Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

(1) Each Performance Based Restricted Stock Unit ("PSU") represents a contingent right to receive one of the issuer's common shares.

The PSUs are eligible to vest on August 16, 2016, contingent on the continued employment of the reporting person through such date and the satisfaction of the requirement that the average closing price of the issuer's common shares be at least \$35.00 during the six month period before the vesting date; provided, however, that the number of PSUs that vest is limited to the number of PSUs multiplied by five times the fair market value of the issuer's common shares on the grant date, divided by the fair market value of the issuer's common shares on the day before the applicable vesting date. This limitation caps the fair market value of the award at five times the fair market value of the award on the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
