**CAMTEK REPORTS PRELIMINARY INFORMATION ON REVENUES FOR THE FIRST
QUARTER OF 2004 FIFTH CONSECUTIVE QUARTER OF GROWTH IN REVENUES**

MIGDAL HA EMEK, ISRAEL April 14, 2004 Camtek Ltd. (NASDAQ:CAMT) reported today that, based on a preliminary review, it expects to report revenues of between \$12.4 to \$12.8 million for the first quarter of 2004, representing an increase of approximately 19% to 23%, respectively, over the fourth quarter of 2003, and an increase of 114% to 121% over the first quarter of 2003.

This is our fifth sequential quarter of growth in revenues, following the trends we have witnessed since the first quarter of 2003. This growth is in line with our expectations, commented Rafi Amit, Camtek's CEO. It reflects the continuing upturn in our served industries, and the resulting rise in demand for our PCB and HDI-S automated optical inspection products.

ABOUT CAMTEK LTD.

With headquarters in Migdal Ha Emek Israel, Camtek Ltd., designs, develops, manufactures, and markets automatic optical inspection systems and related products. Camtek's automatic inspection systems are used to enhance both production processes and yield for manufacturers in the printed circuit board industry, the high density interconnect substrate industry and the semiconductor manufacturing and packaging industry. This press release is available at www.camtek.co.il.

This press release contains projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions, as well as due to risks identified in the Company's last Form 20-F, its registration statement on Form F-1 filed with the SEC on April 5, 2004 and other documents filed by the Company with the SEC.
