**Item 2.02 Results of Operations and Financial Condition.**

On November 1, 2005, RITA Medical Systems, Inc., a Delaware corporation (the “Company”), will announce its financial results for the third quarter and nine months ended September 30, 2005. A copy of the Company's press release announcing and commenting upon these financial results is attached as Exhibit 99.1 hereto and incorporated by reference herein.

The Company uses, and the press release refers to, non-GAAP measures of revenue for the third quarter ended September 30, 2004 and for the nine month period ended September 30, 2004, and EBITDA for the quarter ended September 30, 2005. The periods ended September 30, 2004 include the revenue of Horizon Medial Products, Inc. for the period from July 1, 2004 through July 28, 2004, and for the period from January 1, 2004 through July 28, 2004, respectively. Horizon’s revenue for these periods is not included in the Company’s GAAP revenue for the third quarter ended September 30, 2004 or for the nine month period ended September 30, 2004, because its merger with Horizon was not completed until July 29, 2004. The Company uses this non-GAAP measure of revenue, and is presenting it in this press release, because management believes it facilitates a more meaningful comparison with revenue for the quarter ended September 30, 2005 and the nine month period ended September 30, 2005. Additionally, the Company uses the metric earnings before interest, taxes, depreciation and amortization (“EBITDA”). This calculation of EBITDA has no basis in GAAP. The Company believes that all of these non-GAAP measures provide useful information to investors, permitting a better evaluation of the Company’s ongoing business performance, including the evaluation of its performance against its competitors in the healthcare industry. A complete reconciliation of the non-GAAP financial measures and EBITDA to the most directly comparable GAAP measures is included in the press release.
