuant to a Stock Purchase Agreement among Rosehill Investments Limited and the Company, Mr. Jonathan Reisman and Mr. Gary Cella. The agreement provided for the shares to be sold as follows: 9,234,520 shares from the Company; 1,379,600 shares from Mr. Reisman and 1,323,100 shares from Mr. Cella ("Stock Sale").

As a result of the Stock Sale: (i) the directors of the Company resigned and new directors were appointed; (ii) obligations to the Company's auditors, lawyers and service providers were satisfied; and (iii) the Company spun off its two subsidiaries to its shareholders of record immediately prior to the Stock Sale.

On May 4, 2004, the stockholders of New Heights 560 Holdings, LLC a Cayman Island Limited Liability Company, acquired 100,000,000 shares of Atlantic Wine Agencies, Inc. common stock in an exchange of shares, thereby obtaining control of the company. Subsequent to the acquisition, New Heights 560 Holdings, LLC controlled 99% of the outstanding common stock of the company. In this connection, New Heights 560 Holdings, LLC became a wholly owned subsidiary of Atlantic Wine Agencies, Inc. and its officers and directors replaced New Heights 560 Holdings', LLC officers and directors. Prior to the acquisition, Atlantic Wine Agencies, Inc. was a non-operating public shell corporation. Pursuant to Securities and Exchange Commission rules, the merger or acquisition of a private operating company into a non-operating public shell corporation with nominal net assets is considered a capital transaction. Accordingly, for accounting purposes, the acquisition has been treated as an acquisition of New Heights 560 Holdings, LLC by Atlantic Wine Agencies, Inc. and a recapitalization of such.

On September 13, 2004, Atlantic Wine Agencies, Inc. ("Company") entered into an agreement to issue 20,000,000 shares of its common stock to the stockholders of Dominion Wines, Ltd. and Dominion Estates Pty., Ltd. in exchange for all of the issued and outstanding shares of each of those entities. Additionally, the Company agreed to make payments of \$3,136,202.87 Australian dollars to National Australian Bank to settle a loan facility held by Dominion Wines, Ltd., advance Dominion wines \$223,797.13 Australian dollars for working capital and assume a \$4,081,387.11 Australian dollar loan held by the commonwealth Bank of Australia. The Company also proposed canceling 20,000,000 shares of its common stock held by certain stockholders. The Company anticipates closing that transaction in the near future.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

The Company's discussion and analysis of its financial condition and results of operations are based upon the its financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States. The preparation of these financial statements requires the Company to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. On an on-going basis, the Company evaluates its estimates, including those related to bad debts, income taxes and contingencies and litigation. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

Development and Integration of Business Model

It is the Company's current intention to continue developing its South African wine-growing and wine distribution business as well as its newly acquired Australian wine-growing and wine distribution business. Presently, the Company is investigating potential acquisitions of assets and is in discussions with
