-

**Item 1.01 Entry into a Material Definitive Agreement**

As of June 24, 2005, we entered into a five-year secured revolving credit facility (the "Credit Facility") totaling up to \$40 million with Bank of America, N.A. (the "Bank"), which replaced our existing \$25 million unsecured revolving credit facility with the Bank. The Credit Facility was obtained for general corporate purposes, and will terminate on June 30, 2010.

Under the terms of the Credit Facility, we may borrow up to the maximum borrowing limit of \$40 million less any outstanding letters of credit, and we have set the initial loan ceiling amount at \$30 million. The interest rate for borrowings under the Credit Facility ranges from 1.00% to 1.50% over the average interest settlement rate for deposits in the London interbank market banks ("Eurodollar Rate") or 0.50% to 1.00% over the Bank's prime rate ("Base Rate") and is subject to increase upon the occurrence of an event of default. Interest on any outstanding borrowings under the Credit Facility is payable at least quarterly.

Our ability to receive loan advances under the Credit Facility is subject to our continued compliance with various covenants, representations, warranties, and conditions, including but not limited to negative covenants against the incurrence of debt or liens. The Credit Facility also contains events of default customary for facilities of this type and provides that, upon the occurrence of an event of default, payment of all outstanding loans may be accelerated and/or the lenders' commitments may be terminated.

Pursuant to this agreement, we and our wholly-owned subsidiaries have (i) provided an unconditional guarantee of the full and punctual payment of obligations under the Credit Facility, (ii) pledged certain of its securities to the collateral agent as security for the full payment and performance of our obligations under the Credit Facility and (iii) granted a security interest in essentially all of our personal property as security for the full payment and performance of our obligations under the Credit Facility.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under Off-Balance Sheet Arrangement of a Registrant**
