Pursuant to Section 13 or 15(d)

of the Securities Exchange Act of 1934

Date of Report (Date of earliest event reported): April 30, 2019 (April 30, 2019)

Warner Music Group Corp.

(Exact name of Registrant as specified in its charter)

Delaware
(State or other jurisdiction

of incorporation)

001-32502
(Commission

File Number)

13-4271875
(IRS Employer

Identification No.)

**1633 Broadway,
New York, New York**

10019

(Address of principal executive offices)

(Zip Code)

Registrant's telephone number, including area code: (212) 275-2000

Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the Registrant under any of the following provisions:

Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)

Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)

Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))

Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 under the Securities Act (17 CFR 230.405) or Rule 12b-2 under the Exchange Act (17 CFR 240.12b-2).

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 1.01. Entry into a Material Definitive Agreement.

Secured Notes Indenture

On April 30, 2019 (the Closing Date), WMG Acquisition Corp. (the Issuer), an indirect, wholly-owned subsidiary of Warner Music Group Corp. (the Company), issued and sold 195 million in aggregate principal amount of additional 3.625% Senior Secured Notes due 2026 (the Additional Notes) under the Indenture, dated as of November 1, 2012 (the Secured Notes Base Indenture), among the Issuer, the guarantors party thereto, Credit Suisse AG, as Notes Authorized Agent and Collateral Agent, and Wells Fargo Bank, National Association, as Trustee (the Trustee), as supplemented by the Eighth Supplemental Indenture, dated as of October 9, 2018 (the Eighth Supplemental Indenture), among the Issuer, the guarantors party thereto and the Trustee and the Ninth Supplemental Indenture, dated as of April 30, 2019 (the Ninth Supplemental Indenture) and, together with the Secured Notes Base Indenture and the Eighth Supplemental Indenture, the Secured Notes Indenture, among the Issuer, the guarantors party thereto and the Trustee. The original 3.625% Senior Secured Notes due 2026 were issued in an aggregate principal amount of 250 million on October 9, 2018 (the Original Notes). The Additional Notes and the Original Notes will be treated as the same series for all purposes under the Secured Notes Indenture.

Interest on the Additional Notes will accrue at the rate of 3.625% per annum and will be payable semi-annually in arrears on April 15 and October 15, commencing on October 15, 2019.

Ranking

The Additional Notes are the Issuer's senior secured obligations and are secured on an equal and ratable basis with all existing and future indebtedness secured with the same security arrangements as the Additional Notes, including the Existing Secured Notes and the Credit Facilities (each as defined below). The Additional Notes rank senior in right of payment to the Issuer's existing and future subordinated indebtedness; rank equally in right of payment with all of the Issuer's existing and future senior indebtedness, including the Original Notes, the Issuer's 5.500% Senior Notes due 2026 (the Existing Unsecured Notes), the Issuer's 5.000% Senior Secured Notes due 2023 (the 5.000% Existing Secured Notes), the Issuer's 4.125% Senior Secured Notes due 2024 (the 4.125% Existing Secured Notes) and the Issuer's 4.875% Senior Secured Notes due 2024 (the 4.875% Existing Secured Notes) and, together with the 5.000% Existing Secured Notes, the 4.125% Existing Secured Notes and the Original Notes, the Existing Secured Notes) and indebtedness under the Issuer's senior secured revolving credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the Revolving Credit Facility) and the Issuer's senior secured term loan credit facility with Credit Suisse AG, as administrative agent, and the other financial institutions and lenders from time to time party thereto (the Term Credit Facility) and, together with the Revolving Credit Facility, the Credit Facilities) and any future senior secured credit facility; are effectively senior to the Issuer's unsecured senior indebtedness, including the Existing Unsecured Notes, to the extent of the value of the collateral securing the Additional Notes; and are structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any of the Issuer's non-guarantor subsidiaries (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors (as such term is defined below)).

Guarantees

The Additional Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Issuer's existing direct or indirect wholly-owned domestic restricted subsidiaries and by any such subsidiaries that guarantee obligations of the Issuer under the Credit Facilities, subject to customary exceptions. Such subsidiary guarantors are collectively referred to herein as the subsidiary guarantors, and such subsidiary guarantees are collectively referred to herein as the subsidiary guarantees. Each subsidiary guarantee is a senior secured obligation of such subsidiary guarantor and is secured on an equal and ratable basis with all existing and future obligations of such subsidiary guarantor that are secured with the same security arrangements as the guarantee of the Additional Notes (including the

Edgar Filing: Warner Music Group Corp. - Form 8-K

subsidiary guarantor's guarantee of obligations under the Existing Secured Notes and the Credit Facilities). Each subsidiary guarantee ranks senior in right of payment to all subordinated obligations of the subsidiary guarantor; is effectively senior to the subsidiary guarantor's existing unsecured obligations,

including the subsidiary guarantor's guarantee of the Existing Unsecured Notes, to the extent of the collateral securing such guarantee; ranks equally in right of payment with all of the subsidiary guarantor's existing and future senior obligations, including the subsidiary guarantor's guarantee of the Credit Facilities and any future senior secured credit facility, the Existing Secured Notes and the Existing Unsecured Notes; and is structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of any non-guarantor subsidiary of the subsidiary guarantor (other than indebtedness and liabilities owed to the Issuer or one of its subsidiary guarantors). Any subsidiary guarantee of the Additional Notes may be released in certain circumstances. On the Closing Date, the Company issued a guarantee whereby it fully and unconditionally guaranteed (the Guarantee) the payments of Issuer on the Additional Notes. A copy of the Guarantee is attached as Exhibit 4.1 hereto and incorporated herein by reference. The foregoing description of the Guarantee does not purport to be complete and is qualified in its entirety by reference to the full text of the Guarantee.

Optional Redemption

At any time prior to October 15, 2021, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Additional Notes (including the aggregate principal amount of any additional securities constituting the same series) issued under the Secured Notes Indenture, at its option, at a redemption price equal to 103.625% of the principal amount of the Additional Notes redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption (subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with funds in an aggregate amount not exceeding the net cash proceeds of one or more equity offerings by the Issuer or any contribution to the Issuer's common equity capital made with the net cash proceeds of one or more equity offerings by the Issuer's direct or indirect parent; *provided that*:

- (1) at least 50% of the aggregate principal amount of the Additional Notes originally issued under the Secured Notes Indenture (including the aggregate principal amount of any additional securities constituting the same series issued under the Secured Notes Indenture) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 180 days of the date of, and may be conditioned upon, the closing of such equity offering.

The Additional Notes may be redeemed, in whole or in part, at any time prior to October 15, 2021, at the option of the Issuer, at a redemption price equal to 100% of the principal amount of the Additional Notes redeemed plus the applicable make-whole premium as of, and accrued and unpaid interest thereon, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after October 15, 2021, the Issuer may redeem all or a part of the Additional Notes, at its option, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, on the Additional Notes to be redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on October 15 of the years indicated below:

Year	Percentage
2021	101.813%
2022	100.906%
2023 and thereafter	100.000%

In addition, during any 12-month period prior to October 15, 2021, the Issuer will be entitled to redeem up to 10% of the original aggregate principal amount of the Additional Notes (including the principal amount of any additional securities of the same series) at a redemption price equal to 103.000% of the aggregate principal amount thereof, plus

accrued and unpaid interest thereon, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Change of Control

Upon the occurrence of a change of control, which is defined in the Secured Notes Base Indenture, each holder of the Additional Notes has the right to require the Issuer to repurchase some or all of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The Secured Notes Indenture contains covenants limiting, among other things, the Issuer's ability and the ability of most of its subsidiaries to: incur additional indebtedness or issue certain preferred shares; pay dividends on or make distributions in respect of its capital stock or make investments or other restricted payments; create restrictions on the ability of its restricted subsidiaries to pay dividends to it or make certain other intercompany transfers; sell certain assets; create liens; consolidate, merge, sell or otherwise dispose of all or substantially all of its assets; and enter into certain transactions with its affiliates.

Events of Default

The Secured Notes Indenture also provides for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on Notes to become or to be declared due and payable.

The Additional Notes were issued under the Secured Notes Base Indenture, a copy of which is attached as Exhibit 4.1 to Warner Music Group Corp.'s Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission on November 7, 2012, the Eighth Supplemental Indenture, a copy of which is attached as Exhibit 4.3 to Warner Music Group Corp.'s Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission on October 9, 2018, and the Ninth Supplemental Indenture, a copy of which is attached hereto as Exhibit 4.4 and each of which is incorporated herein by reference. The foregoing description of the Ninth Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Ninth Supplemental Indenture.

In connection with the issuance of the Additional Notes, on April 16, 2019, the Issuer swapped 202,606,250 of the net proceeds of such issuance into U.S. dollars at an exchange rate of 1.1189 pursuant to arrangements with Credit Suisse Securities (USA) LLC.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information contained in Item 1.01 concerning the Issuer's direct financial obligations under the Additional Notes is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

Exhibit

Number	Description
4.1	<u>Guarantee, dated April 30, 2019, issued by Warner Music Group Corp., relating to the 3.625% Senior Secured Notes due 2026.</u>
