PROXY STATEMENT

General Information

We are furnishing this Proxy Statement in connection with the solicitation of proxies for use at our Annual Meeting of Stockholders (the "Annual Meeting") to be held on Saturday, December 15, 2018, at 9:00 a.m., local time, at the JW Marriott Denver Cherry Creek, located at 150 Clayton Lane, Denver, CO 80206, and any adjournment or postponement thereof. We intend to mail this proxy statement to our stockholders on or about November 2, 2018.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the attention of Thomas E. Chilcott, our Secretary, a written notice of revocation or a properly executed proxy bearing a later date. You may also revoke your proxy by attending the meeting and voting your shares in person.

Solicitation and Voting Procedures

This proxy is solicited on behalf of the Board of Directors of Ampio Pharmaceuticals, Inc. The solicitation of proxies will be conducted by mail and we will bear all costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses

incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of our Common Stock, par value \$0.0001 per share ("Common Stock"). We may conduct further solicitation personally, telephonically or by facsimile through our officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

A stockholder's shares can be voted at the Annual Meeting only if the stockholder is present in person or represented by proxy. We urge any stockholders not planning to attend the Annual Meeting to authorize their proxy in advance. Stockholders may complete their proxies and authorize their votes by proxy over the Internet at **<http://www.proxyvote.com>** or by telephone at 1-800-690-6903. Stockholders who hold their shares beneficially in street name through a nominee should follow the instructions they receive from their nominee to vote these shares.

The presence at the Annual Meeting of a majority of the outstanding shares of Common Stock entitled to vote, represented either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions from voting on a proposal and broker non-votes will count for purposes of determining a quorum. The close of business on October 22, 2018 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote on all matters. As of the Record Date, there were 106,716,516 shares of Common Stock outstanding.

Stockholder votes will be tabulated by the persons appointed by the Board of Directors to act as inspectors of election for the Annual Meeting. Shares of Common Stock represented by a properly executed and delivered proxy will be voted at the Annual Meeting and, when the stockholder has given instructions, will be voted in accordance with those instructions. If no instructions to withhold or abstain are given, the shares will be voted FOR each of the nominees listed in Proposal No. 1, FOR Proposals No. 2 and No. 3, and for holding an advisory vote on compensation of the Company's named executive officers every three years. There are no statutory or contractual rights of appraisal or similar remedies available to those stockholders who dissent with any matter to be acted on at the Annual Meeting.

The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

Total fees	\$ 209,000	\$ 182,000

(1) Audit fees are comprised of annual audit fees and quarterly review fees.

Policy on Audit Committee Pre-Approval of Services of Independent Registered Public Accounting Firm

Our Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. Prior to the engagement of the independent registered public accounting firm for the current year's audit, management will submit to the Audit Committee a description of services expected to be rendered during that year for each of following four categories of services:

Audit services include audit work performed in the audit of the annual financial statements, review of quarterly financial statements, reading of annual, quarterly and current reports, as well as work that generally only the independent auditor can reasonably be expected to provide.

Audit-related services are for assurance and related services that are traditionally performed by the independent auditor, including the provision of consents and comfort letters in connection with the filing of registration statements, due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.

Tax services consist principally of assistance with tax compliance and reporting, as well as certain tax planning consultations.

Other services are those associated with services not captured in the other categories. We generally do not request such services from our independent auditor.

Prior to the engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted, and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit

Committee at its next scheduled meeting.

Required Vote and Recommendation of Board of Directors

The affirmative vote of the holders of a majority of the shares present, in person or represented by proxy, and entitled to vote on the proposal at the Annual Meeting is required to ratify the appointment of the independent registered public accounting firm. Abstentions will have the same effect as voting against the proposal and broker non-votes will have no effect upon the proposal. If our stockholders do not ratify the selection of Plante Moran, our Board of Directors will consider other independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* RATIFICATION OF THE APPOINTMENT OF PLANTE MORAN, PLLC AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2018.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires that stockholders have the opportunity to cast an advisory (non-binding) vote on executive compensation at least once every three years commencing with our 2012 Annual Meeting of Stockholders (a so-called “say-on-pay” vote), as well as an advisory vote with respect to whether future say-on-pay votes will be held every one, two or three years (a so-called “say-on-frequency” vote), which is the subject of Proposal No. 4.

The advisory vote on executive compensation is a non-binding vote on the compensation of the Company’s “Named Executive Officers,” as described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in this Proxy Statement. The advisory vote on executive compensation is not a vote on the Company’s general compensation policies, compensation of the Company’s Board of Directors, or the Company’s compensation policies as they relate to risk management. The Dodd-Frank Act requires the Company to hold the advisory vote on executive compensation at least once every three years.

Our philosophy in setting compensation policies for executive officers has two fundamental objectives: (1) to retain a highly skilled team of executives and (2) to align our executives’ interests with those of our stockholders by motivating our executives to increase stockholder value on both an annual and longer-term basis. The Compensation Committee believes that executive compensation should be directly linked both to continuous improvements in corporate performance (so-called “pay for performance”) and accomplishments that are expected to increase stockholder value. The Compensation Discussion and Analysis section herein provides a more detailed discussion of the executive compensation program and compensation philosophy.

The vote under this Proposal No. 3 is advisory, and therefore not binding on the Company, the Board of Directors or our Compensation Committee. However, our Board of Directors, including our Compensation Committee, values the opinions of our stockholders and, to the extent there is any significant vote against the executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns and evaluate what actions may be appropriate to address those concerns.

Stockholders will be asked at the Annual Meeting of Stockholders to approve the following resolution pursuant to this Proposal No. 3:

“**RESOLVED**, that the stockholders of the Company vote in favor of a non-binding, advisory vote approving the compensation of the Company’s ‘Named Executive Officers.’”

Required Vote and Recommendation of Board of Directors

The affirmative vote of the holders of a majority of the shares present and entitled to vote on the proposal at the Annual Meeting is required to approve this proposal. Abstentions will have the same effect as voting against the proposal and broker non-votes will have no effect upon the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL NO. 3.

PROPOSAL NO. 4

ADVISORY VOTE ON FREQUENCY OF SAY-ON-PAY VOTE

Background

We are also required by the Dodd-Frank Act to provide stockholders with a separate advisory (non-binding) vote for the purpose of asking stockholders to express their preference for the frequency of future say-on-pay votes. Stockholders may indicate whether they would prefer an advisory vote on executive compensation once every one, two or three years. We are required to solicit stockholder votes on the frequency of future say-on-pay proposals at least once every six years, although we may seek stockholder input more frequently.

At the Annual Meeting, stockholders may cast a vote on the frequency of a say-on-pay vote by choosing the option of one year, two years or three years or stockholders may abstain from voting altogether.

After careful consideration, our Board of Directors has determined that it believes a stockholder advisory vote on executive compensation that is conducted every three years is the appropriate approach for the Company at this time

and, therefore, the Board of Directors recommends that you vote for a three-year interval for the advisory vote on executive compensation.

We believe that the structure of executive compensation arrangements should be in place for a number of years between stockholder advisory votes, in order to allow the Board of Directors and stockholders time to evaluate the effectiveness of those arrangements. A vote every three years will also allow stockholders to better judge our executive compensation program with respect to our long-term performance.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years, or abstain from voting when you indicate your preference in response to the resolution set forth below.

Stockholders will be asked at the Annual Meeting to approve the following resolution pursuant to this Proposal No. 4:

“RESOLVED, that the stockholders of the Company vote in favor of a non-binding, advisory vote to hold the say-on-pay vote at an annual meeting of stockholders every three years.”

Required Vote and Recommendation of Board of Directors

The affirmative vote of the holders of a majority of the shares present and entitled to vote on the proposal at the Annual Meeting is required to approval this proposal. Abstentions will have the same effect as voting against the proposal and broker non-votes will have no effect upon the proposal.

BOARD OF DIRECTORS AND COMMITTEES; CORPORATE GOVERNANCE

Meetings of the Board of Directors

During the year ended December 31, 2017, there were held (i) sixteen meetings of the Board of Directors, (ii) six meetings of the Audit Committee, (iii) fifteen meetings of the Compensation Committee, and (iv) no meetings of the Nominating and Governance Committee. No incumbent director attended fewer than seventy-five percent (75%) of the aggregate of (1) the total number of meetings of the Board, and (2) the total number of meetings held by all committees of the Board of Directors during the period that such director served.

Committees of the Board

Our Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee, each of which has the composition and the responsibilities described below. The Audit Committee, Compensation Committee and Nominating and Governance Committee all operate under charters approved by our Board of Directors, which charters are available on our website.

Audit Committee. Our Audit Committee oversees our corporate accounting and financial reporting process and assists the Board of Directors in monitoring our financial systems and our legal and regulatory compliance. Our Audit Committee is responsible for, among other things:

- selecting and hiring our independent auditors;
- appointing, compensating and overseeing the work of our independent auditors;
- approving engagements of the independent auditors to render any audit or permissible non-audit services;
- reviewing the qualifications and independence of the independent auditors;
- monitoring the rotation of partners of the independent auditors on our engagement team as required by law;

- reviewing our financial statements and reviewing our critical accounting policies and estimates;

- reviewing the adequacy and effectiveness of our internal controls over financial reporting;

- reviewing and discussing with management and the independent auditors the results of our annual audit, our quarterly financial statements and our publicly filed reports; and

- reviewing related party transactions.

The members of our Audit Committee are Messrs. Giles, Coelho and Stevens. Mr. Giles is our Audit Committee chairman and was appointed to our Audit Committee on August 10, 2010. Our Board of Directors has determined that each member of the Audit Committee meets the financial literacy requirements of the national securities exchanges and the SEC, and Mr. Giles qualifies as our Audit Committee financial expert as defined under SEC rules and regulations. Our Board of Directors has concluded that the composition of our Audit Committee meets the requirements for independence under the current requirements of the NYSE American and SEC rules and regulations. We believe that the function of our Audit Committee complies with the applicable requirements of SEC rules and regulations, and applicable requirements of the NYSE American.

Compensation Committee. Our Compensation Committee oversees our corporate compensation policies, plans and programs. The Compensation Committee is responsible for, among other things:

- reviewing and recommending policies, plans and programs relating to compensation and benefits of our directors, officers and employees;
- reviewing and recommending compensation and the corporate goals and objectives relevant to compensation of our Chief Executive Officer;
- reviewing and approving compensation and corporate goals and objectives relevant to compensation for executive officers other than our Chief Executive Officer;
- evaluating the performance of our executive officers considering established goals and objectives; and
- administering our equity compensations plans for our employees and directors.

The members of our Compensation Committee are Messrs. Coelho, Giles and Stevens. Mr. Coelho is the chairman of our Compensation Committee. Each member of our Compensation Committee is a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act, is an outside director, as defined pursuant to Section 162(m) of the Code, and satisfies the independence requirements of the NYSE American. We believe that the composition of our Compensation Committee meets the requirements for independence under, and the function of our Compensation Committee complies with, any applicable requirements of the NYSE American and SEC rules and regulations.

In fulfilling its responsibilities, the Committee is permitted under the Compensation Committee charter to delegate any or all of its responsibilities to a subcommittee comprised of members of the Compensation Committee or the Board, except that the Committee may not delegate its responsibilities for any matters that involve compensation of any officer or any matters where it has determined such compensation is intended to comply with Section 162(m) of the Code or is intended to be exempt from Section 16(b) under the Exchange Act pursuant to Rule 16b-3 by virtue of being approved by a committee of independent or nonemployee directors.

Nominating and Governance Committee. Our Nominating and Governance Committee oversees and assists our Board of Directors in reviewing and recommending corporate governance policies and nominees for election to our Board of Directors. The Nominating and Governance Committee is responsible for, among other things:

evaluating and making recommendations regarding the organization and governance of the Board of Directors and its committees;

assessing the performance of members of the Board of Directors and making recommendations regarding committee and chair assignments;

recommending desired qualifications for Board of Directors membership and conducting searches for potential members of the Board of Directors;

developing and periodically reviewing with our Board of Directors a succession plan for our Chief Executive Officer; and

reviewing and making recommendations with regard to our corporate governance guidelines.

Our Nominating and Governance Committee and our Board of Directors have not yet established a succession plan for our Chief Executive Officer. Mr. Macaluso is in excellent health and is performing to the satisfaction of the Board of Directors. Therefore, the Nominating and Governance Committee does not believe there is a pressing need to have a succession plan for the CEO position.

The members of our Nominating and Governance Committee are currently Messrs. Coelho, Giles and Stevens. Mr. Coelho is the chairman of our Nominating and Governance Committee. Our Board of Directors has determined that each member of our Nominating and Governance Committee is independent within the meaning of the independent director guidelines of the NYSE American.

Our Board of Directors may from time to time establish other committees.

Annual Meeting Attendance and Executive Sessions

Commencing January 1, 2011, our policy has been that directors attend the annual meeting of stockholders. We previously did not have a policy concerning director attendance at annual meetings. Commencing January 1, 2011, our policy has been that our non-employee directors are also required to meet in separate sessions without management on a regularly scheduled basis four times a year. Generally, these meetings are expected to take place in conjunction with regularly scheduled meetings of the Board of Directors throughout the year. Our 2017 annual meeting was attended by four of the five directors serving on our Board.

Director Nominations and Stockholder Communications

Our Nominating and Governance Committee's policy is to evaluate any recommendation for director nominee proposed by a stockholder. Our bylaws permit stockholders to nominate directors for consideration at the annual meeting, subject to certain conditions. Any recommendation for director nominee must be submitted in writing to:

Ampio Pharmaceuticals, Inc.

Attention: Corporate Secretary

373 Inverness Parkway, Suite 200

Englewood, Colorado 80112

The Nominating and Governance Committee generally identifies potential candidates for director by seeking referrals from our management and members of the Board of Directors and their various business contacts. There are currently no specific, minimum or absolute criteria for Board of Directors membership. Candidates are evaluated based upon factors such as independence, knowledge, judgment, integrity, character, leadership skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths. There are no differences in the manner in which the Committee will evaluate nominees for director based on whether the nominee is recommended by a stockholder.

We have not implemented a formal policy or procedure by which our stockholders can communicate directly with our Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. We believe that we are responsive to stockholder communications, and therefore have not

considered it necessary to adopt a formal process for stockholder communications with our Board. During the upcoming year, our Board of Directors will continue to monitor whether it would be appropriate to adopt such a policy. Communications will be distributed to the Board, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of the Board of Directors may be excluded, such as:

- junk mail and mass mailings;

- resumes and other forms of job inquiries;

- surveys; and

- solicitations or advertisements.

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is excluded will be made available to any outside director upon request.

Director Independence

Our common stock is listed on the NYSE American. The listing rules of the NYSE American require that a majority of the members of the Board of Directors be independent. The rules of the NYSE American require that, subject to specified exceptions, each member of our Audit, Compensation, and Nominating and Governance Committees be independent. Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. Under the rules of the NYSE American, a director will only qualify as an “independent director” if, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

In order to be considered to be independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries.

In October 2018, our Board of Directors undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that none of Messrs. Coelho, Giles and Stevens, representing three of our five directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined by the NYSE American. Our Board of Directors also determined that Messrs. Giles, Coelho and Stevens, who comprise our Audit Committee, our Compensation Committee and our Nominating and Governance Committee, satisfy the independence standards for those committees established by applicable SEC rules and the NYSE American rules. In making this determination, our Board of Directors considered the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that is applicable to all of our employees, officers and directors. The code is available on our web site, www.ampiopharma.com, under the “Investors” tab. We intend to disclose future amendments to, or waivers from, certain provisions of our code of business conduct and ethics, if any, on the above website within four business days following the date of such amendment or waiver.

Leadership Structure of the Board

The Board of Directors does not currently have a policy on whether the same person should serve as both the Chief Executive Officer and chairman of the Board of Directors or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board of Directors believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. Our current chairman, Michael Macaluso, was appointed our Chief Executive Officer effective January 9, 2012. Mr. Macaluso has served as a member of our Board of Directors since March 2010 and has been a member of the board of directors of Life Sciences from December 2009.

Risk Oversight

The Board of Directors oversees risk management directly and through its committees associated with their respective subject matter areas. Generally, the Board of Directors oversees risks that may affect our business, including operational matters. The Audit Committee is responsible for oversight of our accounting and financial reporting processes and discusses with management our financial statements, internal controls and other accounting and related matters. The Compensation Committee oversees certain risks related to compensation programs and the Nominating and Governance Committee oversees certain corporate governance risks. As part of their roles in overseeing risk management, these committees periodically report to the Board of Directors regarding briefings provided by management and advisors as well as the committees' own analysis and conclusions regarding certain risks faced by us. Management is responsible for implementing the risk management strategy and developing policies, controls, processes and procedures to identify and manage risks.

Involvement in Certain Legal Proceedings

No director, executive officer, promoter or control person of our company has, during the last ten years: (i) been convicted in or is currently subject to a pending criminal proceeding (excluding traffic violations and other minor offenses); (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to any Federal or state securities or banking or commodities laws including, without limitation, in any way limiting involvement in any business activity, or finding any violation with respect to such law, nor (iii) any bankruptcy petition been filed by or against the business of which such person was an executive officer or a general partner, whether at the time of the bankruptcy or for the two years prior thereto.

Family Relationships

There are family relationships to note between our directors or executive officers and employees. Raphael Bar-Or, a non-executive officer, is the son of David Bar-Or, M.D., our former Chief Scientific Officer and a director. Lindsay Thorne, a consultant, is the sister in-law of Holli Cherevka, our Chief Operating Officer.

EXECUTIVE OFFICERS

Our current executive officers and their respective ages and positions as of the date of this Proxy Statement are set forth in the following table. Biographical information regarding each executive officer who is not also a director is set forth following the table.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview. The following Compensation Discussion and Analysis describes the material elements of compensation for our executives identified in the Summary Compensation Table, or the Named Executive Officers. The Compensation Committee of the Board of Directors assists the Board of Directors in discharging the Board's responsibilities regarding compensation of our executives, including the Named Executive Officers. The Compensation Committee makes recommendations to the Board of Directors regarding the corporate goals and objectives relevant to executive compensation, evaluates executives' performance considering such goals and objectives, and recommends the executives' compensation levels to the Board of Directors based on such evaluations. The Compensation Committee's recommendations relating to compensation matters are subject to approval by the Board.

Compensation Philosophy and Objectives. Our executive compensation program is designed to retain our executive officers and to motivate them to increase stockholder value on both an annual and longer-term basis. These objectives are to be accomplished primarily by positioning us to maximize our product development efforts and to transform, over time, those efforts into revenues and income. To that end, compensation packages include significant incentive forms of stock-based compensation to ensure that each executive officer's interest is aligned with the interests of our stockholders.

Named Executive Officers

For our most recently completed fiscal year (the year ended December 31, 2017), our Named Executive Officers were: (i) Michael Macaluso, our Chief Executive Officer, who has served as our Chief Executive Officer since January 2012, (ii) Thomas E. Chilcott, our Chief Financial Officer, who served as our interim Chief Financial Officer from June 2017 to August 2017 and has served as our Chief Financial Officer, Secretary and Treasurer since August 2017, (iii) David Bar-Or, M.D., our former Chief Scientific Officer, who served as our Chief Scientific Officer from March 2010 until September 2018, (iv) Holli Cherevka, our Chief Operating Officer, who has served as our Chief Operating Officer since September 2017 and (v) Gregory A. Gould, our former Chief Financial Officer, Secretary and Treasurer, who served as our Chief Financial Officer from June 2014 to June 2017. We had no other executive officers serving during the year ended December 31, 2017.

Executive Compensation Components

Our compensation program for our Named Executive Officers, consists of three components: (i) a base salary, (ii) discretionary bonuses based on performance, and (iii) equity compensation. Each of these components is reflected in the Summary Compensation Table below.

Salaries. The initial cash salaries paid to Mr. Macaluso, Mr. Chilcott, Dr. Bar-Or and Ms. Cherevka were established at the time they became officers. Each of these persons has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K. Since the respective dates of their becoming Named Executive Officers, any increases in the salaries of our Named Executive Officers have been made at the discretion of the Compensation Committee. Mr. Macaluso and Dr. Bar-Or receive no additional compensation for serving on our Board of Directors.

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreements with Dr. Bar-Or, Mr. Macaluso, Mr. Chilcott and Ms. Cherevka. However, each employment agreement contains performance objectives tailored to the individual officer's duties and our performance. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Code. For 2017, we awarded a cash bonus to Mr. Macaluso, Mr. Chilcott, Dr. Bar-Or and Ms. Cherevka of \$5,000 each which were awarded on a discretionary basis by the Compensation Committee. In 2017, we also awarded Mr. Chilcott a cash bonus of \$50,000, which was awarded based on his employment agreement. In addition, we also awarded Ms. Cherevka a cash bonus of \$40,000 during 2017, which was awarded based on her performance during 2016.

Equity Compensation. In 2017, we granted stock options to certain of our officers, directors and consultants for their services, all of which were granted pursuant to written agreements under the 2010 Plan. Included in such stock options

were 400,000 options granted to Mr. Macaluso, 375,000 options granted to Mr. Chilcott, 133,000 options granted to Dr. Bar-Or and 230,000 options granted to Ms. Cherevka. All future grants are expected to be made under the 2010 Plan. The vesting periods for option grants vary.

Perquisites. We offer health benefits and a 401k employee benefit plan for all our employees. None of our Named Executive Officers receive any further perquisites.

Why Each Element of Compensation is Paid; How the Amount of Each Element is Determined. The Compensation Committee intends to pay each of these elements to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation, and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace in which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our Named Executive Officers, while considering our limited financial resources.

How Each Compensation Element Fits into Overall Compensation Objectives and Affects Decisions Regarding Other Elements. In establishing compensation packages for executive officers, numerous factors are considered, including each executive's experience, expertise and performance, our operational and financial performance, and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation.

Risk Assessment. Our Compensation Committee has reviewed our compensation program and believes that the program, including our cash incentive compensation and equity incentive compensation, does not encourage our Named Executive Officers to engage in any unnecessary or excessive risk-taking. As a result, the Compensation Committee has not implemented a provision for recovery by us of cash or incentive compensation bonuses paid to our Named Executive Officers.

Role of Compensation Consultants in Executive Compensation Decisions. The Compensation Committee has the authority to retain the services of third-party executive compensation specialists regarding the establishment of our compensation policies. The Compensation Committee did not use a compensation consultant regarding 2017 executive compensation and instead relied upon the professional and market experience of the Committee members. The Compensation Committee may engage a compensation consultant in the future if it deems such services to be appropriate and cost-justified.

Role of Executives in Executive Compensation Decisions. The Compensation Committee seeks input and specific recommendations from our Chief Executive Officer when discussing the performance of, and compensation levels for, executives other than himself. The Chief Executive Officer provides recommendations to the Compensation Committee regarding each executive officer's level of individual achievement other than himself. However, he is not a member of the Compensation Committee and does not vote. The Compensation Committee also works with our Chief Executive Officer and our Chief Financial Officer to evaluate the financial, accounting, tax and retention implications of our various compensation programs. Neither our Chief Executive Officer nor any of our other executives participates in deliberations relating to his or her own compensation.

Tax and Accounting Implications

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1.0 million for compensation paid to certain executives of public companies. However, performance-based compensation that has been approved by stockholders is not subject to the \$1.0 million limit under Section 162(m) if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals, and the Board of Directors committee that establishes such goals consists only of "outside directors." All members of the Compensation Committee qualify as outside directors. Additionally, stock options will qualify for the performance-based exception where, among other requirements, the exercise price of the option is not less than the fair market value of the stock on the date of the grant, and the plan includes a per-executive limitation on the number of shares for which options may be granted during a specified period.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in the Company's Annual Report on Form 10-K.

Employment Agreements

We entered into an employment agreement with Mr. Michael Macaluso, our Chief Executive Officer, effective January 9, 2012 which provided for an annual salary of \$195,000, with an initial term ending January 9, 2015. On October 1, 2013, we increased Mr. Macaluso's annual salary from \$195,000 to \$300,000. On December 20, 2014, we extended the Employment Agreement of Mr. Macaluso for three additional years, expiring January 9, 2017. In connection with this Amendment, Mr. Macaluso was awarded an option to purchase 400,000 shares of our common stock at an exercise price of \$3.46 vesting annually over three years beginning on January 1, 2015. On March 9, 2017, we extended the Employment Agreement of Mr. Macaluso for three additional years, expiring January 9, 2020. In connection with this Amendment, Mr. Macaluso was awarded an option to purchase 400,000 shares of our common

stock at an exercise price of \$0.81 vesting annually over three years beginning on March 9, 2018.

In August 2010, we entered into employment agreements with Dr. David Bar-Or, our former Chief Scientific Officer, and Dr. Vaughan Clift, our former Chief Regulatory Affairs Officer. The employment agreement with Dr. Bar-Or superseded his prior agreement with Life Sciences. Dr. Clift's employment agreement was amended on October 1, 2010 and May 26, 2011. The terms of the employment agreements with Dr. Bar-Or and Dr. Clift are substantially identical except as noted below. Each agreement had an initial term ending July 31, 2013. The agreements provided for annual salaries of \$300,000 for Dr. Bar-Or and \$250,000 for Dr. Clift. On July 15, 2013, we extended the Employment Agreements of Dr. David Bar-Or and Dr. Vaughan Clift for one additional year, expiring July 31, 2014. In connection with these Amendments, Dr. Bar-Or and Dr. Clift were awarded 300,000 and 170,000 options, respectively, to purchase our common stock at an exercise price of \$6.15 with 50% vesting upon grant and 50% after one year. On August 11, 2014, we extended the Employment Agreements of Dr. David Bar-Or and Dr. Vaughan Clift for one additional year, expiring July 31, 2015. In connection with these Amendments, Dr. Bar-Or and Dr. Clift were awarded 300,000 and 170,000 options, respectively, to purchase our common stock at an exercise price of \$6.48 with 50% vesting upon grant and 50% after one year. On August 3 and July 31, 2015, we extended the Employment Agreements of Dr. Bar-Or and Dr. Clift, respectively, for one additional year, expiring July 31, 2016. In connection with these Amendments, Dr. Bar-Or and Dr. Clift were awarded 300,000 and 170,000 options, respectively, to purchase our common stock at exercise prices of \$2.60 and \$2.68, respectively, with such options vesting on the date that we meet all endpoints in connection with the Ampion clinical trial as determined in the sole discretion of our Compensation Committee. We did not meet the primary end point on the Ampion trial, so the options granted to Dr. Bar-Or and Dr. Clift in July 2015 expired unvested on June 30, 2016.

On August 1, 2016, we extended the Employment Agreement of Dr. Bar-Or for one year, which expired on July 31, 2017. On June 30, 2017, we extended the Employment Agreement of Dr. Bar-Or for an additional year, expiring July 31, 2018. In connection with this agreement, Dr. Bar-Or was awarded 133,000 options to purchase our common stock at an exercise price of \$0.50 with 100% vesting immediately. In July 2018, we extended the Employment Agreement of Dr. Bar-Or through August 31, 2018. On August 29, 2018, Dr. Bar-Or notified us of his decision to retire from his full-time role as Chief Scientific Officer, effective September 30, 2018.

On March 2, 2016, we entered into an agreement with Vaughan Clift, M.D., our former Chief Regulatory Affairs Officer. Pursuant to the Agreement, Dr. Clift served out the term of his employment agreement, which expired on July 31, 2016.

We entered into an employment agreement with Mr. Gregory Gould, our former Chief Financial Officer, on June 10, 2014, which provided for an annual salary of \$250,000, with an initial term ending June 10, 2017. In connection with this employment agreement, Mr. Gould was awarded an option to purchase 300,000 shares of our common stock at an exercise price of \$7.14 vesting annually over two years beginning on June 10, 2014. We did not renew the employment agreement with Mr. Gould, which expired on June 10, 2017.

We entered into an employment agreement with Mr. Thomas Chilcott, our Chief Financial Officer, on August 23, 2017, which provided for an annual salary of \$200,000 and a term ending August 16, 2019. In connection with this employment agreement, Mr. Chilcott was awarded 200,000 options to purchase shares of our common stock at an exercise price of \$0.48, with 50% vesting upon grant and 50% after one year.

We entered into an employment agreement with Ms. Holli Cherevka, our Chief Operating Officer, on September 19, 2017, which provided for an annual salary of \$200,000 and a term ending September 19, 2019. In connection with this employment agreement, Ms. Cherevka was awarded 200,000 options to purchase shares of our common stock at an exercise price of \$0.55, with 50% vesting upon grant and 50% after one year.

We entered into an employment agreement with Mr. Joshua Disbrow, our former Chief Operating Officer, effective December 15, 2012. This agreement had an initial term ending December 15, 2015 and provided for an annual salary of \$210,000. Mr. Disbrow also received an annual salary of \$35,000 from Luoxis effective June 16, 2013. He terminated his position at Ampio Pharmaceuticals, Inc. in April 2015 and became the Chief Executive Officer of Aytu BioScience, Inc. Aytu entered into an employment agreement with Joshua Disbrow in connection with his employment as Aytu's Chief Executive Officer. The agreement is for a term of 24 months beginning on April 16, 2015, subject to termination by Aytu with or without Cause or as a result of officer's disability, or by Mr. Disbrow with or without Good Reason (as discussed below). Mr. Disbrow is entitled to receive \$250,000 in annual salary, plus a discretionary performance bonus with a target of 125% of his base salary and 50,000 stock options with 50% vesting upon grant and the remainder vesting on the following two anniversaries of the grant date. Mr. Disbrow is also eligible to participate in the benefit plans maintained by Aytu from time to time, subject to the terms and conditions of such plans. On January 4, 2016 we distributed a majority of our Aytu shares to our shareholders at which time Aytu was no longer considered a subsidiary of Ampio. Due to this transaction, Mr. Disbrow's employment with Ampio was terminated.

Mr. Disbrow was granted 400,000 stock options which upon his departure from Ampio, we modified by accelerating vesting of 27,790 options and extending the exercise period from 90 days after termination to April 15, 2020 for 400,000 options. The \$692,000 expense related to this modification was recognized in the period ended June 30, 2015.

Each officer is eligible to receive a discretionary annual bonus each year that will be determined by the Compensation Committee of the Board of Directors based on individual achievement and Company performance objectives

established by the Compensation Committee. Included in those objectives, as applicable for the responsible officer, are (i) obtaining successful clinical trial results, (ii) preparation and compliance with a fiscal budget, (iii) the launch of clinical trials for additional products approved by the Board of Directors, (iv) the sale of intellectual property not selected for clinical trials by us at prices, and times, approved by the Board of Directors and (v) making significant scientific discoveries acceptable to the Board of Directors. The targeted amount of the annual bonus for Mr. Macaluso, Dr. Bar-Or, Mr. Chilcott and Ms. Cherevka is 50% of the applicable base salary, although the actual bonus may be higher or lower.

Potential Payments Upon Termination or Change in Control

If the employment of Dr. Bar-Or, Mr. Chilcott or Ms. Cherevka is terminated at our election at any time, for reasons other than death, disability, cause (as defined in the agreement) or a voluntary resignation, or if the officer terminates their employment for good reason, the officer in question shall be entitled to receive a lump sum severance payment equal to two times, one and a half times or one half times their base salary, respectively, and of the continued payment of premiums for continuation of the officer's health and welfare benefits pursuant to COBRA or otherwise, for a period of two years from the date of termination, subject to earlier discontinuation if the officer is eligible for comparable coverage from a subsequent employer. Mr. Macaluso is not entitled to any such termination payments pursuant to the terms of his employment agreement. All severance payments, less applicable withholding, are subject to the officer's execution and delivery of a general release of us and our affiliates and each of their officers, directors, employees, agents, successors and assigns in a form acceptable to us, and a reaffirmation of the officer's continuing obligation under the propriety information and inventions agreement (or an agreement without that title, but which pertains to the officer's obligations generally, without limitation, to maintain and keep confidential all of our proprietary and confidential information, and to assign all inventions made by the officer to us, which inventions are made or conceived during the officer's employment). If the employment is terminated for cause, no severance shall be payable by us.

“Good Reason” means:

- a material reduction in the officer's overall responsibilities or authority or scope of duties;
- a material reduction of the officer's compensation; or
- relocation of the officer to a facility or location not within 40 miles of the state capitol building in Denver, Colorado.

“Cause” means:

- willful malfeasance or willful misconduct in connection with employment;

conviction of, or entry of a plea of guilty or *nolo contendere* to, any crime other than a traffic violation or misdemeanor;

· willful and deliberate violation of a company policy;

· unintended but material breach of any written policy applicable to all employees which is not cured within 30 business days;

- unauthorized use or disclosure of any proprietary information or trade secrets of the company;
- willful and deliberate breach of the employment agreement;
- any other material breach of the employment agreement which is not cured within 30 business days; or
- gross negligence in the performance of duties.

“Change in Control” means the occurrence of any of the following events:

The acquisition by an individual, entity, or group, other than Ampio or any of its subsidiaries, of beneficial ownership of 50% or more of the combined voting power or economic interests of the then outstanding voting securities of Ampio entitled to vote generally in the election of directors (excluding any issuance of securities by Ampio in a transaction or series of transactions made principally for bona fide equity financing purposes);

The acquisition of Ampio by another entity by means of any transaction or series of related transactions to which Ampio is party (including, without limitation, any stock acquisition, reorganization, merger or consolidation but excluding any issuance of securities by Ampio in a transaction or series of related transactions made principally for bona fide equity financing purposes) other than a transaction or series of related transactions in which the holders of the voting securities of Ampio outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, as a result of shares in Ampio held by such holders prior to such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of Ampio or such other surviving or resulting entity (or if Ampio or such other surviving or resulting entity is a wholly-owned subsidiary immediately following such acquisition, its parent); or

The sale or other disposition of all or substantially all of the assets of Ampio in one transaction or series of related transactions.

In the event of a Change of Control, all outstanding stock options, restricted stock and other stock-based grants held by Mr. Macaluso, Dr. Bar-Or, Mr. Chilcott and Ms. Cherevka become fully vested and exercisable, and all such stock options remain exercisable from the date of the Change in Control until the expiration of the term of such stock options.

Notwithstanding the foregoing, a Change in Control shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the record holders

of the common stock of Ampio immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of Ampio immediately following such transaction or series of transactions.

The employment agreements do not provide for the payment of a “gross-up” payment under Section 280G of the Internal Revenue Code. The following table provides estimates of the potential severance and other post-termination benefits that each of Mr. Macaluso, Dr. Bar-Or, Mr. Chilcott and Ms. Cherevka would have been entitled to receive assuming their respective employment was terminated as of December 31, 2017 for the reason set forth in each of the columns.

Pay Ratio

In August 2015, pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd – Frank Act”), the Securities and Exchange Commission adopted a rule requiring the annual disclosure of the ratio of the median employee’s annual total compensation to the total annual compensation of the principal executive officer

("PEO"). The Company's PEO is Mr. Macaluso. Registrants must comply with the pay ratio rule for the first fiscal year beginning on or after January 1, 2017. The purpose of the new required disclosure is to provide a measure of the equitability of pay within the organization. The Company believes its compensation philosophy and process yield an equitable result. In determining the median employee, a listing was prepared of all employees as of December 31, 2017. Employees' salaries were annualized for those employees that were not employed for the full year of 2017. The median amount was selected from the annualized list. For simplicity, the value of the Company's medical benefits provided was excluded as all employees, including the PEO, are offered the exact same benefits. As of December 31, 2017, the Company employed 19 employees. The pay ratio as of December 31, 2017 is as follows:

Median Employee total annual compensation	\$107,500
Mr. Macaluso ("PEO") total annual compensation	\$305,000
Ratio of PEO to Median Employee Compensation	3:1

The Audit Committee operates under a written Audit Committee Charter that has been adopted by the Board, a copy of which is available on the Company's website. All members of the Audit Committee currently meet the independence and qualification standards for Audit Committee membership set forth in the listing standards provided by the NYSE American and the SEC.

The Audit Committee members are not professional accountants or auditors. The members' functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The Audit Committee serves a board-level oversight role in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the financial statements and reporting process, including the Company's system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017. This review included a discussion of the quality and the acceptability of the Company's financial reporting, including the nature and extent of disclosures in the financial statements and the accompanying notes. The Audit Committee also reviewed the progress and results of the testing of the design and effectiveness of the Company's internal controls over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002.

The Audit Committee also reviewed with the Company's independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61, as adopted by the Public Company Accounting Oversight Board. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee discussed with the independent registered public accounting firm their independence from management and the Company, including the matters required by the applicable rules of the Public Company Accounting Oversight Board.

In addition to the matters specified above, the Audit Committee discussed with the Company's independent registered public accounting firm the overall scope, plans and estimated costs of their audit. The Committee met with the independent registered public accounting firm periodically, with and without management present, to discuss the results of the independent registered public accounting firm's examinations, the overall quality of the Company's financial reporting and the independent registered public accounting firm's reviews of the quarterly financial statements, and drafts of the quarterly and annual reports.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements should be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Related Party Transactions

In addition to the director and executive compensation arrangements discussed above in "Executive Compensation", we have been a party to the following transactions since January 2015 in which the amount involved exceeded or will exceed \$120,000, and in which any director, executive officer or holder of more than 5% of any class of our voting

stock, or any member of the immediate family of or entities affiliated with any of them, had or will have a material interest.

Sponsored Research Agreement

Ampio entered into a sponsored research agreement with Trauma Research LLC, an entity controlled by our Director and former Chief Scientific Officer, Dr. Bar-Or, in September 2009, which was amended seven times with the last amendment occurring in June 2017. Under the amended terms, the agreement was terminated effective July 5, 2017. The remaining prepaid of \$252,000 was expensed during the quarter ended June 30, 2017. In conjunction with terminating this agreement, we extended the contract for Dr. Bar-Or until July 2018. In July 2018, we extended Dr. Bar-Or's employment agreement for an additional month. In August 2018, Dr. Bar-Or notified us of his decision to retire from his full-time role as Chief Scientific Officer of the Company, effective September 30, 2018. Following his retirement as Chief Scientific Officer, Dr. Bar-Or will continue to serve as member of the Board of Directors and the Scientific Advisory Board of the Company.

Employee Advances

The Company had advances to one executive and three employees that were used to purchase stock in the Company when it was formed during 2010. These advances were non-interest bearing and due on demand and are classified as a reduction to stockholders' equity. As of December 31, 2016, the remaining outstanding balance was \$25,000. As of December 31, 2017, all these obligations have been satisfied or written off.

Service Agreement

In July 2015, Ampio entered into an agreement with Aytu whereby Aytu agreed to pay Ampio \$30,000 per month for shared overhead which included costs related to the shared corporate staff and other miscellaneous overhead expenses. This agreement was amended in April 2016, which reduced the monthly amount to \$18,000. This was amended again in July 2016, which reduced the monthly amount to approximately \$17,000 per month. In January 2017, the shared overhead agreement was modified to \$12,000 per month. In June 2017, Ampio terminated the shared services agreement with Aytu. For fiscal 2017, 2016 and 2015 the total shared overhead cost was \$77,000, \$234,000 and \$307,000, respectively.

Indemnification of Officers and Directors

We have entered into indemnification agreements with each of our directors and executive officers. The indemnification agreements and our certificate of incorporation and bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Delaware law.

Policies and Procedures for Related Party Transactions

We have adopted a formal written policy that our executive officers, directors, nominees for election as directors, beneficial owners of more than 5% of any class of our common stock and any member of the immediate family of any of the foregoing persons, are not permitted to enter into a related party transaction with us without the prior consent of our Audit Committee, subject to the pre-approval exceptions described below. If advance approval is not feasible then the related party transaction will be considered at the Audit Committee's next regularly scheduled meeting. In approving or rejecting any such proposal, our Audit Committee is to consider the relevant facts and circumstances available and deemed relevant to our Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. Our Board of Directors has delegated to the chair of our Audit Committee the authority to pre-approve or ratify any request from us to enter into a transaction with a related party, in which the amount involved is less than \$120,000 and where the chair is not the related party. Our Audit Committee has also reviewed certain types of related party transactions that it has deemed pre-approved even if the aggregate amount involved will exceed \$120,000, including employment of executive officers, director compensation, certain transactions with other organizations, transactions where all stockholders receive proportional benefits, transactions involving competitive bids, regulated transactions and certain banking-related services.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding beneficial ownership of our common stock as of September 30, 2018, by:

· each person or group of affiliated persons known by us to be the beneficial owner of more than 5% of our common stock;

· each of our Named Executive Officers;

·each of our directors; and

·all executive officers and directors as a group.

Under these rules, the number of shares of common stock deemed outstanding includes shares issuable upon exercise of options and warrants held by the respective person or group which may be exercised within 60 days after September 30, 2018. For purposes of calculating each person's or group's percentage ownership, stock options and warrants exercisable within 60 days after September 30, 2018 are included for that person or group but not the stock options, debentures, or warrants of any other person or group. Applicable percentage ownership is based on 106,591,516 shares of common stock outstanding at September 30, 2018.

Prior to our listing on the NYSE American, our common stock was listed on the NASDAQ MKT LLC and was previously registered pursuant to Section 15(d) of the Exchange Act. Upon our listing on the NASDAQ MKT LLC, our Reporting Persons became subject to the filing obligations described in Section 16(a).
