PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of OnScreen Technologies, Inc. (the "Company") for use at the 2007 Annual Meeting of Stockholders to be held on Monday, December 10, 2007 at 9:00 a.m. PST in the Hyatt Regency Mission Bay, 1441 Quivira Road, San Diego, California 92109 and for any postponements or adjournments thereof. Your vote at the Annual Meeting is important to us. Please vote your shares of OnScreen Technologies, Inc. common stock (the "Common Stock") and preferred stock (Preferred Stock) by completing the enclosed proxy card and returning it in the enclosed envelope. The approximate date on which this Proxy Statement and the accompanying proxy card will be mailed to stockholders is November 10, 2007.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, including: (a) elect one director to hold office for two-year terms, (b) change the name of the corporation to WayTronX, Inc. and (c) transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Who is entitled to vote?

Only stockholders of record at the close of business on October 5, 2007, the record date for the meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Annual Meeting, or any postponements or adjournments of the meeting. Each outstanding share of Common or Preferred Stock owned by you on October 5, 2007 entitles you to one vote on each matter considered at the Annual Meeting. The enclosed proxy card shows the number of shares owned by you as of the record date.

Who may attend the annual meeting?

All stockholders of record as of the Record Date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the Common and Preferred Stock outstanding on the record date will constitute a quorum. Each share of Common Stock and each share of Series A Convertible Preferred Stock is entitled to one vote. As of the close of business on September 1, 2007, 151,558,682 shares of Common Stock and 75,543 shares of Series A Convertible Preferred Stock were outstanding and entitled to vote at the Annual Meeting. No shares of Series B and Series C shares were outstanding at August 31, 2007. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

How do I vote?

If you complete and properly sign the accompanying proxy card and return it, your shares of Stock will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

May I change my vote after I return my proxy card?

Yes, even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by providing Bradley J. Hallock, our Corporate Secretary, either a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR election of the nominated Director (see Proposal 1).

FOR amendment of the Company's Restated Articles of Incorporation to change the name of the corporation to WayTronX, Inc.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of the directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" election of the nominee for director

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

What if other matters come up at the Annual Meeting?

Aside from the election of the director and changing the corporate name, the Board of Directors knows of no other matters to be presented at the Annual Meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, the shares represented by the proxy holders will be voted in the discretion of the proxy holders.

Proposals by Shareholders

Shareholder proposals intended to be presented at the Annual Meeting must have been received by us not later than September 1, 2007 for inclusion in the proxy materials for the Annual Meeting. We are not aware of any matters to be voted on at the Annual Meeting except those listed on the accompanying notice of Annual Meeting of shareholders. The accompanying proxy gives discretionary authority to the persons named to vote the shares in their best judgment if any other matters are properly brought before the Annual Meeting.

What if the Annual Meeting is postponed?

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have at that time effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

Who pays for this proxy solicitation?

We do. The proxies being solicited in connection with this Proxy Statement are being solicited by the Board of Directors and the costs will be borne by the Company. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our stock.

PROPOSAL I

ELECTION OF DIRECTORS

The Company's Bylaws provide that the number of directors shall be fixed from time to time by resolution of the Board of Directors, but in no instance shall there be less than one director. All directors shall be elected at the annual meeting of shareholders to serve two-year terms and shall hold office until his or her successor shall have been elected and qualified. Currently we have six directors, one of whom has been nominated for election this year and has agreed to serve if elected. Two directors whose terms expire December 10, 2007, as noted below, have chosen to not stand for re-election. The Board of Directors set the directors' terms staggered in order to maintain continuity on the Board of Directors. In order to implement this staggered term strategy, the six board seats are numbered consecutively, 1 through 6. Odd numbered seats (seats 1, 3 and 5) will be elected at the annual shareholder meetings held on even numbered years; even numbered seats (seats 2, 4 and 6) will be elected at the annual shareholder meetings held on odd numbered years. The following are Company directors, the director seats and terms for which they were elected or appointed:

- Director Seat #1, William J. Clough, Esq. Mr. William J. Clough was elected for a two year term at the 2006 Annual Meeting of Shareholders.
- Director Seat #2, Russell L. Wall. Mr. Russell L. Wall was elected for a two year term at the 2005 Annual Meeting of Shareholders. Mr. Wall's term expires December 10, 2007; Mr. Wall will not stand for re-election.
- Director Seat #3, Bradley J. Hallock. Mr. Bradley J. Hallock was elected for a two year term at the 2006 Annual Meeting of Shareholders.
- Director Seat #4, Steven S. Hallock. Mr. Steven S. Hallock was appointed to fill a Board vacancy on August 26, 2006 and elected for a one year term at the 2006 Annual Meeting of Shareholders so as to complete the term for this board seat. Mr. Hallock's term expires December 10, 2007; Mr. Hallock will not stand for re-election.
- Director Seat #5, John P. Rouse. Mr. John P. Rouse was elected for a two year term at the 2006 Annual Meeting of Shareholders.
- Director Seat #6, Corey Lambrecht. Mr. Corey Lambrecht was appointed to fill a newly created board vacancy on July 11, 2007, to serve until the next annual meeting of shareholders.

Mr. Corey Lambrecht is nominated for election to a two year term at the 2007 Annual Meeting of Shareholders.

Shares of our Common Stock and Series A Preferred Stock are entitled to one vote per share for each Director. Cumulative voting is not permitted.

Unless stated to be voted otherwise, each proxy will be voted for the election of the nominees named. The nominee has consented to serve as director if elected. If the nominee becomes unavailable for election before the 2007 Annual Meeting of Shareholders, the Board of Directors may name a substitute nominee and proxies will be voted for such substitute nominee unless an instruction to the contrary is written on the proxy card.

PROPOSAL II

**PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION
TO
EFFECT A CHANGE OF CORPORATION NAME**

The Board of Directors believes that the best interests of the Company and its shareholders will be served by amending the Company's Restated Articles of Incorporation to effect a change of the Company's name to WayTronX, Inc.

The Company is redirecting its business focus from the Light Emitting Diode (LED) signage to the commercialization of the innovative OnScreen™ thermal cooling technology, WayCool™. The Company's plan is to focus all of its resources on the commercialization of the WayCool™ technology. Because of this change in emphasis, the Board of Directors believes that changing its name to WayTronX, Inc. will better reflect the nature of the Company's business focus.

If the shareholders approve this proposed amendment to the Articles of Incorporation, the amendment will become effective upon the filing of an amendment to the Company's Restated Articles of Incorporation with the Colorado Secretary of State.

Proposed Amendment

The Board of Directors proposes as follows:

The Articles of Incorporation of OnScreen Technologies, Inc. shall be amended by deleting, in its entirety, *Article I, Name*, and substituting in place thereof the following;

“ARTICLE I
NAME

The name of the corporation shall be WayTronX, Inc.”

The Board of Directors believes that the approval of this Amendment is in the best interest of the Company and its shareholders and recommends a vote FOR the approval of the Amendment.

OTHER BUSINESS

Management does not presently know of any matters that may be presented for action at the Annual Meeting other than those set forth herein. However, if any other matters properly come before the Annual Meeting, it is the intention of the persons named in the proxies solicited by management to exercise their discretionary authority to vote the shares represented by all effective proxies on such matters in accordance with their best judgment.

If you do not expect to be personally present at the Annual Meeting, please fill in, date and sign the enclosed proxy card and return it promptly in the enclosed return envelope which requires no additional postage if mailed in the United States.

COMMITTEES OF THE BOARD AND MEETINGS

During the fiscal year ended December 31, 2006, the Board of Directors held a total of 37 meetings (including regularly scheduled and special meetings) of which the Board took action 35 times by unanimous written consent. Those directors who were on the Board at the time of the 2006 meetings attended all of the meetings of the Board held in 2005. The Board of Directors has two standing committees: Audit Committee and Compensation Committee. No incumbent director attended fewer than 100% of the total number of meetings held by all committees on which such director served.

Our board currently appoints the members of the audit and compensation committees. Each member of the audit and compensation committees is an independent director in accordance with NASDAQ standards (although the Company is not currently listed on the NASDAQ, but has its securities traded on the Over the Counter Bulletin Board). Each of our board committees has a written charter approved by our board. Copies of the current committee charters for each committee are posted on our website at www.onscreentech.com.

Audit Committee

The Audit Committee is established pursuant to the Sarbanes-Oxley Act of 2002 for the purposes of overseeing the company's accounts and financial reporting processes and audits of its financial statements. The Audit Committee reviews the financial information that will be provided to the shareholders and others, the systems of internal controls established by management and the Board and the independence and performance of the Company's audit process. The functions of the Audit Committee and its activities during fiscal year 2006 are described below under the heading "Report of the Audit Committee". The Audit Committee is directly responsible for, among other things, the appointment, compensation, retention and oversight of our independent Registered Public Accounting firm, review of financial reporting, internal company processes of business/financial risk and applicable legal, ethical and regulatory requirements.

The Audit Committee is currently comprised of the Company Board of Directors. Russell L. Wall serves as committee Chairman. Mr. Wall is independent in accordance with applicable rules promulgated by the Securities and Exchange Commission and NASDAQ listing standards. Mr. Wall has an understanding of generally accepted accounting principles and has experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breath and complexity of issues that can reasonably be expected to be raised by the financial statements of the Company, including our balance sheet, income statement and cash flow statement. He has an understanding of internal controls and procedures for financial reporting and an understanding of audit committee functions as well as the ability to access the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves. The Board of Directors has determined that Mr. Wall is an "audit committee financial expert" as defined in Section 401(h) of Regulation S-K promulgated by the SEC under the Exchange Act. Our Audit Committee acts pursuant to a written charter, a copy of which is available from the Company and is posted on our website at www.onscreentech.com. The Audit Committee has established a procedure to receive complaints regarding accounts, internal controls and auditing

issues.

Pre-approval Policies and Procedures

The Audit Committee pre-approves the audit and non-audit services rendered by Webb & Company, P. A. Generally, the Committee pre-approves particular services in the defined categories of audit services, audit-related services, tax services and other non-audit services, specifying the maximum fee payable with respect to that service. Pre-approval may be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service.

Audit Committee Report

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE DOES NOT CONSTITUTE SOLICITING MATERIAL AND SHOULD NOT BE DEEMED FILED OR INCORPORATED BY REFERENCE INTO ANY OTHER COMPANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES THIS REPORT BY REFERENCE THEREIN.

On May 2, 2007, the Company received and accepted the letter of resignation from its Independent Registered Public Accounting Firm, Salberg & Company, P.A., Boca Raton, Florida. The decision to change accountants was by mutual consent because of the five years partner rotation requirement of Regulation S-X (17 CFR, Part 210). The Company has had no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. The Board of Directors and Audit Committee approved retaining Webb & Company, P. A., Boynton Beach, Florida as the Company's Independent Registered Public Accounting Firm effective May 2, 2007.

The Audit Committee reviewed and discussed the Company's December 31, 2006 audited financial statements with the Company's management and with Salberg & Company, P.A., our independent Registered Public Accounting firm for our 2006 financial statements, the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees). The audit committee has received written disclosures and a letter from Salberg & Company, P.A. as required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the committee discussed the issue of auditor independence with Salberg & Company, P.A.

Based on this review and these discussions, we recommended to the board of directors that these audited financial statements shall be included in our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2006.

Salberg & Company, P.A. did not provide any services other than annual audits and Webb & Company, P. A. did not provide any services other than quarterly reviews.

Compensation Committee

The role of the compensation committee is to set the salaries and other compensation of the executive officers and certain other key employees of OnScreen Technologies, Inc. and to make grants under, and to administer, the stock option and other employee equity and bonus plans. The Compensation Committee discharges the Board's responsibilities relating to general compensation policies and practices and to compensation of our executives. The compensation philosophy of OnScreen Technologies, Inc. for executive officers is to relate compensation to corporate performance and increases in stockholder value, while providing a total compensation package that is competitive and enables OnScreen Technologies, Inc. to attract, motivate, reward and retain key executives and employees. In discharging its responsibilities, the Compensation Committee establishes principles and procedures in order to ensure to the Board and the shareholders that the compensation practices of the Company are appropriately designed and implemented to attract, retain and reward high quality executives, and are in accordance with all applicable legal and regulatory requirements. In this context, the Compensation Committee's authority, duties and responsibilities are:

Wall and Bradley J. Hallock. Each of these persons is a non-employee director within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. Report of the Compensation Committee

Base Salary. Salaries for executive officers for 2006 were generally determined on an individual basis by evaluating each executive's scope of responsibility, performance, prior experience and salary history, as well as the salaries for similar positions in similar locations at comparable companies.

As permitted by contract, base salary is adjusted each year to take into account the executive officer's performance and to maintain a competitive salary structure. We conduct reviews of executive compensation practices on an annual basis and may change each executive officer's salary based on the individual's contributions and responsibilities over the prior twelve months and any change in median comparable company pay levels. We believe that, on the basis of our knowledge of executive compensation in the industry, that salary levels of OnScreen Technologies, Inc. for the executive officers are reasonable and necessary given the competition for executive talent in the industry and the financial resources of OnScreen Technologies, Inc.

Long Term Incentive Awards. We believe that equity-based compensation in the form of stock options links the interests of executive officers with the long-term interests of the stockholders of OnScreen Technologies, Inc. and encourages executive officers to remain in the employ of OnScreen Technologies, Inc. Stock options, generally, have value for executive officers only if the price of the stock increases above the exercise price on the grant date and the officer remains in the employ of OnScreen Technologies, Inc. for the period required for the shares to vest.

It is the design of OnScreen Technologies, Inc. that stock options may be granted to executive officers when the executive first joins OnScreen Technologies, Inc., in connection with a significant change in responsibilities and, occasionally, to achieve equity within a peer group. We may, however, grant additional stock options to executive officers for other reasons. The number of shares subject to each stock option granted is within our discretion and is based on anticipated future contribution and ability to impact results, past performance or consistency within the executive officer's peer group. We may grant stock options to executives and officers to provide greater incentives to continue their employment with OnScreen Technologies, Inc. and to strive to increase the value of OnScreen Technologies, Inc.'s common stock. The stock options generally become exercisable over a three-year period and are granted at a price that is equal to the fair market value of OnScreen Technologies, Inc.'s common stock on the date of grant.

The total compensation philosophy of OnScreen Technologies, Inc. is based on the concept that variable pay is earned through effective performance and contribution to the success of the company. Bonus payments are based on actual performance in achieving corporate, department and individual targets. The Compensation Committee determines weightings for each element and establishes the corporate financial goals for bonus measurement purposes. The Compensation Committee is responsible for ensuring that actual results are confirmed before they are applied against the bonus plan for payment purposes. The corporate target is based on OnScreen Technologies, Inc.'s earnings per share, total consolidated revenue, and success in managing corporate expenses to plan. All targets and objectives are aligned with the business plan for the fiscal year and monitored by the corporate finance department of OnScreen Technologies, Inc. Individual performance is measured relative to the individual's personal contribution to the success of the organization. This element is objective and tied to individual documented objectives for the bonus year. All targets and related objectives are defined and measured periodically, with a final annual measurement.
