 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 1.01. Entry into a Material Definitive Agreement.

On June 11, 2007, Luna Innovations Incorporated (Luna) entered into a multi-year intellectual property licensing, development and supply agreement (the Agreement) with Intuitive Surgical, Inc. (Intuitive) pursuant to which Luna and Intuitive will collaborate on integrating Luna's fiber-optic shape-sensing product into Intuitive's minimally-invasive robotic surgical products. In addition, Luna granted to Intuitive certain royalty-free licenses.

Under the Agreement, both Luna and Intuitive are obligated to use commercially reasonable efforts to meet certain development criteria. Luna is to develop a fiber optic-based shape-sensing product that meets certain specifications, and Intuitive shall share its technology with Luna as necessary to support Luna's performance of such development obligations. Following the completion of the development work specified in the Agreement, Luna is obligated to use commercially reasonable efforts to supply Intuitive with all of Intuitive's commercial requirements of the shape-sensing product that Luna develops under that Agreement. Intuitive is obligated to purchase its reasonable commercial requirements of certain shape-sensing products from Luna and to purchase a minimum number of such products from Luna over the term of the Agreement subject to certain termination rights of the parties and to other limitations.

Pursuant to the Agreement, Intuitive agreed to pay Luna certain fees including an up-front license fee, development fees payable in quarterly installments over the initial year-and-a-half period following the date of the Agreement, and certain other fees, subject to certain termination rights by Intuitive and other rights of repayment or reduction. Such fees do not include the minimum purchase requirements of Intuitive, which are subject to the successful completion of the development criteria and certain other terms and conditions. Transfer pricing for the shape-sensing products supplied by Luna is based on certain Luna costs plus an agreed upon formula.

A copy of the Agreement is attached hereto as Exhibit 10.1, and a press release announcing the Agreement is attached hereto as Exhibit 99.1

Item 9.01(d). Exhibits
