Dear Shareholder:

We will soon be sending you our proxy statement and annual report for Luby's 2008 Annual Meeting of Shareholders. The Annual Meeting will take place on Tuesday, January 15, 2008, in Houston, Texas. As you may know, a dissident shareholder, Ramius Capital Group, L.L.C., a New York City-based hedge fund, and its affiliates have nominated four individuals for election to your Board. **Your Board of Directors strongly urges you NOT to take any action in response to the dissident shareholder until you receive the Company's proxy materials and have a chance to vote the Company's WHITE proxy card.**

LUBY'S HAS THE RIGHT BOARD OF DIRECTORS IN PLACE

YOUR BOARD IS COMMITTED TO CREATING VALUE FOR ALL LUBY'S SHAREHOLDERS

Luby's Board of Directors is independent, diverse and open-minded, and our interests are closely aligned with those of all Luby's shareholders. Luby's ten-member Board includes **a majority of independent directors, an independent chairman,** and the Company's CEO, Chris Pappas, and COO, Harris Pappas. Collectively, Chris and Harris Pappas have 60-years of combined experience and leadership in the restaurant industry.

Your Board has the necessary depth and breadth of expertise in areas that are critical to Luby's continued success. Luby's directors are veterans in restaurant management, public company leadership, real estate, finance, accounting, marketing, law and customer relations. **Each of your directors is a seasoned industry leader who is actively engaged in building shareholder value and positioning Luby's for profitable growth.**

Luby's has benefited immensely since 2001 from the leadership of your Board and Chris and Harris Pappas. Under the Pappas stewardship, Luby's has returned to profitability; eliminated more than \$120 million of debt, and today is debt-free; and experienced same-store sales growth through improvements in our overall product offering and better store-level execution.

Chris and Harris Pappas believe strongly in Luby's strategic growth plan and future prospects. We are pleased to advise you that **Chris and Harris Pappas have:**

agreed to remain CEO and COO of Luby's until at least August 31, 2009 and have extended their employment contracts with no increase in salary;

invested an additional \$11.2 million in Luby's, increasing their collective ownership to 24% of Luby's outstanding shares from 17% as a result of the exercise of stock options granted in 2001; and

obtained the right to increase their investment to 33% of Luby's outstanding shares without further Board approval.

No one has more at stake in Luby's than Chris and Harris Pappas, and your Board is extremely pleased with the Company's progress under their leadership and with their continued commitment to Luby's.

YOUR BOARD AND MANAGEMENT TEAM REGULARLY AND CAREFULLY EVALUATE THE BEST WAY TO CREATE VALUE FOR ALL LUBY S SHAREHOLDERS

As part of your Board s ongoing commitment to enhancing shareholder value, we regularly consider a range of strategies to continue to improve the Company s operational and financial performance. Luby s supports open communications with all of its shareholders and we welcome input toward the goal of improving shareholder value. In particular we have considered certain recommendations for financial engineering and releveraging the Company s balance sheet through the sale and leaseback of our real estate that were suggested earlier this year by the dissident shareholder.

After careful consideration, your Board determined that, at this time, the continued execution of the Company s focused strategic growth plan is in the best interests of the Company and its shareholders and provides the greatest opportunity to create long-term shareholder value. In particular, we believe that by owning rather than leasing our properties, we generate better operating margins and greater cash flow returns, which better positions the Company for growth.

YOUR BOARD IS FIRMLY COMMITTED TO ENHANCING VALUE FOR ALL

SHAREHOLDERS THROUGH CONTINUED EXECUTION OF LUBY S STRATEGIC GROWTH PLAN

Prior to the change in leadership of your Board and management team, which began with the investment of Chris and Harris Pappas in late 2000, there was a sentiment in the marketplace that cafeterias were no longer a viable business. Over the last several years your Board, management team and our dedicated employees have made significant progress, clearly proving that Luby s cafeteria concept and brand are strong and desired by our customers. **We are committed to building upon this important momentum and are focused on capitalizing on the growth opportunities in our core Texas market and beyond.**

Earlier this year, your Board and management team announced a new strategic growth plan designed to create long-term shareholder value. Key elements include:

Growing Our Footprint: The first new prototype opened in Cypress, Texas on August 17th, and is already outperforming the system average. It is on pace to generate an annual unit volume (AUV) in excess of \$3.25 million, an increase of 30% as compared to Luby s current AUV of \$2.5 million. We anticipate building 45 to 50 of these new stores over the next five years, positioning Luby s into the growing fast casual dining category. We are confident that the prototype s improved operations and design will allow us to achieve greater returns than our current per unit system averages. We intend to build and operate new Luby s cafeteria style restaurants in growing areas of our existing markets and expand to new selected growth markets.

Investing In Our Existing Restaurants: In addition to new stores, we will continue to update our existing locations to further enhance the dining experience of our guests. Our restaurant management team continues to focus on ensuring execution of Luby s standards of food quality, service and profitability.

Expanding Our Culinary Contract Services Business: This year we have grown our culinary contract business from one account to eight accounts. We are currently targeting the healthcare sector, where we provide food services for large healthcare facilities. For example, our new dining facility at Baylor College of Medicine has already been well -received by customers and is performing in line with our expectations.

**WE URGE ALL LUBY S SHAREHOLDERS TO SUPPORT YOUR BOARD
AND SENIOR MANAGEMENT TEAM**

Your Board and management team have demonstrated our unwavering commitment to building value for all Luby s shareholders and have positioned Luby s for sustainable and profitable growth through the implementation of our new strategic growth plan. **We strongly urge all Luby s shareholders to support your Board of Directors and NOT take any action in response to the dissident shareholder until you receive the Company s proxy materials and have a chance to review them and vote the Company s WHITE proxy card.**
