PROXY STATEMENT

FOR THE 2005 ANNUAL MEETING OF STOCKHOLDERS

June 1, 2005

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Tercica, Inc. is soliciting your proxy to vote at the 2005 Annual Meeting of Stockholders. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or on the Internet.

Tercica intends to mail this proxy statement and accompanying proxy card on or about May 3, 2005, to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 15, 2005, will be entitled to vote at the Annual Meeting. On this record date, there were 31,578,517 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 15, 2005, your shares were registered directly in your name with Tercica's transfer agent, EquiServe Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed

Edgar Filing: TERCICA INC - Form DEF 14A

below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 15, 2005, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

Election of three directors; and

* Please note that Tercica's mailing address will change effective July 10, 2005. After July 10, 2005, Tercica's mailing address will be: 2000 Sierra Point Parkway, Brisbane, California 94005.

The ratification of Ernst & Young LLP as Tercica's independent registered public accounting firm for the fiscal year ending December 31, 2005.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card, vote by proxy over the telephone, or vote by proxy on the Internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- Ø To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- Ø To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- Ø To vote over the telephone, dial toll-free (877) 779-8683 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 12:00 midnight, Eastern Time on May 31, 2005 to be counted.
- Ø To vote on the Internet, go to <http://www.eproxyvote.com/trca> to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 12:00 midnight, Eastern Time on May 31, 2005 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Tercica. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares on-line, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 15, 2005.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all three nominees for director and For the ratification of Ernst & Young LLP as Tercica's

independent registered public accounting firm for the fiscal year ending December 31, 2005. If any other matter is properly presented at the meeting, your proxy (i.e., one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, Tercica's directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- Ø You may submit another properly completed proxy card with a later date.
- Ø You may send a written notice that you are revoking your proxy to Tercica's Secretary at 651 Gateway Boulevard, Suite 950, South San Francisco, California 94080.
- Ø You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 30, 2005, to Tercica's Secretary at 2000 Sierra Point Parkway, Brisbane, California 94005. However, if Tercica's 2006 Annual Meeting of Stockholders is not held between May 2, 2006 and July 1, 2006, then the deadline will be a reasonable time prior to the time we begin to print and mail our proxy materials. If you wish to bring a proposal before the stockholders at next year's annual meeting that is not included in next year's proxy materials, you must notify Tercica's Secretary, in writing, not later than the close of business on March 3, 2006. However, if Tercica's 2006 Annual Meeting

Edgar Filing: TERCICA INC - Form DEF 14A

of Stockholders is not held between May 2, 2006 and July 1, 2006, then the deadline will be not later than the close of business on the tenth day following the date on which the notice of the date of the 2006 Annual Meeting of Stockholders was mailed or the tenth day following the date on which public disclosure of the date of the 2006 Annual Meeting of Stockholders was made, whichever occurs first. We also advise you to review Tercica's Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. If you do not comply with these requirements, you will not be able to make a stockholder proposal or director nomination at next year's annual meeting.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors, Against votes,

abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

How many votes are needed to approve each proposal?

- Ø For the election of directors, the three nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Only For or Withhold votes will affect the outcome.

- Ø To be approved, Proposal No. 2, the ratification of Ernst & Young LLP as Tercica's independent registered public accounting firm for the fiscal year ending December 31, 2005, must receive a For vote from the majority of the shares represented and voting either in person or by proxy at the Annual Meeting. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the meeting or by proxy. On the record date, there were 31,578,517 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the Chairman of the meeting or a majority of the votes represented at the meeting either in person or by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in Tercica's quarterly report on Form 10-Q for the second quarter of 2005.

PROPOSAL 1

ELECTION OF DIRECTORS

Tercica's Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by a majority of the remaining directors then in office (or by a sole remaining director). A director elected by the Board to fill a vacancy in a class shall serve for the remainder of the full term of that class, and until the director's successor is elected and qualified, or until such director's earlier death, resignation or removal. This includes vacancies created by an increase in the number of directors.

The Board of Directors presently has nine members. There are three directors in the class whose term of office expires in 2005 and who are standing for reelection: Ross G. Clark, Olle Isaksson and David L. Mahoney. Each of Dr. Clark, Dr. Isaksson and Mr. Mahoney were recommended for reelection to Tercica's Board of Directors by the Corporate Governance and Nominating Committee of Tercica's Board of Directors. Each of the nominees listed below is currently a director of Tercica who was previously appointed by the Board of Directors prior to Tercica's initial public offering in March 2004, except for Mr. Mahoney, who was appointed by the Board of Directors in October 2004. Mr. Mahoney was recommended for election to Tercica's Board of Directors by Tercica's Corporate Governance and Nominating Committee and Tercica's Chief Executive Officer. If elected at the Annual Meeting, each of these nominees would serve until the 2008 Annual Meeting of Stockholders and until his or her successor is elected and has qualified, or until the director's death, resignation or removal. Tercica does not have a formal policy regarding its directors' attendance at the Annual Meeting, but Tercica is encouraging its directors to attend the Annual Meeting. This is Tercica's first annual meeting of stockholders since Tercica became a publicly traded company in March 2004.

The following is a brief biography of each nominee and each director whose term will continue after the Annual Meeting.

Audit Committee

The Audit Committee of the Board of Directors oversees Tercica's corporate accounting and financial reporting processes and audits of Tercica's financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee appoints, retains and determines the compensation for, Tercica's independent registered public accounting firm; reviews and approves the retention of Tercica's independent registered public accounting firm to perform any proposed permissible non-audit services; oversees and monitors (a) the integrity of Tercica's financial statements, (b) Tercica's compliance with legal and regulatory requirements as they relate to financial statements or accounting matters, (c) the qualifications, independence and performance of Tercica's independent registered public accounting firm, and (d) Tercica's internal accounting and financial controls; provides the Board with the results of its monitoring and recommendations, as well as additional information and materials as it deems necessary to make the Board aware of significant financial matters that require the attention of the Board; oversees compliance with Tercica's Code of Business Conduct and Ethics for Tercica's directors, officers and other employees relating to matters of

Edgar Filing: TERCICA INC - Form DEF 14A

internal accounting controls, disclosure controls or auditing matters; confers with management and Tercica's independent registered public accounting firm regarding the effectiveness of Tercica's internal control over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by Tercica regarding accounting, internal accounting controls or auditing matters and procedures for the

confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review Tercica's annual audited financial statements and quarterly unaudited financial statements with management and Tercica's independent registered public accounting firm, including reviewing Tercica's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. Three directors currently comprise the Audit Committee: Ms. Eastham, Mr. Leschly and Mr. Mahoney. The Audit Committee met eight times during the last fiscal year. The Board of Directors has adopted a written Audit Committee Charter that is attached as Appendix A to these proxy materials.

The Board of Directors has reviewed the Nasdaq listing standards definition of independence for Audit Committee members and has determined that all members of Tercica's Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards). The Board of Directors has also determined that Ms. Eastham qualifies as an audit committee financial expert, as defined in applicable SEC rules.

Compensation Committee

The Compensation Committee of the Board of Directors approves and evaluates the overall compensation plans, policies and programs for Tercica. The Compensation Committee reviews and makes recommendations to the Board regarding general compensation goals and guidelines for employees and the criteria by which bonuses to employees are determined; reviews and recommends to the Board for approval, and reviews and approves for Tercica's other executive officers, (a) annual base salary, (b) annual incentive bonus, including the specific goals and amount, (c) equity compensation, (d) employment agreements, severance arrangements, and change in control agreements and provisions, and (e) any other benefits, compensations, compensation policies or arrangements; reviews and makes recommendations to the Board regarding the compensation policy for such other officers as directed by the Board; and administers Tercica's current benefit plans and makes recommendations to the Board with respect to amendments to the plans, changes in the number of shares reserved for issuance thereunder and regarding other plans proposed for adoption. Three directors currently comprise the Compensation Committee: Dr. Henner, Mr. Leschly and Mr. Wiggins. All members of Tercica's Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). The Compensation Committee met five times during the last fiscal year.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee of the Board of Directors is responsible for reviewing Board structure, composition and practices, and making recommendations on these matters to the Board; reviewing, soliciting and making recommendations to the Board and stockholders with respect to candidates for election to the Board; overseeing compliance with Tercica's Code of Business Conduct and Ethics for Tercica's directors, officers and other employees relating to matters other than internal accounting controls, disclosure controls or auditing matters; overseeing and monitoring Tercica's compliance with legal and regulatory requirements, except as compliance relates to financial statements or accounting matters; and reviewing with management any correspondence with regulators or governmental agencies and any employee complaints or published reports that raise material issues with respect to all matters other than with respect to the Tercica's financial statements or accounting policies. The Board of Directors has adopted a written Corporate Governance and Nominating Committee Charter that is attached as Appendix B to these proxy materials. Three directors currently comprise the Corporate Governance and Nominating Committee: Dr. Barkas, Dr. Isaksson and Mr. Leschly. All members of the Corporate Governance and Nominating Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). The Corporate Governance and Nominating Committee met four times during the last fiscal year.

The Corporate Governance and Nominating Committee is responsible for the recruitment of new Board members. Invitations to join the Board are extended by the Chairman of the Board on behalf of the entire Board. With respect to Board qualifications, the Corporate Governance and Nominating Committee takes into

consideration: applicable laws and regulations (including those of Nasdaq), skills, experience, integrity, ability to make independent analytical inquiries, understanding of Tercica's business and business environment, willingness to devote adequate time and effort to Board responsibilities, diversity, age and other relevant factors that vary depending on the specific needs of the Board at any particular time. The Corporate Governance and Nominating Committee reviews candidates for director in the context of the then-current composition, skills and expertise of the Board, the operating requirements of Tercica and the interests of stockholders. In the case of incumbent directors whose terms of office are set to expire, the Corporate Governance and Nominating Committee discusses such directors and makes a recommendation to the Board regarding their being nominated for election to the Board. In the case of new director candidates, the Corporate Governance and Nominating Committee determines whether nominees must be independent for Nasdaq purposes, based upon Nasdaq listing standards and applicable SEC rules and regulations. The Corporate Governance and Nominating Committee then identifies potential candidates, for which purpose it may, if it deems appropriate, engage a professional search firm. To date, Tercica has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. The Corporate Governance and Nominating Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the functions and needs of the Board. The Corporate Governance and Nominating Committee meets to discuss and consider such candidates' qualifications. The Committee, Chief Executive Officer and Chairman then interview candidates that the Corporate Governance and Nominating Committee believes have the requisite background, before recommending a nominee to the Board, which will vote on the nominee.

The Corporate Governance and Nominating Committee will consider, but not necessarily recommend to the Board, director candidates recommended by stockholders. The Corporate Governance and Nominating Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Corporate Governance and Nominating Committee to become nominees for election to the Board may do so by delivering a written recommendation by certified mail only, c/o the Chairman or Secretary, at the following address: Tercica, Inc., 651 Gateway Boulevard, Suite 950, South San Francisco, CA 94080, or after July 10, 2005, to 2000 Sierra Point Parkway, Brisbane, CA 94005. After Tercica's 2005 Annual Meeting of Stockholders, the recommendations must be delivered no sooner than 120 and no later than 90 days prior to the anniversary date of the mailing of the Tercica's proxy statement for the last Annual Meeting of Stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of Tercica's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. To date, the Corporate Governance and Nominating Committee has not received a timely director nominee from a stockholder or stockholders holding more than 5% of Tercica's voting stock.

Meetings of the Board of Directors

The Board of Directors met ten times during the last fiscal year. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he or she served, held during the period for which he or she was a director or committee member, respectively.

Stockholder Communications With the Board of Directors

Tercica's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders may send written communications to the Board or any of the directors, by certified mail only, c/o Chairman or Secretary, Tercica, Inc., 651 Gateway Boulevard, Suite 950, South San Francisco, CA 94080 or, after July 10, 2005, to 2000 Sierra Point Parkway, Brisbane, CA 94005. Code of Business Conduct and Ethics

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS(1)

From January 2004 to October 2004, the Audit Committee of the Board of Directors was comprised of Drs. Barkas and Hockmeyer and Ms. Eastham, with Mr. Mahoney joining in October 2004. In November 2004, Dr. Barkas resigned from the Audit Committee. For the remainder of the fiscal year ended December 31, 2004, the Audit Committee was comprised of Dr. Hockmeyer, Ms. Eastham and Mr. Mahoney. The Audit Committee is currently comprised of Ms. Eastham, Mr. Leschly and Mr. Mahoney. All members of Tercica's Audit Committee are independent (as independence is defined in Rules 4200(a)(15) and 4350(d) of the Nasdaq listing standards). The Audit Committee is governed by a written Audit Committee Charter adopted by the Board of Directors.

The Audit Committee oversees Tercica's corporate accounting and financial reporting processes on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in Tercica's 2004 Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee is responsible for reviewing, approving and managing the engagement of Tercica's independent registered public accounting firm, including the scope, extent and procedures of the annual audit and compensation to be paid therefor, and all other matters the Audit Committee deems appropriate, including the independent registered public accounting firm's accountability to the Board and the Audit Committee. The Audit Committee reviewed with Tercica's independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of Tercica's accounting principles and such other matters as are required to be discussed with the Audit Committee by SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380). In addition, the Audit Committee has discussed with Tercica's independent registered public accounting firm its independence from management and Tercica, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and has considered the compatibility of non-audit services with the independence of Tercica's independent registered public accounting firm.

The Audit Committee discussed with Tercica's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, its evaluation of Tercica's internal control over financial reporting, and the overall quality of Tercica's financial reporting. The Audit Committee held eight meetings during the fiscal year ended December 31, 2004.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in Tercica's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has also retained, subject to stockholder ratification described in Proposal 2, Ernst & Young LLP as Tercica's independent registered public accounting firm for the fiscal year ending December 31, 2005.

AUDIT COMMITTEE

- (1) The material in this report is not soliciting material, is not deemed filed with the SEC and is not to be incorporated by reference into any filing of Tercica under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as Tercica's independent registered public accounting firm for the fiscal year ending December 31, 2005, and the Board has directed management to submit the selection of Ernst & Young LLP as Tercica's independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Ernst & Young LLP has audited Tercica's financial statements since its inception in 2000. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither Tercica's Bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as Tercica's independent registered public accounting firm. However, the Board, on behalf of the Audit Committee, is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Tercica and its stockholders.

The affirmative vote of the holders of a majority of the shares represented and voting either in person or by proxy will be required to ratify the selection of Ernst & Young LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

THE BOARD OF DIRECTORS RECOMMENDS**A VOTE IN FAVOR OF PROPOSAL 2.****Principal Accountant Fees and Services**

The following table represents aggregate fees billed to Tercica for the fiscal years ended December 31, 2004 and 2003, by Ernst & Young LLP, Tercica's independent registered public accounting firm:

	Fiscal Year Ended December 31,	
	2004	2003
Audit Fees (1)	\$ 403,000	\$ 635,000
Audit-Related Fees (2)		16,000
Tax Fees (3)	13,000	12,000
All Other Fees (4)	19,000	

Edgar Filing: TERCICA INC - Form DEF 14A

Total Fees	\$ 435,000	\$ 663,000
------------	------------	------------

(1) *Audit Fees.* Consists of fees billed for professional services rendered for the audit of Tercica's financial statements and review of the interim financial statements included in quarterly reports and services that are normally provided by Ernst & Young LLP in connection with regulatory filings or engagements. 2003 audit fees also include fees for the audit of Tercica's financial statements for the period ended March 31, 2001 included in Tercica's registration statement on Form S-1 in connection with Tercica's initial public offering.

(2) *Audit-Related Fees.* Consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of Tercica's financial statements and are not reported under Audit Fees. During fiscal 2003, these services included research and consultations concerning financial accounting and reporting standards. There were no audit-related fees billed to Tercica for services rendered during fiscal 2004.

(3) *Tax Fees.* Consists of fees billed for professional services for federal and state tax compliance, tax planning and tax advice, which consists of technical tax consulting. During fiscal 2003, these services included federal and state tax compliance and tax planning. During fiscal 2004, these services included federal and state tax compliance, tax planning and tax advice.

(4) *All Other Fees.* Consists of fees for products and services other than the services described above. During fiscal 2003, Ernst & Young LLP did not provide any such products or services to Tercica. During fiscal 2004, these fees related to a special project concerning an audit of a portion of the 2004 expenses incurred by Tercica's contract manufacturer.

Because Tercica's initial public offering occurred on March 17, 2004, Tercica's Audit Committee was not required to, and did not pre-approve, all of the fees described above in 2003. After the commencement of Tercica's initial public offering, Tercica's Audit Committee began pre-approving all audit and permissible non-audit services by Ernst & Young LLP and has pre-approved all new services since that time.

Pre-Approval Policies and Procedures

Tercica's Audit Committee, or an Audit Committee member designated by the Audit Committee, pre-approves all audit and permissible non-audit services provided by Ernst & Young LLP, Tercica's independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Prior to engaging Ernst & Young LLP to render an audit or permissible non-audit service, the Audit Committee, or an Audit Committee member designated by the Audit Committee, specifically approves the engagement of Ernst & Young LLP to render that service. If an Audit Committee member is designated by the Audit Committee to pre-approve any services, the Audit Committee is advised at its next scheduled meeting of any services pre-approved by that member. Accordingly, Tercica does not engage Ernst & Young LLP to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by Tercica's Audit Committee, or an Audit Committee member designated by the Audit Committee, in advance.

Tercica's Audit Committee has determined that the rendering of the services other than audit services by Ernst & Young LLP is compatible with maintaining the principal accountant's independence.

- (1) Of these shares, 71,706 shares remained available for the grant of future rights under Tercica's 2004 Employee Stock Purchase Plan as of December 31, 2004.

All of Tercica's equity compensation plans and arrangements were approved by Tercica's stockholders, with the exception of a single stock option granted to MedImmune Ventures, Inc. to purchase 22,500 shares of common stock at an exercise price of \$4.00 per share, the fair market value of the stock as determined by Tercica's Board of Directors on the date of grant. This stock option provided that it was to vest in three equal installments on each one-year anniversary date of the date of grant until all shares subject to the option are vested in full, subject to the continued status of Dr. Hockmeyer as a director. As of the effective date of Dr. Hockmeyer's resignation from the Board in April 2005, 7,500 shares were vested, and the unvested portion of this stock option expired. This stock option was granted outside of Tercica's stock option plans without the approval of Tercica's security holders.

EXECUTIVE COMPENSATION

Compensation of Directors

Prior to Tercica's initial public offering in March 2004, Tercica did not pay any cash compensation to its directors, except for Karin Eastham, to whom Tercica paid \$1,875 prior to Tercica's initial public offering. Each non-employee director of Tercica currently receives \$15,000 per year, plus \$2,000 for each meeting attended in

person and \$1,000 for each meeting attended by telephone. Tercica also pays the members, other than the chair, of each committee of the Board an additional \$1,000 per meeting and the chair of each committee an additional \$2,000 per meeting. In the fiscal year ended December 31, 2004, the total compensation paid to non-employee directors was \$173,772. With regard to Dr. Hockmeyer's services, this compensation was paid directly to MedImmune Ventures, Inc. The members of the Board of Directors are also eligible for reimbursement for their expenses incurred in attending Board meetings in accordance with Tercica's policy.

On January 8, 2004, Tercica granted to Dr. Barkas, Tercica's Chairman of the Board, an option to purchase 33,750 shares of common stock, and each of Tercica's other current non-employee directors, other than Dr. Hockmeyer whose option was issued to MedImmune Ventures, Inc., an option to purchase 22,500 shares of common stock. Each of these options vest in three equal installments on each one-year anniversary date of the date of grant until all shares subject to the option are vested in full, subject to the optionee's continued status as a director or, in the case of MedImmune Ventures, Inc.'s grant, the continued status of Dr. Hockmeyer as a director. Each non-employee director of Tercica is also eligible to receive stock option grants under Tercica's 2004 Stock Plan, which became effective on the day prior to the closing of Tercica's initial public offering in March 2004. Under the 2004 Stock Plan, any new non-employee director joining Tercica's Board will automatically receive an option to purchase 22,500 shares of common stock. In addition, non-employee directors, who have been directors for at least six months, will receive a subsequent annual stock option grant to purchase 11,250 shares, or 22,500 shares for a non-employee director who also is the Chairman of the Board, following each annual meeting of Tercica's stockholders, commencing with the 2005 Annual Meeting of Stockholders. All options granted to non-employee directors under the automatic grant provisions of the 2004 Stock Plan have a term of ten years and an exercise price equal to fair market value on the date of grant. Each initial option becomes exercisable as to one-third of the shares subject to the option on each anniversary of the date of grant, provided the non-employee director remains a service provider on such dates. Each annual option grant becomes exercisable as to 100% of the shares subject to the option on the first anniversary of the date of grant, provided the non-employee director remains a service provider on such date. Under the 2004 Stock Plan, in the event of Tercica's change of control, the successor corporation may assume or substitute an equivalent award for each outstanding option. If there is no assumption or substitution of outstanding options, the administrator will provide notice to the recipient that he or she has the right to exercise the option as to all of the shares subject to the award, including shares which would not otherwise be exercisable, for a period of 15 days from the date of the notice. The award will terminate upon the expiration of the 15-day period. Under the 2004 Stock Plan, in the event a non-employee director is terminated on or following a change in control, other than pursuant to a voluntary resignation, his or her options will fully vest and become immediately exercisable.

- (1) One-fourth of the shares subject to Mr. Silberg's stock option vest one year after the vest date, and 1/48th of the remaining shares subject to Mr. Silberg's stock option vest each month thereafter and may be early exercised by Mr. Silberg. The exercise price per share of Mr. Silberg's stock option was equal to the closing price of Tercica's common stock on the grant date. The exercise price may be paid in cash, in shares of Tercica's common stock valued at fair market value on the exercise date or through a cashless exercise procedure involving a same-day sale of the purchased shares.
- (2) The percentage shown under "Percent of Total Options Granted to Employees in 2004" is based on options to purchase an aggregate of 1,282,500 shares granted to Tercica's employees during 2004. This number does not include options to purchase 24,000 shares granted to consultants during 2004.
- (3) The potential realizable value is calculated based on the ten-year term of the option at the time of grant, compounded annually. The potential realizable value is calculated by assuming that the stock price on the date of grant appreciates at the indicated annual rate, compounded annually for the entire term of the option, and that the option is exercised and sold on the last day of its term for the appreciated stock price. Appreciation of 5% and 10% is assumed pursuant to rules promulgated by the SEC and does not represent Tercica's prediction of its stock price performance.

Tercica has entered into employment agreements with each of its executive officers. For more information regarding these agreements, see Employment Contracts, Termination of Employment and Change of Control Arrangements.

Director and Officer Indemnification

Tercica's restated certificate of incorporation contains provisions limiting the liability of Tercica's directors. Tercica's bylaws provide that Tercica must indemnify its directors and officers and may indemnify Tercica's other employees and agents to the fullest extent permitted by the Delaware General Corporation Law. Tercica's bylaws also permit Tercica to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether Tercica's bylaws would otherwise permit indemnification. Tercica has entered and expects to continue to enter into agreements to indemnify its directors, executive officers and other employees as determined by the Board of Directors. These agreements provide for indemnification for related expenses including attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. Tercica believes that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. Tercica also maintains directors' and officers' liability insurance.

Compensation Committee Interlocks and Insider Participation

During 2004, Tercica's Compensation Committee was comprised of Dr. Henner, Mr. Leschly and Dr. Hockmeyer, who resigned from Tercica's Board of Directors in April 2005. As noted above, Tercica's Compensation Committee is currently comprised of Dr. Henner, Mr. Leschly and Mr. Wiggans. No member of the Compensation Committee is or was formerly an officer or employee of Tercica. None of Tercica's executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers who serve on Tercica's Board or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION(1)

To: The Board of Directors

The Compensation Committee oversees Tercica's overall compensation program for its employees and executive officers. In addition, the Committee evaluates the performance and recommends the compensation of the Chief Executive Officer to the Board of Directors. The Committee is comprised entirely of independent directors who are not officers or employees of Tercica.

Compensation Philosophy

During 2004, Tercica's compensation program was designed to:

reward employees for Tercica's overall performance and for individual performance with respect to goals, responsibilities and adherence to company values;

attract and retain individuals who are capable of leading Tercica in achieving its business objectives in an industry characterized by competitiveness, growth and a challenging business environment; and

provide substantial alignment of management's interests with the long-term interests of stockholders.

The Committee believes that Tercica's compensation program is consistent with the Committee's policy of maximizing stockholder value over time.

Compensation Survey

In 2004, the Committee engaged the services of an independent compensation and benefits consulting company in order to conduct a survey and review of Tercica's salary, bonus, stock incentive award and benefits history for executive officers, compared to a group of biotechnology and pharmaceutical companies of a size and complexity similar to that of Tercica. Based on the analysis, the consultant concluded that the levels of executive compensation provided during 2004 were generally competitive with the levels offered by the comparator companies surveyed, although in individual cases, certain individuals were above and certain individuals were below competitive norms.

Factors Affecting the Evaluation of Executive Performance

Executive officers are evaluated with respect to their achievement of their individual goals and responsibilities, adherence to Tercica's values and the achievement of the annual company-wide goals set by the Board of Directors. For 2004, Tercica's successful initial public offering (IPO) in March 2004 and progress made toward the filing Tercica's new drug application (NDA) were assigned significant weight. Future compensation

Edgar Filing: TERCICA INC - Form DEF 14A

for executive officers will continue to be based in large part on Tercica's ability to effectively develop and implement strategies and performance that enable Tercica to achieve its company-wide goals and enhance stockholder value.

Executive Officer Salaries

Salaries for executive officers are based principally on the Committee's evaluation of individual job performance, an assessment of the salaries paid by similar companies to executive officers holding equivalent

positions, and, with respect to executive officers other than the Chief Executive Officer, recommendations made by the Chief Executive Officer. In setting salaries, the Committee neither bases its considerations on any single factor nor does it specifically assign relative weights to factors, but rather considers a mix of factors and evaluates individual performance against that mix both in absolute terms and in relation to other company executives. The 2004 salaries of the Named Executive Officers are shown in the "Salary" column of the Summary Compensation Table.

Executive Officer Bonuses

The Committee sets the annual compensation pool for bonuses for all employees, which is contingent upon performance against individual goals and responsibilities and against annual company-wide goals set by the Board of Directors. Executive bonuses in 2004 were primarily based on performance against individual goals and responsibilities, adherence to Tercica's values and an assessment of the executive's contribution to the achievement of Tercica's 2004 goals, which included the successful completion of the IPO in March 2004 and progress toward the filing of Tercica's NDA. The bonuses awarded to the Named Executive Officers for 2004 are shown in the "Bonus" column of the Summary Compensation Table, as is the signing bonus paid to Mr. Silberg in 2004.

Executive Officer Long-Term Incentive Compensation

Long-term incentive awards, such as stock options, are designed to ensure that incentive compensation is linked to the long-term performance of Tercica's common stock. Tercica has provided long-term compensation to certain members of senior management under Tercica's 2004 Stock Plan. The plan provides Tercica with the ability to periodically reward key employees, including executive officers, with options to purchase shares of Tercica's common stock as well as other stock purchase rights. The size of the option grant is generally intended to reflect the executive officer's position with Tercica and his or her individual job performance and contributions to Tercica's annual goals. An executive officer's equity ownership position in Tercica is also considered in determining the size of the option grant. The value of stock options is tied to the future performance of Tercica's common stock and provides value to the recipient only when the price of Tercica's common stock increases above the option grant price. Through option grants and other stock awards, executives receive significant equity incentives to build long-term stockholder value.

In 2004, no stock options were granted to the Named Executive Officers listed in the Summary Compensation Table, except for an option granted to Mr. Silberg for the purchase of 300,000 shares of Tercica's common stock under Tercica's 2004 Stock Plan, which was granted in connection with his joining Tercica in April 2004.

Additional long-term equity incentives are provided through Tercica's 2004 Employee Stock Purchase Plan in which all eligible employees, including eligible executive officers of Tercica, may purchase stock of Tercica, subject to specified limits, at 85% of fair market value.

Compensation of the Chief Executive Officer

The Committee recommended Dr. Scarlett's 2004 salary to the Board of Directors. In setting Dr. Scarlett's base salary for 2004, the Committee and Board of Directors evaluated the same factors for establishing the salary levels of the executive officers generally, as well as Tercica's 2004 financial and operating performance, and the performance of Tercica's common stock. In addition, the Committee and Board of Directors considered the status of Dr. Scarlett as Tercica's most senior officer, a review of the compensation for chief executive officers of comparable companies, and the important role he performed in achieving overall corporate goals. No particular weighting was assigned to any factor, although the Committee and the Board of Directors weighted Tercica's successful IPO in March 2004 and progress made toward filing of the NDA more heavily.

The Board of Directors had set Dr. Scarlett's base salary of \$280,000, which continued into January 2004, and raised it to \$330,000 effective July 1, 2004. In 2004, Tercica did not award any equity-based compensation to Dr. Scarlett because of his significant current levels of stock ownership. The bonus award recommended by the Committee for 2004 and set by the Board of Directors was \$140,000, based primarily on the factors set forth above. Dr. Scarlett did not receive separate compensation for serving as a member of the Board of Directors.

Federal Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) limits Tercica to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to certain executive officers in a taxable year. Compensation above \$1 million may be deducted if it is performance-based compensation within the meaning of the Code.

Section 162(m) and applicable Treasury regulations offer a number of transitional exceptions to this deduction limit for pre-existing compensation plans, arrangements and binding contracts adopted prior to the time a company becomes publicly held. As a result, the Committee believes that at the present time it is quite unlikely that the compensation paid to any executive officer in a taxable year that is subject to the deduction limit will exceed \$1 million. Therefore, the Committee has not yet established a policy for determining which forms of incentive compensation awarded to Tercica's executive officers shall be designed to qualify as performance-based compensation. The Committee intends to continue to evaluate the effects of the statute and any applicable Treasury regulations and to comply with Code section 162(m) in the future to the extent consistent with Tercica's best interests.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Tercica stockholders will be householding Tercica's proxy materials. A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you notify your broker or Tercica that you no longer wish to participate in householding. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report in the future you may (1) notify your broker, (2) direct your written request to: Investor Relations, Tercica Inc., 651 Gateway Boulevard, Suite 950, South San Francisco, California 94080 (after July 10, 2005, please direct your written request to: Investor Relations, Tercica Inc., 2000 Sierra Point Parkway, Brisbane, California 94005) or (3) contact Tercica's Investor Relations department at (650) 624-4977. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker. In addition, Tercica will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
