SECTION 8 - OTHER EVENTS

Edgar Filing: FORWARD AIR CORP - Form 8-K

Item 8.01. Other Events.

At a meeting on December 12, 2005, the Board of Directors of Forward Air Corporation (the "Company") approved the accelerated vesting of all of the Company's outstanding and unvested stock options awarded to employees, officers and non-employee directors under the Company's stock option award programs, effective December 31, 2005. The action to accelerate the unvested stock options was taken in accordance with the applicable provisions of the Company's stock option plans.

The primary purpose of the accelerated vesting of these options was to eliminate future compensation expense the Company would otherwise recognize in its statement of operations with respect to these options upon the adoption of Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123R (Revised 2004) Share-Based Payment ("SFAS 123R"). SFAS 123R, which is required to be adopted by the Company on January 1, 2006, will require that compensation expense associated with stock options be recognized in the statement of operations, rather than disclosed as a footnote to the Company's consolidated financial statements.

The Company expects that the accelerated vesting of these options will result in the recording of a non-cash compensation expense of approximately \$1.0 million in the Company's fourth quarter. As a result of the acceleration, the Company expects to reduce the stock option expense it otherwise would be required to record in connection with the accelerated options by approximately \$8.6 million over the next three years. In addition, in order to prevent executive officers from unintended personal benefits, the Company's executive officers have agreed to the imposition of certain restrictions on the transferability of any shares received through the exercise of accelerated options. These restrictions will prevent the sale of any shares received from the exercise of an accelerated option until the earlier of the original vesting date of the option or the executive officer's termination of employment.
