Section 2. Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On October 14, 2008, we assumed approximately 46,000 homeowners' insurance policies from Citizens Property Insurance Corporation, an entity created by the Legislature of the State of Florida. We assumed the policies pursuant to Florida's take-out program, designed to reduce the State's risk exposure by encouraging private insurance companies to assume policies from the state controlled insurance company. Under the program, we assume the risk under the policies on October 14, 2008, Citizens continues to service the policies until expiration and we receive from Citizens unearned premiums associated with the policies, less ceding commissions retained by Citizens. Policyholders may opt out of the program any time and remain with Citizens.
