2. PROPOSAL TO RATIFY SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTANTS

The Board of Directors will recommend at the Annual Meeting that the stockholders ratify the appointment of the firm of BDO USA, LLP to audit the accounts of the Company for the current fiscal year. Representatives of that firm are expected to be present at the Meeting, have the opportunity to make a statement, if they desire to do so, and be available to respond to appropriate questions. BDO USA, LLP was recommended by the Audit Committee and the Board of Directors as the independent registered public accountants for the fiscal year 2014.

In connection with the audits for the years ended April 30, 2014 and 2013, the Company has had no disagreements with BDO USA, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO USA, LLP would have caused it to make reference thereto in its report on the consolidated financial statements for 2014 and 2013.

The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Broker Non-Votes, while considered present at a meeting and included in the determination of whether a quorum exists, are not considered entitled to vote. Thus, Broker Non-Votes will have no effect. Abstentions will have the same effect as negative votes.

The Board of Directors recommends that you vote in favor of ratification of the selection of BDO USA, LLP as the Company's registered public accountants for the fiscal year ending April 30, 2015.

Director Committees; Board Meetings

Edgar Filing: Atara Biotherapeutics, Inc. - Form SC 13G/A

In accordance with the requirements of the Exchange Act and rules promulgated thereunder, the Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. The

Audit Committee Charter, Compensation Committee Charter and the Nominating Committee Charter are available on the Company's website at www.sigmatronintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of the current listing standards of Nasdaq and the Securities and Exchange Commission's rules and regulations promulgated under the Sarbanes-Oxley Act of 2002 as set forth below.

The functions of the Audit Committee are to: (1) select and evaluate the performance of the independent accountants; (2) review the audits of the financial statements of the Company and the scope of the audit; (3) review with the independent accountants the corporate accounting and financial reporting practices and policies and recommend to whom reports should be submitted within the Company; (4) review with the independent accountants their final report; (5) review with the internal and independent accountants overall accounting and financial controls; and (6) be available to the independent accountants and management for consultation purposes. The Audit Committee is currently comprised of three members: Messrs. Rieck (Chairman), Horek and Plante. The Board of Directors has determined that each of the members of the Audit Committee is independent under the rules of the Securities and Exchange Commission and Nasdaq. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, which was revised and restated as of July 11, 2013, and is available on the Company's website at www.sigmatronintl.com. The report of the Audit Committee to the Stockholders is included in this Proxy Statement under the heading Report of the Audit Committee.

The functions of the Compensation Committee are to review and recommend to the Board of Directors annual salaries and bonuses for all Executive Officers of the Company, to review and recommend to the Board of Directors compensation for the Directors, to review and recommend to the Board of Directors the terms and conditions of all employee benefit plans or changes thereto and to administer the Company's stock option plans. While the Chief Executive Officer of the Company may make recommendations regarding such salaries, compensation and terms and conditions of employment, the Compensation Committee reviews any such recommendations independently and is responsible for making final recommendations to the full Board of Directors. Messrs. Mantia (Chairman), Plante, and Vyas are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee is independent under the listing standards of Nasdaq. The Compensation Committee has authority to select and hire outside consultants and shall have full access to the Human Resources Department or other Company employees to assist in the evaluation of executive officer compensation and may approve the fees and other retention terms of any consultants hired by the Compensation Committee. The Compensation Committee may also obtain advice and assistance from legal, accounting or other advisors selected by the Compensation Committee. The Board of Directors has adopted a written charter for the Compensation Committee, which was revised and restated as of July 11, 2013, and is available on the Company's website at www.sigmatronintl.com.

The functions of the Nominating Committee are to: (1) review and recommend to the Board of Directors the size and composition of the Board of Directors and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification and term of Directors; (3) identify and recommend to the Board of Directors candidates to fill appointments to Board committees; (4) develop, assess and make recommendations to the Board of Directors concerning appropriate corporate governance policies; (5) identify and recommend to the Board of Directors candidates to fill a vacancy in the offices of President and Chief Executive Officer; and (6) review nominations by stockholders with regard to the nomination process and to establish the procedures by which stockholder candidates will be considered. The members of the Nominating Committee are Messrs. Vyas (Chairman), Horek and Rieck. The Board of Directors has determined that each of the members of the Nominating Committee is independent under the Nasdaq Stock Market, Inc. listing standards.

The Nominating Committee begins the process of identifying Director candidates by evaluating the current composition of the Board, the Company's operating requirements, and the long-term interests of the Company's stockholders. The Nominating Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates

after considering the function and needs of the Board. In the case of incumbent Directors whose terms of office are set to expire, the Nominating Committee reviews such Directors' overall service during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such Directors' independence. The Nominating Committee meets to discuss and consider each candidate's qualifications and then selects those it considers to be appropriate nominees by majority vote for recommendation to the Board. To date, the Nominating Committee has not paid a fee to any third party to assist in the process of identifying or evaluating Director candidates.

In evaluating and determining whether to recommend a person as a candidate for election as a Director, the Nominating Committee's criteria reflects the requirements of the Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its Directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Nominating Committee will use these criteria to evaluate all potential nominees.

The Company does not have a diversity policy with respect to its Directors. However, in considering whether to recommend any Director nominee, including candidates recommended by stockholders, the Nominating Committee will consider the factors above, including the candidate's diversity of experiences, expertise, ethnicity, gender and background. The Nominating Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the Nominating Committee's process for considering stockholder nominees has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to review periodically whether a formal process should be adopted, including whether all stockholder nominations comply with the notice provisions of the Company's by-laws which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled Annual Meeting of Stockholders, or within 10 days after receipt of notice of an Annual Meeting of Stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

Board Meetings

The Board of Directors held 13 meetings either in person or by telephone conference during the fiscal year ended April 30, 2014. The Compensation Committee held 7 meetings in person or by telephone conference and the Audit Committee held 5 meetings in person or by telephone conference during the fiscal year 2014. The Nominating Committee held 1 meeting during the fiscal year 2014. All Directors attended at least 75% of the meetings of the Board and each of the committees of which they were members. In fact, all Directors attended at least 90% of the meetings of the Board and each of the committees of which they were members. The Company has a policy of encouraging all Directors to attend in person the Annual Meeting of Stockholders. All Directors attended the Company's 2013 Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

The Company believes that the service of Gary R. Fairhead as both Chairman of the Board and Chief Executive Officer is in the best interest of the Company and its stockholders. Mr. Fairhead possesses detailed and in-depth knowledge of the opportunities and challenges facing the Company, and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. The Board believes his role as Chairman of the Board and Chief Executive Officer promotes consistent leadership,

engenders accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to its stockholders, employees, and customers. The Company believes the Board's administration of its risk oversight function to date has had a positive effect on the Board's leadership structure.

Consistent with the Company's corporate governance guidelines and because Mr. Fairhead is the Chairman of the Board as well as Chief Executive Officer, the Board has designated one of its members to serve as a Lead Independent Director (Lead Independent Director). Dilip S. Vyas was appointed Lead Independent Director by all the Directors in September, 2011, and he continues to serve as Lead Independent Director. Mr. Vyas's responsibilities include the following roles:

1. to preside over executive sessions of the independent Directors;
2. to chair meetings of the Board of Directors in the absence of the Chairman of the Board;
3. to act as a liaison between the independent Directors and the Chairman of the Board;
4. to coordinate with the Chairman of the Board regarding meeting agendas and schedules;
5. to coordinate with the Chairman of the Board regarding information flow to the Board;
6. to be available for consultation and communication with stockholders, as appropriate; and
7. to call meetings of the independent Directors as appropriate.

The Company believes that it maintains strong corporate governance processes intended to ensure that its independent Directors will continue to effectively monitor management and provide leadership on key issues such as strategy, risk and integrity. The Board has primary responsibility for the oversight of risks to the Company and has assigned to its committees the oversight of risks applicable to their particular area. Each committee of the Board is comprised solely of independent Directors. Consequently, independent Directors oversee such critical matters as the integrity of financial statements; the compensation of Executive Officers, including the Chief Executive Officer; financial commitments for capital projects; the selection and evaluation of Directors and Executive Officers; and the development and implementation of corporate governance programs. Each Board committee and the independent Directors as a group routinely have independent sessions without management present.

Management, the Company's Corporate Counsel, and the Board of Directors discuss risks, both during and outside of Board meetings. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; Chief Executive Officer succession planning is overseen by the Nominating Committee and reviewed by the independent Directors; compliance risks are typically referred to the full Board; and matters arising under the Company's Code of Conduct or Code of Ethics for Senior Financial Management are handled by Corporate Counsel. Management regularly reports on each risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or Committee. Coordination of management's review of these risks is performed by the Company's Corporate Counsel.

EXECUTIVE COMPENSATION

The Employee Plan:

On May 21, 2013, the Board of Directors adopted the SigmaTron International, Inc. 2014 Employee Bonus Plan (Employee Plan) applicable to all U.S. payroll non-union employees of the Company (Employee Participants), all full-time employees of the Company with a corporate position of vice president or higher (Officers) and all employees designated by the Company as an executive officer pursuant to the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (Executive Officers).

The stated purposes of the Employee Plan is to align stockholder, employee and officer objectives, to motivate employees of the Company and to increase shareholder value. The Employee Plan is administered and interpreted by the Board and, as a whole, is subject to amendment, suspension or termination by the Board.

Pursuant to the Employee Plan, a Bonus Pool, calculated as a percentage of Pre-Tax Income (as defined in the Employee Plan) pursuant to the scale set forth in the Employee Plan, was created. The Company's Chief Executive Officer submitted to the Compensation Committee a recommendation (i) of target objectives for each Executive Officer and (ii) for a specified percentage or dollar allocation of the Bonus Pool for each Executive Officer and Officer, individually, and all of the Employee Participants, in the aggregate. The Compensation Committee reviewed such submissions for recommendation to the Board. Awards to Executive Officers under the Employee Plan were based, in part, on the Executive Officer achieving the Executive Officer's specified target objectives and, in any event, were subject to the sole discretion of the Board. Awards to Employee Participants under the Employee Plan were contingent upon the Company being in compliance with all of the Company's covenants under its primary credit facility (currently with Wells Fargo Bank, N.A.), or having obtained a waiver thereof, at the end of the Company's 2014 fiscal year.

At the end of fiscal year 2014, the Company awarded bonuses pursuant to the Employee Plan discussed above. Bonuses earned in fiscal year 2014 and paid to Named Executive Officers in fiscal 2015 are listed in the Summary Compensation Table on the following page.

Tender Offer

The Company offered to purchase 395,190 Eligible Options (as defined below) from Eligible Holders (as defined below) subject to the terms and conditions stated in Schedule TO (TO) filed with the SEC on October 1, 2013 (Tender Offer). The stock options subject to the Tender Offer were those options to purchase the Company's common stock which had not expired or terminated prior to the Expiration Time (as defined below) having the grant dates and exercise prices set forth in the TO (the Eligible Options). Eligible Options, all of which were fully vested at the time of the Tender Offer, were granted under the following Company stock option plans: 1993 Stock Option Plan, 2004 Employee Stock Option Plan, 2000 Directors' Stock Option Plan and 2004 Directors' Stock Option Plan.

Eligible Holders were: (a) those current or former employees, including all officers, who held Eligible Options as of 11:59 p.m., Eastern Time, on October 29, 2013 (the Expiration Time); and (b) all current or former directors of the Company who held Eligible Options as of the Expiration Time.

The Company offered to pay a cash amount ranging from \$0.18 to \$1.35 per Eligible Option for a maximum aggregate payment of \$301,500, as specifically set forth in the TO. Each Eligible Holder who participated in the Tender Offer received a cash payment (subject to tax and other withholding for employees) for each properly tendered Eligible Option promptly following the Expiration Time. 394,200 Eligible Options were tendered and purchased for a total cash payment of \$300,410. The Company paid Gary R. Fairhead, Rajesh B. Upadhyaya and Gregory A. Fairhead, \$24,000, \$18,000, and \$22,000, respectively, for tendered options under the TO in fiscal year 2014. These amounts are included in the Summary Compensation Table on page 16.

Employment Contracts, Termination of Employment and Change of Control Agreements

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on March 11, 2014 (the CIC Plan), which covers Named Executive Officers and certain other Officers of the Company (each a CIC Participant). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company. The amount of severance pay to which a CIC Participant may be entitled under the CIC Plan is a function of the CIC Participant's average income paid by the Company to such CIC Participant for five calendar years ending immediately prior to the Change-in-Control.

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) the acquisition by an entity, person or group of beneficial ownership, as that term is defined in Rule 13d-3 under the Securities Exchange Act of 1934, of more than 20% in the aggregate of the outstanding capital stock of the Company entitled to vote for the election of directors, (b) as a result of, or in connection with, any cash tender or exchange offer, merger or other business combination, sale of assets or contested election, or any combination of the foregoing transactions, the persons who are directors of the Company before the transaction shall cease to constitute a majority of the board or the board of directors of any successor to the Company, (c) the Company becomes a party to a merger, consolidation or share exchange in which either (i) the Company will not be the surviving company or (ii) the Company will be the surviving company and any outstanding shares of common stock of the Company will be converted into shares of any other company (other than a reincorporation or the establishment of a holding company involving no change of ownership of the Company) or other securities or cash or other property (excluding payments made solely for fractional shares), (d) more than 50% of the assets and business of the Company are sold, transferred or assigned to, or otherwise acquired by, any other unrelated entity or entities, or (e) all or substantially all of the assets and business of a CIC Participant's operation are sold, transferred or assigned to, or otherwise acquired by, any other unrelated entity or entities (Change-in-Control). In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the CIC Plan (which in general would result in a constructive discharge).

The CIC Plan provides for automatic reduction of the amounts to be paid out under the CIC Plan in the event such amounts would constitute parachute payments under the Internal Revenue Code. Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

Potential Severance Payments upon Change-In-Control

The following table describes approximate potential severance payments under the CIC Plan to which the Named Executive Officers would be entitled upon Change-In-Control of the Company, assuming that the Change-In-Control of the Company occurred on April 30, 2014 and all participants actually participated in the severance payment. The actual amount of payments can only be determined at the time of a Change-In-Control and will vary from the estimated amounts in the table below.

	Gary R. Fairhead	Rajesh B. Upadhyaya	Gregory A. Fairhead
Change-In-Control Payment	\$ 761,730	\$ 684,262	\$ 706,730

(1) Stock options granted on July 19, 2012 and vest over a three year period. The Company did not grant options or any stock appreciation rights to named executive officers in fiscal 2014.

DEFINED CONTRIBUTION PLAN

The Company has established a tax-qualified defined contribution 401(k) retirement plan for U.S. employees, which includes Officers. The 401(k) Plan provides for Company matching of employee contributions up to \$300 per employee per year and the Company has historically made a plan contribution of 1% of an employee's compensation.

On February 1, 2014, the Company implemented the 2013 Employee Stock Purchase Plan (ESPP) which was approved by the stockholders at the Company's 2013 Annual Meeting of Stockholders. Under the ESPP, all eligible employees may purchase shares of the Company's common stock at three-month intervals at 85% of the lower of the fair market value of the Company's common stock on the first day or the last day of the offering period (calculated in the manner provided in the ESPP). Eligible participating employees purchase such stock using payroll deductions, which may not be less than 1% nor exceed 15% of their total cash compensation per year. Shares of common stock are offered under the ESPP through a series of successive offering periods. The plan imposes certain limitations upon an employee's right to acquire common stock, including the following: (i) termination of employment for any reason immediately terminates the employee's participation in the plan, (ii) no employee may be granted rights to purchase more than \$25,000 worth of common stock for any calendar year that such rights are at any time outstanding, and (iii) the maximum number of shares of common stock purchasable in total by all participants in the ESPP on any purchase date is limited to 500,000 shares. The number of shares of common stock reserved for issuance under the plan automatically increases on the first day of the Company's fiscal year by 25,000 shares. During fiscal year 2014, 2,158 shares were issued under the ESPP and the Company recorded \$4,151 in compensation expense.

COMPENSATION OF DIRECTORS

The Company pays non-employee Directors \$4,500 per month. The Chairman of the Audit and Compensation Committees are paid an additional \$500 and \$250 per month, respectively. The Lead Independent Director receives an additional \$250 per month. In accordance with Company policy, directors who are also employees of the Company do not receive the remuneration described in this paragraph.

DIRECTOR COMPENSATION TABLE

Name	Fees Earned or Paid in		
	Cash (\$)	Awards (\$)(1)(2)	Total (\$)
Barry R. Horek	54,000	7,935	61,935
Bruce J. Mantia	57,000	7,935	64,935
Paul J. Plante	54,000	7,935	61,935
Thomas W. Rieck	60,000	7,935	67,935
Dilip S. Vyas	57,000	7,935	64,935

It is the Company's policy to compensate only non-employee Directors.

(1) On October 1, 2013, the Company granted 1,500 shares to each non-employee Director pursuant to the Director Plan (described below). A total of 7,500 restricted shares were granted which vested six months from the date of grant (April 1, 2014). The Company recognized approximately \$39,700 in compensation expense in fiscal year 2014 related to such restricted shares. At April 30, 2014, there was no unrecognized compensation expense related to the 7,500 shares of restricted stock granted.

(2) Represents the aggregate grant date fair value of stock awards computed in accordance with FASB ASC Topic 718. At April 30, 2014, the aggregate number of shares of common stock of the Company outstanding and issued pursuant to the Director Plan for each non-employee Director was as follows: Mr. Horek, 1,500 shares; Mr. Mantia, 1,500 shares; Mr. Plante, 1,500 shares; Mr. Rieck, 1,500 shares; Mr. Vyas, 1,500 shares.

Pursuant to the Tender Offer, the Company paid Thomas W. Rieck and Dilip S. Vyas \$4,900 and \$4,900, respectively, for their Eligible Options tendered by each of them under the TO in fiscal year 2014.

Under the 2000 Directors' Stock Option Plan, each Director who was, at the time of grant, neither a full-time employee of, nor a consultant to, the Company received a grant of options to acquire 7,500 shares of common stock at each of the September 2000, December 2001 and September 2002 Annual Stockholders' Meetings. Such options were exercisable for ten years from the respective date of grant at a price based on the price of common stock on the respective grant dates. As such, all such options have expired in accordance with their grant terms. Further, under the 2004 Directors' Stock Option Plan, each Director who, at the time of grant, was neither a full-time employee of, nor a consultant to, the Company received a grant of options to acquire 5,000 shares of common stock at each of the September 2004 and September 2005 Annual Stockholders' Meetings. All options granted under the 2000 Directors' Stock Option Plan and the 2004 Directors' Stock Option Plan constituted Eligible Options under the Company's offer to purchase Eligible Options.

2013 Non-Employee Director Restricted Stock Plan

On September 20, 2013, the Company implemented the 2013 Non-Employee Director Restricted Stock Plan ("Director Plan"), approved by the stockholders at the 2013 Annual Meeting of the Stockholders. The purpose of the Director Plan is to promote the success and interest of the Company and to enhance the stock ownership of the Directors by providing a method whereby non-employee Directors may receive a portion of their annual compensation in restricted shares of the common stock of the Company. Pursuant to the Director Plan, non-employee Directors may be paid a portion of the annual compensation in an award of shares of restricted Common Stock of the Company ("Award").

The Director Plan is administered by the Compensation Committee which has the power to determine the terms and provision of each Award. An aggregate of 50,000 shares of Common Stock of the Company were reserved for Awards under the Director Plan. Generally, stock awarded under the Director Plan do not vest until the six-month anniversary of the date of the Award and all shares of awarded restricted stock may not be sold, transferred or otherwise disposed of until they become vested, although the right to receive dividends with respect to the shares and to vote the shares occur upon grant. The Compensation Committee may amend, alter or terminate the Director Plan, subject to stockholder approval, if required.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed, and discussed the audited financial statements with management, and discussed with the independent public accounting firm (the Auditors) the matters to be discussed with the Audit Committee under the rules adopted by the Public Company Accounting Oversight Board (the PCAOB). The Audit Committee has received disclosures and the letter from the Auditors required by the PCAOB regarding the Auditor s communication with the Audit Committee concerning independence, and the Audit Committee has discussed the Auditor s independence with the Auditors. Based on the review and discussions referred to herein, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company s Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.
