PROXY STATEMENT

Dated April 10, 2015

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 13, 2015

GENERAL

This Proxy Statement is being furnished to the shareholders of Accelerate Diagnostics, Inc., a Delaware corporation (the “Company”), as of March 19, 2015 (the “Shareholders”), in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”) from the Shareholders for use at the Annual Meeting of Shareholders for the year ended December 31, 2014, to be held at 8:00 a.m., local time, on Wednesday, May 13, 2015, at the Herbert K. Abrams Public Health Center, 4th Floor, 3950 South Country Club Road, Tucson, Arizona 85714, and any continuations, postponements or adjournments thereof (the “Annual Meeting”). This Proxy Statement and the accompanying Notice and proxy card are first being mailed to Shareholders on or about April 10, 2015.

INFORMATION ABOUT THE ANNUAL MEETING

When and where is the Annual Meeting?

The Annual Meeting will be held at 8:00 a.m., local time, on Wednesday, May 13, 2015, at the Herbert K. Abrams Public Health Center, 4th Floor, 3950 South Country Club Road, Tucson, Arizona 85714.

What is being considered at the Annual Meeting?

At the Annual Meeting, our Shareholders will be acting on the following proposals:

- to elect the following six persons to serve as directors of the Company until the next Annual Meeting of
1. Shareholders and thereafter until their successors have been elected and qualified: Lawrence Mehren, Mark C. Miller, John Patience, Jack Schuler, Matthew W. Strobeck, Ph.D. and Frank J.M. ten Brink;
 2. to ratify the selection of Ernst & Young LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2015; and
 3. to transact such other business as may properly come before the meeting or any continuation, postponement or adjournment thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the Annual Meeting?

You may vote at the Annual Meeting if you owned shares of the Company's common stock ("Common Stock") as of the close of business on the record date for the Annual Meeting, which was March 19, 2015. You are entitled to one vote for each share of Common Stock that you held as of the record date.

How many shares are eligible to be voted at the Annual Meeting?

There were 44,657,329 shares of Common Stock issued and outstanding as of the record date (close of business on March 19, 2015), each of which entitles the holder thereof to one vote at the Annual Meeting.

How do I vote?

You can vote in the following ways:

- by attending the Annual Meeting and voting in person;
- over the Internet or by telephone using the instructions on the enclosed proxy card;
- by completing, signing, dating and returning the enclosed proxy card (applicable only to shareholders of record); or
- by following the instructions on the voting instruction form (applicable only to beneficial holders of shares of Common Stock held in “street name”).

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted in accordance with the Board’s recommendations, which are as follows:

- FOR election of the six director nominees; and
- FOR ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2015.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy or attend the Annual Meeting and vote in person.

Your shares may be voted under certain circumstances if they are held in “street name.” Brokerage firms generally have the authority to vote customers’ un-voted shares on certain “routine” matters. With the sole exception of the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2015, no matters submitted for shareholder approval herein are “routine” matters. When a brokerage firm votes its customers’ un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the selection of Ernst & Young LLP as Company’s independent registered public accounting firm for the year ending December 31, 2015.

How do I vote if I hold shares registered in the name of a broker or bank?

If, on the record date (March 19, 2015), your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the Annual Meeting. If you want to attend and vote at the Annual Meeting, you must provide proof of beneficial ownership as of the record date, such as your most recent account statement showing ownership as of March 19, 2015, a copy of the voting instruction card provided by your broker or other agent, or other similar evidence of ownership. Whether or not you plan to attend the Annual Meeting, we urge you to provide voting instructions to your broker or other agent in advance of the Annual Meeting to ensure your vote is counted. Your broker or other agent will furnish you with additional information regarding the submission of such voting instructions.

Can I change my mind after I return my proxy?

Yes. You may change your vote at any time before your proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to the corporate secretary, by submitting another proxy with a later date, or by attending the Annual Meeting and voting in person. If you hold your shares in “street name,” you should consult with your bank, broker or other nominee regarding the procedures for changing your voting instructions.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by mail or the other methods described in these materials. In order for us to conduct business at the Annual Meeting, one-third (33-1/3%) of our outstanding shares of Common Stock as of the record date must be present in person or by proxy at the Annual Meeting. This is referred to as a quorum. In order to ensure that there is a quorum, it may be necessary for certain directors, officers, regular employees and other representatives of the Company to solicit proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

If a quorum is not present, then either the Chairman of the Annual Meeting or the Shareholders may adjourn the meeting until a later time. Abstentions and “broker non-votes” are counted as present or represented for purposes of determining the presence or absence of a quorum. A “broker non-vote” occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received voting instructions from the beneficial owner.

What vote is required to approve each item of business to be considered at the Annual Meeting?

Election of Directors. Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The six persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

Pursuant to rules approved by the Securities and Exchange Commission (the “SEC”) brokers are not entitled to use their discretion to vote uninstructed proxies in, among other things, uncontested director elections. In other words, if your shares are held by your broker in “street name” and you do not provide your broker with instructions about how your shares should be voted in connection with this proposal, your shares will not be voted and a “broker non-vote” will result. Therefore, if you desire that your shares be voted in connection with the election of the Board, it is imperative that you provide your broker with voting instructions. If your shares are held by your broker in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent.

ratification of Independent Registered Public Accounting Firm. The ratification of the Audit Committee’s selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015 will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent registered public accounting firm.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed proxy card gives authority to the proxy holder(s) to vote on those matters at their discretion.

Can I dissent or exercise rights of appraisal?

Under Delaware law, Shareholders are not entitled to dissenters’ rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to Shareholders. Copies of solicitation

materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

Director Independence

The Board has affirmatively determined that Messrs. Miller, Patience, Schuler, Strobeck and ten Brink (constituting a majority of the full Board) are “independent directors” under NASDAQ Listing Rule 5605(a)(2) and the related rules of the SEC. The Company’s independent directors conduct executive sessions at regularly scheduled meetings as required by NASDAQ Listing Rule 5605(b)(2).

Family Relationships

There are no family relationships among any of our directors and executive officers.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Currently, Lawrence Mehren serves as the Company’s Chief Executive Officer and John Patience serves as the Chairman of the Board. The Board believes that its current leadership structure best serves the objectives of the Board’s oversight of management; the ability of the Board to carry out its roles and responsibilities on behalf of the shareholders; and the Company’s overall corporate governance. The Board also believes that the current separation of the Chairman and CEO roles allows the CEO to focus his time and energy on operating and managing the Company and leverage the experience and perspectives of the Chairman.

Board Oversight of Risk Management

The full Board has responsibility for general oversight of risks facing the Company. The Board is informed by senior management on areas of risk facing the Company and periodically conducts discussions regarding risk assessment and risk management. The Board believes that evaluating how the executive team manages the various risks confronting the Company is one of its most important areas of oversight. The Audit Committee reviews and assesses the Company’s processes to manage financial reporting risk and to manage investment, tax, and other financial risks. Finally, management periodically reports to the Board or relevant committee, which provides guidance on risk assessment and mitigation.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of securities ownership and changes in such ownership with the SEC. Directors, executive officers and greater than 10% shareholders also are required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to the Company or written representations that no Form 5s were required, the Company believes that all Section 16(a) filing requirements were timely met during the year ended December 31, 2014.

Code of Ethics

The Company has adopted a code of ethics for its principal executive officer and senior financial officers and a code of ethics and standards of conduct that is applicable to all directors, officers and employees, a copy of which is available online at <http://ir.axdx.com>. Shareholders may also request a free copy of these documents from: ACCELERATE DIAGNOSTICS, INC., 3950 South Country Club, Suite 470, Tucson, Arizona 85714, Attn: Corporate Secretary.

Board Committees and Meeting Attendance

The Board maintains a standing Audit Committee comprised of Mr. ten Brink (Chairman), Mr. Schuler and Dr. Strobeck. Each member of the Audit Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be “financially literate” with accounting or related financial management experience. The Board has also determined that Mr. ten Brink is an “audit committee financial expert” as defined under SEC rules and regulations, and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Audit Committee has a written charter, a copy of which is available online at <http://ir.axdx.com>. The Audit Committee met four times during the year ended December 31, 2014.

The Audit Committee is responsible primarily for overseeing the qualifications, independence and performance of our independent registered public accounting firm; the services performed by our independent registered public accounting firm; evaluating the Company’s accounting policies and system of internal controls; and reviewing significant financial transactions. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent registered public accounting firm, and our management.

The Board maintains a standing Compensation Committee comprised of Messrs. Miller, Patience, Schuler, Strobeck and ten Brink. Each member of the Compensation Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. The Compensation Committee has a written charter, a copy of which is available online at <http://ir.axdx.com>. The Compensation Committee is primarily responsible for reviewing the compensation arrangements for the Company’s executive officers, including the CEO; administering the Company’s equity compensation plans; and reviewing the compensation of the Board. The Compensation Committee met two times during the year ended December 31, 2014.

During the year ended December 31, 2014, the Board held four meetings and took action by written consent on two occasions. Each member of the Board attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served).

The Company does not have a written policy requiring directors to attend the Annual Meeting, but attendance is encouraged. In 2014, one of the directors attended our Annual Meeting of Shareholders. We presently anticipate that one director will attend the Annual Meeting, either in person or telephonically, this year.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during the past fiscal year an officer or employee of the Company, was formerly an officer of the Company or any of its subsidiaries, or had any employment relationship with the Company or any of its subsidiaries. No executive officer of the Company has served as a director or member of the Compensation Committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as a director of or member of the Compensation Committee of the Company.

Director Nominations

The independent members of the Board have nominated Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink, each of whom is a current member of the Board, for re-election at the Annual Meeting.

The Board seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Board does not currently have a separate Nominating Committee because the Board does not yet believe such a committee is necessary. However, as the Company continues to grow, the Board may consider establishing a separate Nominating Committee. Currently, the independent members of the Board are responsible for identifying and appointing appropriate persons to add to the Board when necessary. In selecting Board candidates, it is the independent directors' goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors.

Qualifications of Director Nominees

The Board believes that each of the persons nominated for election at the Annual Meeting have the experience, qualifications, attributes and skills that, when taken as a whole, will enable the Board to satisfy its oversight responsibilities effectively. Board Communications with Shareholders

To date, the Board of Directors has not adopted a formal procedure by which shareholders may recommend nominees to the Board. However, any shareholder who desires to submit a nomination of a person to stand for election of directors at the next annual or special meeting of the shareholders at which directors are to be elected must submit a notification of the shareholder's intention to make a nomination ("Notification") to the Company by the date mentioned in the most recent proxy statement under the heading "Shareholder Proposals" and in that notification must provide the following additional information to the Company:

name, address, telephone number and other methods by which the Company can contact the shareholder submitting (i) the Notification and the total number of shares beneficially owned by the shareholder (as the term "beneficial ownership" is defined in SEC Rule 13d-3);

if the shareholder owns shares of the Company's voting stock other than on the records of the Company, the (ii) shareholder must provide evidence that he or she owns such shares (which evidence may include a current statement from a brokerage house or other appropriate documentation);

information from the shareholder regarding any intentions that he or she may have to attempt to make a change of control or to influence the direction of the Company, and other information regarding the shareholder any other (iii) persons associated with the shareholder that would be required under Items 4 and 5 of SEC Schedule 14A were the shareholder or other persons associated with the shareholder making a solicitation subject to SEC Rule 14a-12(c);

AUDIT COMMITTEE REPORT

The Audit Committee oversees the financial reporting process of our company on behalf of our Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2014 with management, including a discussion of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Ernst & Young, LLP (“Ernst & Young”), our independent registered public accounting firm that was responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles and an opinion on our internal controls over financial reporting, its judgments about our accounting principles and the other matters required to be discussed with the Audit Committee under generally accepted auditing standards, including PCAOB Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee has received from Ernst & Young the written disclosure and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Ernst & Young their independence. The Audit Committee has considered the effect of non-audit fees on the independence of Ernst & Young and has concluded that such non-audit services are compatible with the independence of Ernst & Young.

The Audit Committee discussed with Ernst & Young the overall scope and plans for its audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its audits and quarterly reviews, its observations regarding our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements for the year ended December 31, 2014 be included in the Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission.

This report has been furnished by the members of the Audit Committee.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis (“CD&A”) is to provide material information about the Company’s compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Proxy Statement with respect to the compensation of our named executive officers (“NEOs”). For the year that ended on December 31, 2014, our NEOs were:

Lawrence Mehren, President and Chief Executive Officer

Steve Reichling, Chief Financial Officer

Pete Bantock, Chief Commercial Officer

The Compensation Committee

On an ongoing basis, the Compensation Committee reviews the performance and compensation of our President and Chief Executive Officer and the Company’s other executive officers. Additionally, the Compensation Committee reviews compensation of outside directors for service on the Board and for service on committees of the Board. A subcommittee comprised of all members of the Compensation Committee except for Mr. Schuler administers the Company’s 2012 Omnibus Equity Incentive Plan, as amended.

Role of Executives in Determining Executive Compensation

Our President and Chief Executive Officer provides input to the Compensation Committee regarding the performance of the other NEOs and offers recommendations regarding their compensation packages in light of such performance. The Compensation Committee is ultimately responsible, however, for determining the compensation of the NEOs, including our President and Chief Executive Officer.

Compensation Philosophy and Objectives

The Compensation Committee and the Board believe that the Company's compensation programs for its executive officers should reflect the Company's performance and the value created for its shareholders. In addition, we believe the compensation programs should support the goals and values of the Company and should reward individual contributions to the Company's success. Specifically, the Company's executive compensation program is intended to, among other things:

- attract and retain the highest caliber executive officers;
- drive achievement of business strategies and goals;
- motivate performance in an entrepreneurial, incentive-driven culture;
- closely align the interests of executive officers with the interests of the Company's shareholders;
- promote and maintain high ethical standards and business practices; and
- reward results and the creation of shareholder value.

Factors Considered in Determining Compensation; Elements of Compensation

The Compensation Committee makes executive compensation decisions on the basis of total compensation, rather than on individual components of compensation. We attempt to create an integrated total compensation program structured to balance both short and long-term financial and strategic goals. Our compensation should be competitive enough to attract and retain highly skilled individuals. In this regard, we utilize a combination of between two to four of the following types of compensation to compensate our executive officers:

- base salary;

- performance bonuses;

- equity compensation, usually consisting of stock options.

The Compensation Committee periodically reviews each executive officer's base salary and makes appropriate recommendations to the Board. Salaries are based on the following factors:

- the Company's performance for the prior fiscal years and subjective evaluation of each executive's contribution to that performance;

- the performance of the particular executive in relation to established goals or strategic plans;

- competitive levels of compensation for executive positions based on information drawn from compensation surveys and other relevant information; and

- our obligations under the applicable executive officer's employment agreement or offer letter (if any).

Performance bonuses and equity compensation are awarded based upon the recommendation of the Compensation Committee. Incentive and/or non-qualified stock options are generally granted under the Company's stockholder-approved equity incentive plan(s), as well, with the exercise price of such options set at 100% of the closing price of the Company's common stock on the day before the date of grant. These grants are made with a view to linking executives' compensation to the long-term financial success of the Company and its shareholders.

Use of Benchmarking and Compensation Peer Groups

The Compensation Committee did not utilize any benchmarking measure(s) in 2014 and traditionally has not tied compensation directly to a specific profitability measurement, market value of the Company's common stock or benchmark related to any established peer or industry group. Salary increases are based on the terms of the NEOs' employment agreements, if applicable, and correlated with the Board's and the Compensation Committee's assessment of each NEO's performance. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer's functional responsibilities within the Company. Historically, the Compensation Committee has not used outside consultants in determining the compensation of the NEOs, and no such consultants were engaged during 2014.

Other Compensation Policies and Considerations; Tax Issues and Risk Management

The intention of the Company has been to compensate the NEOs in a manner that maximizes the Company's ability to deduct such compensation expenses for federal income tax purposes. However, the Compensation Committee has the discretion to provide compensation that is not "performance-based" under Section 162(m) of the Code it determines that such compensation is in the best interests of the Company and its stockholders. For the year that ended on December 31, 2014, the Company expects to deduct all compensation expenses paid to the NEOs with the exception of incentive stock options (ISOs). Stock options, which are non-cash compensation, are granted to NEO's as part of their total compensation. In some instances, these options are awarded as ISO's up to the maximum allowed by the IRS. ISO compensation expenses are generally not tax deductible by the Company.

On an annual basis, the Compensation Committee evaluates the Company's compensation policies and practices for its employees, including the NEOs, to assess whether such policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. Based on its evaluation, the Compensation Committee has determined that the Company's compensation policies and practices do not create such risks.

The following table sets forth information concerning all cash and non-cash compensation awarded to, earned by or paid to our NEOs for services rendered in all capacities during the noted periods. Pension Benefits and Nonqualified Deferred Compensation Plans

The Company does not maintain any pension, nonqualified deferred compensation or similar plans.

Potential Payments Upon Termination or Change-in-Control

The Company has not entered into any salary continuation, severance or similar agreements or arrangements with any of our NEOs. Except as described below with respect to certain stock option awards granted to Messrs. Mehren and Reichling, we have no contractual or other obligation to provide severance benefits or other payments in the event of a change of control or termination of employment, although our stockholder-approved 2012 Omnibus Equity Incentive Plan (as amended) provides that the Board of Directors (or other applicable body thereof responsible for administering the plan) may, in its discretion, accelerate the vesting of awards granted thereunder in connection with a change of control.

The terms of Mr. Mehren's April 20, 2012 stock option award provide for accelerated vesting in the event of (i) a merger or consolidation of the Company in which its voting securities immediately prior to the merger or consolidation do not represent, or are not converted into securities that represent, a majority of the voting power of all voting securities of the surviving entity immediately after the merger or consolidation; (ii) a sale of substantially all of the assets of the Company, (iii) a liquidation or dissolution of the Company, or (iv) any other transaction in which, the owners of the Company's outstanding voting power prior to such transaction do not own at least a majority of the outstanding voting power of the successor entity immediately upon completion of the transaction. Based on the price

of the Company's common stock, as reported on the NASDAQ Capital Market as of the close of trading on December 31, 2014 (\$19.19 per share), the value to Mr. Mehren of such accelerated vesting would have been \$13,721,400 if one of the events described above had actually occurred on December 31, 2014.

The terms of Mr. Reichling's September 10, 2012 stock option award provide for accelerated vesting in the event the Company or the Company's stockholders enter into an agreement to dispose of all or substantially all of the assets or stock of the Company by means of a sale, reorganization, liquidation or otherwise. Based on the price of the Company's common stock, as reported on the NASDAQ Capital Market as of the close of trading on December 31, 2014 (\$19.19 per share), the value to Mr. Reichling of such accelerated vesting would have been \$1,783,100 if one of the events described above had actually occurred on December 31, 2014.

50% (397,500 shares) will vest when at least 50% of the warrants initially issued to Abeja Ventures, LLC ("Abeja") have been exercised by the holder(s) thereof, and the remaining 50% (397,500 shares) will vest when at least 90% of such warrants have been exercised by the holder(s) thereof.

Notwithstanding the foregoing, if Mr. Mehren's employment is terminated for any reason other than for cause (as defined in the option award agreement), he will be entitled to exercise the then-vested portion of the option for a period of 90 days following his termination of employment (after which time any unexercised options will expire). If Mr. Mehren's employment is terminated for cause, the Company, in its sole discretion, may provide for the immediate cancellation of the option (or any portion thereof). Directors who are also employees of the Company (including Mr. Mehren) do not receive any separate compensation in connection with their Board service, and we do not pay cash fees to any of our directors. PROPOSAL NO. 1

ELECTION OF DIRECTORS

Nominees for Election at the 2015 Annual Meeting of Shareholders

The Board has nominated Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink for election as directors to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified. If elected, each of the directors will hold office as a director until our 2016 Annual Meeting of Shareholders.

If you sign your proxy or voting instruction card but do not give instructions with respect to the voting of directors, your shares will be voted for the nominees recommended by our Board. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card. The Board expects that the nominees will be available to serve as directors. If any nominee becomes unavailable, however, the proxy holders intend to vote for any nominee designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board. If additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink.

Vote Required and Board Recommendation

Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The six persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

The Board recommends that shareholders vote "FOR" the election of each of Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink as directors of the Company.

PROPOSAL NO. 2

RATIFICATION OF ERNST & YOUNG LLP AS OUR INDEPENDENT PUBLIC ACCOUNTANTS

Audit Committee Appointment – Ernst & Young LLP

Our Audit Committee, pursuant to authority granted to it by the Board, has selected Ernst & Young LLP as the Company's independent registered public accounting firm to examine our annual consolidated financial statements for the year ending December 31, 2015. The Board is submitting this proposal to the vote of the shareholders in order to ratify the Audit Committee's selection. If shareholders do not ratify the selection of Ernst & Young LLP, the Audit Committee will reconsider its selection of our independent registered public accounting firm for fiscal 2015, although the Audit Committee will be under no obligation to change its selection. Ernst & Young LLP has been our independent registered public accounting firm since July 1, 2013.

Change in Independent Public Accountants

On July 1, 2013, the Audit Committee dismissed Comiskey & Company, P.C. ("Comiskey") as its independent registered public accounting firm and approved the engagement of Ernst & Young LLP to replace Comiskey as its independent registered public accounting firm for the fiscal year ending December 31, 2013.

The reports issued by Comiskey with respect to the Company's financial statements for (i) the fiscal years ended July 31, 2011 and July 31, 2012, respectively, and (ii) the transition period that began on August 1, 2012 and ended on December 31, 2012, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's fiscal years ended July 31, 2011 and July 31, 2012, respectively, and the transition period that ended on December 31, 2012 (and the subsequent interim period preceding Comiskey's dismissal), there were no disagreements between the Company and Comiskey on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of Comiskey, would have caused Comiskey to make reference to the matter.

During the Company's fiscal years ended July 31, 2011 and July 31, 2012, respectively, and the transition period that ended on December 31, 2012 (and the subsequent interim period preceding the Company's engagement of Ernst & Young LLP), neither the Company nor anyone on its behalf consulted Ernst & Young LLP regarding any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

As required by Item 304(a)(3) of Regulation S-K, the Company furnished a copy of the above disclosures to Comiskey and requested that Comiskey furnish the Company with a letter addressed to the SEC stating whether Comiskey agrees with the above statements. A copy of Comiskey's letter to the SEC, dated July 1, 2013, was filed as Exhibit 16.1 to the Current Report on Form 8-K filed by the Company with the SEC on July 2, 2013.

A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent registered public accounting firm.
