Section 1 Registrant's Business and Operations**Item 1.01 Entry into a Material Definitive Agreement**

On February 23, 2006, the Compensation Committee of the Board of Directors of El Paso Electric Company (the Company) approved a 2006 long-term incentive award to certain executive officers under the Company's shareholder-approved 1999 Long-Term Incentive Plan. Eligible participants were given a restricted stock award and a performance share award. Approximately twenty-five percent (25%) of each award is in the form of restricted stock, and approximately seventy-five percent (75%) of each award is in the form of performance shares. The restricted stock award vests at the end of three years if the individual remains with the Company. The performance shares are earned, if at all, based on the total shareholder return compared to industry peer companies over a three-year period. The actual number of performance shares is calculated by determining the Company's percentile ranking within the peer group at the end of the three-year period and can range from 0% to 200% of target with no performance award earned if the Company is below a thirty percentile ranking. The peer group will be composed of the companies in Standard and Poor's Small Cap 600 and MidCap 400 that are also in the Global Industry Classification Standard's sub-industry of Electric Utilities. The 2006 awards granted to the Named Executive Officers are as follows:

Gary R. Hedrick, President and Chief Executive Officer	7,500	25,900
Scott D. Wilson, Executive Vice President and Chief Financial and Administrative Officer	2,800	9,700
J. Frank Bates, Executive Vice President and Chief Operating Officer	1,500	5,300
Kerry B. Lore, Vice President -Administration	900	3,000
