(“Rising”), a New Jersey based company that markets and distributes generic prescription and over the counter pharmaceutical products to leading wholesalers, chain drug stores, distributors, mass market merchandisers and others under its own label, throughout the United States. The purchase price was approximately \$73,317,000 which was comprised of the issuance of 1,000,000 shares of Aceto common stock, valued at \$9,000,000, cash payment of approximately \$58,817,000 and approximately \$5,500,000 liability due to Rising to satisfy bulk sales tax obligation. The purchase agreement also calls for \$8,000,000 of deferred consideration to be paid by Aceto over a four year period. In addition, the agreement provides for the payment of additional contingent consideration equal to one-half of the three year cumulative Rising earnings before interest, taxes, deprecation and amortization in excess of \$32,100,000, up to a maximum of \$6,000,000.
