**ITEM 1.01 Entry Into a Material Definitive Agreement.**

Innovex, Inc. (the “Company”) and its subsidiary, Innovex (Thailand) Limited, are borrowers under credit facilities agreements with Ayudhya Public Company Limited and TMB Bank Public Company Limited as lenders. During the months of February, March and April of 2009, the Company received verbal extensions from the lenders with respect to scheduled payments of approximately \$16.1 million during such months under the credit facilities agreements. While the Company has not received any formal written extension from either lender, the Company believes the lenders will not demand immediate payment of the obligations under the credit facilities, so long as the Company is working with the lenders to restructure the existing bank debt and to obtain an additional short term working capital facility. The Company anticipates that it may require additional extensions with respect to payments which otherwise become due and are not paid pending resolution of the restructuring discussions with the lenders. There is no assurance that the Company’s debt will be restructured on terms acceptable to the Company or at all.

**ITEM 2.02 Results Of Operations And Financial Condition.**

The Company hereby furnishes a press release issued on May 7, 2009 and attached hereto as Exhibit 99.1 disclosing material non-public information regarding the Company’s results of operations for the quarter ending April 4, 2009.
