Item 1.01 Entry into a Material Definitive Agreement

On June 19, 2009, we entered into indemnification agreements with each of our directors, executive officers and four other members of senior management, and access agreements with each of our directors.

The indemnification agreements provide rights that supplement those provided under Delaware law and in our Fourth Amended and Restated Bylaws. These agreements provide for the indemnification of the director or officer for certain reasonable expenses and liabilities incurred in connection with any action, suit or proceeding to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director, officer, employee or agent of the company, by reason of any action or inaction by them while serving as an officer, director or agent, or by reason of the fact that they were serving at our request as a director, officer, employee or agent of another entity.

Under the indemnification agreements, indemnification will only be provided in situations where the indemnified parties acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interest, and, with respect to any criminal action or proceeding, to situations where they had no reasonable cause to believe the conduct was unlawful. In the case of an action or proceeding by or in the right of the company or any of our subsidiaries, no indemnification will be provided for any claim where a court determines that the indemnified party is liable to us unless the court determines that indemnification is proper.

The access agreements provide our directors rights of access to certain corporate documents in connection with any action, suit or proceeding to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director of the company, by reason of any action or inaction by them while serving as a director, or by reason of the fact that they were serving at our request as a director of another entity.

We believe that the indemnification agreements and access agreements are necessary to attract and retain qualified persons as directors and officers.

The agreements are substantially in the form of the indemnification agreement attached to this 8-K as Exhibit 10.1, and the access agreement attached as Exhibit 10.2, which are incorporated here by reference. We expect to enter into similar agreements from time to time with newly appointed members of our board of directors or senior management.
