**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

Effective January 5, 2007, the Board of Directors (the Board) of Whirlpool Corporation (the Company), upon the recommendation of the Corporate Governance and Nominating Committee of the Board, amended the By-Laws of the Company (the By-Laws). The changes to the By-Laws were as follows:

Revised a provision from Section 11 of Article II to require that a nominee state whether or not the nominee will submit an irrevocable resignation effective upon such person's failure to receive the required vote for re-election at the next meeting at which such person would face re-election and upon acceptance of such resignation by the Board in accordance with the relevant Board policy.

Replaced a provision from Section 2 of Article III that established a plurality voting standard for all director elections with a provision establishing a majority voting standard to elect directors in uncontested elections. Under the new majority voting standard, nominees for directors must receive more votes for than against their election, unless one or more stockholder nominees are competing for Board seats as of ten days before the Company mails its notice of meeting to stockholders, in which case directors will be elected by plurality vote.

Revised a provision of Section 9 of Article III to clarify that a director's resignation under Article II, Section 11(c) requires acceptance by the Board.

The foregoing is a summary of the By-Law amendments. This summary is qualified in its entirety by reference to the By-Laws, as amended and filed as Exhibit 3.2 attached hereto and incorporated by reference herein.
