PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To be Held at 9:00 A.M. Eastern Time on September 13, 2016

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of AMREP Corporation (the “Company”) for use at the Annual Meeting of Shareholders of the Company to be held on September 13, 2016, and at any continuation or adjournment thereof (the “Annual Meeting”). The Annual Meeting will be held at the Conference Center at Normandy Farm, 1401 Morris Road, Blue Bell, Pennsylvania.

The Annual Report of the Company on Form 10-K for the fiscal year ended April 30, 2016 filed on July 29, 2016 with the Securities and Exchange Commission is included in this mailing but does not constitute a part of the proxy solicitation material. This Proxy Statement and the accompanying Notice of 2016 Annual Meeting of Shareholders and proxy card are first being sent to shareholders on or about August 5, 2016. All references in this Proxy Statement to fiscal 2016 and fiscal 2015 mean the Company’s fiscal years ended April 30, 2016 and 2015.

QUESTIONS AND ANSWERS CONCERNING THE ANNUAL MEETING

What will be voted on at the Annual Meeting?

There are three matters scheduled for a vote:

Proposal Number 1: Election of one director in Class II to hold office until the 2019 annual meeting of shareholders and until his successor is elected and qualified;

· Proposal Number 2: Approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan; and

Proposal Number 3: Approval, on an advisory basis, of the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How does the Board recommend I vote on the proposals?

The Board recommends that you vote:

- "FOR" the election as director of the nominee named in this Proxy Statement;
- "FOR" the approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan; and

“FOR” the approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record as of the close of business on July 27, 2016, the date fixed by the Board in accordance with the Company’s By-Laws, are entitled to notice of and to vote at the Annual Meeting.

If I have given a proxy, how do I revoke that proxy?

Anyone giving a proxy may revoke it at any time before it is exercised by giving the Secretary of the Company written notice of the revocation, by submitting a proxy bearing a later date or by attending the Annual Meeting and voting.

How will my proxy be voted?

All properly executed, unrevoked proxies in the enclosed form that are received in time will be voted in accordance with the shareholders’ directions and, unless contrary directions are given, will be voted “FOR” the election as director of the nominee named in this Proxy Statement, “FOR” the approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan and “FOR” the approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement.

What if a nominee is unwilling or unable to serve?

This is not expected to occur but, in the event that it does, proxies will be voted for a substitute nominee designated by the Board or, in the discretion of the Board, the position may be left vacant.

What are “broker non-votes”?

Under the rules that govern brokers, if brokers or nominees who hold shares in “street name” on behalf of beneficial owners do not have instructions on how to vote on matters deemed by the New York Stock Exchange to be “non-routine” (which include the proposals in this Proxy Statement), a broker non-vote of those shares will occur, which means the shares will not be voted on such matters. If your shares are held in “street name,” you must cast your vote or instruct your nominee or broker to do so if you want your vote to be counted with respect to the proposals in this Proxy Statement.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count votes as follows:

- for Proposal Number 1 (for the election of a director), votes “For” and “Withhold” and broker non-votes; and

for Proposal Number 2 (approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan), votes “For” and “Against,” abstentions and broker non-votes. Abstentions are treated as shares present and entitled to vote on Proposal Number 2 and, therefore, will have the same effect as a vote “Against” Proposal Number 2.

for Proposal Number 3 (approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement), votes “For” and “Against,” abstentions and broker non-votes. Abstentions are treated as shares present and entitled to vote on Proposal Number 3 and, therefore, will have the same effect as a vote “Against” Proposal Number 3.

Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

How many votes are needed to approve each proposal?

With respect to Proposal Number 1 (for the election of a director), the one nominee receiving the highest number of “FOR” votes from the holders of shares present in person or represented by proxy and entitled to vote will be elected as a director. This is referred to as a plurality.

Proposal Number 2 (approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan) must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote in order to be approved.

Proposal Number 3 (approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement) must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote in order to be approved.

How many shares can be voted at the Annual Meeting?

As of July 27, 2016, the Company had issued and outstanding 8,071,454 shares of common stock, par value \$.10 per share (“Common Stock”). Each share of Common Stock is entitled to one vote on matters to come before the Annual Meeting.

How many votes will I be entitled to cast at the Annual Meeting?

You will be entitled to cast one vote for each share of Common Stock you held at the close of business on July 27, 2016, the record date for the Annual Meeting, as shown on the list of shareholders at that date prepared by the Company’s transfer agent for the Common Stock.

What is a “quorum?”

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock of the Company authorized to vote will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions will be counted in determining whether a quorum is present at the Annual Meeting. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Broker non-votes will not, therefore, impact the Company's ability to obtain a quorum and will have no effect on the election of a director, approval of the adoption of the AMREP Corporation 2016 Equity Compensation Plan or approval, on an advisory basis, of the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement. A quorum must be present in order to transact business at the Annual Meeting.

Who may attend the Annual Meeting?

All shareholders of the Company who owned shares of record at the close of business on July 27, 2016 may attend the Annual Meeting. If you want to vote in person and you hold Common Stock in street name (*i.e.*, your shares are held in the name of a broker, dealer, custodian bank or other nominee), you must obtain a proxy card issued in your name from the firm that holds your shares and bring that proxy card to the Annual Meeting, together with a copy of a statement from that firm reflecting your share ownership as of the record date, and valid identification. If you hold your shares in street name and want to attend the Annual Meeting but not vote in person, you must bring to the Annual Meeting a copy of a statement from the firm that holds your shares reflecting your share ownership as of the record date, and valid identification.

PROPOSAL NUMBER 2

APPROVAL OF THE ADOPTION

OF THE AMREP CORPORATION 2016 EQUITY COMPENSATION PLAN

On June 21, 2016, the Board adopted the AMREP Corporation 2016 Equity Compensation Plan (the “Plan”), subject to shareholder approval. The Board has directed that the proposal to approve its adoption of the Plan be submitted to the Company’s shareholders at the Annual Meeting. Shareholder approval is being sought (i) in order for the shares covered by the Plan to meet the listing requirements of the New York Stock Exchange, (ii) so that compensation attributable to certain grants under the Plan may qualify for an exemption from the \$1 million deduction limit under section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) and (iii) in order for any incentive stock options granted thereunder to meet the requirements of the Code.

The Company’s only existing equity compensation plan is the AMREP Corporation 2006 Equity Compensation Plan, which is not affected by the adoption of the Plan. However, the AMREP Corporation 2006 Equity Compensation Plan expires by its terms on September 19, 2016. If approved by the shareholders, the Plan will become effective on September 20, 2016 or, if later, the date of such approval.

Given below is a summary of the material provisions of the Plan. A copy of the Plan is attached to this Proxy Statement as Appendix A. Because the description is a summary, it does not contain all of the information about the Plan that may be important to you. For details of the terms of the Plan, you should refer to the full text of the Plan, which is hereby incorporated by reference into this Proxy Statement.

General

The Company is the sponsor of the Plan. The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974 or qualified under Section 401(a) of the Code. All expenses associated with the Plan are borne by the Company.

Purpose

The purpose of the Plan is to attract employees, directors, officers, advisors, consultants and other personnel and to induce them to remain with the Company and its subsidiaries and encourage them to increase their efforts to make the Company's business more successful, whether directly or through the Company's subsidiaries or other affiliates. In furtherance of these objectives, the Plan is designed to provide equity-based incentives to such persons in the form of options, restricted stock, restricted stock units, deferred stock units, stock appreciation rights, dividend equivalent rights and other forms of equity-based awards as contemplated by the Plan (collectively, "Awards"), with eligibility for such Awards determined by the Board's Compensation and Human Resources Committee or a subcommittee thereof (the "Plan Administration Committee").

Effective Date and Termination of the Plan

If approved by the shareholders, the Plan will become effective on September 20, 2016 or, if later, the date of such approval. The Plan terminates on, and no Award will be granted under the Plan on or after, September 19, 2026; provided, however, that the Board may, at any time prior to that date, terminate the Plan. Notwithstanding the foregoing, a termination of the Plan that occurs after an Award is made will not materially impair the rights of a participant under the Plan (each a "Participant") unless the Participant consents. Further, the termination of the Plan will not impair the power and authority of the Plan Administration Committee with respect to any outstanding Award.

Administration

Except as described below, the Plan is administered by the Plan Administration Committee, which consists of two or more non-employee directors, each of whom is intended to be, to the extent required by Rule 16b-3 under the Securities Exchange Act of 1934, as amended, a “non-employee director” under Rule 16b-3 and qualify as an outside director under Section 162(m) of the Code. If, at any time during the term of the Plan, the Plan Administration Committee does not exist, the functions of the Plan Administration Committee will be exercised by the Board. No member of the Plan Administration Committee may act as to matters under the Plan specifically relating to such member, and grants of Awards to a member of the Board will be made and administered by the Board rather than the Plan Administration Committee. Where this summary of the Plan hereafter refers to the “Plan Administration Committee,” it is intended to refer to the Board in those instances where the Board rather than the Plan Administration Committee is responsible for the administration of the Plan.

The Plan Administration Committee has the full authority to administer and interpret the Plan, to determine the terms, provisions and conditions of Award agreements (provided that such terms, provisions and conditions are not inconsistent with the Plan), to determine the eligibility of eligible Participants to receive an Award, to authorize the granting of Awards to eligible Participants and to determine the number of shares (“Shares”) of Common Stock to be covered under any Award agreement, considering the position and responsibilities of the eligible Participant, the nature and value to the Company of the eligible Participant’s present and potential contribution to the success of the Company whether directly or through the Company’s subsidiaries or affiliates and such other factors as the Plan Administration Committee may deem relevant.

The Plan Administration Committee, in its discretion, may in the case of Awards (including, in particular, Awards other than options) intended to qualify for an exception from the limitations imposed by Section 162(m) of the Code, (i) establish one or more performance goals (“Performance Goals”) as a precondition to the issuance or vesting of Awards, and (ii) provide, in connection with the establishment of the Performance Goals, for predetermined Awards to those Participants (who continue to meet all applicable eligibility requirements) with respect to whom the applicable Performance Goals are satisfied. The Performance Goals will be based upon the criteria set forth in Exhibit A to the Plan. The Performance Goals will be established in a timely fashion such that they are considered pre-established for purposes of the rules governing performance-based compensation under Section 162(m) of the Code. Prior to the award or vesting, as applicable, of affected Awards under the Plan, the Plan Administration Committee is required to certify that any applicable Performance Goals, and other material terms of the Award, have been satisfied. Performance Goals which do not satisfy the foregoing may be established by the Plan Administration Committee with respect to Awards not intended to qualify for an exception from the limitations imposed by Section 162(m) of the Code.

Eligibility and Types of Awards

The following persons are eligible to be granted Awards under the Plan: (i) employees, directors, officers, advisors, consultants and other personnel of the Company or any of its subsidiaries or other persons who are expected to provide significant services to the Company or its subsidiaries, and (ii) any joint venture affiliates of the Company and other entities designated in the discretion of the Plan Administration Committee, or officers, directors, employees, members, or managers of the foregoing. Grants of Awards under the Plan are determined by the Plan Administration Committee.

- 10 -

As previously noted, all directors and employees of the Company or its affiliates are eligible to receive awards under the Plan, including the Company’s named executive officers, Messrs. Burke, Martin and Vitale. As of July 27, 2016, all of the Company’s directors (four persons), executive officers (three persons) and employees of the Company and its affiliates (approximately 450 persons) were eligible to participate in the Plan.

New Plan Benefits

See “Compensation of Directors” below for anticipated equity awards to be made from the Plan to the Company’s directors if the Plan is approved by shareholders. The table below presents the number of deferred common share units of the Company approved for issuance by the Board on the last trading day of calendar year 2016 to each non-employee member of the Board if the Plan is approved by the Company’s shareholders:

Name	Dollar Value of Deferred Common Share Units	(1)	Number of Deferred Common Share Units	(2)
Non-executive director group	\$ 60,000	(1)	10,619	(2)

(1) Assumes that there will be four non-employee members of the Board through the last trading day of calendar year 2016.

(2) The number of deferred common share units in the table is based on the closing price per Share of Common Stock of \$5.65 on July 27, 2016, as reported on the New York Stock Exchange. The actual number of deferred common share units to be issued to the non-employee members of the Board will be determined on the last trading day of calendar year 2016 based on the closing price per Share of Common Stock, as reported on the New York Stock Exchange, on such date.

The number and types of Awards that will be granted in the future under the Plan are not determinable, as the Plan Administration Committee will make these determinations in its sole discretion. Accordingly, other than as described above, it is not possible to determine the benefits that will be received by eligible Participants if the Plan is approved by the Company’s shareholders. The closing price per Share of Common Stock as reported on the New York Stock Exchange on July 27, 2016 was \$5.65.

Available Shares

Subject to adjustment upon certain corporate transactions or events, the total number of Shares subject to Awards granted under the Plan (including securities convertible into or exchangeable for Shares), in the aggregate, may not exceed 500,000 Shares, each of which may be issued as incentive stock options. The maximum number of Shares that may underlie options granted in any calendar year to any eligible Participant, other than any non-employee director of the Company or its subsidiaries (each a “Director”), may not exceed 50,000 Shares. The maximum number of Shares that may underlie Awards, other than options, granted in any calendar year to any eligible Participant, other than any Director, may not exceed 30,000 Shares. The maximum number of Shares that may underlie options granted in any calendar year to any Director may not exceed 25,000 Shares. The maximum number of Shares that may underlie Awards, other than options, granted in any calendar year to any Director, may not exceed 15,000 Shares. Shares distributed under the Plan may be treasury Shares or authorized but unissued Shares. Any Shares that have been granted as restricted stock or that have been reserved for distribution in payment for options, restricted stock units, deferred stock units, or other equity-based Awards but are later forfeited or for any other reason are not payable under the Plan may again be made the subject of Awards under the Plan. Unless earlier terminated by the Board, no new Award may be granted under the Plan after September 19, 2026.

Awards Under the Plan

Stock Options

An option is the right to purchase, at a price and for the term fixed by the Plan Administration Committee in accordance with the Plan, a number of Shares determined by the Plan Administration Committee. The terms of specific options, including whether options constitute “incentive stock options” for purposes of Section 422(b) of the Code, will be determined by the Plan Administration Committee. The exercise price of an option will also be determined by the Plan Administration Committee and reflected in the applicable Award agreement. The exercise price for each option will be not less than 100% of the Fair Market Value (as defined in the Plan) of a Share on the day the option is granted. In the case of an incentive stock option granted to a more than 10% shareholder, the exercise price may not be lower than 110% of the Fair Market Value of a Share on the day the option is granted. Options will be exercisable at such times and subject to such terms as determined by the Plan Administration Committee. Each option will be exercisable after the period or periods specified in the applicable Award agreement, which will generally not exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a more than 10% shareholder, if permitted under the Plan). An option must be exercised by the holder thereof by written notice (in the form prescribed by the Plan Administration Committee) to the Company or its designee specifying the number of Shares subject to such exercise.

Except as may otherwise be provided in the applicable Award agreement, if a Participant’s employment is terminated by the Company without cause or because of the Participant’s death or disability, the Plan provides for limited periods of time in which certain options may be exercised and any options that are not exercised will be forfeited. Subject to the provisions of the applicable Award agreement, if the Participant’s employment is terminated for cause, all the Participant’s vested and unvested options will immediately be forfeited.

Each option granted under the Plan is nontransferable by the optionee except by will or the laws of descent and distribution of the state wherein the optionee is domiciled at the time of the optionee’s death; provided, however, that the Plan Administration Committee may (but need not) permit other transfers, where it concludes that such transferability (i) does not result in accelerated U.S. federal income taxation, (ii) does not cause any option intended to be an incentive stock option to fail to be described in Section 422(b) of the Code, (iii) complies with applicable law, including securities laws, and (iv) is otherwise appropriate and desirable. The Plan Administration Committee may also grant “stock appreciation rights” as part of (or as the exclusive way to exercise) an option.

The Plan Administration Committee will determine the time or times at which an option may be exercised in whole or in part, and the method or methods by which, and the form or forms in which, payment of the option price with respect thereto may be made or deemed to have been made. An individual who holds an option granted under the Plan will have none of the rights of a shareholder with respect to the Shares which are the subject of that option unless and

until those Shares are issued and outstanding as a result of the exercise of the option.

- 12 -

Restricted Stock

A restricted stock award is an award of Common Stock that is subject to restrictions on sale, transferability and such other restrictions, if any, as the Plan Administration Committee may impose at the date of grant. Grants of restricted stock will be subject to vesting schedules as determined by the Plan Administration Committee. Restrictions on the Shares will lapse in accordance with the terms of the applicable Award agreement, as determined by the Plan Administration Committee. The restrictions on the Shares may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Plan Administration Committee may determine. Except to the extent restricted under the Award agreement relating to the restricted stock, a participant granted restricted stock has all of the rights of a shareholder, including, without limitation, the right to vote and the right to receive dividends on the restricted stock. Cash dividends on Shares of restricted stock will, unless otherwise provided by the Plan Administration Committee, be held by the Company until the period of forfeiture in relation to the Shares has lapsed. Such dividends will be forfeited if the underlying Shares are forfeited. If the Shares are not forfeited, the dividends will be paid over to the Participant as soon as practicable after the period of forfeiture has lapsed.

Except as may otherwise be provided in the provisions of the applicable Award agreement, if, during the forfeiture period in relation to a Participant's restricted stock, the Participant's employment is terminated by the Company without cause, or because of the death or disability of the Participant, or in the event of a change in control of the Company, the restrictions on all the Participant's restricted stock will immediately lapse. Except as may otherwise be provided in the provisions of the applicable Award agreement, if the Participant's employment is terminated for cause, or the Participant terminates his or her employment, all the Participant's restricted stock that is still subject to restrictions will immediately be forfeited and, if the Participant paid any purchase price for the restricted stock, the Company will pay the Participant the lower of that price or the then Fair Market Value of the stock on the date of termination.

Subject to the other terms of the Plan, the Plan Administration Committee may provide a specified purchase price for, determine the restrictions applicable to, and determine or impose other conditions to the grant of, any restricted stock awarded under the Plan as it may deem appropriate.

Restricted Stock Units

A restricted stock unit represents a future right to receive the Fair Market Value of a Share, or, if provided by the Plan Administration Committee, the right to receive the Fair Market Value of a Share in excess of a base value established by the Plan Administration Committee at the time of grant. Each restricted stock unit will generally be settled by the transfer of one Share. Restricted stock units will vest as provided in the applicable Award agreement. The Plan Administration Committee may allow the Company, or the Participant, to elect that restricted stock units be settled by the transfer of cash or Shares. Generally, the settlement date for restricted stock units will be the first day of the month

following the month in which the restricted stock units vest. The Plan Administration Committee may, in its discretion and under certain circumstances, permit a Participant to receive, as settlement of restricted stock units, installments over a period not to exceed 10 years. In addition, the Plan Administration Committee may establish a program under which distributions with respect to restricted stock units may be deferred for additional periods, with any such deferrals being subject to Section 409A of the Code.

- 13 -

Rights to payments with respect to restricted stock units are generally not subject to alienation, transfer, assignment, pledge, garnishment, levy, execution, or other legal or equitable process. Restricted stock units do not give the holder thereof any rights with respect to Common Stock or any ownership interest in the Company. Except as may be provided in accordance with the Plan, the holder of a restricted stock unit will not have any voting, dividend or derivative or other similar rights with respect to the restricted stock unit.

Deferred Stock Units

A deferred stock unit represents a future right to receive Shares upon the lapse of any applicable vesting requirements.

Each deferred stock unit will be settled by the transfer of one Share. Deferred stock units will vest as provided in the applicable Award agreement. Generally, the settlement date for deferred stock units will be the first day of the month following the grantee's termination of service. The Plan Administration Committee may, in its discretion and under certain circumstances, permit a Participant to receive, as settlement of deferred stock units, installments over a period not to exceed 10 years. In addition, the Plan Administration Committee may establish a program under which distributions with respect to deferred stock units may be deferred for additional periods, with any such deferrals being subject to Section 409A of the Code.

Rights to payments with respect to deferred stock units are generally not subject to alienation, transfer, assignment, pledge, garnishment, levy, execution, or other legal or equitable process. Deferred stock units do not give the holder thereof any rights with respect to Common Stock or any ownership interest in the Company. Except as may be provided in accordance with the Plan, the holder of a deferred stock unit will not have any voting, dividend or derivative or other similar rights with respect to the deferred stock unit.

Dividend Equivalent Rights

A dividend equivalent right is a right to receive (or have credited) the equivalent value of regular cash dividends declared on Common Stock otherwise subject to an Award. The Plan Administration Committee may provide that amounts payable with respect to dividend equivalents will be converted into cash or additional Common Stock or a combination of the two. The Plan Administration Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate. Dividend equivalents granted in relation to options that are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code will be payable regardless of whether the related option is exercised. The Plan Administration Committee may establish a program under which amounts payable in respect of dividend equivalents may be deferred.

Stock Appreciation Rights

A stock appreciation right provides the holder with a right to the monetary equivalent of the increase in the value of a specified number of Shares over a specified period of time.

The Plan Administration Committee may grant stock appreciation rights to eligible Participants separately or in tandem with any option (for all or a portion of the applicable option). The Plan Administration Committee will establish the base amount of the stock appreciation right at the time it is granted, which base amount will be equal to the per Share exercise price of the related option or, if there is no related option, an amount equal to or greater than the Fair Market Value of a Share on the day the stock appreciation right is granted.

- 14 -

In the case of tandem stock appreciation rights, the number of stock appreciation rights granted may not exceed the number of Shares underlying the related option. Upon the exercise of an option, the stock appreciation rights relating to the Common Stock covered by such exercise will terminate. Upon the exercise of stock appreciation rights, the related option will terminate to the extent of an equal number of Shares.

A stock appreciation right will be exercisable during the period specified by the Plan Administration Committee in the applicable Award agreement and will vest as provided in such Award agreement. When a grantee exercises stock appreciation rights, the grantee will receive in settlement of such stock appreciation rights an amount equal to the amount by which the Fair Market Value of the underlying Common Stock on the date of exercise exceeds the base amount of the stock appreciation right at the time it is granted. The appreciation in a stock appreciation right may be paid in Shares or cash.

Other Equity-Based Awards

The Plan authorizes the granting of other Awards based upon the Common Stock of the Company (including the grant of securities convertible into Common Stock) and interests (which may be expressed as units or otherwise) in subsidiaries, as applicable.

Special Rules Upon Reorganizations, Changes in Control, Etc.

If the Company is involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of Shares, sale of all or substantially all of the assets or stock of the Company or a transaction similar thereto, or upon certain changes in capital structure and other similar events, the Plan Administration Committee may make related adjustments in its discretion to outstanding Awards and various Plan provisions (including, without limitation, to the number and kind of Shares available under the Plan).

Without limiting the foregoing, upon a “Change in Control” (as defined in the Plan) of the Company, the Plan Administration Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the Change in Control, but only if the Plan Administration Committee determines that the adjustments do not have an adverse economic impact on the Participants (as determined at the time of the adjustments).

Rights of Award Recipients

Nothing in the Plan or in any grant made pursuant to the Plan confers to the recipient of an Award any right to continue in the employ or other service of the Company, its subsidiaries or affiliates or interfere in any way with the right of the Company, its subsidiaries or affiliates and their shareholders, members, directors, managers or officers to terminate the individual's employment or other service at any time.

- 15 -

Amendment and Termination

The Board may amend the Plan as it deems advisable, except that it may not amend the Plan in any way that would adversely affect a Participant with respect to an Award previously granted unless the amendment is required in order to comply with applicable laws; provided, however, that the Plan may not be amended without shareholder approval in any case in which amendment in the absence of shareholder approval would cause the Plan to fail to comply with any applicable legal requirement or applicable exchange or similar rule.

Governing Law

The Plan is governed by and will be construed in accordance with the laws of the State of New Jersey without regard to any principles of conflicts of laws which could cause the application of the laws of any jurisdiction other than the State of New Jersey.

Certain U.S. Federal Income Tax Consequences

THIS DISCUSSION OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS INTENDED ONLY AS A SUMMARY OF SOME OF THE MORE GENERALLY APPLICABLE U.S. FEDERAL INCOME TAX RULES. NO ATTEMPT HAS BEEN MADE TO DISCUSS SPECIAL PROVISIONS THAT MIGHT BE APPLICABLE IN A PARTICULAR SITUATION. THIS DISCUSSION DOES NOT ADDRESS STATE, CITY OR LOCAL TAX ISSUES. THIS DISCUSSION IS INTENDED FOR THE INFORMATION OF SHAREHOLDERS CONSIDERING HOW TO VOTE AT THE ANNUAL MEETING AND NOT AS TAX GUIDANCE TO GRANTEEES, AS THE CONSEQUENCES MAY VARY WITH THE TYPES OF GRANTS MADE, THE IDENTITY OF THE GRANTEEES AND THE METHOD OF PAYMENT OR SETTLEMENT.

Non-Qualified Stock Options

No income will be recognized by an option holder at the time a non-qualified stock option is granted. Ordinary income will generally be recognized by an option holder, however, at the time a non-qualified stock option is exercised in an amount equal to the excess of the Fair Market Value of the underlying Common Stock on the exercise date over the exercise price. This amount of income will be subject to income tax withholding and employment taxes. The Company will generally be entitled to a deduction for U.S. federal income tax purposes in the same amount as the amount included in ordinary income by the option holder with respect to his or her non-qualified stock option. Gain or

loss on a subsequent sale or other disposition of the Shares acquired upon the exercise of a non-qualified stock option will be measured by the difference between the amount realized on the disposition and the tax basis of such Shares, and will generally be long-term or short-term capital gain depending on the holding period involved. The tax basis of the Shares acquired upon the exercise of any non-qualified stock option will be equal to the sum of the exercise price of the non-qualified stock option and the amount included in income with respect to the option. Notwithstanding the foregoing, in the event that exercise of the option is permitted other than by cash payment of the exercise price, various special tax rules may apply.

Incentive Stock Options

In general, neither the grant nor the exercise of an incentive stock option will result in taxable income to an option holder or a deduction for the Company. If an option holder disposes of the Shares acquired upon the exercise of the incentive stock option on or after the later of (i) two years after the incentive stock option is granted and (ii) one year after the transfer of the Shares to the option holder pursuant to exercise of the option, the difference between the amount realized on such disposition and the option holder's basis in the Shares will be taxed as capital gain or loss. The Company will not be entitled to a tax deduction. In addition, the option holder must be an employee of the Company or a qualified subsidiary at all times between the date of grant and the date three months (one year in the case of disability) before exercise of the option. Special rules apply in the case of the death of the option holder. However, the exercise of an incentive stock option (if the holding period rules described in this paragraph are satisfied) may subject the optionee to the alternative minimum tax.

If the holding period rules noted above are not satisfied, gain recognized on the disposition of the Shares acquired upon the exercise of an incentive stock option will be characterized as ordinary income. This gain will be equal to the difference between the exercise price and the Fair Market Value of the Shares at the time of exercise (special rules may apply to disqualifying dispositions where the amount realized is less than the value at exercise). The Company will generally be entitled to a deduction equal to the amount of such gain included by an option holder as ordinary income. Any excess of the amount realized upon such disposition over the Fair Market Value at exercise will generally be long-term or short-term capital gain depending on the holding period involved. Notwithstanding the foregoing, if exercise of the option is permitted other than by cash payment of the exercise price, various special tax rules may apply. The current position of the Internal Revenue Service is that income tax withholding and employment taxes do not apply upon the exercise of an incentive stock option or upon any subsequent disposition, including a disqualifying disposition, of Shares acquired pursuant to the exercise of the incentive stock option.

Restricted Stock

Unless a holder of restricted stock makes an “83(b) election” (as discussed below), there generally will be no tax consequences as a result of the grant of restricted stock until the restricted stock is no longer subject to a substantial risk of forfeiture or is transferable (free of the risk). Dividends paid on unvested Shares, if retained by the grantee, will generally be treated as compensation income for U.S. federal income tax purposes (unless an 83(b) election has been made, as discussed below). Generally, when the restrictions are lifted, the holder will recognize ordinary income, and the Company will be entitled to a deduction equal to the difference between the Fair Market Value of the stock at that time and the amount, if any, paid by the holder for the restricted stock. This amount of income will be subject to income tax withholding and employment taxes. Subsequently realized changes in the value of the stock generally will be treated as long-term or short-term capital gain or loss, depending on the length of time the Shares are held prior to disposition of the Shares. In general terms, if a holder makes an 83(b) election (under Section 83(b) of the Code) upon the award of restricted stock, the holder will recognize ordinary income on the date of the award of restricted stock, and the Company will be entitled to a deduction equal to (i) the Fair Market Value of the restricted stock as though the stock were (A) not subject to a substantial risk of forfeiture or (B) transferable, minus (ii) the amount, if any, paid for the restricted stock. If an 83(b) election is made, there will generally be no tax consequences to the holder upon the lifting of restrictions, and all subsequent appreciation in the restricted stock generally would be eligible for capital gains treatment. In the event of a forfeiture after an 83(b) election is made, no deduction or loss will be available, other than with respect to amounts actually paid for the stock.

Restricted Stock Units

In general, a grantee of restricted stock units is not taxed at the time of the grant. Instead, the holder is taxed at the time in which there is no longer a substantial risk of forfeiture (i.e., at the time the restricted stock units have vested). Generally, when the restrictions are lifted, the holder must recognize ordinary income, and the Company will be entitled to a deduction, equal to the difference between the Fair Market Value of the grant at that time, minus the amount paid for the grant (if any). This amount of income will be subject to income tax withholding and employment

taxes. For grants that are settled in actual Shares, the employee's tax holding period begins at the time of distribution (which may or may not coincide with vesting), and the holder's tax basis is equal to the amount paid for the stock plus the amount included as ordinary income. Subsequently realized changes in the value of the stock generally will be treated as long-term or short-term capital gain or loss, depending on the length of time the Shares are held prior to disposition of the Shares.

- 17 -

Deferred Stock Units

In general, a grantee of deferred stock units is not taxed at the time of the grant. Instead, the holder is taxed at the time in which there is no longer a substantial risk of forfeiture (i.e., at the time of settlement of the deferred stock units). Generally, when there is no longer a substantial risk of forfeiture, the holder must recognize ordinary income, and the Company will be entitled to a deduction equal to the difference between the Fair Market Value of the grant at that time, minus the amount paid for the grant (if any). This amount of income will be subject to income tax withholding and employment taxes. For grants that are settled in actual Shares, the employee's tax holding period begins at the time of distribution, and the holder's tax basis is equal to the amount paid for the stock plus the amount included as ordinary income. Subsequently realized changes in the value of the stock generally will be treated as long-term or short-term capital gain or loss, depending on the length of time the Shares are held prior to disposition of the Shares.

Dividend Equivalent Rights

There generally will be no tax consequences as a result of the award of a dividend equivalent right. When payment is made, the holder of the dividend equivalent generally will recognize ordinary income, and the Company will be entitled to a deduction, equal to the amount received in respect of the dividend equivalent right. This amount of income will be subject to income tax withholding and employment taxes.

Stock Appreciation Rights

There generally will be no tax consequences as a result of the award of a stock appreciation right. Upon the exercise of a stock appreciation right, the holder generally will recognize ordinary income in an amount equal to the excess of the Fair Market Value of the underlying Common Stock on the exercise date over the exercise price. This amount of income will be subject to income tax withholding and employment taxes. The Company will generally be entitled to a deduction for U.S. federal income tax purposes in the same amount as the amount included in ordinary income by the holder of the stock appreciation right with respect to his or her stock appreciation right.

Securities Exchange Act of 1934

Additional special tax rules may apply to those Award holders who are subject to the rules set forth in Section 16 of the Securities Exchange Act of 1934, as amended.

Section 409A of the Internal Revenue Code

To the extent applicable, it is intended that the Plan and any awards granted under the Plan comply with the requirements of Section 409A of the Code.

- 18 -

Deductibility of Executive Compensation Under Section 162(m) of the Internal Revenue Code

Section 162(m) of the Code sets limits on the deductibility of compensation in excess of \$1,000,000 paid by publicly held companies to certain employees (the “million dollar cap”). The Internal Revenue Service has also issued Treasury Regulations which provide rules for the application of the million dollar cap deduction limitations. Income which is treated as “performance-based compensation” under these rules will not be subject to the limitation on deductibility imposed by Section 162(m) of the Code.

The Plan has been designed to permit option grants to qualify under the performance-based compensation rules so that income of a grantee attributable to the exercise of a nonqualified option may be exempt from the million dollar cap limits on deduction by us. The Plan’s provisions are consistent with the performance-based compensation rules, so that if the Plan Administration Committee consists exclusively of members of the Board who qualify as “outside directors” as defined in the regulations promulgated under Section 162(m), the compensation income arising on exercise of those options should qualify as performance-based compensation which is deductible by us even if that income would be in excess of the otherwise applicable limits on deductible compensation income under Section 162(m).

The Plan also permits, but does not require, the grant of performance-based restricted stock awards, which would be subject to performance-based vesting provisions established by the Plan Administration Committee consistent with the terms of the Plan. The compensation income recognized as a result of such grants by a grantee would also qualify as performance-based compensation which may, therefore, be exempt from the million dollar cap limit on deductions we may take.

The general federal income tax principles discussed above are highly complex and subject to changes which may be brought about by subsequent legislation or by regulations and administrative rulings which may be applied on a retroactive basis. Grantees may also be subject to state and local and/or foreign taxes with respect to option and stock appreciation rights grants, option and stock appreciation rights exercises and the subsequent holding and disposition of Shares acquired by grantees on the exercise of an option or pursuant to a restricted award or deferred stock unit. Accordingly, grantees should refer to the applicable tax laws of the relevant jurisdictions to determine the tax consequences of their receipt of awards under any applicable state, local or foreign law. Grantees should consult their own tax advisor in connection with the tax consequences of the grant and exercise of any option or stock appreciation rights received under the Plan, the receipt of a restricted stock, restricted stock unit or deferred stock unit award (or the receipt of Shares pursuant to such awards), the receipt of dividend equivalent rights, or other equity-based awards as well as the subsequent holding and disposition of Shares received in connection with an award.

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE ADOPTION OF THE AMREP CORPORATION 2016 EQUITY COMPENSATION PLAN.

- 19 -

PROPOSAL NUMBER 3

ADVISORY VOTE ON THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and Section 14A of the Securities Exchange Act of 1934, as amended, the Company's shareholders are entitled to vote to approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement in accordance with the rules of the Securities and Exchange Commission. The compensation paid to the Company's named executive officers subject to the vote is disclosed in the compensation table and related narrative disclosure contained in this Proxy Statement.

The Board is asking the shareholders to indicate their support for the compensation paid to the Company's named executive officers as described in this Proxy Statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the shareholders of AMREP Corporation hereby APPROVE, on a nonbinding advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Company's proxy statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the executive compensation table and narrative discussion disclosed therein."

Because the vote is advisory, it is not binding on the Board or the Company. In accordance with the Dodd-Frank Act, the vote to approve the compensation of the Company's named executive officers shall not be construed: (i) as overruling any decision by the Company or the Board; (ii) to create or imply any change in the fiduciary duties of the Company or the Board; or (iii) to create or imply any additional fiduciary duties for the Company or the Board. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation and Human Resources Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

At the most recent annual meeting of shareholders held on September 10, 2015, the Company's shareholders voted to approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in the proxy statement for that meeting dated August 8, 2015. Nevertheless, the Company did receive a significant number of votes against approving this compensation, including from the Company's largest beneficial shareholder whose vote constituted a substantial majority of the votes cast against approving such compensation. The Chairman of the

Compensation and Human Resources Committee, who is also the Chairman of the Board, reached out to this major shareholder to receive feedback and better understand the reasons for the negative vote. This shareholder did not identify any specific objections to executive compensation but instead said that his vote was more intended to send a message that he was not satisfied with the general direction of the Company and its results.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Governance Standards

The Company's Common Stock is listed on the New York Stock Exchange, and the Company is subject to the New York Stock Exchange's Corporate Governance Standards (the "Governance Standards"). The Governance Standards, among other things, generally require a listed company to have independent directors within the meaning of the Governance Standards as a majority of its board of directors and for the board to have an audit committee, a nominating/corporate governance committee and a compensation committee, each composed entirely of independent directors.

Based principally on their responses to questions to these persons regarding the relationships addressed by the Governance Standards and discussions with them, the Board has determined that other than his service as a director, each of Edward B. Cloues, II, Lonnie A. Coombs, Robert E. Robotti and Albert V. Russo has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, and, therefore, meets the director independence requirements of the Governance Standards. The Board was informed that Mr. Coombs, who is a certified public accountant, (i) for many years has provided, and expects to continue to provide, business and tax consulting services to certain companies owned by Nicholas G. Karabots, a beneficial owner of approximately 26% of the outstanding shares of the Company, including a company that is a customer of the Company's subscription fulfillment services business, (ii) the revenues from such business and tax consulting services for the Company's last three fiscal years have accounted for from 1.2% to 4.2% of Mr. Coombs' professional service revenues over those periods and (iii) Mr. Coombs is also a director of two private companies controlled by Mr. Karabots and in the past has served as a director of other such companies. However, the Board concluded that Mr. Coombs' relationships with Mr. Karabots and his companies is as an independent contractor, and not as an employee, partner, shareholder or officer, and would not interfere with Mr. Coombs' independence from the Company's management.

As required by the Governance Standards, the Board has adopted Corporate Governance Guidelines (the "Guidelines") that address various matters involving the Board and the conduct of its business. The Board has also adopted a Code of Business Conduct and Ethics setting forth principles of business conduct applicable to the directors, officers and employees of the Company. The Guidelines and Code of Business Conduct and Ethics, as well as the charters of the Board's Nominating and Corporate Governance Committee, Audit Committee and Compensation and Human Resources Committee, may be viewed under "Corporate Governance" on the Company's website at www.amrepcorp.com, and written copies will be provided to any shareholder upon written request to the Company at AMREP Corporation, 300 Alexander Park, Suite 204, Princeton, New Jersey 08540, Attention: Corporate Secretary. The Company intends to disclose on its website any amendment to or waiver of any provision of the Code of Business Conduct and Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions.

Directors are expected to attend Annual Meetings of Shareholders, and all of the directors attended last year's Annual Meeting. The Board held six meetings during the last fiscal year. All of the directors attended at least 75% of the total number of meetings held during the last fiscal year of the Board and its Committees of which they were members. Pursuant to the Guidelines, the Board has established a policy that the non-management directors meet in executive session at least twice per year and that the independent directors also meet in executive session at least twice per year. The Chairman of the Board (currently, Edward B. Cloues, II), if in attendance, will be the presiding director at each such executive session; otherwise, those attending may select a presiding director. Since December 31, 2010, no member of management has been a director.

Any shareholder or other interested person wishing to communicate with the Board or any of the directors may send a letter addressed to the member or members of the Board to whom the communication is directed in care of AMREP Corporation, 300 Alexander Park, Suite 204, Princeton, New Jersey 08540, Attention: Corporate Secretary. All such communications will be forwarded to the specified addressee(s).

Board Leadership Structure

Since the Company has no chief executive officer, the Board is charged with the oversight of the Company's business. While it is unusual for a company not to have a chief executive officer, the Company believes that its leadership structure is appropriate and works well for it since the membership of the Board includes Mr. Cloues who is an experienced public company chief executive officer, Mr. Coombs who is experienced with financial and accounting matters, Mr. Gaasche who is the former chief executive officer of the Company and Mr. Russo who is one of the major shareholders of the Company. The Board previously had an Executive Committee, which was disbanded in September 2015 in light of the reduction in the size of the Board to four directors, three of whom were on the Executive Committee.

Nominating and Corporate Governance Committee

The Board has a Nominating and Corporate Governance Committee that operates under a written charter adopted by the Board. Each member of the Nominating and Corporate Governance Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Cloues (Chairman), Coombs and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. This Committee reports regularly to the Board concerning its activities. The Nominating and Corporate Governance Committee held three meetings during the last fiscal year.

The duties of the Nominating and Corporate Governance Committee include identifying individuals the Committee considers qualified to be elected Board members consistent with criteria approved by the Board, and recommending persons to be nominated by the Board for election by the shareholders. When considering a nominee for election as a director, the Committee considers the experience, skills and knowledge of business and management practices a candidate may possess and the perspective he or she may bring to the Board, and employs criteria calling for, among other things, the person's personal and professional integrity, good judgment, high level of ability and business acumen, and experience in the Company's industries, as well as the ability of the nominee to devote sufficient time to performing his or her duties on the Board in an effective manner. Although the Committee has no specific policy regarding the diversity of the membership of the Board, it is the objective of the Committee that the Board be comprised of persons of diverse backgrounds such that as a unit the members of the Board will possess the necessary skills to appropriately discharge their responsibilities as the Company's directors. The Committee is also responsible for periodically reviewing and recommending changes to the Guidelines and for overseeing the Company's corporate

governance practices.

- 23 -

The Nominating and Corporate Governance Committee will consider candidates for director recommended by shareholders on the same basis as any other proposed nominees. Any shareholder desiring to propose a candidate for selection as a nominee of the Board for election at the 2017 Annual Meeting of Shareholders may do so by sending a written communication no later than May 1, 2017 to the Nominating and Corporate Governance Committee, AMREP Corporation, 300 Alexander Park, Suite 204, Princeton, New Jersey 08540, Attention: Corporate Secretary, identifying the proposing shareholder, specifying the number of shares of Common Stock held by such shareholder and stating the name and address of the proposed nominee and the information concerning such person that the regulations of the Securities and Exchange Commission require be included in a proxy statement relating to such person's proposed election as a director.

Audit Committee

The Board has an Audit Committee that operates under a written charter adopted by the Board. Each member of the Audit Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Coombs (Chairman), Cloues and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. The Board has also determined that Mr. Coombs, who is a certified public accountant, qualifies as an audit committee financial expert within the meaning of Securities and Exchange Commission regulations. This Committee reports regularly to the Board concerning its activities. The Audit Committee held seven meetings during the last fiscal year.

The duties of the Audit Committee include (i) appointing the Company's independent registered public accounting firm, approving the services to be provided by that firm and its compensation and reviewing that firm's independence and performance of services, (ii) reviewing the scope and results of the yearly audit by the independent registered public accounting firm, (iii) reviewing the Company's system of internal controls and procedures, (iv) reviewing with management and the independent registered public accounting firm the Company's annual and quarterly financial statements, (v) reviewing the Company's financial reporting and accounting standards and principles and (vi) overseeing the administration and enforcement of the Company's Code of Business Conduct and Ethics. In addition to the Audit Committee's responsibilities set forth above, the Audit Committee has, pursuant to its charter, primary responsibility for the oversight of risks that could affect the Company.

Compensation and Human Resources Committee

The Board has a Compensation and Human Resources Committee that operates under a written charter adopted by the Board. Each member of the Compensation and Human Resources Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Cloues (Chairman), Coombs and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. This Committee reports regularly to the Board concerning its activities. During

the last fiscal year, the Compensation and Human Resources Committee held four meetings on a formal basis and met periodically on an informal basis. In addition, a subcommittee of the Compensation and Human Resources Committee held one meeting during the last fiscal year to consider and approve certain equity compensation awards.

The Compensation and Human Resources Committee is responsible for reviewing and approving the corporate goals and objectives applicable to the Company's chief executive officer, if any, and determining his compensation and that of the Company's other executive officers, establishing overall compensation and benefit levels and fixing bonus pools for other employees, and making recommendations to the Board concerning other matters relating to employee and director compensation. With respect to salaries, bonuses and other compensation and benefits, the decisions and recommendations of the Compensation and Human Resources Committee are subjective and are not based on any list of specific criteria. In the past, factors influencing the Committee's decisions regarding executive salaries have included the Committee's assessment of the executive's performance and any changes in functional responsibility. In determining the salary to be paid to a particular individual, the Committee applies these and other criteria, while also using its best judgment of compensation applicable to other executives holding comparable positions both within the Company and at other companies. Additionally, the Committee in developing its recommendations regarding director compensation looks to director compensation at other public companies of the Company's size. Executive officers of the Company do not play a role in determining their compensation. Neither the Board nor the Committee has engaged compensation consultants for the purposes of determining or advising upon executive or director compensation.

Risk Oversight

The Board is actively involved in risk oversight and management of risk. The Board has ultimate responsibility for the oversight of risks facing the Company and for the management of those risks, with the Audit Committee conducting preliminary evaluations of risk and addressing risk prior to review by the Board. The Audit Committee considers and reviews with management the Company's internal control processes. The Audit Committee also considers and reviews with the Company's independent registered public accounting firm the adequacy of the Company's internal controls, including the processes for identifying significant risks or exposures, and elicits recommendations for the improvement of such procedures where needed. In addition to the Audit Committee's role, the full Board is involved in the oversight and administration of risk and risk management practices by overseeing members of senior management in their risk management capacities. Members of the Company's senior management have day-to-day responsibility for risk management and establishing risk management practices, and members of management are expected to report matters relating specifically to the Audit Committee directly thereto, and to report all other matters directly to the Chairman of the Board or the Board as a whole. Members of the Company's senior management have an open line of communication to the Chairman of the Board and the Board as a whole and have the discretion to raise issues from time-to-time in any manner they deem appropriate, and management's reporting on issues relating to risk management typically occurs through direct communication with directors, the Chairman of the Board or the Audit Committee as matters requiring attention arise.

In furtherance of its risk oversight responsibilities, the Board has evaluated the Company's overall compensation policies and practices for its employees to determine whether such policies and practices create incentives that could reasonably be expected to affect the risks faced by the Company and its management, has further assessed whether any risks arising from these policies and practices are reasonably likely to have a material adverse effect on the Company, and has concluded that the risks arising from the Company's policies and practices are not reasonably likely to have a material adverse effect on the Company.

2,000 restricted shares of Common Stock vested on July 8, 2016, 1,000 restricted shares of Common Stock vested on July 13, 2016 and 3,000 restricted shares of Common Stock vested on August 1, 2016. 2,000 restricted shares of Common Stock will vest on July 8, 2017 and 2,000 restricted shares of Common Stock will vest one-half on July 13, 2017 and one-half on July 13, 2018, subject in each case to the continued employment of Mr. Vitale on each vesting date.

(3) The restricted shares of Common Stock will vest on March 5, 2017, subject to the continued employment of Mr. Burke on the vesting date.

(4) 1,000 restricted shares of Common Stock vested on July 8, 2016 and 2,000 restricted shares of Common Stock vested on August 1, 2016. 1,000 restricted shares of Common Stock that would have vested on July 8, 2017 have been forfeited as a result of Mr. Pizza's termination of employment on August 1, 2016.

On June 21, 2016, Mr. Vitale was awarded 7,500 restricted shares of Common Stock, which will vest one-third on June 21, 2017, one-third on June 21, 2018 and one-third on June 21, 2019, subject to the continued employment of Mr. Vitale on each vesting date.

Mr. Pizza participated in the Company's Retirement Plan for Employees (the "Retirement Plan"), which was amended effective January 1, 1998 to change it into a cash balance defined benefit plan. The Retirement Plan was subsequently frozen effective March 1, 2004, so that in the determination of the benefit payable, a participant's compensation from and after March 1, 2004 is not taken into account. A participant's benefit under the amended Retirement Plan is now comprised of (a) the participant's cash balance as of February 29, 2004, plus interest on the cash balance (currently credited annually at the 30-year Treasury Rate for December of the previous year as published by the Board of Governors of the Federal Reserve System), and (b) the participant's periodic pension benefit under the Retirement Plan as at December 31, 1997 had the participant been at normal retirement age at that date. Assuming that Mr. Pizza elects the life annuity form of pension, his annual retirement benefits are estimated to be \$5,229.

Other than as described below, the Company's executive officers are not subject to agreements or other arrangements that provide for payments upon a change in control of the Company and the Company's policies for severance payments upon termination of employment apply to the executive officers on the same basis as the Company's other salaried employees. The Compensation and Human Resources Committee retains the discretion to enter into severance agreements with individual executive officers on terms satisfactory to it. Effective as of March 5, 2014, Palm Coast Data LLC entered into a change of control agreement (the "COC Agreement") with Mr. Burke. The COC Agreement provides for certain rights and benefits in the event Palm Coast Data LLC terminates Mr. Burke's employment without cause or Mr. Burke terminates his employment with Palm Coast Data LLC for good reason (as each of those terms are defined in the COC Agreement), and in each case in connection with a change in control of the Company or Palm Coast Data LLC (a "double-trigger"), including severance payable to Mr. Burke equal to one times his annual base salary and continued health and medical insurance to Mr. Burke for one year. In addition, if the change of control is solely with respect to Palm Coast Data LLC, the COC Agreement provides that any vesting, restrictions or conditions on the exercisability or the sale of equity awards granted by the Company or its affiliates to Mr. Burke shall lapse or otherwise be deemed fully vested, accelerated or otherwise satisfied. These rights and benefits are subject to certain customary non-competition and non-solicitation obligations and are contingent upon the execution of a release.

In 2006, the Board adopted, and the shareholders approved, the AMREP Corporation 2006 Equity Compensation Plan, which authorizes stock-based awards of various kinds to employees covering up to a total of 400,000 shares of Common Stock. Under the terms of the AMREP Corporation 2006 Equity Compensation Plan, its administrator has the discretion to accelerate the vesting of, or otherwise remove restrictions on, awards under the AMREP Corporation 2006 Equity Compensation Plan upon a change in control of the Company.

COMPENSATION OF DIRECTORS

If the Plan contemplated by Proposal 2 is approved by the Company's shareholders:

each non-employee member of the Board shall be paid an annual cash fee of \$60,000 in equal quarterly installments in arrears;

o

on the last trading day of calendar year 2016, each non-employee member of the Board shall be issued the number of deferred common share units of the Company under the Plan equal to \$15,000 divided by the closing price per share of Common Stock, reported on the New York Stock Exchange on such date; and

on the last trading day of each calendar year after calendar year 2016, each non-employee member of the Board shall be issued the number of deferred common share units of the Company under the Plan equal to \$20,000 divided by the closing price per share of Common Stock reported on the New York Stock Exchange on such date.

If the Plan contemplated by Proposal 2 is not approved by the Company's shareholders,

each non-employee member of the Board shall be paid an annual cash fee of \$60,000 in equal quarterly installments in arrears during calendar year 2016;

each non-employee member of the Board on December 31, 2016 shall be paid an additional \$15,000 for service during calendar year 2016, which shall be pro-rated for any new directors added to the Board after April 1, 2016; and

each non-employee member of the Board shall be paid an annual cash fee of \$80,000 in equal quarterly installments in arrears after calendar year 2016.

In addition to the fees described above, Edward B. Cloues, II is paid an annual fee of \$135,000 for his services as Chairman of the Board.

All amounts shall be pro-rated to reflect any director's removal from the Board, retirement from the Board or refusal to stand for election to the Board or any new director being appointed or elected to the Board; provided that, any deferred common share units of the Company that would have been issued on the last trading day of a calendar year to a director who was removed from the Board, retired from the Board or refused to stand for election to the Board prior to such issuance date shall be paid in cash rather than as deferred common share units of the Company, where the cash payment will equal the pro rata number of shares that would have been issued to the director multiplied by the closing price per share of Common Stock reported on the New York Stock Exchange on the last trading day of the calendar year.

There shall be no separate meetings fees for the Board or any committee thereof.

Prior to April 1, 2016, compensation provided to the non-employee members of the Board was as follows:

Each non-employee member of the Board was paid an annual fee of \$80,000 in equal quarterly installments and an additional \$1,500 for each Board meeting attended in person or by telephone at meetings called for attendance in person and \$500 for each Board meeting attended by telephone unless, in the case of a telephonic meeting, the Board determined that the meeting and attendant preparation were so brief that no payment was warranted.

The Chairmen of the Audit Committee and the Compensation and Human Resources Committee were each paid an annual fee of \$7,500, and each other member of those Committees was paid an annual fee of \$5,000, in equal quarterly installments. The members of the Nominating and Corporate Governance Committee served without additional compensation.

(“KMS”), Kable Distribution Services, Inc. (“Kable Distribution”), Kable News Company, Inc., Kable News International, Inc., Kable Distribution Services of Canada, Ltd. and Kable Product Services, Inc. (collectively, the “Company Group”). The Newsstand Distribution Services business operated a national distribution business that distributed publications and the Product Packaging and Fulfillment Services business offered electronic and traditional commerce solutions to customers.

On February 9, 2015, American Investment Republic Co. (“Seller”), a subsidiary of the Company, entered into a stock purchase agreement (the “Stock Purchase Agreement”) with DFI Holdings, LLC (“Distribution Buyer”) and KPS Holdco, LLC (“Products Buyer”, and together with Distribution Buyer, the “MD Buyers”), where each MD Buyer was controlled by Michael P. Duloc. The closing of the transactions contemplated by the Stock Purchase Agreement occurred on February 9, 2015.

Prior to February 9, 2015, Mr. Duloc was the chief executive officer and president of the Company Group and certain other subsidiaries of the Company and was a principal executive officer of the Company. In connection with the closing of the transactions contemplated by the Stock Purchase Agreement, effective on February 9, 2015, Mr. Duloc was removed as an officer of each direct and indirect subsidiary of the Company and ceased to be a principal executive officer of the Company. Mr. Duloc is the son-in-law of Nicholas G. Karabots, a significant shareholder of the Company. Mr. Duloc’s spouse, who is Mr. Karabots’ daughter, is an officer of one of Mr. Karabots’ companies to which the Company Group and the Company’s subscription fulfillment services business provided services. Mr. Karabots was a director and Vice Chairman of the Board and of the Executive Committee of the Board until January 22, 2013 and was Chairman of the Compensation and Human Resources Committee of the Board until November 28, 2012. A special committee of the Board, comprised of directors whom the Board found to be independent of Mr. Karabots and pursuant to a written charter, considered and negotiated the terms of the sale of the Company Group.

Pursuant to the Stock Purchase Agreement, Products Buyer acquired, through the purchase of all of the capital stock of Kable Product Services, Inc., the Company’s Product Packaging and Fulfillment Services business. Immediately following such acquisition, pursuant to the Stock Purchase Agreement, Distribution Buyer acquired, through the purchase of all of the capital stock of KMS, the Company’s Newsstand Distribution Services business operated by KMS’s direct and indirect subsidiaries, namely Kable Distribution, Kable News Company, Inc., Kable News International, Inc. and Kable Distribution Services of Canada, Ltd.

Consideration for MD Buyers acquiring the Company Group included MD Buyers paying Seller \$2,000,000, which consisted of \$400,000 of cash paid by MD Buyers on February 9, 2015 and \$1,600,000 paid by execution by MD Buyers of a secured promissory note, dated as of February 9, 2015 (the “Buyer Promissory Note”).

As a result of the transaction, other than (i) the elimination of substantially all of the intercompany amounts of the Company Group due to or from the Company and its direct and indirect subsidiaries (not including the Company Group) through offset and capital contribution and (ii) certain other limited items identified in the Stock Purchase Agreement and the agreements entered into in connection with the Stock Purchase Agreement, the Company Group retained all of its pre-closing assets, liabilities, rights and obligations. At February 9, 2015, the Company Group had assets of \$4,564,000 and liabilities of \$15,732,000, which included \$11,605,000 of negative working capital with respect to Kable Distribution. The negative working capital of Kable Distribution represented its net payment obligation due to publisher clients and other third parties. The Company recognized a pretax gain of \$10,479,000 on its financial statements as a result of the transaction in the fourth quarter of 2015.

The following agreements, each dated as of February 9, 2015, were entered into in connection with the Stock Purchase Agreement:

Buyer Promissory Note. MD Buyers entered into the Buyer Promissory Note, which required MD Buyers to pay Seller \$1,600,000 in 24 equal monthly instalments, commencing on February 1, 2016, with interest due and payable monthly commencing on March 1, 2015. Interest accrued at a rate per annum determined on the first business day of each month equal to three percent plus the “prime rate,” as published in The Wall Street Journal. The Buyer Promissory Note contained customary events of default and representations, warranties and covenants provided by MD Buyers to Seller, and was secured by a pledge of substantially all of the personal property of MD Buyers and the Company Group, *pari passu* with other secured obligations owed by MD Buyers and the Company Group to Seller under the Stock Purchase Agreement and the agreements entered into in connection with the Stock Purchase Agreement.

Releases. (a) Seller entered into a release agreement in favor of the Company Group and its affiliates and (b) the Company Group, MD Buyers and Mr. Duloc entered into release agreements in favor of Seller and its affiliates. Subject to certain limited exceptions, each of the release agreements released all claims that the releasing party may have had against the parties being released.

Line of Credit. Seller provided the Company Group with a secured revolving line of credit pursuant to a line of credit promissory note (the “Line of Credit”). The Line of Credit permitted the Company Group to borrow from Seller up to a maximum principal amount of \$2,000,000 from February 9, 2015 until May 11, 2015, \$1,500,000 from May 12, 2015 until August 5, 2016 and \$1,000,000 from August 6, 2016 until February 9, 2017, with interest due and payable monthly commencing on March 1, 2015.

The principal amount permitted to be borrowed under the Line of Credit was subject to the following borrowing base: (a) from February 9, 2015 until May 11, 2015, (i) 50% of eligible accounts receivable of the Company Group and (ii) 45% of eligible unbilled receivables of Kable Distribution and (b) from May 12, 2015 until February 9, 2017, (i) 50% of eligible accounts receivable of the Company Group and (ii) 30% of eligible unbilled receivables of Kable Distribution.

Amounts outstanding under the Line of Credit accrued interest at a rate per annum as determined on the first business day of each month equal to three percent plus the “prime rate,” as published in The Wall Street Journal. Amounts available but not advanced under the Line of Credit accrued “unused” fees at a rate of 1.0% per annum, payable on the first day of each month. The Line of Credit contained customary events of default and representations, warranties and covenants provided by the Company Group to Seller, and was secured by a pledge of substantially all of the personal property of MD Buyers and the Company Group, pari passu with other secured obligations owed by MD Buyers and the Company Group to Seller under the Stock Purchase Agreement and the agreements entered into in connection with the Stock Purchase Agreement.

Guaranty of Company Group. MD Buyers, the Company Group and Seller entered into a guaranty agreement pursuant to which MD Buyers and the Company Group guaranteed the full and prompt payment and performance of all agreements, covenants and obligations of MD Buyers or any member of the Company Group, including under the Stock Purchase Agreement, the Line of Credit, the Buyer Promissory Note and the other agreements entered into in connection with the Stock Purchase Agreement.

Security Agreement. MD Buyers, the Company Group and Seller entered into a security agreement pursuant to which MD Buyers and the Company Group pledged and granted a security interest in substantially all of their personal property to Seller in order to secure the obligations of each MD Buyer and each member of the Company Group, including under the Stock Purchase Agreement, the Line of Credit, the Buyer Promissory Note and the other agreements entered into in connection with the Stock Purchase Agreement.

The Company and its remaining direct and indirect subsidiaries retained their obligations under the Company's defined benefit retirement plan, without any funding acceleration or other changes in any of the obligations thereunder as a result of the sale of the Company Group. In addition, a subsidiary of the Company retained its ownership of a warehouse leased to the Product Packaging and Fulfillment Services business, which remained subject to a market rate lease with the Product Packaging and Fulfillment Services business, with a term that expired in November 2018 and remained subject to a promissory note to a third party lender with a maturity date of February 2018.

In January 2016, Seller entered into a letter agreement with MD Buyers and the Company Group, which resolved certain events of default of MD Buyers and the Company Group. Among other things, the letter agreement provided the following: (i) payment to Seller of approximately \$1,600,000, representing the full amount of principal and interest outstanding under the Buyer Promissory Note; (ii) termination of the Line of Credit (no amount of principal was outstanding under the Line of Credit as of the termination date); (iii) termination of the security agreement provided by MD Buyers and the Company Group in favor of Seller; and (iv) a release and indemnity in favor of Seller and its affiliates with respect to the events of default and the resolution thereof.

On August 4, 1993, pursuant to an agreement with Nicholas G. Karabots and two corporations he then owned, the Company, in exchange for 575,593 shares of Common Stock, acquired various rights to distribute magazines for its distribution business. Prior to that date Mr. Karabots had no affiliation with the Company. The distribution rights covered various magazines published by unaffiliated publishers, as well as magazines published by Mr. Karabots' companies.

A sub-committee of the Nominating and Corporate Governance Committee (the "Independent Committee"), comprised of directors whom the Board found to be independent of Mr. Karabots, was established with authority to consider and, if deemed appropriate, to approve new contracts and material modifications to existing contracts between the Company and companies owned or controlled by Mr. Karabots. The Independent Committee has no written charter establishing its policies and procedures. The approvals it has granted were based upon determinations after due inquiry that the contract terms were fair and reasonable and no less favorable to the Company than would be obtained

in an arm's length transaction with a non-affiliate having a volume of business with the Company comparable to that of Mr. Karabots.

Prior to February 9, 2015, the Company's newsstand distribution business purchased magazines from publishing companies, including a company owned or controlled by Mr. Karabots, and resold those magazines to wholesalers. During the fiscal year ended April 30, 2015, the Company distributed magazines published by Mr. Karabots' company pursuant to a distribution contract approved by the Independent Committee that did not have an expiration date but did provide Mr. Karabots' company with the ability to terminate the contract at the end of any month with 60 days' prior written notice. During the fiscal year ended April 30, 2015, Mr. Karabots' company was the Company's largest newsstand distribution services customer. The Company's revenue from its distribution contract with Mr. Karabots' company was approximately \$803,000 for fiscal 2015. As described above, the Company's newsstand distribution business was sold on February 9, 2015.

The Company also provided subscription fulfillment services for a company owned or controlled by Mr. Karabots. A contract for those services, which was approved by a predecessor to the Independent Committee, expired in June 2008. The Company's subscription fulfillment services business had provided services to Mr. Karabots' company under the terms of the expired contract on a month-to-month basis through January 2015 and entered into an amendment to the contract approved by the Independent Committee effective February 2015 for an initial term ending in January 2018. During fiscal 2015 and fiscal 2016, Mr. Karabots' company deducted approximately \$13,700 for fiscal 2015 and \$2,000 for fiscal 2016 from the amounts it was billed for subscription fulfillment services. The Company's revenue from the subscription fulfillment services it provided to Mr. Karabots' company was approximately \$157,000 for fiscal 2015 and \$171,000 for fiscal 2016.

For fiscal 2015, the Company's revenues from all services it provided to Mr. Karabots' company amounted to approximately \$960,000. For fiscal 2016, the Company's revenues from all services it provided to Mr. Karabots' company amounted to approximately \$171,000.

In the newsstand distribution services industry, it is a customary practice that advance payments for magazine purchases are made by distributors to publishers based upon estimates of the amounts that will be due to them from the sales of the publications to the buying public. If the actual sales are less than estimated, overadvances will result, which the publishers are obligated to repay. It generally takes several months following the date that a publication goes on sale to determine its complete sales history. The contract of the Company's newsstand distribution business with Mr. Karabots' company had called for the advance payments to be based upon the sales histories of the publications involved. These advance payments resulted in overadvances to Mr. Karabots' company in fiscal 2015 due, in large part, to sales declines for a number of those publications and those overadvances dissipated over time as the historic sales became more closely related to the actual sales. Based upon estimates of actual sales, the Company believes that the highest net amount of the overadvances by the Company's newsstand distribution business to Mr. Karabots' company was approximately \$2,302,000 during fiscal 2015. As described above, the Company's newsstand distribution business was sold on February 9, 2015.

Since August 2012, with the approval of the Independent Committee, AMREP Southwest, Inc., as borrower, has had a loan with Kappa Lending Group, LLC (“Kappa Lending”), an entity established and wholly-owned by Mr. Karabots, and in which Albert V. Russo, a member of the Board, has a 20% participation. The largest principal amount of the loan outstanding at any time during fiscal 2015 was \$15,141,000 and the amount of interest paid and payable on the loan during fiscal 2015 was \$1,258,000. The largest principal amount of the loan outstanding at any time during fiscal 2016 was \$14,003,000 and the amount of interest paid and payable on the loan during fiscal 2016 was \$1,137,000. The loan had an outstanding principal amount of \$12,384,000 at April 30, 2016 and of \$7,983,000 at July 15, 2016, is scheduled to mature on December 1, 2017, bears interest payable monthly at 8.5% per annum, is secured by a mortgage on certain real property of AMREP Southwest, Inc. and by a pledge of the stock of its subsidiary, Outer Rim Investments, Inc., which owns approximately 12,000 acres, for the most part scattered lots, in Sandoval County, New Mexico, requires that a cash reserve of at least \$500,000 be maintained with Kappa Lending to fund interest payments and is subject to a number of restrictive covenants including a requirement that AMREP Southwest, Inc. maintain a minimum tangible net worth and a restriction on AMREP Southwest, Inc. making distributions and other payments to its parent company beyond a stated management fee. The total book value of the real property collateralizing the loan was approximately \$59,361,000 as of April 30, 2016. A sale transaction by AMREP Southwest, Inc. of certain mortgaged land requires the approval of Kappa Lending. Otherwise, Kappa Lending is required to release the lien of its mortgage on any land being sold at market price by AMREP Southwest, Inc. in the ordinary course to an unrelated party on terms AMREP Southwest, Inc. believes to be commercially reasonable. The loan may be prepaid at any time without premium or penalty except that if the prepayment is in connection with the disposition of AMREP Southwest, Inc. or substantially all of its assets there is a prepayment premium, initially 5% of the amount prepaid, with the percentage declining by 1% each year. No payments of principal are required until maturity, except that 25% of the net proceeds, as defined, from any sales of real property by AMREP Southwest Inc. and 25% of certain royalty payments received by AMREP Southwest, Inc. under the oil and gas lease described below are required to be applied to the payment of the loan. No new borrowings are permitted under the loan.

In September 2014, AMREP Southwest, Inc. entered into a Consent Agreement (the “Consent Agreement”) with Kappa Lending, pursuant to which Kappa Lending provided its consent to AMREP Southwest, Inc. entering into an oil and gas lease with respect to real property subject to a mortgage in favor of Kappa Lending and into a subordination, non-disturbance and attornment agreement with the lessee under such lease. Pursuant to the Consent Agreement, AMREP Southwest, Inc. agreed to pay Kappa Lending (a) 25% of any royalty payments received by AMREP Southwest, Inc. under the lease, which will be credited against any outstanding loan amounts due to Kappa Lending from AMREP Southwest, Inc., and such payments will cease upon payment in full of such outstanding loan amounts and (b) a separate consent fee of \$100,000, which will not be credited against the outstanding loan amounts due to Kappa Lending from AMREP Southwest, Inc.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company’s directors, officers and holders of more than 10% of its Common Stock to file initial reports of ownership and reports of changes of ownership of the Common Stock with the Securities and Exchange Commission and the New York Stock Exchange. The related regulations require directors, officers and greater than 10% shareholders to provide copies of all Section

16(a) reports to the Company.

Based solely on a review of the copies of the reports received by the Company and certain written representations from the directors and executive officers, the Company believes that for the fiscal year ended April 30, 2016, all required Section 16(a) reports were filed on a timely basis.

AUDIT-RELATED MATTERS

The consolidated financial statements of the Company and its subsidiaries included in the Company's Annual Report on Form 10-K for the year ended April 30, 2016 have been audited by RSM US LLP, an independent registered public accounting firm. No representative of RSM US LLP is expected to attend the Annual Meeting. The Audit Committee has not yet approved the retention of an independent registered public accounting firm for fiscal 2017 as the Company customarily makes its selection later in its fiscal year but engages the prior year's independent registered public accounting firm to perform quarterly reviews pending the current year's audit engagement.

- 35 -

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited financial statements for fiscal 2016 with management, which has primary responsibility for the financial statements. RSM US LLP, as the Company's independent registered public accountants for fiscal 2016, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with U.S. generally accepted accounting principles. The Committee has discussed with RSM US LLP the matters that are required to be discussed by Auditing Standard No. 16 "Communication with Audit Committees," as adopted by the Public Company Accounting Oversight Board in Rule 3200T. RSM US LLP has provided to the Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with RSM US LLP that firm's independence. Based on these considerations, the Audit Committee has recommended to the Board that the financial statements audited by RSM US LLP be included in the Company's Annual Report on Form 10-K for fiscal 2016 for filing with the Securities and Exchange Commission.

The foregoing report is provided by the following directors who constitute the Audit Committee:

Lonnie A. Coombs, *Chairman*
Edward B. Cloues, II
Albert V. Russo

The following table sets forth certain information concerning the fees of RSM US LLP for the Company's last two fiscal years. The reported fees, except the Audit Fees, are amounts billed to the Company in the indicated fiscal years. The Audit Fees are for services for those fiscal years.

(3) Includes fees for tax compliance, tax advice and tax planning. The services principally involved reviews of the Company's federal and certain state income tax returns and research and advice on miscellaneous tax questions.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit services to be provided by the independent registered public accountants and, separately, all permitted non-audit services to be performed by the independent registered public accountants.

OTHER MATTERS

The Board knows of no matters that will be presented for consideration at the Annual Meeting other than the matters referred to in this Proxy Statement. Should any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment.

SOLICITATION OF PROXIES

The Company will bear the cost of this solicitation of proxies. In addition to solicitation of proxies by mail, the Company may reimburse brokers and other nominees for the expense of forwarding proxy materials to the beneficial owners of Common Stock held in their names. Directors, officers and employees of the Company may solicit proxies on behalf of the Board but will not receive any additional compensation therefor.

SHAREHOLDER PROPOSALS

From time to time, shareholders present proposals that may be proper subjects for inclusion in the Proxy Statement and for consideration at an annual meeting. Shareholders who intend to present proposals at the 2017 Annual Meeting of Shareholders and who wish to have such proposals included in the Company's Proxy Statement for the 2017 Annual Meeting of Shareholders must be certain that such proposals are received by the Company's Secretary at the Company's executive offices, 300 Alexander Park, Suite 204, Princeton, New Jersey 08450, not later than April 7, 2017. Such proposals must meet the requirements set forth in the rules and regulations of the Securities and Exchange Commission in order to be eligible for inclusion in the Proxy Statement. For any proposal that is not submitted for inclusion in next year's Proxy Statement but is, instead, sought to be presented directly at the 2017 Annual Meeting of Shareholders, Securities and Exchange Commission rules permit management to vote proxies in its discretion if the Company does not receive notice of the proposal prior to the close of business on June 21, 2017.

HOUSEHOLDING OF PROXY MATERIALS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries to satisfy delivery requirements for proxy statements and annual reports to shareholders and, if applicable, notices of Internet availability of proxy materials, with respect to two or more shareholders sharing the same address by delivering a single copy of the material addressed to those shareholders. This process, commonly referred to as “householding,” is designed to reduce duplicate printing and postage costs. The Company and some brokers may household notices of Internet availability of proxy materials, annual reports to shareholders and proxy materials, by delivering a single copy of the material to multiple shareholders sharing the same address unless contrary instructions have been received from the affected shareholders.

- 37 -

If a shareholder wishes to receive a separate notice of Internet availability of proxy materials, the annual report to shareholders or proxy statement, or if a shareholder received multiple copies of some or all of these materials and would prefer to receive a single copy in the future, the shareholder should submit a request by phone or in writing to the shareholder's broker if the shares are held in a brokerage account or, if the shares are registered in the name of the shareholder, to the Company's transfer agent, Computershare, 211 Quality Circle, Suite 210, College Station, Texas 77845, (800) 368-5948.

APPENDIX A

AMREP CORPORATION 2016 EQUITY COMPENSATION PLAN

AMREP Corporation, an Oklahoma corporation, wishes to attract employees, Directors, officers, advisors and consultants to the Company and Subsidiaries, and induce employees, Directors, officers, advisors, consultants and other personnel to remain with the Company and Subsidiaries and encourage them to increase their efforts to make the Company's business more successful whether directly or through Subsidiaries or other Affiliates. In furtherance thereof, the AMREP Corporation 2016 Equity Compensation Plan (the "Plan") is designed to provide equity-based incentives to certain Eligible Persons. Awards under the Plan may be made to Eligible Persons in the form of Options (including Stock Appreciation Rights), Restricted Stock, Deferred Stock Units, Restricted Stock Units, Dividend Equivalent Rights and other forms of equity based Awards as contemplated herein.

1. DEFINITIONS

Whenever used herein, the following terms shall have the meanings set forth below:

"Affiliate" means any entity other than a Subsidiary that is controlled by or under common control with the Company that is designated as an "Affiliate" by the Committee in its discretion.

"Award" except where referring to a particular category of grant under the Plan, shall include Options, Restricted Stock, RSUs, DSUs, Dividend Equivalent Rights and other equity-based Awards as contemplated herein.

"Award Agreement" means a written agreement in a form approved by the Committee, as provided in Section 3. An Award Agreement may be, without limitation, an employment or other similar agreement containing provisions governing grants hereunder, if approved by the Committee for use under the Plan.

"Board" means the Board of Directors of the Company.

“Cause” means, unless otherwise provided in the Participant’s Award Agreement a finding by the Committee that the Grantee (i) has breached his or her employment or service contract with the Company, a Subsidiary or an Affiliate, (ii) has engaged in disloyalty to the Company, a Subsidiary or an Affiliate, including, without limitation, fraud, embezzlement, theft, commission of a felony or proven dishonesty, (iii) has disclosed trade secrets or confidential information of the Company, a Subsidiary or an Affiliate to persons not entitled to receive such information, (iv) has breached any written non-competition, non-solicitation or confidentiality agreement between the Grantee and the Company, a Subsidiary or an Affiliate or (v) has engaged in such other behavior detrimental to the interests of the Company, a Subsidiary or an Affiliate as the Committee determines; provided, however, that, if at any particular time the Participant is subject to an effective employment agreement with the Company, a Subsidiary or an Affiliate, then, in lieu of the foregoing definition, “Cause” shall at that time have such meaning as may be specified in such employment agreement.

“Change in Control” means the happening of any of the following:

A-1

- (i) any “person,” including a “group” (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act, but excluding the Key Shareholders, the Company, any entity or person controlling, controlled by or under common control with the Key Shareholders, the Company, any employee benefit plan of the Company, or any such entity, and any “group” (as such term is used in Section 13(d)(3) of the Exchange Act) of which any of the foregoing persons or entities is a member), is or becomes the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of either (A) the combined voting power of the Company’s then outstanding securities or (B) the then outstanding Common Stock (in either such case other than as a result of an acquisition of securities directly from the Company or any of its Subsidiaries); provided, however, that, in no event shall a Change in Control be deemed to have occurred upon an initial public offering or a subsequent public offering of the Common Stock under the Securities Act;
- (ii) any consolidation or merger of the Company where the shareholders of the Company, immediately prior to the consolidation or merger, would not, immediately after the consolidation or merger, beneficially own (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, shares representing in the aggregate 50% or more of the combined voting power of the securities of the corporation issuing cash or securities in the consolidation or merger (or of its ultimate parent corporation, if any);
- (iii) there shall occur (A) any sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the Company’s assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by any “person,” including a “group” (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act), in substantially the same proportion as their ownership of the Company immediately prior to such sale or (B) the approval by shareholders of the Company of any plan or proposal for the liquidation or dissolution of the Company; or
- (iv) the members of the Board at the beginning of any consecutive 24-calendar-month period (the “Incumbent Directors”) cease for any reason other than due to death to constitute at least a majority of the members of the Board; provided that any director whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least two-thirds of the members of the Board then still in office who were members of the Board at the beginning of such 24-calendar-month period, shall be deemed to be an Incumbent Director.

Notwithstanding the foregoing, if at any time any Key Shareholder, any entity or person controlling, controlled by or under common control with a Key Shareholder, or any “group” (as such term is used in Section 13(d)(3) of the Exchange Act) of which any of the foregoing persons or entities is a member, is or becomes the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of either (A) the combined voting power of the Company’s then outstanding securities or (B) the then outstanding Common Stock (in either such case other than as a result of an acquisition of securities directly from the Company or any of its Subsidiaries), then the Committee may, in its sole discretion, deem that a Change in Control has occurred; provided, however, that, in no event shall a Change in Control be deemed to have occurred upon an

initial public offering or a subsequent public offering of the Common Stock under the Securities Act.

A-2

Notwithstanding the foregoing, if at any time the Participant is subject to an effective employment agreement with the Company, a Subsidiary or an Affiliate which expressly provides for the definition of a change in control of the Company, then, in lieu of the foregoing definition, "Change in Control" shall at that time have such meaning as may be specified in such employment agreement with respect to the Company.

Notwithstanding the foregoing, if an event constitutes a Change in Control as described above but does not constitute a "change in the ownership," "change in effective control" or "change in the ownership of a substantial portion of the assets" of the Company, as such terms are defined in Treasury Regulations §1.409A-3 (or other applicable guidance issued under Section 409A of the Code), then such event shall not be deemed a Change in Control to the extent that it would result in the imposition of the 20% excise tax as set forth in Section 409A(a)(1)(B) of the Code. Such event may however, continue to constitute a Change in Control to the extent possible (e.g., vesting without an acceleration of distribution) without causing the imposition of such 20% tax.

"Code" means the Internal Revenue Code of 1986, as amended.

"Committee" means the Compensation and Human Resources Committee of the Board, or any sub-committee of the Compensation and Human Resources Committee of the Board to which the Compensation and Human Resources Committee of the Board may delegate any powers, duties or obligations of the "Committee" under this Plan.

In the case of grants directly or indirectly to employees of entities described in clause (ii) of the foregoing sentence, the Committee may make arrangements with such entities as it may consider appropriate in its discretion, in light of tax and other considerations.

“Exchange Act” means the Securities Exchange Act of 1934, as amended.

“Fair Market Value” per Share as of a particular date means (i) if Shares are then listed on a national securities exchange, the closing sales price per Share on the exchange for the last preceding date on which there was a sale of Shares on such exchange, as determined by the Committee, (ii) if Shares are not then listed on a national securities exchange but are then traded on an over-the-counter market, the average of the closing bid and asked prices for the Shares in such over-the-counter market for the last preceding date on which there was a sale of such Shares in such market, as determined by the Committee, or (iii) if Shares are not then listed on a national securities exchange or traded on an over-the-counter market, such value as the Committee in its discretion may in good faith determine; provided that, where the Shares are so listed or traded, the Committee may make such discretionary determinations where the Shares have not been traded for 10 consecutive trading days.

“Non-Qualified Stock Option” means an Option which is not an Incentive Stock Option.

In the event the Company becomes such a subsidiary of another company (directly or indirectly), the provisions hereof applicable to subsidiaries shall, unless otherwise determined by the Committee, also be applicable to such parent company.

“Successor of the Optionee” means the legal representative of the estate of a deceased Optionee or the person or persons who shall acquire the right to exercise an Option by bequest or inheritance or by reason of the death of the Optionee.

“Termination of Service” means a Participant’s termination of employment or other service (as a Director, consultant or otherwise), as applicable, with the Company, Subsidiaries and Affiliates.

2.EFFECTIVE DATE AND TERMINATION OF PLAN

The effective date of the Plan is September 20, 2016 or, if later the date of the approval of the Plan by the shareholders of the Company. The Plan shall terminate on, and no Award shall be granted hereunder on or after, September 19, 2026; provided, however, that the Board may at any time prior to that date terminate the Plan. Notwithstanding the foregoing, a termination of the Plan that occurs after an Award is made shall not materially impair the rights of a Participant unless the Participant consents. The termination of the Plan shall not impair the power and authority of the Committee with respect to any outstanding Award.

A-5

3. ADMINISTRATION OF PLAN

(a) The Plan shall be administered by the Committee. The Committee, upon and after such time as it is subject to Section 16 of the Exchange Act, shall consist of at least two individuals each of whom shall be a “nonemployee director” as defined in Rule 16b-3 as promulgated by the Securities and Exchange Commission (“Rule 16b-3”) under the Exchange Act and shall, at such times as the Company is subject to Section 162(m) of the Code (to the extent relief from the limitation of Section 162(m) of the Code is sought with respect to Awards), qualify as “outside directors” for purposes of Section 162(m) of the Code; provided that no action taken by the Committee (including, without limitation, grants) shall be invalidated because any or all of the members of the Committee fails to satisfy the foregoing requirements of this sentence. The acts of a majority of the members present at any meeting of the Committee at which a quorum is present, or acts approved in writing by a majority of the entire Committee, shall be the acts of the Committee for purposes of the Plan. If and to the extent applicable, no member of the Committee may act as to matters under the Plan specifically relating to such member. Notwithstanding the other foregoing provisions of this Section 3(a), any Award under the Plan to a person who is a member of the Board shall be made and administered by the Board. If no Committee is designated by the Board to act for these purposes, the Board shall have the rights and responsibilities of the Committee hereunder and under the Award Agreements.

(b) Subject to the provisions of the Plan, the Committee shall in its discretion as reflected by the terms of the Award Agreements (i) determine the eligibility of Eligible Persons to receive an Award, (ii) authorize the granting of Awards to Eligible Persons and (iii) determine the number of Shares to be covered under any Award Agreement, considering the position and responsibilities of the Eligible Person, the nature and value to the Company of the Eligible Person’s present and potential contribution to the success of the Company whether directly or through Subsidiaries or Affiliates and such other factors as the Committee may deem relevant.

(c) The Award Agreement shall contain such other terms, provisions and conditions not inconsistent herewith as shall be determined by the Committee. In the event that any Award Agreement or other agreement hereunder provides (without regard to this sentence) for the obligation of the Company, Subsidiaries or Affiliates to purchase or repurchase Shares from a Participant or any other person, then, notwithstanding the provisions of the Award Agreement or such other agreement, such obligation shall not apply to the extent that the purchase or repurchase would not be permitted under applicable law. The Participant shall take whatever additional actions and execute whatever additional documents the Committee may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of the Plan and the Award Agreement.

4. SHARES AND UNITS SUBJECT TO THE PLAN

4.1 In General.

(a) Subject to adjustments as provided in Section 16, the total number of Shares subject to Awards granted under the Plan (including securities convertible into or exchangeable for Shares), in the aggregate, may not exceed five hundred thousand (500,000) Shares, each of which may be issued as Incentive Stock Options. The maximum number of Shares that may underlie Options granted in any calendar year to any Eligible Person other than any Director, shall not exceed fifty thousand (50,000) Shares. The maximum number of Shares that may underlie Awards, other than Options, granted in any calendar year to any Eligible Person other than any Director, shall not exceed thirty thousand (30,000) Shares. The maximum number of Shares that may underlie Options granted in any calendar year to any Director, shall not exceed twenty five thousand (25,000). The maximum number of Shares that may underlie Awards, other than Options, granted in any calendar year to any Director, shall not exceed fifteen thousand (15,000) Shares. Shares distributed under the Plan may be treasury Shares or authorized but unissued Shares. Any Shares that have been granted as Restricted Stock or that have been reserved for distribution in payment for Options, RSUs, DSUs or other equity-based Awards but are later forfeited or for any other reason are not payable under the Plan may again be made the subject of Awards under the Plan.

A-6

(b) Shares subject to Dividend Equivalent Rights, other than Dividend Equivalent Rights based directly on the dividends payable with respect to Shares subject to Options or the dividends payable on a number of Shares corresponding to the number of RSUs or DSUs awarded, shall be subject to the limitation of Section 4.1(a). Notwithstanding Section 4.1(a), except in the case of Awards intended to qualify for relief from the limitations of Section 162(m) of the Code, there shall be no limit on the number of RSUs or Dividend Equivalent Rights to the extent they are paid out in cash that may be granted under the Plan. If any RSUs, Dividend Equivalent Rights or other equity-based Awards under Section 11 are paid out in cash, then, notwithstanding the first sentence of Section 4.1(a) above (but subject to the second sentence thereof) the underlying Shares may again be made the subject of Awards under the Plan.

(c) The certificates for Shares issued hereunder may include any legend which the Committee deems appropriate to reflect any rights of first refusal or restrictions on transfer hereunder or under the Award Agreement, or as the Committee may otherwise deem appropriate.

5. PROVISIONS APPLICABLE TO STOCK OPTIONS

5.1 Grant of Option.

Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the applicable Award Agreement: (i) determine and designate from time to time those Eligible Persons to whom Options are to be granted and the number of Shares to be optioned to each Eligible Person; (ii) determine whether to grant Options intended to be Incentive Stock Options, or to grant Non-Qualified Stock Options, or both; provided that Incentive Stock Options may only be granted to employees of the Company, Subsidiaries or Affiliates; (iii) determine the time or times when and the manner and condition in which each Option shall be exercisable and the duration of the exercise period; (iv) designate each Option as one intended to be an Incentive Stock Option or as a Non-Qualified Stock Option; and (v) determine or impose other conditions to the grant or exercise of Options under the Plan as it may deem appropriate. Notwithstanding anything to the contrary in this Plan, to the extent that any Option does not qualify as an Incentive Stock Option, it shall constitute a separate Non-Qualified Stock Option.

5.2 Option Price.

The Option Price shall be determined by the Committee on the date the Option is granted and reflected in the Award Agreement, as the same may be amended from time to time. Any particular Award Agreement may provide for different Option Prices for specified amounts of Shares subject to the Option; provided that the Option Price shall not be less than 100% of the Fair Market Value of a Share on the day the Option is granted.

5.3 Period of Option and Vesting.

(a) Unless earlier expired, forfeited or otherwise terminated, each Option shall expire in its entirety upon the 10th anniversary of the date of grant or shall have such other term as is set forth in the applicable Award Agreement. The Option shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder or under the Award Agreement.

(b) Each Option, to the extent that the Optionee has not had a Termination of Service and the Option has not otherwise lapsed, expired, terminated or been forfeited, shall first become exercisable according to the terms and conditions set forth in the Award Agreement, as determined by the Committee at the time of grant. Unless otherwise provided in the Plan or the Award Agreement, no Option (or portion thereof) shall ever be exercisable if the Optionee has a Termination of Service before the time at which such Option (or portion thereof) would otherwise have become exercisable, and any Option that would otherwise become exercisable after such Termination of Service shall not become exercisable and shall be forfeited upon such termination. Notwithstanding the foregoing provisions of this Section 5.3(b), Options exercisable pursuant to the schedule set forth by the Committee at the time of the grant may be fully or more rapidly exercisable or otherwise vested at any time in the discretion of the Committee. Upon and after the death of an Optionee, such Optionee's Options, if and to the extent otherwise exercisable hereunder or under the applicable Award Agreement after the Optionee's death, may be exercised by the Successors of the Optionee.

5.4 Exercisability Upon and After Termination of Optionee.

(a) Subject to provisions of the Award Agreement, if an Optionee has a Termination of Service other than by the Company or Subsidiaries for Cause, or other than by reason of death or Disability, then no exercise of an Option may occur after the expiration of the three-month period to follow the termination, or if earlier, the expiration of the term of the Option as provided under Section 5.3(a); provided that, if the Optionee should die after the Termination of Service, but while the Option is still in effect, the Option (if and to the extent otherwise exercisable by the Optionee at the time of death) may be exercised until the earlier of (i) one year from the date of the Termination of Service of the Optionee, or (ii) the date on which the term of the Option expires in accordance with Section 5.3(a).

(b) Subject to provisions of the Award Agreement, in the event the Optionee has a Termination of Service on account of death or Disability, the Option (whether or not otherwise exercisable) may be exercised until the earlier of (i) one year from the date of the Termination of Service of the Optionee, or (ii) the date on which the term of the Option expires in accordance with Section 5.3.

(c) Notwithstanding any other provision hereof, unless otherwise provided in the Award Agreement, if the Optionee has a Termination of Service for Cause, the Optionee's Options, to the extent then unexercised, shall thereupon cease to be exercisable and shall be forfeited forthwith.

A-8

5.5 Exercise of Options.

(a) Subject to vesting, restrictions on exercisability and other restrictions provided for hereunder or otherwise imposed in accordance herewith, an Option may be exercised, and payment in full of the aggregate Option Price made, by an Optionee only by written notice (in the form prescribed by the Committee) to the Company or its designee specifying the number of Shares to be purchased.

(b) Without limiting the scope of the Committee's discretion hereunder, the Committee may impose such other restrictions on the exercise of Options (whether or not in the nature of the foregoing restrictions) as it may deem necessary or appropriate.

5.6 Payment.

(a) The aggregate Option Price shall be paid in full upon the exercise of the Option. Payment must be made by one of the following methods:

(i) certified or bank cashier's check;

(ii) subject to Section 14(e), the proceeds of a Company loan program or third-party sale program or a notice acceptable to the Committee given as consideration under such a program, in each case if permitted by the Committee in its discretion, if such a program has been established and the Optionee is eligible to participate therein;

(iii) if approved by the Committee in its discretion, Shares of previously owned Common Stock, which have been previously owned for more than six months, having an aggregate Fair Market Value on the date of exercise equal to the aggregate Option Price; or

(iv) if approved by the Committee in its discretion, through the written election of the Optionee to have Shares withheld by the Company from the Shares otherwise to be received, with such withheld Shares having an aggregate Fair Market Value on the date of exercise equal to the aggregate Option Price; or

(v) by any combination of such methods of payment or any other method acceptable to the Committee in its discretion.

(b) Except in the case of Options exercised by certified or bank cashier's check, the Committee may impose limitations and prohibitions on the exercise of Options as it deems appropriate, including, without limitation, any limitation or prohibition designed to avoid accounting consequences which may result from the use of Common Stock as payment upon exercise of an Option.

(c) The Committee may provide that no Option may be exercised with respect to any fractional Share. Any fractional Shares resulting from an Optionee's exercise that is accepted by the Company shall in the discretion of the Committee be paid in cash.

5.7 Exercise by Successors.

An Option may be exercised, and payment in full of the aggregate Option Price made, by the Successors of the Optionee only by written notice (in the form prescribed by the Committee) to the Company specifying the number of Shares to be purchased. Such notice shall state that the aggregate Option Price will be paid in full, or that the Option will be exercised as otherwise provided hereunder, in the discretion of the Company or the Committee, if and as applicable.

5.8 Nontransferability of Option.

Each Option granted under the Plan shall be nontransferable by the Optionee except by will or the laws of descent and distribution of the state wherein the Optionee is domiciled at the time of his death; provided, however, that the Committee may (but need not) permit other transfers, where the Committee concludes that such transferability (i) does not result in accelerated U.S. federal income taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Section 422(b) of the Code, (iii) complies with applicable law, including securities laws, and (iv) is otherwise appropriate and desirable. In no event may an Option be transferred by an Optionee for consideration without the prior approval of the Company's shareholders.

5.9 Deferral.

The Committee (taking into account, without limitation, the possible application of Section 409A of the Code, as the Committee may deem appropriate) may establish a program under which Participants will have RSUs subject to Section 7 credited upon their exercise of Options, rather than receiving Shares at that time.

5.10 Certain Incentive Stock Option Provisions.

(a) In no event may an Incentive Stock Option be granted other than to employees of the Company or a "subsidiary corporation" or a "parent corporation," as each is defined in Section 424(f) of the Code, with respect to the Company. The aggregate Fair Market Value, determined as of the date an Option is granted, of the Common Stock for which any Optionee may be awarded Incentive Stock Options which are first exercisable by the Optionee during any calendar year under the Plan (or any other stock option plan required to be taken into account under Section 422(d) of the Code) shall not exceed \$100,000. To the extent the \$100,000 limit referred to in the preceding sentence is exceeded, an Option will be treated as a Non-Qualified Stock Option.

(b) If Shares acquired upon exercise of an Incentive Stock Option are disposed of in a disqualifying disposition within the meaning of Section 422 of the Code by an Optionee prior to the expiration of either two years from the date of grant of such Option or one year from the transfer of Shares to the Optionee pursuant to the exercise of such Option, or in any other disqualifying disposition within the meaning of Section 422 of the Code, such Optionee shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition and, if the Company (or an Affiliate) thereupon has a tax-withholding obligation, shall pay to the Company (or such Affiliate) an amount equal to any withholding tax the Company (or Affiliate) is required to pay as a result of the disqualifying disposition.

A-10

(c) The Option Price with respect to each Incentive Stock Option shall not be less than 100%, or 110% in the case of an individual described in Section 422(b)(6) of the Code (relating to certain 10% owners), of the Fair Market Value of a Share on the day the Option is granted. Also, in the case of such an individual who is granted an Incentive Stock Option, the term of such Option shall be no more than five years from the date of grant.

6. PROVISIONS APPLICABLE TO RESTRICTED STOCK

6.1 Grant of Restricted Stock.

(a) In connection with the grant of Restricted Stock, whether or not performance goals (as provided for under Section 12) apply thereto, the Committee shall establish one or more vesting periods with respect to the shares of Restricted Stock granted, the length of which shall be determined in the discretion of the Committee. Subject to the provisions of this Section 6, the applicable Award Agreement and the other provisions of the Plan, restrictions on Restricted Stock shall lapse if the Grantee satisfies all applicable employment or other service requirements through the end of the applicable vesting period.

(b) Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the applicable Award Agreement: (i) authorize the granting of Restricted Stock to Eligible Persons; (ii) provide a specified purchase price for the Restricted Stock (whether or not the payment of a purchase price is required by any state law applicable to the Company); (iii) determine the restrictions applicable to Restricted Stock and (iv) determine or impose other conditions, including any applicable Performance Goals, to the grant of Restricted Stock under the Plan as it may deem appropriate.

6.2 Certificates/Book Entry.

(a) Unless otherwise provided by the Committee, a “book entry” (by computerized or manual entry) shall be made in the records of the Company (or, if applicable, the Company’s transfer agent) to evidence an award of Shares of Restricted Stock.

(b) If the Shares of Restricted Stock are not evidenced in “book entry” form in accordance with Section 6.2(a), each Grantee of Restricted Stock shall be issued a stock certificate in respect of Shares of Restricted Stock awarded under the Plan. Each such certificate shall be registered in the name of the Grantee. Without limiting the generality of Section 4.1(c), the certificates for Shares of Restricted Stock issued hereunder may include any legend which the Committee deems appropriate to reflect any restrictions on transfer hereunder or under the Award Agreement, or as the Committee may otherwise deem appropriate, and, without limiting the generality of the foregoing, shall bear a legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following

form:

THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE) OF THE AMREP CORPORATION 2016 EQUITY COMPENSATION PLAN AND AN AWARD AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND AMREP CORPORATION. COPIES OF SUCH PLAN AND AWARD AGREEMENT ARE ON FILE IN THE OFFICES OF AMREP CORPORATION.

A-11

(c) The Committee shall require that any stock certificates evidencing such Shares be held in custody by the Company or its designee until the restrictions hereunder shall have lapsed, and that, as a condition of any Award of Restricted Stock, the Committee may require that the Grantee deliver to the Company or its designee a stock power, endorsed in blank, relating to the stock covered by such Award. If and when such restrictions so lapse, the stock certificates shall be delivered by the Company to the Grantee or his or her designee as provided in Section 6.3 (and if applicable, the stock power shall cease to be of effect).

6.3 Restrictions and Conditions.

Unless otherwise provided by the Committee, the Shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(i) Subject to the provisions of the Plan and the Award Agreements, during a period commencing with the date of such Award and ending on the date the period of forfeiture with respect to such Shares lapses, the Grantee shall not be permitted voluntarily or involuntarily to sell, transfer, pledge, anticipate, alienate, encumber or assign Shares of Restricted Stock awarded under the Plan (or have such Shares attached or garnished). Subject to the provisions of the Award Agreements and clause (iii) below, the period of forfeiture with respect to Shares granted hereunder shall lapse as provided in the applicable Award Agreement. Notwithstanding the foregoing, unless otherwise expressly provided by the Committee, the period of forfeiture with respect to such Shares shall only lapse as to whole Shares.

(ii) Except as provided in the foregoing clause (i), below in this clause (ii), or as otherwise provided in the applicable Award Agreement, the Grantee shall have, in respect of the Shares of Restricted Stock, all of the rights of a shareholder of the Company, including the right to vote the Shares and the right to receive any cash dividends as and when such dividends are declared and paid by the Company (or as soon as practicable thereafter); provided, however, that cash dividends on such Shares shall, unless otherwise provided by the Committee, be held by the Company (unsegregated as a part of its general assets) until the period of forfeiture lapses (and forfeited if the underlying Shares are forfeited), and paid over to the Grantee (without interest) as soon as practicable after such period lapses (if not forfeited). Certificates for Shares (not subject to restrictions) shall be delivered to the Grantee or his or her designee promptly after, and only after, the period of forfeiture shall lapse without forfeiture in respect of such Shares of Restricted Stock.

(iii) Except as otherwise provided in the applicable Award Agreement, and subject to clause (iv) below, if the Grantee has a Termination of Service by the Company and Subsidiaries (or, if applicable, Affiliates) for Cause, or by the Grantee for any reason during the applicable period of forfeiture, then (A) all Shares still subject to restriction shall thereupon, and with no further action, be forfeited by the Grantee, and (B) the Company shall pay to the Grantee as soon as practicable (and in no event more than 30 days) after such termination an amount, equal to the lesser of (x) the amount paid by the Grantee for such forfeited Restricted Stock as contemplated by Section 6.1, and (y) the Fair Market Value on the date of termination of the forfeited Restricted Stock.

A-12

(iv) Subject to the provisions of the Award Agreement, in the event the Grantee has a Termination of Service on account of death or Disability, or the Grantee has a Termination of Service by the Company and Subsidiaries for any reason other than Cause, or in the event of a Change in Control (regardless of whether a termination follows thereafter), during the applicable period of forfeiture, then restrictions under the Plan will immediately lapse on all Restricted Stock granted to the applicable Grantee.

7. PROVISIONS APPLICABLE TO RESTRICTED STOCK UNITS

7.1 Grant of RSUs.

Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the applicable Award Agreement: (i) authorize the granting of RSUs to Eligible Persons and (ii) determine or impose other conditions to the grant of RSUs under the Plan as it may deem appropriate.

7.2 Term.

The Committee may provide in an Award Agreement that any particular RSU shall expire at the end of a specified term.

7.3 Vesting.

RSUs shall vest as provided in the applicable Award Agreement.

7.4 Settlement of RSUs.

(a) Each vested and outstanding RSU shall be settled by the transfer to the Grantee of one Share; provided that, the Committee at the time of grant (or, in the appropriate case, as determined by the Committee, thereafter) may provide that, after consideration of possible accounting issues, an RSU may be settled (i) in cash at the applicable RSU Value, (ii) in cash or by transfer of Shares as elected by the Grantee in accordance with procedures established by the Committee or (iii) in cash or by transfer of Shares as elected by the Company.

(b) Payment (whether of cash or Shares) in respect of RSUs shall be made in a single sum by the Company; provided that, with respect to RSUs of a Grantee which have a common Settlement Date, the Committee may permit the Grantee to elect in accordance with procedures established by the Committee (taking into account, without limitation, Section 409A of the Code, as the Committee may deem appropriate) to receive installment payments over a period not to exceed 10 years, rather than a single-sum payment.

(c) Unless otherwise provided in the applicable Award Agreement, the "Settlement Date" with respect to an RSU is the first day of the month to follow the date on which the RSU vests; provided that a Grantee may elect, in accordance with procedures to be established by the Committee, that such Settlement Date will be deferred as elected by the Grantee to the first day of the month to follow the Grantee's Termination of Service, or such other time as may be permitted by the Committee. Unless otherwise determined by the Committee, elections under this Section 7.4(c) must, except as may otherwise be permitted under the rules applicable under Section 409A of the Code, (A) be effective at least one year after they are made, or, in the case of payments to commence at a specific time, be made at least one year before the first scheduled payment and (B) defer the commencement of distributions (and each affected distribution) for at least five years.

(i) Notwithstanding Section 7.4(c), the Committee may provide that distributions of RSUs can be elected at any time in those cases in which the RSU Value is determined by reference to Fair Market Value to the extent in excess of a base value, rather than by reference to unreduced Fair Market Value.

(ii) Notwithstanding the foregoing, and unless otherwise provided in the applicable Award Agreement, the Settlement Date, if not earlier pursuant to this Section 7.4(c), is the date of the Grantee's death.

(d) Notwithstanding the other provisions of this Section 7, and unless otherwise provided in the applicable Award Agreement, in the event of a Change in Control, the Settlement Date shall be the date of such Change in Control and all amounts due with respect to RSUs to a Grantee hereunder shall be paid as soon as practicable (but in no event more than 30 days) after such Change in Control, unless such Grantee elects otherwise in accordance with procedures established by the Committee.

(e) Notwithstanding any other provision of the Plan, a Grantee may receive any amounts to be paid in installments as provided in Section 7.4(b) or deferred by the Grantee as provided in Section 7.4(c) in the event of an "Unforeseeable Emergency." For these purposes, an "Unforeseeable Emergency," as determined by the Committee in its sole discretion, is a severe financial hardship to the Grantee resulting from a sudden and unexpected illness or accident of the Grantee or "dependent," as defined in Section 152(a) of the Code, of the Grantee, loss of the Grantee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Grantee. The circumstances that will constitute an Unforeseeable Emergency will depend upon the facts of each case, but, in any case, payment may not be made to the extent that such hardship is or may be relieved: (i) through reimbursement or compensation by insurance or otherwise; (ii) by liquidation of the Grantee's assets, to the extent the liquidation of such assets would not itself cause severe financial hardship; or (iii) by future cessation of the making of additional deferrals under Section 7.4(b) and (c).

Without limitation, the need to send a Grantee's child to college or the desire to purchase a home shall not constitute an Unforeseeable Emergency. Distributions of amounts because of an Unforeseeable Emergency shall be permitted to the extent reasonably needed to satisfy the emergency need.

7.5 Other RSUs Provisions.

(a) Rights to payments with respect to RSUs granted under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, garnishment, levy, execution, or other legal or equitable process, either voluntary or involuntary; and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, attach or garnish, or levy or execute on any right to payments or other benefits payable hereunder, shall be void.

A-14

(b) A Grantee may designate in writing, on forms to be prescribed by the Committee, a beneficiary or beneficiaries to receive any payments payable after his or her death and may amend or revoke such designation at any time. If no beneficiary designation is in effect at the time of a Grantee's death, payments hereunder (if any) shall be made to the Grantee's estate. If a Grantee with a vested RSU dies, such RSU shall be settled and the RSU Value in respect of such RSUs paid, and any payments deferred pursuant to an election under Section 7.4(c) shall be accelerated and paid, as soon as practicable (but no later than 60 days) after the date of death to such Grantee's beneficiary or estate, as applicable.

(c) The Committee may establish a program under which distributions with respect to RSUs may be deferred for periods in addition to those otherwise contemplated by foregoing provisions of this Section 7. Such program may include, without limitation, provisions for the crediting of earnings and losses on unpaid amounts, and, if permitted by the Committee, provisions under which Participants may select from among hypothetical investment alternatives for such deferred amounts in accordance with procedures established by the Committee.

(d) Notwithstanding any other provision of this Section 7, any fractional RSU will be paid out in cash at the RSU Value as of the Settlement Date.

(e) No RSU shall be construed to give any Grantee any rights with respect to Shares or any ownership interest in the Company. Except as may be provided in accordance with Section 9, no provision of the Plan shall be interpreted to confer upon any Grantee any voting, dividend or derivative or other similar rights with respect to any RSU.

8. PROVISIONS APPLICABLE TO DEFERRED STOCK UNITS

8.1 Grant of DSUs.

Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the applicable Award Agreement: (i) authorize the granting of DSUs to Eligible Persons and (ii) determine or impose other conditions to the grant of DSUs under the Plan as it may deem appropriate.

8.2 Term.

The Committee may provide in an Award Agreement that any particular DSU shall expire at the end of a specified term.

8.3 Vesting.

DSUs shall vest as provided in the applicable Award Agreement.

8.4 Settlement of DSUs.

- (a) Each vested and outstanding DSU shall be settled by the transfer to the Grantee of one Share.

A-15

(b) Payment in respect of DSUs shall be made in a single sum by the Company; provided that, with respect to DSUs of a Grantee which have a common Settlement Date, the Committee may permit the Grantee to elect in accordance with procedures established by the Committee (taking into account, without limitation, Section 409A of the Code, as the Committee may deem appropriate) to receive installment payments over a period not to exceed 10 years, rather than a single-sum payment.

(c) Unless otherwise provided in the applicable Award Agreement, the "Settlement Date" with respect to a DSU is the first day of the month to follow the Grantee's Termination of Service; provided that a Grantee may elect, in accordance with procedures to be established by the Committee, that such Settlement Date will be deferred as elected by the Grantee to such later time as may be permitted by the Committee. Unless otherwise determined by the Committee, elections under this Section 8.4(c) must, except as may otherwise be permitted under the rules applicable under Section 409A of the Code, (A) be effective at least one year after they are made, or, in the case of payments to commence at a specific time, be made at least one year before the first scheduled payment and (B) defer the commencement of distributions (and each affected distribution) for at least five years. Notwithstanding the foregoing, and unless otherwise provided in the applicable Award Agreement, the Settlement Date, if not earlier pursuant to this Section 8.4(c), is the date of the Grantee's death.

(d) Notwithstanding the other provisions of this Section 8, and unless otherwise provided in the applicable Award Agreement, in the event of a Change in Control, the Settlement Date shall be the date of such Change in Control and all amounts due with respect to DSUs to a Grantee hereunder shall be paid as soon as practicable (but in no event more than 30 days) after such Change in Control, unless such Grantee elects otherwise in accordance with procedures established by the Committee.

8.5 Other DSUs Provisions.

(a) Rights to payments with respect to DSUs granted under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, garnishment, levy, execution, or other legal or equitable process, either voluntary or involuntary; and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, attach or garnish, or levy or execute on any right to payments or other benefits payable hereunder, shall be void.

(b) A Grantee may designate in writing, on forms to be prescribed by the Committee, a beneficiary or beneficiaries to receive any payments payable after his or her death and may amend or revoke such designation at any time. If no beneficiary designation is in effect at the time of a Grantee's death, payments hereunder (if any) shall be made to the Grantee's estate. If a Grantee with a vested DSU dies, such DSU shall be settled and paid, and any payments deferred pursuant to an election under Section 8.4(c) shall be accelerated and paid, as soon as practicable (but no later than 60 days) after the date of death to such Grantee's beneficiary or estate, as applicable.

(c) The Committee may establish a program under which distributions with respect to DSUs may be deferred for periods in addition to those otherwise contemplated by foregoing provisions of this Section 8.

A-16

(d) No DSU shall be construed to give any Grantee any rights with respect to Shares or any ownership interest in the Company. Except as may be provided in accordance with Section 9, no provision of the Plan shall be interpreted to confer upon any Grantee any voting, dividend or derivative or other similar rights with respect to any DSU.

9. PROVISIONS APPLICABLE TO DIVIDEND EQUIVALENT RIGHTS

9.1 Grant of Dividend Equivalent Rights.

Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the Award Agreements, authorize the granting of Dividend Equivalent Rights to Eligible Persons based on the regular cash dividends declared on Common Stock, to be credited as of the dividend payment dates, during the period between the date an Award is granted, and the date such Award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalent Rights shall be converted to cash or additional Shares by such formula and at such time and subject to such limitation as may be determined by the Committee. With respect to Dividend Equivalent Rights granted with respect to Options intended to be qualified performance-based compensation for purposes of Section 162(m) of the Code, such Dividend Equivalent Rights shall be payable regardless of whether such Option is exercised. If a Dividend Equivalent Right is granted in respect of another Award hereunder, then, unless otherwise stated in the Award Agreement, in no event shall the Dividend Equivalent Right be in effect for a period beyond the time during which the applicable portion of the underlying Award is in effect.

9.2 Certain Terms.

(a) The term of a Dividend Equivalent Right shall be set by the Committee in its discretion.

(b) Unless otherwise determined by the Committee, except as contemplated by Section 9.4, a Dividend Equivalent Right is exercisable or payable only while the Participant is an Eligible Person.

(c) Payment of the amount determined in accordance with Section 9.1 shall be in cash, in Common Stock or a combination of the two, as determined by the Committee.

(d) The Committee may impose such employment-related conditions on the grant of a Dividend Equivalent Right as it deems appropriate in its discretion.

9.3 Other Types of Dividend Equivalent Rights.

The Committee may establish a program under which Dividend Equivalent Rights of a type whether or not described in the foregoing provisions of this Section 9 may be granted to Participants. For example, and without limitation, the Committee may grant a dividend equivalent right in respect of each Share subject to an Option or with respect to an RSU, which right would consist of the right (subject to Section 9.4) to receive a cash payment in an amount equal to the dividend distributions paid on a Share from time to time.

A-17

9.4 Deferral.

The Committee may establish a program (taking into account, without limitation, the possible application of Section 409A of the Code, as the Committee may deem appropriate) under which Participants (i) will have RSUs credited, subject to the terms of Sections 7.4 and 7.5 as though directly applicable with respect thereto, upon the granting of Dividend Equivalent Rights, or (ii) will have payments with respect to Dividend Equivalent Rights deferred. In the case of the foregoing clause (ii), such program may include, without limitation, provisions for the crediting of earnings and losses on unpaid amounts, and, if permitted by the Committee, provisions under which Participants may select from among hypothetical investment alternatives for such deferred amounts in accordance with procedures established by the Committee.

10. Stock Appreciation Rights

10.1 General Requirements.

The Committee may grant SARs to Eligible Persons separately or in tandem with any Option (for all or a portion of the applicable Option). Tandem SARs may be granted either at the time the Option is granted or at any time thereafter while the Option remains outstanding; provided, however, that, in the case of an Incentive Stock Option, SARs may be granted only at the time of the Grant of the Incentive Stock Option. The Committee shall establish the base amount of the SAR at the time the SAR is granted. The base amount of each SAR shall be equal to the per share Exercise Price of the related Option or, if there is no related Option, an amount equal to or greater than the Fair Market Value of a share of Common Stock as of the date of Grant of the SAR.

10.2 Tandem SARs.

In the case of tandem SARs, the number of SARs granted to a Grantee that shall be exercisable during a specified period shall not exceed the number of shares of Common Stock that the Grantee may purchase upon the exercise of the related Option during such period. Upon the exercise of an Option, the SARs relating to the Common Stock covered by such exercise shall terminate. Upon the exercise of SARs, the related Option shall terminate to the extent of an equal number of shares of Common Stock.

10.3 Exercisability.

A SAR shall be exercisable during the period specified by the Committee in the Award Agreement and shall be subject to such vesting and other restrictions as may be specified in the Award Agreement. The Committee may accelerate the exercisability of any or all outstanding SARs at any time for any reason. SARs may only be exercised

while the Grantee is employed by, or providing service to, the Company, a Subsidiary or an Affiliate or during the applicable period after termination of employment or service as described in Section 5.5 above. A tandem SAR shall be exercisable only during the period when the Option to which it is related is also exercisable.

A-18

10.4 Value of SARs.

When a Grantee exercises SARs, the Grantee shall receive in settlement of such SARs an amount equal to the value of the stock appreciation for the number of SARs exercised. The stock appreciation for an SAR is the amount by which the Fair Market Value of the underlying Common Stock on the date of exercise of the SAR exceeds the base amount of the SAR as described in Section 10.1.

10.5 Form of Payment.

The appreciation in an SAR shall be paid in shares of Common Stock, cash or any combination of the foregoing, as the Committee shall determine. For purposes of calculating the number of shares of Common Stock to be received, shares of Common Stock shall be valued at their Fair Market Value on the date of exercise of the SAR.

11. OTHER EQUITY-BASED AWARDS

The Committee shall have the right to grant (i) other Awards based upon the Common Stock having such terms and conditions as the Committee may determine, including, without limitation, the grant of Shares based upon certain conditions, the grant of securities convertible into Common Stock and the grant of Stock Appreciation Rights and (ii) interests (which may be expressed as units or otherwise) in Subsidiaries, as applicable.

12. PERFORMANCE GOALS

The Committee, in its discretion, may in the case of Awards (including, in particular, Awards other than Options) intended to qualify for an exception from the limitation imposed by Section 162(m) of the Code (“Performance-Based Awards”), (i) establish one or more performance goals (“Performance Goals”) as a precondition to the issuance or vesting of Awards, and (ii) provide, in connection with the establishment of the Performance Goals, for predetermined Awards to those Participants (who continue to meet all applicable eligibility requirements) with respect to whom the applicable Performance Goals are satisfied. The Performance Goals shall be based upon the criteria set forth in Exhibit A hereto which is hereby incorporated herein by reference as though set forth in full. The Performance Goals shall be established in a timely fashion such that they are considered preestablished for purposes of the rules governing performance-based compensation under Section 162(m) of the Code. Prior to the award or vesting, as applicable, of affected Awards hereunder, the Committee shall have certified that any applicable Performance Goals, and other material terms of the Award, have been satisfied. Performance Goals which do not satisfy the foregoing provisions of this Section 12 may be established by the Committee with respect to Awards not intended to qualify for an exception from the limitations imposed by Section 162(m) of the Code.

13. TAX WITHHOLDING

13.1 In General.

The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding determined by the Committee to be required by law. Without limiting the generality of the foregoing, the Committee may, in its discretion, require the Participant to pay to the Company at such time as the Committee determines the amount that the Committee deems necessary to satisfy the Company's obligation to withhold federal, state or local income or other taxes incurred by reason of (i) the exercise of any Option, (ii) the lapsing of any restrictions applicable to any Restricted Stock, (iii) the receipt of a distribution in respect of RSUs, DSUs or Dividend Equivalent Rights or (iv) any other applicable income-recognition event (for example, an election under Section 83(b) of the Code).

13.2 Share Withholding.

(a) Upon exercise of an Option, the Optionee may, if approved by the Company in its discretion, make a written election to have Shares then issued withheld by the Company from the Shares otherwise to be received, or to deliver previously owned Shares, in order to satisfy the liability for such withholding taxes. In the event that the Optionee makes, and the Company permits, such an election, the number of Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the applicable withholding taxes. Where the exercise of an Option does not give rise to an obligation by the Company to withhold federal, state or local income or other taxes on the date of exercise, but may give rise to such an obligation in the future, the Company may, in its discretion, make such arrangements and impose such requirements as it deems necessary or appropriate.

(b) Upon lapsing of restrictions on Restricted Stock (or other income-recognition event), the Grantee may, if approved by the Company in its discretion, make a written election to have Shares withheld by the Company from the Shares otherwise to be released from restriction, or to deliver previously owned Shares (not subject to restrictions hereunder), in order to satisfy the liability for such withholding taxes. In the event that the Grantee makes, and the Company permits, such an election, the number of Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the applicable withholding taxes.

(c) Upon the making of a distribution in respect of RSUs, DSUs, SARs or Dividend Equivalent Rights, the Grantee may, if approved by the Company in its discretion, make a written election to have amounts (which may include Shares) withheld by the Company from the distribution otherwise to be made, or to deliver previously owned Shares (not subject to restrictions hereunder), in order to satisfy the liability for such withholding taxes. In the event that the Grantee makes, and the Company permits, such an election, any Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the applicable withholding taxes.

13.3 Withholding Required.

Notwithstanding anything contained in the Plan or the Award Agreement to the contrary, the Participant's satisfaction of any tax-withholding requirements imposed by the Committee shall be a condition precedent to the Company's obligation as may otherwise be provided hereunder to provide Shares to the Participant and to the release of any restrictions as may otherwise be provided hereunder, as applicable; and the applicable Option, Restricted Stock, RSUs, DSUs, SARs or Dividend Equivalent Rights shall be forfeited upon the failure of the Participant to satisfy such requirements with respect to, as applicable, (i) the exercise of the Option or a SAR, (ii) the lapsing of restrictions on the Restricted Stock (or other income-recognition event) or (iii) distributions in respect of any RSU, DSU or Dividend Equivalent Right.

A-20

14. REGULATIONS AND APPROVALS

- (a) The obligation of the Company to issue Shares with respect to an Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.
- (b) The Committee may make such changes to the Plan as may be necessary or appropriate to comply with the rules and regulations of any government authority or to obtain tax benefits applicable to an Award.
- (c) Each grant of Options, Restricted Stock, RSU, DSUs, SARs or Dividend Equivalent Rights (or issuance of Shares in respect of those Awards), or other Award under Section 11 (or issuance of Shares in respect thereof), is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance of Options, Shares of Restricted Stock, RSUs, DSUs, SARs, Dividend Equivalent Rights, other Awards or other Shares, no payment shall be made, or RSUs, DSUs, SARs or Shares issued or grant of Restricted Stock or other Award made, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions in a manner acceptable to the Committee.
- (d) In the event that the disposition of stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act, and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required under the Securities Act, and the Committee may require any individual receiving Shares pursuant to the Plan, as a condition precedent to receipt of such Shares, to represent to the Company in writing that such Shares are acquired for investment only and not with a view to distribution and that such Shares will be disposed of only if registered for sale under the Securities Act or if there is an available exemption for such disposition.
- (e) Notwithstanding any other provision of the Plan, the Company shall not be required to take or permit any action under the Plan or any Award Agreement which, in the good-faith determination of the Company, would result in a material risk of a violation by the Company of Section 13(k) of the Exchange Act.

15. INTERPRETATION AND AMENDMENTS; OTHER RULES

The Committee may make such rules and regulations and establish such procedures for the administration of the Plan as it deems appropriate. Without limiting the generality of the foregoing, the Committee may (i) determine the extent, if any, to which Options, RSUs, DSUs, SARs or Shares (whether or not Shares of Restricted Stock) or Dividend Equivalent Rights shall be forfeited (whether or not such forfeiture is expressly contemplated hereunder); (ii) interpret the Plan and the Award Agreements hereunder, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law, provided that the Committee's interpretation shall not be entitled to deference on and after a Change in Control except to the extent that such interpretations are made exclusively by members of the Committee who are individuals who served as Committee members before the Change in Control; and (iii) take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof. In the event of any dispute or disagreement as to the interpretation of the Plan or of any rule, regulation or procedure, or as to any question, right or obligation arising from or related to the Plan, the decision of the Committee, except as provided in clause (ii) of the foregoing sentence, shall be final and binding upon all persons. Unless otherwise expressly provided hereunder, the Committee, with respect to any grant, may exercise its discretion hereunder at the time of the Award or thereafter. The Board may amend the Plan as it shall deem advisable, except that no amendment may adversely affect a Participant with respect to an Award previously granted without such Participant's written consent unless such amendments are required in order to comply with applicable laws; provided, however, that the Plan may not be amended without shareholder approval in any case in which amendment in the absence of shareholder approval would cause the Plan to fail to comply with any applicable legal requirement or applicable exchange or similar rule.

16. CHANGES IN CAPITAL STRUCTURE

(a) If (i) the Company or Subsidiaries shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or Subsidiaries or a transaction similar thereto, (ii) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of the Company or Subsidiaries, or any distribution to holders of Common Stock other than cash dividends, shall occur or (iii) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the terms of the outstanding Awards, then:

(i) the maximum aggregate number and kind of Shares which may be made subject to Options and Dividend Equivalent Rights under the Plan, the maximum aggregate number and kind of Shares of Restricted Stock that may be granted under the Plan, the maximum aggregate number of RSUs, DSUs and other Awards which may be granted under the Plan may be appropriately adjusted by the Committee in its discretion; and

(b) the Committee may take any such action as in its discretion shall be necessary to maintain each Participants' rights hereunder (including under their Award Agreements) so that they are, in their respective Options, RSUs, DSUs,

SARs and Dividend Equivalent Rights, substantially proportionate to the rights existing in such Options, RSUs, DSUs, SARs and Dividend Equivalent Rights prior to such event, including, without limitation, adjustments in (A) the number of Options, RSUs, DSUs, SARs and Dividend Equivalent Rights (and other Awards under Section 11) granted, (B) the number and kind of shares or other property to be distributed in respect of Options, RSUs, DSUs, SARs and Dividend Equivalent Rights (and other Awards under Section 11 as applicable), (C) the Option Price, the base amount of a SAR and RSU Value, and (D) performance-based criteria established in connection with Awards (to the extent consistent with Section 162(m) of the Code, as applicable); provided that, in the discretion of the Committee, the foregoing clause (D) may also be applied in the case of any event relating to a Subsidiary if the event would have been covered under this Section 16(a) had the event related to the Company.

A-22

To the extent that such action shall include an increase or decrease in the number of Shares (or units of other property then available) subject to all outstanding Awards, the number of Shares (or units) available under Section 4 shall be increased or decreased, as the case may be, proportionately, as may be determined by the Committee in its discretion.

(c) Any Shares or other securities distributed to a Grantee with respect to Restricted Stock or otherwise issued in substitution of Restricted Stock shall be subject to the restrictions and requirements imposed by Section 6, including depositing the certificates therefor with the Company together with a stock power, if applicable, and bearing a legend as provided in Section 6.2(c).

(d) If the Company shall be consolidated or merged with another corporation or other entity, each Grantee who has received Restricted Stock that is then subject to restrictions imposed by Section 6.3 may be required to deposit with the successor corporation the certificates, if any, for the stock or securities, or the other property, that the Grantee is entitled to receive by reason of ownership of Restricted Stock in a manner consistent with Section 6.2(c), and such stock, securities or other property shall become subject to the restrictions and requirements imposed by Section 6.3, and the certificates therefor or other evidence thereof shall bear a legend similar in form and substance to the legend set forth in Section 6.2(c).

(e) If a Change in Control shall occur, then the Committee, as constituted immediately before the Change in Control, may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the Change in Control, provided that the Committee determines that such adjustments do not have an adverse economic impact on the Participant as determined at the time of the adjustments.

(f) The judgment of the Committee with respect to any matter referred to in this Section 16 shall be conclusive and binding upon each Participant without the need for any amendment to the Plan.

(g) Except as otherwise permitted under this Section 16, without the prior approval of the Company's shareholders: (i) the Option Price, with respect to an Option, or grant price, with respect to a Stock Appreciation Right, may not be reduced below the price established at the time of grant thereof and (ii) an outstanding Option or Stock Appreciation Right may not be cancelled and replaced with a new Award with a lower exercise or grant price.

17. MISCELLANEOUS

17.1 No Rights to Employment or Other Service.

Nothing in the Plan or in any grant made pursuant to the Plan shall confer on any individual any right to continue in the employ or other service of the Company, the Subsidiaries or Affiliates or interfere in any way with the right of the Company, the Subsidiaries or Affiliates and their shareholders, members, directors, managers or officers to terminate the individual's employment or other service at any time.

A-23

17.2 Right of First Refusal; Right of Repurchase.

At the time of grant, the Committee may provide in connection with any grant made under the Plan that Shares received hereunder shall be subject to a right of first refusal pursuant to which the Company shall be entitled to purchase such Shares in the event of a prospective sale of the Shares, subject to such terms and conditions as the Committee may specify at the time of grant or (if permitted by the Award Agreement) thereafter, and to a right of repurchase, pursuant to which the Company shall be entitled to purchase such Shares at a price determined by, or under a formula set by, the Committee at the time of grant or (if permitted by the Award Agreement) thereafter.

17.3 No Fiduciary Relationship.

Nothing contained in the Plan (including without limitation Sections 7.5(c) and 9.4), and no action taken pursuant to the provisions of the Plan, shall create or shall be construed to create a trust of any kind, or a fiduciary relationship between the Company or Subsidiaries, or their, officers or the Committee, on the one hand, and the Participant or any other person, on the other hand.

17.4 Section 409A.

This Plan is intended to comply and shall be administered in a manner that is intended to comply with the requirement of Section 409A of the Code (including the Treasury Department guidance and regulations issued thereunder), and shall be construed and interpreted in accordance with such intent. If the Committee determines that an Award, Award document, payment, transaction or any other action or arrangement contemplated by the provisions of this Plan would, if undertaken, cause a Participant to become subject to any additional taxes or other penalties under Section 409A of the Code, then unless the Committee specifically provides otherwise, such Award, Award document, payment, transaction or other Award documents will be deemed modified or, if necessary, suspended in order to comply with the requirements of Section 409A of the Code to the extent determined appropriate by the Committee, in each case without the consent of the Participant.

17.5 Claims Procedures.

(a) To the extent that the Plan is determined by the Committee to be subject to the Employee Retirement Income Security Act of 1974, as amended, the Grantee, or his beneficiary hereunder or authorized representative, may file a claim for payments with respect to RSUs and/or DSUs under the Plan by written communication to the Committee or its designee. A claim is not considered filed until such communication is actually received. Within 90 days (or, if special circumstances require an extension of time for processing, 180 days, in which case notice of such special circumstances should be provided within the initial 90-day period) after the filing of the claim, the Committee will either:

- (i) approve the claim and take appropriate steps for satisfaction of the claim; or

A-24

(ii) if the claim is wholly or partially denied, advise the claimant of such denial by furnishing to him a written notice of such denial setting forth (A) the specific reason or reasons for the denial; (B) specific reference to pertinent provisions of the Plan on which the denial is based and, if the denial is based in whole or in part on any rule of construction or interpretation adopted by the Committee, a reference to such rule, a copy of which shall be provided to the claimant; (C) a description of any additional material or information necessary for the claimant to perfect the claim and an explanation of the reasons why such material or information is necessary; and (D) a reference to this Section 17.5 as the provision setting forth the claims procedure under the Plan.

(b) The claimant may request a review of any denial of such claim by written application to the Committee within 60 days after receipt of the notice of denial of such claim. Within 60 days (or, if special circumstances require an extension of time for processing, 120 days, in which case notice of such special circumstances should be provided within the initial 60-day period) after receipt of written application for review, the Committee will provide the claimant with its decision in writing, including, if the claimant's claim is not approved, specific reasons for the decision and specific references to the Plan provisions on which the decision is based.

17.6 No Fund Created.

Any and all payments hereunder to any Grantee shall be made from the general funds of the Company, no special or separate fund shall be established or other segregation of assets made to assure such payments, and the RSUs (including for purposes of this Section 17.6 any accounts established to facilitate the implementation of Section 7.4(c)), DSUs (including for purposes of this Section 17.6 any accounts established to facilitate the implementation of Section 8.4(c)) and any other similar devices issued hereunder to account for Plan obligations do not constitute Common Stock and shall not be treated as (or as giving rise to) property or as a trust fund of any kind; provided, however, that the Company may establish a mere bookkeeping reserve to meet its obligations hereunder or a trust or other funding vehicle that would not cause the Plan to be deemed to be funded for tax purposes or for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. The obligations of the Company under the Plan are unsecured and constitute a mere promise by the Company to make benefit payments in the future and, to the extent that any person acquires a right to receive payments under the Plan from the Company, such right shall be no greater than the right of a general unsecured creditor of the Company. (If any Affiliate is or is made responsible with respect to any Awards, the foregoing sentence shall apply with respect to such Affiliate.) Without limiting the foregoing, RSUs, DSUs and any other similar devices issued hereunder to account for Plan obligations are solely a device for the measurement and determination of the amounts to be paid to a Grantee under the Plan, and each Grantee's right in the RSUs, DSUs and any such other devices is limited to the right to receive payment, if any, as may herein be provided.

17.7 Notices.

All notices under the Plan shall be in writing, and if to the Company, shall be delivered to the Board or mailed to its principal office, addressed to the attention of the Board; and if to the Participant, shall be delivered personally, sent by

facsimile transmission or mailed to the Participant at the address appearing in the records of the Company. Such addresses may be changed at any time by written notice to the other party given in accordance with this Section 17.7.

A-25

17.8 Exculpation and Indemnification.

The Company shall indemnify and hold harmless the members of the Board and the members of the Committee from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act or omission to act in connection with the performance of such person's duties, responsibilities and obligations under the Plan, to the maximum extent permitted by law, other than such liabilities, costs and expenses as may result from the gross negligence, bad faith, willful misconduct or criminal acts of such persons.

17.9 Captions.

The use of captions in this Plan is for convenience. The captions are not intended to provide substantive rights.

17.10 Governing Law.

THE PLAN SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW JERSEY WITHOUT REGARD TO ANY PRINCIPLES OF CONFLICTS OF LAW WHICH COULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW JERSEY.

A-26

EXHIBIT A

PERFORMANCE CRITERIA

Performance-Based Awards intended to qualify as “performance based” compensation under Section 162(m) of the Code, may be payable upon the attainment of objective performance goals that are established by the Committee and relate to one or more Performance Criteria, in each case on one or more specified dates or over any period, up to 10 years, as determined by the Committee. Performance Criteria may (but need not) be based on the achievement of the specified levels of performance under one or more of the measures set out below relative to the performance of one or more other enterprises or indices.

Performance Goals shall be based on one or more of the following business criteria (which may be determined for these purposes either by reference to the Company as a whole or by reference to any one or more of its subsidiaries, operating divisions or other operating units): stock price, revenues, pretax income, operating income, cash flow, earnings per share, return on equity, return on invested capital or assets, cost reductions and savings, return on revenues, productivity, level of managed assets and near or long-term earnings potential, or any variation or combination of the preceding business criteria.

The foregoing Performance Goals may be stated in absolute terms or may be expressed relative to performance in a specified prior period or to the performance of other specified enterprises. In addition, the Committee may utilize as an additional performance measure (to the extent consistent with the Performance-Based Compensation Rules (as defined below)) the attainment by a Participant of one or more personal objectives and/or goals that the Committee deems appropriate, including, but not limited to, implementation of Company policies, negotiation of significant corporate transactions, development of long-term business goals or strategic plans for the Company, or the exercise of specific areas of managerial responsibility. “Performance-Based Compensation Rules” shall mean those provisions of Section 162(m) of the Code and regulations promulgated thereunder that provide the rules pursuant to which compensation that is paid to executives on the basis of performance is exempt from the limitations on deductibility applicable to certain compensation paid to executives in excess of \$1,000,000. The measurement of the Company’s or a Participant’s achievement of any of such goals must be objectively determinable and shall be determined, to the extent applicable, according to generally accepted accounting principles as in existence on the date on which the Performance Goals for the performance period is established. In all cases, the Committee shall establish the Performance Goal for each performance period no later than 90 days after the beginning of the performance period (or no later than the end of the first 25% of the performance period if the performance period is less than a full year), and shall establish such Performance Goals in a manner that is consistent with the Performance-Based Compensation Rules. In the event a Performance Goal is not established for a performance period for a Participant for whom a Performance Goal was in effect for the preceding performance period, the Performance Goal for such Participant for the preceding performance period shall be treated as the Performance Goal for such Participant for the current performance period. To the extent specified by the Committee in an Award or by other action taken by the Committee at the time Performance Goals for a performance period are established, the measurement of specified performance

goals may be subject to adjustment to exclude items of gain, loss or expense that are determined to be extraordinary or unusual in nature, infrequent in occurrence, related to transactions among Subsidiaries or Affiliates, related to a corporate transaction (including, without limitation, a disposition or acquisition) or related to a change in accounting principles, all as determined in accordance with standards published by the Financial Accounting Standards Board (or any predecessor or successor body) from time to time. In addition, equitable adjustments will be made to any performance goal related to Company stock (e.g., earnings per share) to reflect changes in corporate capitalization, including, without limitation, stock splits and reorganizations.
