Item 1.01 Entry into a Material Definitive Agreement

See Item 5.02.

Item 2.02 Results of Operations and Financial Condition.

On August 4, 2010, interClick, Inc. (the “Company”) issued a press release announcing its financial results for the quarter ended June 30, 2010 and business outlook for the third quarter and full year 2010. The Company also held a conference call discussing the results and outlook and issued a press release. The press release is attached hereto as Exhibit 99.1.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers.

The Company’s Employment Agreements with Michael Mathews, Roger Clark, Michael Katz and Andrew Katz (collectively, the “Executives”) provide for payment of a bonus based on performance goals or financial measures determined by the Company’s Board of Directors, subject to the terms of the agreements. The Board previously adopted annual milestones for the Company under which bonuses for fiscal year 2010 would be paid to the Executives. Upon achieving such milestones the Board of Directors agreed that bonuses would be paid to the Executives.

The Board of Directors on August 4, 2010 awarded one-half of the bonus amount that the Executive would have earned if the full year Milestones were met prior to meeting the previously established milestones (the “Benchmarks”) on the basis of the Company’s mid-year performance (the “Bonuses”). As a condition to receipt of the mid-year bonus, each of the Executives entered into an agreement (the “Clawback Agreement”) under which the Executive will be required to repay the Bonuses to the Company within ninety (90) days of notice from the Company that the annual Benchmark has not been met and in the event that the Company issues a restatement within 2 years as a result of which the Company reports revised financial results in which the Benchmarks are not met.

The form of Clawback Agreement is attached hereto as Exhibit 99.2.
