## Edgar Filing: LEE ENTERPRISES, INC - Form 8-K

#### Item 8.01. Other Events.

On September 4, 2009, Lee Enterprises, Incorporated (the "Company") was notified by the New York Stock Exchange that its share price has risen to a sufficient level to cure a share price deficiency. Therefore, the Company has returned to compliance with the exchange's continued listing requirements for share price. The NYSE had notified Lee in December 2008 that the Company was not in compliance with the exchange's continued listing standard that requires an average closing price of at least \$1.00 per share of its publicly traded common shares over a 30-trading day period. At the time, the NYSE's rules granted the Company a six-month period within which to cure the price deficiency. Since then, the NYSE temporarily suspended the standard through July 31, 2009, and, as a result, extended Company's six-month cure period until December 3, 2009.
