To holders of Options under the ScottishPower Executive Option Scheme (**ExSOP**)

Dear Optionholder

Iberdrola's offer for ScottishPower plc your options under the Plan

As you know, Iberdrola has made an offer to buy all the Shares in ScottishPower (the **Offer**). I am writing to give you some information on the effect the Offer will have on your options under the ExSOP (the **Options**).

1 How does the Offer work?

The Offer will be carried out through a scheme of arrangement (the **Scheme**) which involves a reorganisation of the share capital of ScottishPower. The Scheme has to be approved by ScottishPower Shareholders at a court meeting and at a separate Extraordinary General Meeting which will be held on 30 March 2007. Once approved by ScottishPower Shareholders, the Scheme will only become effective if approved by the Court of Session in Edinburgh (the **Court**). This is expected to take place on 19 April 2007.

You will receive a copy of the Scheme Document for the Offer which sets out all the details of the Offer. You should read this letter with the Scheme Document.

If you have not got a copy of the Scheme Document, then please call Lloyds TSB Registrars on 0800 023 2559.

2 What will ScottishPower ADS Holders get for their ScottishPower ADSs under the Offer?

If the Offer goes ahead, ScottishPower ADS Holders will get, for each ScottishPower ADS they hold:

£16.00 in cash; and

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

0.6584 of an Iberdrola ADS.

Each Iberdrola ADS will represent one Iberdrola ordinary share. Holders of ScottishPower ADSs on the register maintained by the ScottishPower Depository at the Special Dividend Record Time, which is expected to be on 20 April 2007, will also get a special dividend of 48 pence per ScottishPower ADS (the **Special Dividend**).

3 What will happen to my Options?

If the Offer goes ahead, you will be able to exercise your Options in full conditionally on the Court approving the Scheme and the Options lapse immediately after that. This is expected to happen on 19 April 2007.* ScottishPower and Iberdrola have agreed that any performance conditions to which the Options are subject will be treated as satisfied in full.

4 What happens if I do nothing?

If you do nothing, your Options will lapse, at the latest, on the date the Court approves the Scheme and will be of no value. Therefore, Options are expected to lapse, at the latest, on 19 April 2007.

5 How do I exercise an Option in connection with the Offer?

If you want to exercise an Option in connection with the Offer, you can do so by ticking the box next to the option in Box 1 on the enclosed Form of Election and returning it within the time limit. The exercise will take effect when the Court approves the Scheme.

If the Court does not approve the Scheme by 31 July 2007, or such later date (if any) as ScottishPower and Iberdrola may agree and the Court may allow, your Form of Election will have no effect and your Option will remain as before.

6 Do I have to pay the exercise price?

If you use the enclosed Form of Election, you will not have to provide us with a cheque for the exercise price. Instead, the exercise price will be deducted from the proceeds (including the sale proceeds of any Iberdrola ADSs if necessary) to which you are entitled under the Offer. If you would prefer to provide a check, then tick Box 2 on the Form of Election and enclose a check for the exercise price (made out to Scottish Power plc) with your Form of Election.

7 What will I get if I exercise an Option?

If you decide to exercise an Option, you will get £16.00 in cash and 0.6584 of an Iberdrola ADS for each ScottishPower ADS which you receive on exercise of your Option. As each ScottishPower ADS represents four ScottishPower Shares, this is the same as other ScottishPower Shareholders are getting under the Offer.

You may, subject to the limitations described in the Scheme document, change the proportion of cash and Iberdrola ADSs using the Mix and Match Facility, see paragraph 4 of Part 4 of the Scheme Document.

You will also receive the 48p Special Dividend per ScottishPower ADS.

8 What can I do with my Iberdrola ADSs?

The Iberdrola ADSs will not be listed or traded on any exchange, so they will only be eligible for trading over-the-counter and therefore may be illiquid.

If you wish to convert your Iberdrola ADSs into the underlying New Iberdrola Shares, you will be able to present your Iberdrola ADSs to the Iberdrola Depository for cancellation and delivery of the New Iberdrola Shares underlying your Iberdrola ADSs. Any such cancellation will result in a fee of up to US\$5.00 for each 100 Iberdrola ADSs or any portion thereof issued or surrendered. Additionally, if Iberdrola terminates the Iberdrola ADR Facility, you will receive the New Iberdrola Shares underlying your Iberdrola ADSs.

The New Iberdrola Shares will be listed on the Spanish stock exchanges in Madrid, Barcelona, Bilbao and Valencia (the Bolsas de Valores) and through the Spanish Continuous Market, and their share price will be quoted in Euros. Dividends will be subject to Spanish tax. Holding Iberdrola Shares may

* All the dates in this letter assume that the Offer goes ahead on the expected timetable. If it does not, the dates will change. We will let you know if any change in the timetable is going to affect the choices you have to make in relation to your Options.

involve different and possibly unfamiliar formalities from holding ScottishPower ADSs. Please see paragraph 22 of Part 4 of the Scheme Document for more information on the Iberdrola Shares and the rights that you will have in respect of Iberdrola ADSs.

9 I would prefer to get cash rather than Iberdrola ADSs. How can I sell them?

As discussed above, the Iberdrola ADSs will only be eligible for sale over-the-counter .

10 When will I get my cash and Iberdrola ADSs?

You will get your cash (by check) and your documentation for any Iberdrola ADSs as soon as reasonably practicable after the Scheme becomes effective.

11 Can I vote on the Offer as an Optionholder?

No. Holding Options under the ExSOP (or any other option plan, arrangement or scheme) does not give you a right to vote. Only ScottishPower ADS Holders on the register as at February 20, 2007 may vote on the Offer.

12 Can I take advantage of the Mix and Match Facility?

Yes. You will, subject to the limitations described in the Scheme Document, be able to alter the proportion of cash and Iberdrola ADSs otherwise distributable to you by using the Mix & Match Facility (Box 3A and 3B) contained in the enclosed Form of Election in accordance with the instructions on the Form.

13 What happens if I leave the ScottishPower group?

If you leave or have left ScottishPower, your Option will either lapse or become exercisable for a limited period, depending on why you left. The length of that period will depend on the circumstances of your leaving. If you left for reasons of injury, disability, ill health, retirement, the business or company by which you were employed being transferring out of the ScottishPower group or redundancy, your Option will have become exercisable for a period ending on the later of 12 months after the date of cessation and 42 months after the date of grant. But, whatever that period may be, your Option will lapse when the court approves the Offer if that is earlier than the end of the period.

If your Option is going to lapse before 19 April 2007, **do not use the Form of Election**. Instead, use the exercise documents sent to you when you left. You will get ScottishPower ADSs and will be able to participate in the Offer like any other ScottishPower ADS Holder.

14 What do I do now?

If you want to exercise an Option, complete and return the enclosed Form of Election to Lloyds TSB Offshore Trustee Company Limited in the pre-paid envelope provided.

Your Form of Election must be received by no later than 12.00 noon on 12 April 2007 or it will be of no effect and your Option will, in due course, lapse.

If you have any further queries on the Offer generally, call Lloyds TSB Registrars on +44800 023 2559. If you have queries on how it affects your Options, you should call Lloyds TSB Offshore Trust Company Limited on +441534 604706.

Yours sincerely

Sheelagh Duffield

Company Secretary and Corporate Legal Director

This announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities in any jurisdiction. The Iberdrola ADSs will only be distributed to existing ScottishPower ADS Holders. The New Iberdrola Shares to be issued to ScottishPower Shareholders and the Iberdrola ADSs to be issued to ScottishPower ADS Holders under the terms of the Scheme or pursuant to any exercise of an Option under the Plan have not been, and will not be, registered under the US Securities Act, or under the securities laws of any state, district or other jurisdiction of the United States, or of Canada, Australia or Japan and no regulatory clearances in respect of the New Iberdrola Shares or the Iberdrola ADSs have been, or will be applied for in any jurisdiction. The New Iberdrola Shares and the Iberdrola ADSs and, if applicable, certain New Iberdrola Shares and Iberdrola ADSs issued under the Plan, will be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof based on Court approval of the Scheme. For the purpose of qualifying for this exemption from the registration requirements of the US Securities Act, ScottishPower will advise the Court that its sanctioning of the Scheme will be relied upon by ScottishPower and Iberdrola as an approval of the Scheme, following a hearing on its fairness to ScottishPower Shareholders, at which hearing all such shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the Scheme and with respect to which notification has been given to all such shareholders.

Shareholders who may be deemed to be affiliates of ScottishPower for the purposes of the US Securities Act before implementation of the Scheme or of Iberdrola before or after implementation of the Scheme will be subject to restrictions on the sale of New Iberdrola Shares and the Iberdrola ADSs received in connection with the Scheme under Rule 145(d) of the US Securities Act. ScottishPower Shareholders who are affiliates may, in addition to re-selling their New Iberdrola Shares or their Iberdrola ADSs in the manner permitted by Rule 145(d) under the US Securities Act, also sell their New Iberdrola Shares under any other available exemption under the US Securities Act, including Regulation S.

Shareholders who may be deemed to be affiliates of ScottishPower or Iberdrola include individuals who, or entities that, control directly or indirectly, or are controlled by or are under common control with, ScottishPower or Iberdrola and would include certain officers and directors of ScottishPower and Iberdrola and may include certain significant shareholders.

If Iberdrola determines to implement the Offer by way of a Takeover Offer rather than the Scheme, Iberdrola will, to the extent that the New Iberdrola Shares or the Iberdrola ADSs issued in connection with the Offer are required to be registered in the United States, file a registration statement on Form F-4, which will include a prospectus, with the SEC and ScottishPower will file a Solicitation/Recommendation Statement on Schedule 14D-9. Investors are strongly advised to read the documents that will be made available to them, including the registration statement, prospectus and Solicitation/ Recommendation Statement on Schedule 14D-9, if and when available, and any other relevant documents made available to them and/or the SEC or other applicable regulatory authorities, as well as any amendments or supplements to those documents, because they will contain important information regarding Iberdrola, ScottishPower and the Offer. If and when filed, investors may obtain free copies of the registration statement and the prospectus as well as other relevant documents filed with the SEC, at the SEC's web site at www.sec.gov and will receive information at an appropriate time on how to obtain these transaction-related documents for free from the parties involved or a duly appointed agent.

The Loan Notes to be issued pursuant to the Loan Note Alternative have not been, and will not be, listed on any stock exchange and have not been, and will not be registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States.

No US federal or state Securities Commission has approved, disapproved, endorsed or recommended the offer of the New Iberdrola Shares or the Iberdrola ADSs, nor has it expressed a view on the adequacy of this document. Any representation to the contrary is a criminal offence in the United States.

To holders of Options under the PacifiCorp Stock Incentive Plan (**Plan**)

Dear Optionholder

Iberdrola s offer for ScottishPower plc your options under the Plan

As you know, Iberdrola has made an offer to buy all the Shares in ScottishPower (the **Offer**). I am writing to give you some information on the effect the Offer will have on your options under the Plan (the **Options**).

1 How does the Offer work?

The Offer will be carried out through a scheme of arrangement which involves a reorganisation of the share capital of ScottishPower (the **Scheme**). The Scheme has to be approved by ScottishPower Shareholders at a court meeting and at a separate Extraordinary General Meeting which will be held on March 30, 2007. Once approved by ScottishPower Shareholders, the Scheme will only become effective if approved by the Court of Session in Edinburgh (the **Court**). This is expected to take place on April 19, 2007.

You will receive a copy of the Scheme Document for the Offer which sets out all the details of the Offer. You should read this letter with the Scheme Document.

If you have not got a copy of the Scheme Document, then please call Georgeson on +1 800 657 4988.

2 What will ScottishPower ADS Holders get for their ScottishPower ADSs under the Offer?

If the Offer goes ahead, ScottishPower ADS Holders will get, for each ScottishPower ADS they hold:

£16.00 in cash; and

0.6584 of an Iberdrola ADS.

Each Iberdrola ADS will represent one Iberdrola ordinary share. Holders of ScottishPower ADSs at the Special Dividend Record Time will also get a special dividend of 48 pence per ScottishPower ADS (the **Special Dividend**).

You can elect to change the properties of cash and Iberdrola ADSs using the mix and match facility, subject to the terms set out in the Scheme Document.

3 What will happen to my Options?

You may elect to exercise your Option (prior to their expiration under their terms) in connection with the Offer, in which case your Option will be exercised as at the date the Court approves the Scheme and the choices set out in this letter will be available to you. If you choose to exercise your Option in connection with the Offer, you should complete the Form of Election accompanying this letter.

Alternatively, as your Option is already exercisable, you may choose to exercise your Option prior to the Court's approval of the Scheme, in which case you would receive ScottishPower ADSs and could then participate in the Offer on the same terms as any other ScottishPower ADS Holder, see paragraph 22 of Part 4 of the Scheme Document. If you wish to exercise your Option in accordance with their terms before the Court approves the Scheme (this is expected to happen on April 19, 2007*), you should use the exercise documentation provided to you previously and not the Form of Election accompanying this letter.

4 How do I exercise an Option in connection with the Offer?

If you want to exercise an Option in connection with the Offer, you can do so by ticking Box 1 in the enclosed Form of Election and returning it by April 12, 2007. The exercise will take effect when the Court approves the Scheme.

If the Court does not approve the Scheme by July 31, 2007 or such later date (if any) as ScottishPower and Iberdrola may agree and the Court may allow, your Form of Election will have no effect, and your option will remain as before.

5 What happens if I do nothing?

If you do nothing, your Option will be treated as having been exercised as of the Court approval of the Scheme and you will be deemed to have accepted the Offer as set out in paragraph 2 above.

6 Do I have to pay the exercise price?

If you use the enclosed Form of Election to exercise your Option, you do not have to provide a check for the exercise price. Instead, the exercise price will be deducted from the proceeds (including the sale proceeds of any Iberdrola ADSs if necessary) to which you are entitled under the Offer.

If you would prefer to provide a check (e.g. because you want to take more Iberdrola ADSs instead of cash under the Mix and Match Facility) then tick Box 2 on the Form of Election and enclose a check for the exercise price (made out to Scottish Power plc) with your Form of Election.

7 What will I get if I exercise my Option using the existing exercise documentation provided to me previously?

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

If you decide to exercise your Options before the Court approves the Scheme using the exercise documentation provided to you previously, you will become a holder of ScottishPower ADSs as of the effective date of Option exercise. In the event that the Scheme becomes effective, you will get £16 in cash, 0.6584 of an Iberdrola ADS and the 48 pence Special Dividend for each ScottishPower ADS which you received on exercise of your Option. As your ScottishPower ADSs each represent four ScottishPower Shares, this is equivalent to what other ScottishPower Shareholders will receive under the Offer upon the Scheme becoming effective.

You will receive a check from the ScottishPower Depositary in US Dollars for the cash portion of the Offer consideration with respect to your ScottishPower ADSs (less any deductions in respect of the exercise price and taxes). Fractional Iberdrola ADSs will not be issued, and instead will be aggregated and sold in the market and you will get your share of the proceeds.

* All the dates in this letter assume that the Offer goes ahead on the expected timetable. If it does not, the dates will change. We will let you know if any change in the timetable is going to affect the choices you have to make in relation to your Options.

See the Scheme Document for treatment of ScottishPower ADSs in the offer and choices available to holders of ScottishPower ADSs.

8 What will I get if I exercise my Option using the Form of Election accompanying this letter?

You will become a holder of ScottishPower ADSs when the exercise of your Option takes effect on Court approval of the Scheme. However, the resulting ScottishPower ADSs will be exchanged for cash and Iberdrola ADSs under the terms of the Offer upon the Scheme becoming effective. Because of this, you will not get an American Depositary Receipt for your ScottishPower ADSs but you will, in due course, get cash and Iberdrola ADSs as consideration for the ScottishPower ADSs issued upon Option exercise. You will also receive a 48p Special Dividend per ScottishPower ADS.

You may, subject to the limitations described in the Scheme Document, change the proportion of cash and Iberdrola ADSs using the Mix and Match Facility, see paragraph 4 of Part 4 of the Scheme Document.

9 What can I do with my Iberdrola ADSs?

The Iberdrola ADSs will not be listed or traded on any exchange, so they will only be eligible for trading over-the-counter and therefore may be illiquid.

If you wish to convert your Iberdrola ADSs into the underlying New Iberdrola Shares, you will be able to present your Iberdrola ADSs to the Iberdrola Depository for cancellation and delivery of the New Iberdrola Shares underlying your Iberdrola ADSs. Any such cancellation will result in a fee of up to US\$5.00 for each 100 Iberdrola ADSs (or any portion thereof issued or surrendered). Additionally, if Iberdrola terminates the Iberdrola ADR Facility, you will receive the New Iberdrola Shares underlying your Iberdrola ADSs.

The New Iberdrola Shares will be listed on the Spanish stock exchanges in Madrid, Barcelona, Bilbao and Valencia (the Bolsas de Valores) and through the Spanish Continuous Market, and their share price will be quoted in Euros. Dividends will be subject to Spanish tax. Holding Iberdrola Shares may involve different and possibly unfamiliar formalities from holding ScottishPower ADSs. Please see paragraph 22 of Part 4 of the Scheme Document for more information on the Iberdrola Shares and the rights that you will have in respect of Iberdrola ADSs.

10 I would prefer to get cash rather than Iberdrola ADSs. How can I sell them?

As discussed above, the Iberdrola ADSs will only be eligible for sale over-the-counter .

11 When will I get my cash and Iberdrola ADSs?

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

You will get your cash (by check) and your documentation for any Iberdrola ADSs as soon as reasonably practicable after the Scheme becomes effective. If you exercise your option prior to the Court's approval of the Scheme, you will be required to submit a letter of transmittal in order to receive your consideration like other ScottishPower ADS Holders, as explained in the Scheme Document.

12 What are the tax consequences of exercising my Options?

Any US federal income, social security and Medicare taxes due will be withheld through payroll by your local employer at the time of exercise, and remitted to the tax authorities. If the required withholding amounts are not sufficient to cover applicable taxes, you will be responsible for any additional tax liability. See the Scheme Document for the tax treatment of such ScottishPower ADSs in the Offer.

13 Can I vote on the Offer as an Optionholder?

No. Holding Options under the Plan (or any other option plan, arrangement or scheme) does not give you a right to vote. Only ScottishPower ADS Holders who hold ScottishPower ADSs as of February 20, 2007 may vote on the Offer.

14 Can I take advantage of the Mix and Match Facility?

Yes, but only if you exercise your Options in connection with the Offer or in time to make an election in respect of your ScottishPower ADSs by April 4, 2007, like other ScottishPower ADS Holders. You may, subject to the limitations described in the Scheme Document, be able to alter the proportion of cash and Iberdrola ADSs otherwise distributable to you by using the Mix & Match Election contained in the enclosed Form of Election.

15 What happens if I leave the ScottishPower group?

If you leave or have left the ScottishPower group, your Option will lapse in accordance with its terms. The Offer does not extend the term of any Option or amend your Option in any way. The length of the period during which an Option may be exercised following terminated employment generally depends on the circumstances of your leaving.

If your Option is going to lapse before April 19, 2007, **do not use the Form of Election**. Instead, you must use the exercise documents previously provided to you if you wish to exercise your Option. You will get ScottishPower ADSs upon valid exercise of such Options and will be able to participate in the Offer in the same way as any other ScottishPower ADS Holder.

16 What do I do now?

If you want to exercise your Option in connection with the Offer, complete and return the enclosed Form of Election to ScottishPower shareholder services department in the pre-paid envelope provided.

Your Form of Election must be received by no later than April 12, 2007. If you do nothing, your Option will be treated as having been exercised as of the Court approval of the Scheme and you will be deemed to have accepted the Offer as set out in paragraph 2 above.

If you wish to exercise your Options independently of the Offer, use the documentation and forms previously provided to you for Option exercise.

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

If you are a ScottishPower ADS Holder and you have questions relating to the Offer, please call Georgeson on +1 800 657 4988 between 9.00 a.m. and 11.00 p.m. (New York time). Please note that calls to these numbers may be monitored and recorded, and no advice on the merits of the Scheme or the Offer nor any financial or tax advice can be given.

This announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities in any jurisdiction. The Iberdrola ADSs will only be distributed to existing ScottishPower ADS Holders. The New Iberdrola Shares to be issued to ScottishPower Shareholders and the Iberdrola ADSs to be issued to ScottishPower ADS Holders under the terms of the Scheme or pursuant to any exercise of an Option under the Plan have not been, and will not be, registered under the US Securities Act, or under the securities laws of any state, district or other jurisdiction of the United States, or of Canada, Australia or Japan and no regulatory clearances in respect of the New Iberdrola Shares or the Iberdrola ADSs have been, or will be applied for in any jurisdiction. The New Iberdrola Shares and the Iberdrola ADSs and, if applicable, certain New Iberdrola Shares and Iberdrola ADSs issued under the Plan, will be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof based on Court approval of the Scheme. For the purpose of qualifying for this exemption from the registration requirements of the US Securities Act, ScottishPower will advise the Court that its sanctioning of the Scheme will be relied upon by ScottishPower and Iberdrola as an approval of the Scheme, following a hearing on its fairness to ScottishPower Shareholders, at which hearing all such shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the Scheme and with respect to which notification has been given to all such shareholders.

Shareholders who may be deemed to be affiliates of ScottishPower for the purposes of the US Securities Act before implementation of the Scheme or of Iberdrola before or after implementation of the Scheme will be subject to restrictions on the sale of New Iberdrola Shares and the Iberdrola ADSs received in connection with the Scheme under Rule 145(d) of the US Securities Act. ScottishPower Shareholders who are affiliates may, in addition to re-selling their New Iberdrola Shares or their Iberdrola ADSs in the manner permitted by Rule 145(d) under the US Securities Act, also sell their New Iberdrola Shares under any other available exemption under the US Securities Act, including Regulation S.

Shareholders who may be deemed to be affiliates of ScottishPower or Iberdrola include individuals who, or entities that, control directly or indirectly, or are controlled by or are under common control with, ScottishPower or Iberdrola and would include certain officers and directors of ScottishPower and Iberdrola and may include certain significant shareholders.

If Iberdrola determines to implement the Offer by way of a Takeover Offer rather than the Scheme, Iberdrola will, to the extent that the New Iberdrola Shares or the Iberdrola ADSs issued in connection with the Offer are required to be registered in the United States, file a registration statement on Form F-4, which will include a prospectus, with the SEC and ScottishPower will file a Solicitation/Recommendation Statement on Schedule 14D-9. Investors are strongly advised to read the documents that will be made available to them, including the registration statement, prospectus and Solicitation/Recommendation Statement on Schedule 14D-9, if and when available, and any other relevant documents made available to them and/or the SEC or other applicable regulatory authorities, as well as any amendments or supplements to those documents, because they will contain important information regarding Iberdrola, ScottishPower and the Offer. If and when filed, investors may obtain free copies of the registration statement and the prospectus as well as other relevant documents filed with the SEC, at the SEC's web site at www.sec.gov and will receive information at an appropriate time on how to obtain these transaction-related documents for free from the parties involved or a duly appointed agent.

The Loan Notes to be issued pursuant to the Loan Note Alternative have not been, and will not be, listed on any stock exchange and have not been, and will not be registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States.

No US federal or state Securities Commission has approved, disapproved, endorsed or recommended the offer of the New Iberdrola Shares or the Iberdrola ADSs, nor has it expressed a view on the adequacy of this document. Any representation to the contrary is a criminal offence in the United States.

Each of Morgan Stanley & Co. Limited and Morgan Stanley & Co. International Limited are acting exclusively for ScottishPower and no one else in connection with the Offer and will not be responsible to anyone other than ScottishPower for providing the protections afforded to their clients nor for providing advice in relation to the Offer or the Scheme.

The ScottishPower Board, which has been so advised by Morgan Stanley & Co. Limited, considers the proposals set out in this document and the Form of Election to be fair and reasonable. In providing advice to the ScottishPower Board, Morgan Stanley & Co. Limited has taken into account the commercial assessments of the ScottishPower Board.

February 26, 2007

To holders of Options under the PacifiCorp Stock Incentive Plan (**Plan**)

Dear Optionholder

Iberdrola s offer for ScottishPower plc your options under the Plan

As you know, Iberdrola has made an offer to buy all the Shares in ScottishPower (the **Offer**). I am writing to give you some information on the effect the Offer will have on your options under the Plan (the **Options**).

1 How does the Offer work?

The Offer will be carried out through a scheme of arrangement (the **Scheme**) which involves a reorganisation of the share capital of ScottishPower. The Scheme has to be approved by ScottishPower Shareholders at a court meeting and at a separate Extraordinary General

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

Meeting which will be held on March 30, 2007. Once approved by ScottishPower Shareholders, the Offer will only become effective if approved by the Court of Session in Edinburgh (the **Court**). This is expected to happen on 19 April 2007.

You will received a copy of the Scheme Document for the Offer which sets out all the details of the Offer. You should read this letter with the Scheme Document.

If you have not got a copy of the Scheme Document, then please call Georgeson on +1 800 657 4988.

2 What will ScottishPower ADS Holders get for their ScottishPower ADSs under the Offer?

If the Offer goes ahead, ScottishPower ADS Holders will get, for each ScottishPower ADS they hold:

£16.00 in cash; and

0.6584 of an Iberdrola ADS.

Each Iberdrola ADS will represent one Iberdrola Share. Those who are ScottishPower ADS Holders at the Special Dividend Record Time will also get a special dividend of 48 pence per ScottishPower ADS (the **Special Dividend**).

3 What will happen to my Options?

As your Options are already exercisable, you will be able to exercise your Options in full up until March 21, 2007. If you do not exercise your Options before this date, your Options will lapse, you will not be able to exercise them at a later date and you will not be able to participate in the Offer.

4 How do I exercise an Option?

If you want to exercise an Option, you can do so by calling Smith Barney on 866 477 1529. **Which must be by March 21, 2007 at the latest.**

5 What happens if I do nothing?

If you do nothing, your Option will lapse, at the latest, on March 21, 2007 and will be of no value.

6 What will I get if I exercise an Option?

If you decide to exercise your Options, you will receive the number of ScottishPower ADSs subject to your Options as set out in your award agreement. You will then be able to participate in the Offer on the same basis as other ScottishPower ADS Holders.

This means that in the event the Court approves the Scheme, you will get £16 in cash and 0.6584 of an Iberdrola ADS and the 48 pence Special Dividend for each ScottishPower ADS which you hold. As your ScottishPower ADSs each represent four ScottishPower Shares, this is the same as other ScottishPower Shareholders are getting under the Offer upon the Scheme becoming effective.

You will receive a check from the ScottishPower Depository in US Dollars for the cash portion of the consideration with respect to your ScottishPower ADSs.

If you are entitled under the Offer to a fraction of an Iberdrola ADS, it will be added to other people's fractions and the resulting Iberdrola ADSs will be sold in the market and you will get your share of the proceeds.

7 What can I do with my Iberdrola ADSs?

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

The Iberdrola ADSs will not be listed or traded on any exchange, so they will only be eligible for trading over-the-counter and therefore may be illiquid.

If you wish to convert your Iberdrola ADSs into the underlying New Iberdrola Shares, you will be able to present your Iberdrola ADSs to the Iberdrola Depository for cancellation and delivery of the New Iberdrola Shares underlying your Iberdrola ADSs. Any such cancellation will result in a fee of up to US\$5.00 for each 100 Iberdrola ADSs or any portion thereof issued or surrendered. Additionally, if Iberdrola terminates the Iberdrola ADR Facility, you will receive the New Iberdrola Shares underlying your Iberdrola ADSs.

The New Iberdrola Shares will be listed on the Spanish stock exchanges in Madrid, Barcelona, Bilbao and Valencia (the Bolsas de Valores) and through the Spanish Continuous Market, and their share price will be quoted in Euros. Dividends will be subject to Spanish tax. Holding Iberdrola Shares may involve different and possibly unfamiliar formalities from holding ScottishPower ADSs. Please see paragraph 22 of Part 4 of the Scheme Document for more information on the Iberdrola Shares and the rights that you will have in respect of Iberdrola ADSs.

8 I would prefer to get cash rather than Iberdrola ADSs. How can I sell them?

As discussed above, the Iberdrola ADSs will only be eligible for sale over-the-counter .

9 When will I get my cash and Iberdrola ADSs?

You will get your cash (by check) and your documentation for any Iberdrola ADSs as soon as reasonably practicable after the Scheme becomes effective and you have submitted the required ADS Letter of Transmittal, as explained in the Scheme Document.

10 What are the tax consequences of exercising my Options?

Any federal income, social security and Medicare taxes due will be withheld through payroll by your local employer at the time of exercise, and remitted to the tax authorities. If the required withholding amounts are not sufficient to cover applicable taxes, you will be responsible for any additional tax liability. See the Scheme Document for details of the tax treatment of such ScottishPower ADSs in the Offer.

11 Can I vote on the Offer?

Only ScottishPower ADS Holders who held ScottishPower ADSs as of February 20, 2007 may vote on the Offer.

12 Can I take advantage of the Mix and Match Facility?

Yes. If you do not wish to receive the consideration to which you may become entitled under the Offer as described above (£16 in cash, 48 pence Special Dividend and 0.6584 of an Iberdrola ADS for each ScottishPower ADS held), you can alter the proportion of cash and shares by using the Mix & Match Election, subject to the terms set out in the Scheme Document.

13 What do I do now?

If you want to exercise your Option, call Smith Barney on +1866 477 1529 no later than March 21, 2007 or the exercise will be of no effect and your Option will lapse.

If you do not want to exercise your Option, you do not need to do anything.

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

If you are a ScottishPower ADS Holder and you have questions relating to the Offer, please call on Georgeson on +1 800 657 4988 between 9.00 a.m. and 11.00 p.m. (New York time). Please note that calls to these numbers may be monitored and recorded, and no advice on the merits of the Scheme or the Offer nor any financial or tax advice can be given.
