ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) Prior to October 16, 2004, Harmony, and to the best of Harmony's knowledge, each of the persons listed on Schedule I, was not the beneficial owner (as defined in Rule 13d-3 promulgated under the Exchange Act) of any Gold Fields securities.

As of the date hereof, Norilsk beneficially owns 98,467,758 Shares, or 20.03%, of the Gold Fields securities outstanding as of June 30, 2004, based on Gold Fields' Report on Form 6-K filed with the Securities and Exchange Commission on October 12, 2004.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

On September 6, 2004, Harmony met with Norilsk and informed it of the proposed offer. In discussions that followed, Harmony stated that it was not prepared to proceed with the proposed offer unless Norilsk entered into the Undertaking whereby Norilsk would agree to support the proposed offer on the terms outlined in the Undertaking. Harmony and Norilsk entered into discussions regarding the terms of the Undertaking, subject to board approval, finalization of the structure of the proposed offer and discussions with regulatory authorities. On October 16, 2004, the board of directors of Norilsk approved the Undertaking and Norilsk entered into the Undertaking.

Pursuant to the Undertaking, Norilsk agreed: (i) not to dispose of or in any way encumber all or any of its Shares or grant any right or restriction in connection with its Gold Fields securities; (ii) to vote all of its Gold Fields securities against the proposed sale by Gold Fields of its non-South African assets to IAMGold Corporation Inc.; (iii) not to accept the early settlement offer (as defined in the Announcement attached to the Undertaking) in respect of any of its Gold Fields securities; and (iv) provided that the proposed offer is subject to and made on the same terms and conditions as the Terms and Conditions (as defined in the Undertaking), to accept the further offer (as described in the Announcement attached to the Undertaking) in respect of all of its Gold Fields securities, in accordance with the terms of the proposed offer, once the approvals required from the South African Competition Authorities and the South African Reserve Bank and any other required regulatory approvals to enable the proposed offer to be implemented in accordance with its terms are granted without conditions the effect of which would be materially detrimental to the value of the enlarged group or are granted subject to such material conditions which Norilsk confirms to Harmony in writing are acceptable to Norilsk, which acceptance shall not be unreasonably withheld or delayed.

In addition, Norilsk agreed to vote all of the Gold Fields securities it holds in favor of a scheme of arrangement in terms of section 311 of the South African Companies Act of 1973, as amended, if implemented by Harmony between Gold Fields and Gold Fields shareholders (other than Harmony) (the Scheme of Arrangement), provided Harmony implements the Scheme of Arrangement on the Terms and Conditions, and Norilsk acknowledged and accepted that the mechanics of such implementation will differ from the mechanics of the implementation of the proposed offer.

The Undertaking is subject to certain conditions including but not limited to the following: (i) in the event a material adverse change in the business, financial or trading position, profits or prospects of Harmony occurs after the date of the Undertaking and such change is due to the occurrence of an act of god, *force majeure*, war or outbreak of hostilities or nationalization, expropriation or other expropriatory actions of a government having the same effect, Norilsk shall be released from its undertakings and obligations set forth in the Undertaking; and (ii) in the event a competing offer or transaction arises (the Competing Offer), Norilsk shall be released from its undertakings and obligations in the Undertaking for the purpose of accepting the Competing Offer, unless Harmony shall have made a revised offer on terms and conditions at least as favorable as such Competing Offer within 10 days of the announcement of such Competing Offer, provided that (a) such Competing Offer is serious and credible and (b) the value of such Competing Offer is at least 15% greater than the value of the Offers, determined by reference to the value of Harmony shares based on the closing price per Harmony share on the primary market in which Harmony shares are traded on the fifth trading day following the day on which the Competing Offer is

announced and, if the Competing Offer includes publicly-traded securities, the closing price of such securities on the primary market on which such securities are traded on the fifth trading day following the day on which the Competing Offer is announced.

The Undertaking terminates at the earliest of: (i) May 20, 2005; (ii) 30 days after the last of the required regulatory approvals has been obtained; (iii) the date upon which the Offers lapse as a result of the non-fulfillment of any condition precedent to which the Offers are subject; and (iv) the date upon which the Offers are withdrawn for any reason.

In addition, the Undertaking would have lapsed if the Offers were not made on or before November 1, 2004 or if Harmony fails to take all reasonable steps required to implement the Offers, including but not limited to, calling a meeting of shareholders of Harmony, making any regulatory filings and mailing offer documentation to shareholders of Gold Fields within a reasonable time period.

A copy of the Undertaking is included as Exhibit A hereto and the description of the Undertaking contained herein is qualified in its entirety by reference to Exhibit A, which is incorporated herein by reference.

Except as set forth herein, Harmony has no present plans or proposals that relate to or would result in the occurrence of any of the events specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D.

Except as described above, Harmony has no contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of Gold Fields, including but not limited to transfer or voting of any such securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
